12	A. In the event the appropriation in this Item proves to be insufficient to fund all of its				
13	provisions, any amount remaining as of June 1, 2017, and June 1, 2018, may be				
14	reallocated among localities on a pro rata basis according to such deficiency.				
15	B. For the purposes of this Item, the following definitions shall be applicable:				
16	1. Effective sentence--a convicted offender's sentence as rendered by the court less any				
17	portion of the sentence suspended by the court.				
18	2. Local responsible inmate--(a) any person arrested on a state warrant and incarcerated in				
19	a local correctional facility, as defined by § 53.1-1, Code of Virginia, prior to trial; (b) any				
20	person convicted of a misdemeanor offense and sentenced to a term in a local correctional

24	the sum of consecutive effective sentences for felonies, committed on or after January 1,				
25	1995, is (i) more than 12 months or (ii) one year or more, or (b) the sum of consecutive				
26	effective sentences for felonies, committed before January 1, 1995, is more than two				
27	years.				
28	C. The individual or entity responsible for operating any facility which receives funds				
29	from this Item may, if requested by the Department of Corrections, enter into an				
30	agreement with the department to accept the transfer of convicted felons, from other local				
31	facilities or from facilities operated by the Department of Corrections. In entering into any				
32	such agreements, or in effecting the transfer of offenders, the Department of Corrections				
33	shall consider the security requirements of transferred offenders and the capability of the				
34	local facility to maintain such offenders. For purposes of calculating the amount due each				
35	locality, all funds earned by the locality as a result of an agreement with the Department of				
36	Corrections shall be included as receipts from these appropriations.				
37	D. Out of this appropriation, an amount not to exceed \$377,010 the first year and				
38	\$377,010 the second year from the general fund, is designated to be held in reserve for				
39	unbudgeted medical expenses incurred by local correctional facilities in the care of state				
40	responsible felons.				
41	E. The following amounts shall be paid out of this appropriation to compensate localities				
42	for the cost of maintaining prisoners in local correctional facilities, as defined by § 53.1-1,				
43	Code of Virginia, or if the prisoner is not housed in a local correctional facility, in an				
44	alternative to incarceration program operated by, or under the authority of, the sheriff or				
45	jail board:				
46	1. For local responsible inmates--\$4 per inmate day, or, if the inmate is housed and				
47	maintained in a jail farm not under the control of the sheriff, the rate shall be \$18 per				
48	inmate day.				
49	2. For state responsible inmates--\$12 per inmate day.				
50	F. For the payment specified in paragraph E 1 of this Item for prisoners in alternative				
51	punishment or alternative to incarceration programs:				

ITEM 70.		Item Details(\$)		Appropriations(\$)	
		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	1. Such payment is intended to be made for prisoners that would otherwise be housed in a				
2	local correctional facility. It is not intended for prisoners that would otherwise be sentenced to				
3	community service or placed on probation.				
4	2. No such payment shall be made unless the program has been approved by the Department				
5	of Corrections or the Department of Criminal Justice Services. Alternative punishment or				
6	alternative to incarceration programs, however, may include supervised work experience,				
7	treatment, and electronic monitoring programs.				
8	G.1. Except as provided for in paragraph G 2, and notwithstanding any other provisions of				
9	this Item, the Compensation Board shall provide payment to any locality with an average				
10	daily jail population of under ten in FY 1995 an inmate per diem rate of \$22 per day for local				
11	responsible inmates and \$28 per day for state responsible inmates held in these jails in lieu of				
12	personal service costs for corrections' officers.				
13	2. Any locality covered by the provisions of this paragraph shall be exempt from the				
14	provisions thereof provided that the locally elected sheriff, with the assistance of the				
15	Compensation Board, enters into good faith negotiations to house his prisoners in an existing				
16	local or regional jail. In establishing the per diem rate and capital contribution, if any, to be				
17	charged to such locality by a local or regional jail, the Compensation Board and the local				
18	sheriff or regional jail authority shall consider the operating support and capital contribution				
19	made by the Commonwealth, as required by §§ 15.2-1613, 15.2-1615.1, 53.1-80, and 53.1-81,				
20	Code of Virginia. The Compensation Board shall report periodically to the Chairmen of the				
21	House Appropriations and Senate Finance Committees on the progress of these negotiations				
22	and may withhold the exemption granted by this paragraph if, in the board's opinion, the local				
23	sheriff fails to negotiate in good faith.				
24	H.1. The Compensation Board shall recover the state-funded costs associated with housing				
25	federal inmates, District of Columbia inmates or contract inmates from other states. The				
26	Compensation Board shall determine, by individual jail, the amount to be recovered by the				
27	Commonwealth by multiplying the jail's current inmate days for this population by the				
28	proportion of the jail's per inmate day salary funds provided by the Commonwealth, as				
29	identified in the most recent Jail Cost Report prepared by the Compensation Board. Beginning				
30	July 1, 2009, the Compensation Board shall determine, by individual jail, the amount to be				
31	recovered by the Commonwealth by multiplying the jail's current inmate days for this				
32	population by the proportion of the jail's per inmate day operating costs provided by the				
33	Commonwealth, excluding payments otherwise provided for in this Item, as identified in the				
34	most recent Jail Cost Report prepared by the Compensation Board. If a jail is not included in				
35	the most recent Jail Cost Report, the Compensation Board shall use the statewide average of				
36	per inmate day salary funds provided by the Commonwealth.				
37	2. The Compensation Board shall deduct the amount to be recovered by the Commonwealth				
38	from the facility's next quarterly per diem payment for state-responsible and local-responsible				
39	inmates. Should the next quarterly per diem payment owed the locality not be sufficient				
40	against which to net the total quarterly recovery amount, the locality shall remit the remaining				
41	amount not recovered to the Compensation Board.				
42	3. Any local or regional jail which receives funding from the Compensation Board shall give				
43	priority to the housing of local-responsible, state-responsible, and state contract inmates, in				
44	that order, as provided in paragraph H 1.				
45	4. The Compensation Board shall not provide any inmate per diem payments to any local or				
46	regional jail which holds federal inmates in excess of the number of beds contracted for with				
47	the Department of Corrections, unless the Director, Department of Corrections, certifies to the				
48	Chairman of the Compensation Board that a) such contract beds are not required; b) the				
49	facility has operational capacity built under contract with the federal government; c) the				
50	facility has received a grant from the federal government for a portion of the capital costs; or				
51	d) the facility has applied to the Department of Corrections for participation in the contract				
52	bed program with a sufficient number of beds to meet the Department of Corrections' need or				
53	ability to fund contract beds at that facility in any given fiscal year.				
54	5. The Compensation Board shall apply the cost recovery methodology set out in paragraph H				
55	1 of this Item to any jail which holds inmates from another state on a contractual basis.				
56	However, recovery in such circumstances shall not be made for inmates held pending

1	extradition to other states or pending transfer to the Virginia Department of Corrections.				
2	6. The provisions of this paragraph shall not apply to any local or regional jail where the				
3	cumulative federal share of capital costs exceeds the Commonwealth's cumulative capital				
4	contribution.				
5	7. For a local or regional jail which operates bed space specifically built utilizing federal				
6	capital or grant funds for the housing of federal inmates and for which Compensation				
7	Board funding has never been authorized for staff for such bed space, the Compensation				
8	Board shall allow an exemption from the recovery provided in paragraph H.1. for a				
9	defined number of federal prisoners upon certification by the sheriff or superintendent that				
10	the federal government has paid for the construction of bed space in the facility or				
11	provided a grant for a portion of the capital cost. Such certification shall include specific				
12	funding amounts paid by the federal government, localities, and/or regional jail				
13	authorities, and the Commonwealth for the construction of bed space specifically built for				
14	the housing of federal inmates and for the construction of the jail facility in its entirety.				
15	The defined number of federal prisoners to be exempted from the recovery provided in				
16	paragraph H.1. shall be based upon the proportion of funding paid by the federal				
17	government and localities and/or regional jail authorities for the construction of bed space				
18	to house federal prisoners to the total funding paid by all sources, including the				
19	Commonwealth, for all construction costs for the jail facility in its entirety.				
20	8. Beginning March 1, 2013, federal inmates placed in the custody of a regional jail				
21	pursuant to a work release program operated by the federal Bureau of Prisons shall be				
22	exempt from the recovery of costs associated with housing federal inmates pursuant to				
23	paragraph H.1. of this item if such federal inmates have been assigned by the federal				
24	Bureau of Prisons to a home electronic monitoring program in place for such inmates by				
25	agreement with the jail on or before January 1, 2012 and are not housed in the jail facility.				
26	However, no such exemption shall apply to any federal inmate while they are housed in				
27	the regional jail facility.				
28	I. Any amounts in the program Financial Assistance for Confinement of Inmates in Local				
29	and Regional Facilities, may be transferred between Items 69 and 70, as needed, to cover				
30	any deficits incurred in the programs Financial Assistance for Sheriffs' Offices and				
31	Regional Jails and Financial Assistance for Confinement of Inmates in Local and Regional				
32	Facilities.				
33	J.1. The Compensation Board shall provide an annual report on the number and diagnoses				
34	of inmates with mental illnesses in local and regional jails, the treatment services				
35	provided, and expenditures on jail mental health programs. The report shall be prepared in				
36	cooperation with the Virginia Sheriffs Association, the Virginia Association of Regional				
37	Jails, the Virginia Association of Community Services Boards, and the Department of				
38	Behavioral Health and Developmental Services, and shall be coordinated with the data				
39	submissions required for the annual jail cost report. Copies of this report shall be provided				
40	by November 1 of each year to the Governor, Director, Department of Planning and				
41	Budget, and the Chairmen of the Senate Finance and House Appropriations Committees.				
42	2. Whenever a person is admitted to a local or regional correctional facility, the staff of				
43	the facility shall screen such person for mental illness using a scientifically validated				
44	instrument. The Commissioner of Behavioral Health and Developmental Services shall				
45	designate the instrument to be used for the screenings and such instrument shall be				
46	capable of being administered by an employee of the local or regional correctional				
47	facility, other than a health care provider, provided that such employee is trained in the				
48	administration of such instrument.				
49	3. The Compensation Board shall review its jail staffing standards with respect to the				
50	provision of mental health and medical treatment in jails. This review shall include an				
51	evaluation of the costs and benefits of requiring in all jails an assessment within 72 hours				
52	of the time of the initial screening, by qualified mental health professionals, of the need for				
53	mental health services in all cases where the initial screening indicates the person may				
54	have a mental illness. The Department of Behavioral Health and Developmental Services				
55	shall provide all necessary assistance to the Compensation Board in this evaluation. The				
56	Compensation Board shall provide a report, including any recommendations for updating				
57	the jail staffing standards and associated costs, to the Secretaries of Administration,

2	receive as additional compensation the sum of one thousand dollars.				
3	B. No expenditure shall be made out of this Item for the employment of investigators,				
4	clerk-investigators or other investigative personnel in the office of an attorney for the				
5	Commonwealth.				
6	C. Consistent with the provisions of § 19.2-349, Code of Virginia, attorneys for the				
7	Commonwealth may, in addition to the options otherwise provided by law, employ				
8	individuals to assist in collection of outstanding fines, costs, forfeitures, penalties, and				
9	restitution. Notwithstanding any other provision of law, beginning on the date upon which				
10	the order or judgment is entered, the costs associated with employing such individuals				
11	may be paid from the proceeds of the amounts collected provided that the cost is				
12	apportioned on a pro rata basis according to the amount collected which is due the state				
13	and that which is due the locality. The attorneys for the Commonwealth shall account for

20	salaries of locally elected constitutional officers or their employees.				
21	E. The Statewide Juvenile Justice project positions, as established under the provisions of				
22	Item 74 E, of Chapter 912, 1996 Acts of Assembly, and Chapter 924, 1997 Acts of				
23	Assembly, are continued under the provisions of this act. The Commonwealth's attorneys				
24	receiving such positions shall annually certify to the Compensation Board that the				
25	positions are used primarily, if not exclusively, for the prosecution of delinquency and				
26	domestic relations felony cases, as defined by Chapters 912 and 924. In the event the				
27	positions are not primarily or exclusively used for the prosecution of delinquency and				
28	domestic relations felony cases, the Compensation Board shall reallocate such positions				
29	by using the allocation provisions as provided for the board in Item 74 E of Chapters 912				
30	and 924.				
31	F. The Compensation Board shall monitor the Department of Taxation program regarding

36	program.				
37	G. Out of this appropriation, \$389,165 the first year and \$389,165 the second year from

2	percent to help offset the costs associated with employing such individuals or contracting with				
3	such agencies or individuals. If such increase would exceed the contracted collection agent's				
4	fee, then the delinquent amount owed shall be increased by the percentage or amount of the				
5	collection agent's fee. Effective July 1, 2015, as provided in § 19.2-349, Code of Virginia,				
6	treasurers not being compensated on a contingency basis as of January 1, 2015 shall be				
7	prohibited from being compensated on a contingency basis but shall instead be compensated				
8	for administrative costs pursuant to § 58.1-3958, Code of Virginia. Treasurers currently				
9	collecting a contingency fee shall be eligible to contract on a contingency fee basis. Effective				
10	July 1, 2015, any treasurer collecting a contingency fee shall retain only the expenses of				
11	collection, and the excess collection shall be divided between the state and the locality in the				
12	same manner as if the collection had been done by the attorney for the Commonwealth. The				
13	attorneys for the Commonwealth shall account for the amounts collected and the fees and				
14	costs associated with the collections consistent with procedures issued by the Auditor of

23	that shall be dedicated to prosecuting insurance fraud and related criminal activities. The				
24	Department of State Police shall identify those jurisdictions most affected by insurance fraud				
25	based upon data provided by the Virginia State Police Insurance Fraud Program. The				
26	Virginia State Police Insurance Fraud Program shall ensure that these positions work across				
27	jurisdictional lines, serving jurisdictions identified as most in need of these resources as				
28	supported by data. These funds shall remain unallocated until the Compensation Board and				
29	Virginia State Police notify the Director of the Department of Planning and Budget of the				
30	joint agreements reached with the Commonwealth's Attorneys of the jurisdictions receiving				
31	the additional Assistant Commonwealth's Attorney positions and the jurisdictions to be served				
32	by these positions. The Commonwealth's Attorneys receiving such positions shall annually				
33	certify to the Compensation Board that these positions are used primarily, if not exclusively,				
34	for the prosecution of insurance fraud and related criminal activities.

18	4. The benefits rate reimbursed by the Compensation Board to localities and regional jails				
19	shall not exceed the rate identified for fiscal year 2011 in Chapter 890, Item 469,				
20	paragraph I.1.				
21	R. Localities shall not utilize Compensation Board funding to supplant local funds

23	provisions of Chapter 822, 2012 Acts of Assembly, who were affected members in service				
24	on June 30, 2012.				
25	S. Effective July 1, 2016, the Compensation Board is authorized to withhold				
26	reimbursements due to the locality for sheriff's law enforcement expenses if the sheriff				
27	fails to certify to the Board that the sheriff's office is compliant with the sex offender

37	alternative primary liability, medical malpractice, and employee malfeasance policy				
38	coverages and contracts, and alternatives for liability reinsurance, for such coverage				
39	currently paid for by localities under VARisk.				
40	2. In its <i>this continuing</i> review, the group shall consider the premiums which have been				
41	and are currently being charged to local governments by VARisk for primary liability,				
42	medical malpractice, and employee malfeasance policy coverages for the current and prior				
43	five (5) <i>six (6)</i> years, and the educational and training services that have been and are				
44	currently being provided to constitutional officers in coordination with the VARisk				
45	coverage over the same time period. <i>The stakeholder group shall consider the current</i>				
46	<i>statutory requirements specifying when localities must prepare budgets, the impact on</i>				
47	<i>local governments of the currently utilized system that allows large unanticipated VARisk</i>				
48	<i>premium increases, and the resulting hardships on localities caused by an inability to</i>				
49	<i>budget for these increases.</i> These findings shall be compared by the State Compensation				
50	Board and stakeholders to potential alternative coverage and contracts which could be				
51	provided by public and private providers of primary liability, medical malpractice, and				
52	employee malfeasance policy coverage, and reinsurance coverage to insure constitutional				
53	officers, regional jails authorities, and local governments, and the premiums that would be				
54	charged for such coverage. In its review, the group shall also identify and compare any				
55	and all policy limits, exclusions, and terms and conditions of VARisk and comparable

3	<i>and current full funding of these liability programs would be desirable and</i> determine whether				
4	the available alternative coverage and service options are competitive with or preferable to the				
5	coverage and service options provided under VARisk, and the potential financial benefits or				
6	liabilities to the stakeholders or the Commonwealth resulting from the provision of primary				
7	liability, medical malpractice, employee malfeasance, and reinsurance coverage by alternative

1	2. "Standards of Quality" - Operations standards for grades kindergarten through 12 as				
2	prescribed by the Board of Education subject to revision by the General Assembly.				
3	3.a. "Basic Operation Cost" - The cost per pupil, including provision for the number of				
4	instructional personnel required by the Standards of Quality for each school division with				
5	a minimum ratio of 51 professional personnel for each 1,000 pupils or proportionate				
6	number thereof, in March 31 ADM for the same fiscal year for which the costs are				
7	computed, and including provision for driver, gifted, occupational-vocational, and special				
8	education, library materials and other teaching materials, teacher sick leave, general				
9	administration, division superintendents' salaries, free textbooks (including those for free				
10	and reduced price lunch pupils), school nurses, operation and maintenance of school plant,				
11	transportation of pupils, instructional television, professional and staff improvement,				
12	remedial work, fixed charges and other costs in programs not funded by other state and/or				
13	federal aid.				
14	b. The state and local shares of funding resulting from the support cost calculation for				
15	school nurses shall be specifically identified as such and reported to school divisions				
16	annually. School divisions may spend these funds for licensed school nurse positions				
17	employed by the school division or for licensed nurses contracted by the local school				
18	division to provide school health services.				
19	4.a. "Composite Index of Local Ability-to-Pay" - An index figure computed for each				
20	locality. The composite index is the sum of 2/3 of the index of wealth per pupil in				
21	unadjusted March 31 ADM reported for the first seven (7) months of the 2013-2014				
22	school year and 1/3 of the index of wealth per capita (population estimates for 2013 as				
23	determined by the Weldon Cooper Center for Public Service of the University of Virginia)				
24	multiplied by the local nominal share of the costs of the Standards of Quality of 0.45 in				
25	each year. The indices of wealth are determined by combining the following constituent				
26	index elements with the indicated weighting: (1) true values of real estate and public				
27	service corporations as reported by the State Department of Taxation for the calendar year				
28	2013 - 50 percent; (2) adjusted gross income for the calendar year 2013 as reported by the				
29	State Department of Taxation - 40 percent; (3) the sales for the calendar year 2013 which				
30	are subject to the state general sales and use tax, as reported by the State Department of				
31	Taxation - 10 percent. Each constituent index element for a locality is its sum per March				
32	31 ADM, or per capita, expressed as a percentage of the state average per March 31 ADM,				
33	or per capita, for the same element. A locality whose composite index exceeds 0.8000				
34	shall be considered as having an index of 0.8000 for purposes of distributing all payments				
35	based on the composite index of local ability-to-pay. Each constituent index element for a				
36	locality used to determine the composite index of local ability-to-pay for the current				
37	biennium shall be the latest available data for the specified official base year provided to				
38	the Department of Education by the responsible source agencies no later than November				
39	15, 2015.				
40	b. For any locality whose total calendar year 2013 Virginia Adjusted Gross Income is				
41	comprised of at least 3 percent or more by nonresidents of Virginia, such nonresident				
42	income shall be excluded in computing the composite index of ability-to-pay. The				
43	Department of Education shall compute the composite index for such localities by using				
44	adjusted gross income data which exclude nonresident income, but shall not adjust the				
45	composite index of any other localities. The Department of Taxation shall furnish to the				
46	Department of Education such data as are necessary to implement this provision.				
47	c.1) Notwithstanding the funding provisions in § 22.1-25 D, Code of Virginia, additional				
48	state funding for future consolidations shall be as set forth in future Appropriation Acts.				
49	2) In the case of the consolidation of Clifton Forge and Alleghany County school				
50	divisions, the fifteen year period for the application of a new composite index shall apply				
51	beginning with the fiscal year that starts on July 1, 2004. The composite index established				
52	by the Board of Education shall equal the lowest composite index that was in effect prior				
53	to July 1, 2004, of any individual localities involved in such consolidation, and this index				
54	shall remain in effect for a period of fifteen years, unless a lower composite index is				
55	calculated for the combined division through the process for computing an index as set				
56	forth above.				
57	3) If the composite index of a consolidated school division is reduced during the course of

		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	the fifteen year period to a level that would entitle the school division to a lower interest rate				
2	for a Literary Fund loan than it received when the loan was originally released, the Board of				
3	Education shall reduce the interest rate of such loan for the remainder of the period of the				
4	loan. Such reduction shall be based on the interest rate that would apply at the time of such				
5	adjustment. This rate shall remain in effect for the duration of the loan and shall apply only to				
6	those years remaining to be paid.				
7	4) In the case of the consolidation of Bedford County and Bedford City school divisions, the				
8	fifteen year period for the application of a new composite shall apply beginning with the fiscal				
9	year that starts on July 1, 2013. The composite index established by the Board of Education				
10	shall equal the lowest composite index that was in effect prior to July 1, 2013, of any				
11	individual localities involved in such consolidation, and this index shall remain in effect for a				
12	period of fifteen years, unless a lower composite index is calculated for the combined division				
13	through the process for computing an index as set forth above.				
14	d. When it is determined that a substantial error exists in a constituent index element, the				
15	Department of Education will make adjustments in funding for the current school year only in				
16	the division where the error occurred. The composite index of any other locality shall not be				
17	changed as a result of the adjustment. No adjustment during the biennium will be made as a				
18	result of updating of data used in a constituent index element.				
19	e. In the event that any school division consolidates two or more small schools, the division				
20	shall continue to receive Standards of Quality funding and provide for the required local				
21	expenditure for a period of five years as if the schools had not been consolidated. Small				
22	schools are defined as any elementary, middle, or high school with enrollment below 200, 300				
23	and 400 students, respectively.				
24	5. "Required Local Expenditure for the Standards of Quality" - The locality's share based on				
25	the composite index of local ability-to-pay of the cost required by all the Standards of Quality				
26	minus its estimated revenues from the state sales and use tax dedicated to public education				
27	and those sales tax revenues transferred to the general fund from the Public Education				
28	Standards of Quality/Local Real Estate Property Tax Relief Fund and appropriated in this				
29	Item, both of which are returned on the basis of the latest yearly estimate of school age				
30	population provided by the Weldon Cooper Center for Public Service, as specified in this				
31	Item, collected by the Department of Education and distributed to school divisions in the				
32	fiscal year in which the school year begins.				
33	6. "Required Local Match" - The locality's required share of program cost based on the				
34	composite index of local ability-to-pay for all Lottery and Incentive programs, where				
35	required, in which the school division has elected to participate in a fiscal year.				
36	7. "Planning District Eight" - The nine localities which comprise Planning District Eight are				
37	Arlington County, Fairfax County, Loudoun County, Prince William County, Alexandria				
38	City, Fairfax City, Falls Church City, Manassas City, and Manassas Park City.				
39	8. "State Share of the Standards of Quality" - The state share of the Standards of Quality				
40	(SOQ) shall be equal to the total funded SOQ cost for a school division less the school				
41	division's estimated revenues from the state sales and use tax dedicated to public education				
42	based on the latest yearly estimate of school age population provided by the Weldon Cooper				
43	Center for Public Service, adjusted for the state's share of the composite index of local ability				
44	to pay.				
45	9. Entitlements under this Item that use school-level or division-level Free Lunch eligibility				
46	percentages to determine the entitlement amounts are based on the most recent data available				
47	as of the biennial rebenchmarking calculations made for the current biennium. However,				
48	October 2013 Free Lunch eligibility data is used in the case of schools that participate in the				
49	Community Eligibility Provision program.				
50	10. In the event that the general fund appropriations in this Item are not sufficient to meet the				
51	entitlements payable to school divisions pursuant to the provisions of this Item, the				
52	Department of Education is authorized to transfer any available general fund funds between				
53	these Items to address such insufficiencies. If the total general fund appropriations after such				
54	transfers remain insufficient to meet the entitlements of any program funded with general				
55	fund dollars, the Department of Education is authorized to prorate such shortfall

		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	proportionately across all of the school divisions participating in any program where such				
2	shortfall occurred. In addition, the Department of Education is authorized each year to				
3	temporarily suspend textbook payments made to school divisions from Lottery funds to				
4	ensure that any shortfall in Lottery revenue can be accounted for in the remaining				
5	textbook payments to be made for the year.				
6	11. The Department of Education is directed to apply a cap on inflation rates in the same				
7	manner prescribed in § 51.1-166.B, Code of Virginia, when updating funding to school				
8	divisions during the biennial rebenchmarking process.				
9	12. Notwithstanding any other provision in statute or in this Item, the Department of				
10	Education is directed to combine the end-of-year Average Daily Membership (ADM) for				
11	those school divisions who have partnered together as a fiscal agent division and a				
12	contractual division for the purposes of calculating prevailing costs included in the				
13	Standards of Quality (SOQ).				
14	13. Notwithstanding any other provision in statute or in this Item, the Department of				
15	Education is directed to include zeroes in the linear weighted average calculation of				
16	support non-personal costs for the purpose of calculating prevailing costs included in the				
17	Standards of Quality (SOQ).				
18	14. Notwithstanding any other provision in statute or in this Item, the Department of				
19	Education is directed to eliminate the corresponding and appropriate object code(s) related				
20	to reported travel expenditures included the linear weighted average non-personal cost				
21	calculations for the purpose of calculating prevailing costs included in the Standards of				
22	Quality (SOQ).				
23	15. Notwithstanding any other provision in statute or in this Item, the Department of				
24	Education is directed to eliminate the corresponding and appropriate object code(s) related				
25	to reported leases and rental and facility expenditures included the linear weighted average				
26	non-personal cost calculations for the purpose of calculating prevailing costs included in				
27	the Standards of Quality (SOQ).				
28	16. Notwithstanding any other provision in statute or in this Item, the Department of				
29	Education is directed to fund transportation costs using a 15 year replacement schedule,				
30	which is the national standard guideline, for school bus replacement schedule for the				
31	purpose of calculating funded transportation costs included in the Standards of Quality				
32	(SOQ).				
33	17. To provide temporary flexibility, notwithstanding any other provision in statute or in				
34	this Item, school divisions may elect to increase the teacher to pupil staffing ratios in				
35	kindergarten through grade 7 and English classes for grades 6 through twelve by one				
36	additional student; the teacher to pupil staffing ratio requirements for Elementary				
37	Resource teachers, Prevention, Intervention and Remediation, English as a Second				
38	Language, Gifted and Talented, Career and Technical funded programs (other than on				
39	Career and Technical courses where school divisions will have to maintain a maximum				
40	class size based on federal Occupational Safety & Health Administration safety				
41	requirements) are waived; and the instructional and support technology positions,				
42	librarians and guidance counselors staffing ratios for new hires are waived.				
43	18. To provide additional flexibility, notwithstanding the provisions of § 22.1-79.1, Code				
44	of Virginia, any school division that was granted a waiver regarding the opening date of				
45	the school year for the 2011-12 school year under the good cause requirements shall				
46	continue to be granted a waiver for the 2016-17 school year and the 2017-2018 school				
47	year.				
48	B. General Conditions				
49	1. The Standards of Quality cost in this Item related to fringe benefits shall be limited for				
50	instructional staff members to the employer's cost for a number not exceeding the number				
51	of instructional positions required by the Standards of Quality for each school division and				
52	for their salaries at the statewide prevailing salary levels as printed below.

8	a.1) Payment by the state to a local school division shall be based on the state share of fringe				
9	benefit costs of 55 percent of the employer's cost distributed on the basis of the composite				
10	index.				
11	2) A locality whose composite index exceeds 0.8000 shall be considered as having an index				
12	of 0.8000 for purposes of distributing fringe benefit funds under this provision.				
13	3) The state payment to each school division for retirement, social security, and group life				
14	insurance costs for non-instructional personnel is included in and distributed through Basic				
15	Aid.				
16	b. Payments to school divisions from this Item shall be calculated using March 31 Average				
17	Daily Membership adjusted for half-day kindergarten programs.				
18	c. Payments for health insurance fringe benefits are included in and distributed through Basic				
19	Aid.				
20	2. Each locality shall offer a school program for all its eligible pupils which is acceptable to				
21	the Department of Education as conforming to the Standards of Quality program				
22	requirements.				
23	3. In the event the statewide number of pupils in March 31 ADM results in a state share of				
24	cost exceeding the general fund appropriation in this Item, the locality's state share of Basic				
25	Aid shall be reduced proportionately so that this general fund appropriation will not be				
26	exceeded. In addition, the required local share of Basic Aid shall also be reduced				
27	proportionately to the reduction in the state's share.				
28	4. The Department of Education shall make equitable adjustments in the computation of				
29	indices of wealth and in other state-funded accounts for localities affected by annexation,				
30	unless a court of competent jurisdiction makes such adjustments. However, only the indices of				
31	wealth and other state-funded accounts of localities party to the annexation will be adjusted.				
32	5. In the event that the actual revenues from the state sales and use tax dedicated to public				
33	education and those sales tax revenues transferred to the general fund from the Public				
34	Education Standards of Quality/Local Real Estate Property Tax Relief Fund and appropriated				
35	in this Item (both of which are returned on the basis of the latest yearly estimate of school age				
36	population provided by the Weldon Cooper Center for Public Service) for sales in the fiscal				
37	year in which the school year begins are different from the number estimated as the basis for				
38	this appropriation, the estimated state sales and use tax revenues shall not be adjusted.				
39	6. This appropriation shall be apportioned to the public schools with guidelines established by				
40	the Department of Education consistent with legislative intent as expressed in this act.				
41	7.a. Appropriations of state funds in this Item include the number of positions required by the				
42	Standards of Quality. This Item includes a minimum of 51 professional instructional positions				
43	and aide positions (C 5); Education of the Gifted, 1.0 professional instructional position (C 6);				
44	Occupational-Vocational Education Payments and Special Education Payments; a minimum				
45	of 6.0 professional instructional positions and aide positions (C 7 and C 8) for each 1,000				
46	pupils in March 31 ADM each year in support of the current Standards of Quality. Funding in				
47	support of one hour of additional instruction per day based on the percent of students eligible				
48	for the federal free lunch program with a pupil-teacher ratio range of 18:1 to 10:1, depending				
49	upon a school division's combined failure rate on the English and Math Standards of				
50	Learning, is included in Remedial Education Payments (C 9).				
51	b. No actions provided in this section signify any intent of the General Assembly to mandate

1	an increase in the number of instructional personnel per 1,000 students above the numbers				
2	explicitly stated in the preceding paragraph.				
3	c. Appropriations in this Item include programs supported in part by transfers to the				
4	general fund from the Public Education Standards of Quality/Local Real Estate Property				
5	Tax Relief Fund pursuant to Part 3 of this Act. These transfers combined together with				
6	other appropriations from the general fund in this Item funds the state's share of the				
7	following revisions to the Standards of Quality pursuant to Chapters 939 & 955 of the				
8	Acts of Assembly of 2004: five elementary resource teachers per 1,000 students; one				
9	support technology position per 1,000 students; one instructional technology position per				
10	1,000 students; and a full daily planning period for teachers at the middle and high school				
11	levels in order to relieve the financial pressure these education programs place on local				
12	real estate taxes.				
13	d. To provide flexibility, school divisions may use the state and local funds for				
14	instructional technology resource teachers required by the Standards of Quality to employ				
15	a data coordinator position, an instructional technology resource teacher position, or a data				
16	coordinator/instructional resource teacher blended position. The data coordinator position				
17	is intended to serve as a resource to principals and classroom teachers in the area of data				
18	analysis and interpretation for instructional and school improvement purposes, as well as				
19	for overall data management and administration of state assessments. School divisions				
20	using these SOQ funds in this manner shall only employ instructional personnel licensed				
21	by the Board of Education.				
22	e. To provide flexibility in the provision of reading intervention services, school divisions				
23	may use the state Early Reading Intervention initiative funding provided from the Lottery				
24	Proceeds Fund and the required local matching funds to employ reading specialists to				
25	provide the required reading intervention services. School divisions using the Early				
26	Reading Intervention Initiative funds in this manner shall only employ instructional				
27	personnel licensed by the Board of Education.				
28	f. To provide flexibility in the provision of mathematics intervention services, school				
29	divisions may use the state Standards of Learning Algebra Readiness initiative funding				
30	provided from the Lottery Proceeds Fund and the required local matching funds to employ				
31	mathematics teacher specialists to provide the required mathematics intervention services.				
32	School divisions using the Standards of Learning Algebra Readiness initiative funding in				
33	this manner shall only employ instructional personnel licensed by the Board of Education.				
34	8.a.1) Pursuant to § 22.1-97, Code of Virginia, the Department of Education is required to				
35	make calculations at the start of the school year to ensure that school divisions have				
36	appropriated adequate funds to support their estimated required local expenditure for the				
37	corresponding state fiscal year. In an effort to reduce the administrative burden on school				
38	divisions resulting from state data collections, such as the one needed to make the				
39	mentioned calculations, the requirements of § 22.1-97, Code of Virginia, pertaining				
40	to the adequacy of estimated required local expenditures, shall be satisfied by signed				
41	certification by each division superintendent at the beginning of each school year that				
42	sufficient local funds have been budgeted to meet all state required local effort and				
43	required local match amounts. This provision shall only apply to calculations required of				
44	the Department of Education related to estimated required local expenditures and shall not				
45	pertain to the calculations associated with actual required local expenditures after the close				
46	of the school year.				
47	2) The Department of Education shall also make calculations after the close of the school				
48	year to verify that the required local effort level, based on actual March 31 Average Daily				
49	Membership, was met. Pursuant to § 22.1-97, Code of Virginia, the Department of				
50	Education shall report annually, no later than the first day of the General Assembly				
51	session, to the House Committees on Education and Appropriations and the Senate				
52	Committees on Finance and Education and Health, the results of such calculations made				
53	after the close of the school year and the degree to which each school division has met,				
54	failed to meet, or surpassed its required local expenditure. The Department of Education				
55	shall specify the calculations to determine if a school division has expended its required				
56	local expenditure for the Standards of Quality. This calculation may include but is not				
57	limited to the following calculations:				

ITEM 139.		Item Details(\$)		Appropriations(\$)	
		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	b. The total expenditures for operation, defined as total expenditures less all capital outlays,				
2	expenditures for debt service, facilities, non-regular day school programs (such as adult				
3	education, preschool, and non-local education programs), and any transfers to regional				
4	programs will be calculated.				
5	c. The following state funds will be deducted from the amount calculated in paragraph a.				
6	above: revenues from the state sales and use tax (returned on the basis of the latest yearly				
7	estimate of school age population provided by the Weldon Cooper Center for Public Service,				
8	as specified in this Item) for sales in the fiscal year in which the school year begins; total				
9	receipts from state funds (except state funds for non-regular day school programs and state				
10	funds used for capital or debt service purposes); and the state share of any balances carried				
11	forward from the previous fiscal year. Any qualifying state funds that remain unspent at the				
12	end of the fiscal year will be added to the amount calculated in paragraph a. above.				
13	d. Federal funds, and any federal funds carried forward from the previous fiscal year, will also				
14	be deducted from the amount calculated in paragraph a. above. Any federal funds that remain				
15	unspent at the end of the fiscal year and any capital expenditures paid from federal funds will				
16	be added to the amount calculated in paragraph a. above.				
17	e. Tuition receipts, receipts from payments from other cities or counties, and fund transfers				
18	will also be deducted from the amount calculated in paragraph a, then				
19	f. The final amount calculated as described above must be equal to or greater than the required				
20	local expenditure defined in paragraph A. 5.				
21	g. The Department of Education shall collect the data necessary to perform the calculations of				
22	required local expenditure as required by this section.				
23	h. A locality whose expenditure in fact exceeds the required amount from local funds may not				
24	reduce its expenditures unless it first complies with all of the Standards of Quality.				
25	9.a. Any required local matching funds which a locality, as of the end of a school year, has				
26	not expended, pursuant to this Item, for the Standards of Quality shall be paid by the locality				
27	into the general fund of the state treasury. Such payments shall be made not later than the end				
28	of the school year following that in which the under expenditure occurs.				
29	b. Whenever the Department of Education has recovered funds as defined in the preceding				
30	paragraph a., the Secretary of Education is authorized to repay to the locality affected by that				
31	action, seventy-five percent (75%) of those funds upon his determination that:				
32	1) The local school board agrees to include the funds in its June 30 ending balance for the				
33	year following that in which the under expenditure occurs;				
34	2) The local governing body agrees to reappropriate the funds as a supplemental appropriation				
35	to the approved budget for the second year following that in which the under expenditure				
36	occurs, in an appropriate category as requested by the local school board, for the direct benefit				
37	of the students;				
38	3) The local school board agrees to expend these funds, over and above the funds required to				
39	meet the required local expenditure for the second year following that in which the under				
40	expenditure occurs, for a special project, the details of which must be furnished to the				
41	Department of Education for review and approval;				
42	4) The local school board agrees to submit quarterly reports to the Department of Education				
43	on the use of funds provided through this project award; and				
44	5) The local governing body and the local school board agree that the project award will be				
45	cancelled and the funds withdrawn if the above conditions have not been met as of June 30 of				
46	the second year following that in which the under expenditure occurs.				
47	c. There is hereby appropriated, for the purposes of the foregoing repayment, a sum sufficient,				
48	not to exceed 75 percent of the funds deposited in the general fund pursuant to the preceding				
49	paragraph a.				
50	10. The Department of Education shall specify the manner for collecting the required				
51	information and the method for determining if a school division has expended the local funds

1	required to support the actual local match based on all Lottery and Incentive programs in				
2	which the school division has elected to participate. Unless specifically stated otherwise in				
3	this Item, school divisions electing to participate in any Lottery or Incentive program that				
4	requires a local funding match in order to receive state funding, shall certify to the				
5	Department of Education its intent to participate in each program by July 1 each fiscal				
6	year in a manner prescribed by the Department of Education. As part of this certification				
7	process, each division superintendent must also certify that adequate local funds have been				
8	appropriated, above the required local effort for the Standards of Quality, to support the				
9	projected required local match based on the Lottery and Incentive programs in which the				
10	school division has elected to participate. State funding for such program(s) shall not be				
11	made until such time that the school division can certify that sufficient local funding has				
12	been appropriated to meet required local match. The Department of Education shall make				
13	calculations after the close of the fiscal year to verify that the required local match was				
14	met based on the state funds that were received.				
15	11. Any sum of local matching funds for Lottery and Incentive program which a locality				
16	has not expended as of the end of a fiscal year in support of the required local match				
17	pursuant to this Item shall be paid by the locality into the general fund of the state treasury				
18	unless the carryover of those unspent funds is specifically permitted by other provisions of				
19	this act. Such payments shall be made no later than the end of the school year following				
20	that in which the under expenditure occurred.				
21	12. The Superintendent of Public Instruction shall provide a report annually, no later than				
22	the first day of the General Assembly session, on the status of teacher salaries, by local				
23	school division, to the Governor and the Chairmen of the Senate Finance and House				
24	Appropriations Committees. In addition to information on average salaries by school				
25	division and statewide comparisons with other states, the report shall also include				
26	information on starting salaries by school division and average teacher salaries by school.				
27	13. All state and local matching funds required by the programs in this Item shall be				
28	appropriated to the budget of the local school board.				
29	14. By November 15 of each year, the Department of Planning and Budget, in cooperation				
30	with the Department of Education, shall prepare and submit a preliminary forecast of				
31	Standards of Quality expenditures, based upon the most current data available, to the				
32	Chairmen of the House Appropriations and Senate Finance Committees. In odd-numbered				
33	years, the forecast for the current and subsequent two fiscal years shall be provided. In				
34	even-numbered years, the forecast for the current and subsequent fiscal year shall be				
35	provided. The forecast shall detail the projected March 31 Average Daily Membership and				
36	the resulting impact on the education budget.				
37	15. School divisions may choose to use state payments provided for Standards of Quality				
38	Prevention, Intervention, and Remediation in both years as a block grant for remediation				
39	purposes, without restrictions or reporting requirements, other than reporting necessary as				
40	a basis for determining funding for the program.				
41	16. Except as otherwise provided in this act, the Superintendent of Public Instruction shall				
42	provide guidelines for the distribution and expenditure of general fund appropriations and				
43	such additional federal, private and other funds as may be made available to aid in the				
44	establishment and maintenance of the public schools.				
45	17. At the Department of Education's option, fees for audio-visual services may be				
46	deducted from state Basic Aid payments for individual local school divisions.				
47	18. For distributions not otherwise specified, the Department of Education, at its option,				
48	may use prior year data to calculate actual disbursements to individual localities.				
49	19. Payments for accounts related to the Standards of Quality made to localities for public				
50	education from the general fund, as provided herein, shall be payable in twenty-four semi-				
51	monthly installments at the middle and end of each month.				
52	20. Notwithstanding § 58.1-638 D., Code of Virginia, and other language in this Item, the				
53	Department of Education shall, for purposes of calculating the state and local shares of the				
54	Standards of Quality, apportion state sales and use tax dedicated to public education and

14	Indemnification and Community Revitalization Commission, shall jointly explore ways to				
15	maximize their collective expenditure reimbursement totals for all eligible E-Rate funding.				
16	22. This Item includes appropriations totaling an estimated \$561,527,170 \$608,581,144 the				
17	first year and \$541,231,250 \$546,495,789 the second year from the revenues deposited to the				
18	Lottery Proceeds Fund. These amounts are appropriated for distribution to counties, cities,				
19	and towns to support public education programs pursuant to Article X, Section 7-A				
20	Constitution of Virginia. Any county, city, or town which accepts a distribution from this fund				
21	shall provide its portion of the cost of maintaining an educational program meeting the				
22	Standards of Quality pursuant to Section 2 of Article VIII of the Constitution without the use				
23	of distributions from the fund.				
24	23. For reporting purposes, the Department of Education shall include Lottery Proceeds Funds				
25	as state funds.				
26	24.a. Any locality that has met its required local effort for the Standards of Quality accounts				
27	for FY 2017 and that has met its required local match for incentive or Lottery-funded				
28	programs in which the locality elected to participate in FY 2017 may carry over into FY 2018				
29	any remaining state Direct Aid to Public Education fund balances available to help minimize				
30	any FY 2018 revenue adjustments that may occur in state funding to that locality. Localities				
31	electing to carry forward such unspent state funds must appropriate the funds to the school				
32	division for expenditure in FY 2018.				
33	b. Any locality that has met its required local effort for the Standards of Quality accounts for				
34	FY 2018 and that has met its required local match for incentive or Lottery-funded programs in				
35	which the locality elected to participate in FY 2018 may carry over into FY 2019 any				
36	remaining state Direct Aid to Public Education fund balances available to help minimize any				
37	FY 2019 revenue adjustments that may occur in state funding to that locality. Localities				
38	electing to carry forward such unspent state funds must appropriate the funds to the school				
39	division for expenditure in FY 2019.				
40	25. Localities are encouraged to allow school boards to carry over any unspent local				
41	allocations into the next fiscal year. Localities are also encouraged to provide increased				
42	flexibility to school boards by appropriating state and local funds for public education in a				
43	lump sum.				
44	26. The Department of Education shall include in the annual School Performance Report Card				
45	for school divisions the percentage of each division's annual operating budget allocated to				
46	instructional costs. For this report, the Department of Education shall establish a methodology				
47	for allocating each school division's expenditures to instructional and non-instructional costs				
48	in a manner that is consistent with the funding of the Standards of Quality as approved by the				
49	General Assembly.				
50	27. It is the intent of the General Assembly that all school divisions annually provide their				
51	employees, upon request, with a user-friendly statement of total compensation, including				
52	contract duration if less than 12 months.				
53	28. The Department of Education, in collaboration with the Virginia Community College				
54	System, will ensure that the same policies regarding the cost for dual enrollment courses held

2	schooled students alike. These policies will clearly address the school division				
3	contributions and any student charges for dual enrollment courses, and will ensure that				
4	public school students and home-school students are treated in the same manner.				
5	C. Apportionment				
6	1. Subject to the conditions stated in this paragraph and in paragraph B of this Item, each				
7	locality shall receive sums as listed above within this program for the basic operation cost				
8	and payments in addition to that cost. The apportionment herein directed shall be inclusive				
9	of, and without further payment by reason of, state funds for library and other teaching				
10	materials.				
11	2. School Employee Retirement Contributions

14	to the retirement allowance account as provided by Title 51.1, Chapter 1, Code of				
15	Virginia.				
16	b. Notwithstanding § 51.1-1401, Code of Virginia, the Commonwealth shall provide				
17	payments for only the state share of the Standards of Quality fringe benefit cost of the				
18	retiree health care credit. This Item includes payments in both years based on the state				
19	share of fringe benefit costs of 55 percent of the employer's cost on funded Standards of				
20	Quality instructional positions, distributed based on the composite index of the local				
21	ability-to-pay.				
22	3. School Employee Social Security Contributions				
23	a. This Item provides funds to each local school board for the state share of the employer's				
24	Social Security cost incurred by it, on behalf of the instructional personnel for subsequent

26	b. Appropriations for contributions in paragraphs 2 and 3 above include payments from				
27	funds derived from the principal of the Literary Fund in accordance with Article VIII,				
28	Section 8, of the Constitution of Virginia. The amounts set aside from the Literary Fund				
29	for these purposes shall not exceed \$166,347,523 \$199,347,523 the first year and				
30	\$156,349,570 \$181,349,570 the second year.				
31	4. School Employee Insurance Contributions				
32	This Item provides funds to each local school board for the state share of the employer's

35	Virginia.				
36	5. Basic Aid Payments				
37	a.1) A state share of the Basic Operation Cost, which cost per pupil in March 31 ADM is				
38	established individually for each local school division based on the number of				
39	instructional personnel required by the Standards of Quality and the statewide prevailing				
40	salary levels (adjusted in Planning District Eight for the cost of competing) as well as				
41	recognized support costs calculated on a prevailing basis for an estimated March 31 ADM.				
42	2) This appropriation includes funding to recognize the common labor market in the				
43	Washington-Baltimore-Northern Virginia, DC-MD-VA-WV Combined Statistical Area.				
44	Standards of Quality salary payments for instructional and support positions in school				
45	divisions of the localities set out below have been adjusted for the equivalent portion of

47	Planning District Eight. For the counties of Stafford, Fauquier, Spotsylvania, Clarke,				
48	Warren, Frederick, and Culpeper and the Cities of Fredericksburg and Winchester, the				
49	SOQ payments for instructional <i>and support</i> positions have been increased by 25 percent				
50	each year of the COCA rates paid to school divisions in Planning District Eight; and the				
51	SOQ payments for support positions have been increased by 25 percent in the second year				
52	of the COCA rates paid to school divisions in Planning District Eight.				

ITEM 139.		Item Details(\$)		Appropriations(\$)	
		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	The support COCA rate is 10.6 percent.				
2	b. The state share for a locality shall be equal to the Basic Operation Cost for that locality less				
3	the locality's estimated revenues from the state sales and use tax (returned on the basis of the				
4	latest yearly estimate of school age population provided by the Weldon Cooper Center for				
5	Public Service, as specified in this Item), in the fiscal year in which the school year begins				
6	and less the required local expenditure.				
7	c. For the purpose of this paragraph, the Department of Taxation's fiscal year sales and use tax				
8	estimates are as cited in this Item.				
9	d. 1) In accordance with the provisions of § 37.2-713, Code of Virginia, the Department of				
10	Education shall deduct the locality's share for the education of handicapped pupils residing in				
11	institutions within the Department of Behavioral Health and Developmental Services from the				
12	locality's Basic Aid payments.				
13	2) The amounts deducted from Basic Aid for the education of intellectually disabled persons				
14	shall be transferred to the Department of Behavioral Health and Developmental Services in				
15	support of the cost of educating such persons; the amount deducted from Basic Aid for the				
16	education of emotionally disturbed persons shall be used to cover extraordinary expenses				
17	incurred in the education of such persons. The Department of Education shall establish				
18	guidelines to implement these provisions and shall provide for the periodic transfer of sums				
19	due from each local school division to the Department of Behavioral Health and				
20	Developmental Services and for Special Education categorical payments. The amount of the				
21	actual transfers will be based on data accumulated during the prior school year.				
22	e. 1) The apportionment to localities of all driver education revenues received during the				
23	school year shall be made as an undesignated component of the state share of Basic Aid in				
24	accordance with the provisions of this Item. Only school divisions complying with the				
25	standardized program established by the Board of Education shall be entitled to participate in				
26	the distribution of state funds appropriated for driver education. The Department of Education				
27	will deduct a designated amount per pupil from a school division's Basic Aid payment when				
28	the school division is not in compliance with § 22.1-205 C, Code of Virginia. Such amount				
29	will be computed by dividing the current appropriation for the Driver Education Fund by				
30	actual March 31 ADM.				
31	2) Local school boards may charge a per pupil fee for behind-the-wheel driver education				
32	provided, however, that the fee charged plus the per pupil basic aid reimbursement for driver				
33	education shall not exceed the actual average per pupil cost. Such fees shall not be cause for a				
34	pro rata reduction in Basic Aid payments to school divisions.				
35	f. Textbooks				
36	1) The appropriation in this Item includes \$12,742,776 \$12,159,059 the first year and				
37	\$76,878,557 \$76,599,186 the second year from the general fund and \$63,873,840

39	textbooks based on a per pupil amount of \$109.78 the first year and \$109.78 the second year.				
40	A school division shall appropriate these funds for textbooks or any other public education				
41	instructional expenditure by the school division. The state's distributions for textbooks shall				
42	be based on adjusted March 31 ADM. These funds shall be matched by the local government,				
43	based on the composite index of local ability-to-pay.				
44	2) School divisions shall provide free textbooks to all students.				
45	3) School divisions may use a portion of this funding to purchase Standards of Learning				
46	instructional materials. School divisions may also use these funds to purchase electronic				
47	textbooks or other electronic media resources integral to the curriculum and classroom				
48	instruction and the technical equipment required to read and access the electronic textbooks				
49	and electronic curriculum materials.				
50	4) Any funds provided to school divisions for textbook costs that are unexpended as of June				
51	30, 2017, or June 30, 2018, shall be carried on the books of the locality to be appropriated to				
52	the school division the following year to be used for same purpose. School divisions are				
53	permitted to carry forward any remaining balance of textbook funds until the funds are

2	g. The one-cent state sales and use tax earmarked for education and the sales tax revenues				
3	transferred to the general fund from the Public Education Standards of Quality/Local Real				
4	Estate Property Tax Relief Fund and appropriated in this Item which are distributed to				
5	localities on the basis of the latest yearly estimate of school age population provided by				
6	the Weldon Cooper Center for Public Service as specified in this Item shall be reflected in				
7	each locality's annual budget for educational purposes as a separate revenue source for the				
8	current fiscal year.				
9	h. The appropriation for the Standards of Quality for Public Education (SOQ) includes				
10	amounts estimated at \$385,109,559 <i>\$365,400,000</i> the first year and \$398,609,559				
11	<i>\$374,280,780</i> the second year from the amounts transferred to the general fund from the				
12	Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund				
13	pursuant to Part 3 of this act which are derived from the 0.375 cent increase in the state				
14	sales and use tax levied pursuant to § <i>58.1-638</i> , Code of Virginia. These additional funds				
15	are provided to local school divisions and local governments in order to relieve the				
16	financial pressure education programs place on local real estate taxes.				
17	i. From the total amounts in paragraph h. above, an amount estimated at \$256,739,719				
18	<i>\$243,600,000</i> the first year and \$265,739,719 <i>\$249,487,190</i> the second year				
19	(approximately 1/4 cent of sales and use tax) is appropriated to support a portion of the				
20	cost of the state's share of the following revisions to the Standards of Quality pursuant to				
21	Chapters 939 & 955 of the Acts of Assembly of 2004: five elementary resource teachers				
22	per 1,000 students; one support and one instructional technology position per 1,000				
23	students; a full daily planning period for teachers at the middle and high school levels in				
24	order to relieve the pressure on local real estate taxes and shall be taken into account by				
25	the governing body of the county, city, or town in setting real estate tax rates.				
26	j. From the total amounts in paragraph h. above, an amount estimated at \$128,369,840				
27	<i>\$121,800,000</i> the first year and \$132,869,840 <i>\$124,793,590</i> the second year				
28	(approximately 1/8 cent of sales and use tax) is appropriated in this Item to distribute the				
29	remainder of the revenues collected and deposited into the Public Education Standards of				
30	Quality/Local Real Estate Property Tax Relief Fund on the basis of the latest yearly				
31	estimate of school age population provided by the Weldon Cooper Center for Public				
32	Service as specified in this Item.				
33	k. For the purposes of funding certain support positions in Basic Aid, a funding ratio				
34	methodology is used based upon the prevailing ratio of actual support positions, consistent				
35	with those recognized for SOQ funding, to actual instructional positions, consistent with				
36	those recognized for SOQ funding, as established in Chapter 781, 2009 Acts of Assembly.				
37	For the purposes of making the required spending adjustments, the appropriation and				
38	distribution of Basic Aid shall reflect this methodology. Local school divisions shall have				
39	the discretion as to where the adjustment may be made, consistent with the Standards of				
40	Quality funded in this Act.				
41	6. Education of the Gifted Payments				
42	a. An additional payment shall be disbursed by the Department of Education to local				
43	school divisions to support the state share of one full-time equivalent instructional position				
44	per 1,000 students in adjusted March 31 ADM.				
45	b. Local school divisions are required to spend, as part of the required local expenditure				
46	for the Standards of Quality the established per pupil cost for gifted education (state and				
47	local share) on approved programs for the gifted.				
48	7. Occupational-Vocational Education Payments				
49	a. An additional payment shall be disbursed by the Department of Education to the local				
50	school divisions to support the state share of the number of Vocational Education				
51	instructors required by the Standards of Quality. These funds shall be disbursed on the				
52	same basis as the payment is calculated.				
53	b. An amount estimated at \$110,043,313 <i>\$110,555,414</i> the first year and \$110,283,838				
54	<i>\$110,801,754</i> the second year from the general fund included in Basic Aid Payments

2	8. Special Education Payments				
3	a. An additional payment shall be disbursed by the Department of Education to the local				
4	school divisions to support the state share of the number of Special Education instructors				
5	required by the Standards of Quality. These funds shall be disbursed on the same basis as the				
6	payment is calculated.				
7	b. Out of the amounts for special education payments, general fund support is provided to				
8	fund the caseload standards for speech pathologists at 68 students for each year of the				
9	biennium.				
10	9. Remedial Education Payments				
11	a. An additional payment estimated at \$114,133,767 \$113,782,747 the first year and				
12	\$114,313,454 \$113,821,446 the second year from the general fund shall be disbursed by the				
13	Department of Education to support the Board of Education's Standards of Quality				
14	Prevention, Intervention, and Remediation program adopted in June 2003.				
15	b. The payment shall be calculated based on one hour of additional instruction per day for				
16	identified students, using the three year average percent of students eligible for the federal				
17	Free Lunch program as a proxy for students needing such services. Fall membership shall be				
18	multiplied by the three year average division-level Free Lunch eligibility percentage to				
19	determine the estimated number of students eligible for services. Pupil-teacher ratios shall be				
20	applied to the estimated number of eligible students to determine the number of instructional				
21	positions needed for each school division. The pupil-teacher ratio applied for each school				
22	division shall range from 10:1 for those divisions with the most severe combined three year				
23	average failure rates for English and math Standards of Learning test scores to 18:1 for those				
24	divisions with the lowest combined three year average failure rates for English and math				
25	Standards of Learning test scores.				
26	c. Funding shall be matched by the local government based on the composite index of local				
27	ability-to-pay.				
28	d. To provide flexibility in the instruction of English Language Learners who have limited				
29	English proficiency and who are at risk of not meeting state accountability standards, school				
30	divisions may use state and local funds from the SOQ Prevention, Intervention, and				
31	Remediation account to employ additional English Language Learner teachers to provide				
32	instruction to identified limited English proficiency students. Using these funds in this manner				
33	is intended to supplement the instructional services provided through the SOQ staffing				
34	standard of 17 instructional positions per 1,000 limited English proficiency students. School				
35	divisions using the SOQ Prevention, Intervention, and Remediation funds in this manner shall				
36	only employ instructional personnel licensed by the Board of Education.				
37	e. An additional state payment estimated at \$83,744,543 \$76,080,851 the second year from				
38	the general fund and \$98,327,638 \$98,013,725 the first year and \$14,797,598 \$22,010,800 the				
39	second year from the Lottery Proceeds Fund shall be disbursed based on the estimated				
40	number of federal Free Lunch participants, in support of programs for students who are				
41	educationally at risk. The additional payment shall be based on the state share of:				
42	1) A minimum 1.0 percent add-on, as a percent of the per pupil basic aid cost, for each child				
43	who qualifies for the federal Free Lunch Program; and				
44	2) An addition to the add-on, based on the concentration of children qualifying for the federal				
45	Free Lunch Program. Based on its percentage of Free Lunch participants, each school division				
46	will receive between 1.0 and 13.0 percent in additional basic aid per Free Lunch participant.				
47	These funds shall be matched by the local government, based on the composite index of local				
48	ability-to-pay.				
49	3a) Local school divisions are required to spend the established at-risk payment (state and				
50	local share) on approved programs for students who are educationally at risk.				
51	b) To receive these funds, each school division shall certify to the Department of Education				
52	that the state and local share of the at-risk payment will be used to support approved programs

1	for students who are educationally at risk. These programs may include: Dropout				
2	Prevention, community and school-based truancy officer programs, Advancement Via				
3	Individual Determination (AVID), Project Discovery, Reading Recovery, programs for				
4	students who speak English as a second language, or programs related to increasing the				
5	success of disadvantaged students in completing a high school degree and providing				
6	opportunities to encourage further education and training. Further, each school division				
7	shall report to the Department, in the manner prescribed and date set by the Department,				
8	the uses of (i) increased funds in fiscal year 2017 above the levels in fiscal year 2016, as				
9	well as (ii) the uses of the base level of these funds. The Department shall compile the				
10	responses and provide them to the Chairmen of Senate Finance and House Appropriations				
11	Committees no later than the first day of the 2017 Session.				
12	4) If the Board of Education has required a local school board to submit a corrective				
13	action plan pursuant to § 22.1-253.13:3, Code of Virginia, either for the school division				
14	pursuant to a division level review, or for any schools within its division that have been				
15	designated as not meeting the standards as approved by the Board of Education, the				
16	Superintendent of Public Instruction shall determine and report to the Board of Education				
17	whether each such local school board has met its obligation to develop and submit such				
18	corrective action plan(s) and is making adequate and timely progress in implementing the				
19	plan(s). Additionally, if an academic review process undertaken pursuant to § 22.1-				
20	253.13:3, Code of Virginia, has identified actions for a local school board to implement,				
21	the Superintendent of Public Instruction shall determine and report to the Board of				
22	Education whether the local school board has implemented required actions. If the				
23	Superintendent certifies that a local school board has failed or refused to meet any of those				
24	obligations, the Board of Education shall withhold payment of some or all At-Risk Add-				
25	On funds otherwise allocated to the affected division pursuant to this allocation for the				
26	pending fiscal year. In determining the amount of At-Risk Add-On funds to be withheld,				
27	the Board of Education shall take into consideration the extent to which such funds have				
28	already been expended or contractually obligated. The local school board shall be given an				
29	opportunity to correct its failure and, if successful in a timely manner, may have some or				
30	all of its At-Risk Add-On funds restored at the Board of Education's discretion.				
31	f. Regional Alternative Education Programs				
32	1) An additional state payment of \$8,624,267 \$8,528,727 the first year and \$8,922,130				
33	\$8,639,782 the second year from the Lottery Proceeds Fund shall be disbursed for				
34	Regional Alternative Education programs. Such programs shall be for the purpose of				
35	educating certain expelled students and, as appropriate, students who have received				
36	suspensions from public schools and students returned to the community from the				
37	Department of Juvenile Justice.				
38	2) Each regional program shall have a small student/staff ratio. Such staff shall include,				
39	but not be limited to education, mental health, health, and law enforcement professionals,				
40	who will collaborate to provide for the academic, psychological, and social needs of the				
41	students. Each program shall be designed to ensure that students make the transition back				
42	into the "mainstream" within their local school division.				
43	3) a) Regional alternative education programs are funded through this Item based on the				
44	state's share of the incremental per pupil cost for providing such programs. This				
45	incremental per pupil payment shall be adjusted for the composite index of local ability-				
46	to-pay of the school division that counts such students attending such program in its				
47	March 31 Average Daily Membership. It is the intent of the General Assembly that this				
48	incremental per pupil amount be in addition to the basic aid per pupil funding provided to				
49	the affected school division for such students. Therefore, local school divisions are				
50	encouraged to provide the appropriate portion of the basic aid per pupil funding to the				
51	regional programs for students attending these programs, adjusted for costs incurred by the				
52	school division for transportation, administration, and any portion of the school day or				
53	school year that the student does not attend such program.				
54	b) In the event a school division does not use all of the student slots it is allocated under				
55	this program, the unused slots may be reallocated or transferred to another school division.				
56	1. A school division must request from the Department of Education the availability and				
57	possible use of any unused student slots. If any unused slots are available and if the

2	division shall only receive the state's share of tuition for the unused slot that was allocated in				
3	this Item for the originally designated school division.				
4	2. However, no requesting school division shall receive more tuition funding from the state				
5	for any requested unused slot than what would have been the calculated amount for the				
6	requesting school division had the unused slot been allocated to the requesting school division				
7	in the original budget. Furthermore, the requesting school division shall pay for any remaining				
8	tuition payment necessary for using a previously unused slot.				
9	3. The Department of Education shall provide assistance for the state share of the incremental				
10	cost of Regional Alternative Education program operations based on the composite index of				
11	local ability-to-pay.				
12	g. Remedial Summer School				
13	1) This appropriation includes \$28,285,228 \$24,687,389 the first year and \$29,966,909				
14	\$25,785,842 the second year from the general fund for the state's share of Remedial Summer				
15	School Programs. These funds are available to school divisions for the operation of programs				
16	designed to remediate students who are required to attend such programs during a summer				
17	school session or during an intersession in the case of year-round schools. These funds may				
18	be used in conjunction with other sources of state funding for remediation or intervention.				
19	School divisions shall have maximum flexibility with respect to the use of these funds and the				
20	types of remediation programs offered; however, in exercising this flexibility, students				
21	attending these programs shall not be charged tuition and no high school credit may be				
22	awarded to students who participate in this program.				
23	2) For school divisions charging students tuition for summer high school credit courses,				
24	consideration shall be given to students from households with extenuating financial				
25	circumstances who are repeating a class in order to graduate.				
26	3) <i>From the amounts provided for Remedial Summer School, there is hereby appropriated</i>				
27	<i>\$300,000 the second year from the general fund to support pilot public-private partnerships</i>				
28	<i>between local school divisions and the Greater Richmond and Central Virginia affiliates of</i>				
29	<i>the Virginia Alliance of YMCAs to expand student participation opportunities in existing</i>				
30	<i>summer Power Scholars Academies in such partnered school divisions. The Virginia Alliance</i>				
31	<i>of YMCAs shall prepare and submit an evaluation report for such pilot partnerships between</i>				
32	<i>the school divisions and the Greater Richmond and Central Virginia YMCA affiliates to the</i>				
33	<i>Chairmen of House Appropriations and Senate Finance Committees no later than October 31,</i>				
34	<i>2018.</i>				
35	10. K-3 Primary Class Size Reduction Payments				
36	a. An additional payment estimated at \$129,745,062 \$123,321,155 the first year and				
37	\$131,721,587 \$128,583,847 the second year from the Lottery Proceeds Fund shall be				
38	disbursed by the Department of Education as an incentive for reducing class sizes in the				
39	primary grades.				
40	b. The Department of Education shall calculate the payment based on the incremental cost of				
41	providing the lower class sizes based on the lower of the division average per pupil cost of all				
42	divisions or the actual division per pupil cost.				
43	c. Localities are required to provide a match for these funds based on the composite index of				
44	local ability-to-pay.				
45	d. By October 15 of each year school divisions must provide data to the Department of				
46	Education that each participating school has a September 30 pupil/teacher ratio in grades K				
47	through 3 that meet the following criteria:				
48	Qualifying School Percentage of Students Approved	Grades K-3	Maximum Individual		
49	Eligible for Free Lunch, Three-Year Average	School Ratio	K-3 Class Size		
50	30% but less than 45%	19 to 1	24

3	75% or more	14 to 1		19	
4	e. School divisions may elect to have eligible schools participate at a higher ratio, or only				
5	in a portion of grades kindergarten through three, with a commensurate reduction of state				
6	and required local funds, if local conditions do not permit participation at the established				
7	ratio and/or maximum individual class size. In the event that a school division requires				
8	additional actions to ensure participation at the established ratio and/or maximum				
9	individual class size, such actions must be completed by December 1 of the impacted				
10	school year. Special education teachers and instructional aides shall not be counted				
11	towards meeting these required pupil/teacher ratios in grades kindergarten through three.				
12	f. The Superintendent of Public Instruction may grant waivers to school divisions for the				
13	class size requirement in eligible schools that have only one class in an affected grade				
14	level in the school.				
15	11. Literary Fund Subsidy Program Payments				
16	a. The Department of Education and the Virginia Public School Authority (VPSA) shall				
17	provide a program of funding for school construction and renovation through the Literary				
18	Fund and through VPSA bond sales. The program shall be used to provide funds, through				
19	Literary Fund loans and subsidies, and through VPSA bond sales, to fund a portion of the				
20	projects on the First or Second Literary Fund Waiting List, or other critical projects which				
21	may receive priority placement on the First or Second Literary Fund Waiting List by the				
22	Department of Education. Interest rate subsidies will provide school divisions with the				
23	present value difference in debt service between a Literary Fund loan and a borrowing				
24	through the VPSA. To qualify for an interest rate subsidy, the school division's project				
25	must be eligible for a Literary Fund loan and shall be subject to the same restrictions. The				
26	VPSA shall work with the Department of Education in selecting those projects to be				
27	funded through the interest rate subsidy/bond financing program, so as to ensure the				
28	maximum leverage of Literary Fund moneys and a minimum impact on the VPSA Bond				
29	Pool.				
30	b. The Department of Education may offer Literary Fund loans from the uncommitted				
31	balances of the Literary Fund after meeting the obligations of the interest rate subsidy				
32	sales and the amounts set aside from the Literary Fund for Debt Service Payments for				
33	Education Technology in this Item.				
34	c. 1) In the event that on any scheduled payment date of bonds of the Virginia Public				
35	School Authority (VPSA) authorized under the provisions of a bond resolution adopted				
36	subsequent to June 30, 1997, issued subsequent to June 30, 1997, and not benefiting from				
37	the provisions of either § 22.1-168 (iii), (iv), and (v), Code of Virginia, or § 22.1-168.1,				
38	Code of Virginia, the sum of (i) the payments on general obligation school bonds of cities,				
39	counties, and towns (localities) paid to the VPSA and (ii) the proceeds derived from the				
40	application of the provisions of § 15.2-2659, Code of Virginia, to such bonds of localities,				
41	is less than the debt service due on such bonds of the VPSA on such date, there is hereby				
42	appropriated to the VPSA, first, from available moneys of the Literary Fund and, second,				
43	from the general fund a sum equal to such deficiency.				
44	2) The Commonwealth shall be subrogated to the VPSA to the extent of any such				
45	appropriation paid to the VPSA and shall be entitled to enforce the VPSA's remedies with				
46	respect to the defaulting locality and to full recovery of the amount of such deficiency,				
47	together with interest at the rate of the defaulting locality's bonds.				
48	d. The chairman of the Board of Commissioners of the VPSA shall, on or before				
49	November 1 of each year, make and deliver to the Governor and the Secretary of Finance				
50	a certificate setting forth his estimate of total debt service during each fiscal year of the				
51	biennium on bonds of the VPSA issued and projected to be issued during such biennium				
52	pursuant to the bond resolution referred to in paragraph a above. The Governor's budget				
53	submission each year shall include provisions for the payment of debt service pursuant to				
54	paragraph 1) above.

18	program. In developing the proposed 2018-2020 biennial budget for public education, the				
19	Department of Education shall include a recommendation to the Governor to authorize				
20	sufficient Literary Fund revenues to make debt service payments for this program in fiscal				
21	year 2019.				
22	e. 1) The Department of Education shall authorize amounts estimated at \$13,808,000 the first				
23	year and \$13,805,000 the second year from the Literary Fund to provide debt service				
24	payments for the education technology grant program conducted through the Virginia Public				
25	School Authority in 2015.				
26	2) It is the intent of the General Assembly to authorize sufficient Literary Fund revenues to

46	testing system for the Standards of Learning (SOL) and to develop the capability for high				
47	speed Internet connectivity at high schools followed by middle schools followed by				
48	elementary schools. School divisions shall use these funds first to develop and maintain the				
49	capability to support the administration of online SOL testing for all students with the				
50	exception of students with a documented need for a paper SOL test.				
51	2) The Department of Education shall authorize amounts estimated at \$14,988,495

2	to pay debt service on the Virginia Public School Authority bonds or notes authorized for				
3	education technology grant programs in fiscal year 2017 and in fiscal year 2018. In

7	for these programs in fiscal years 2019, 2020, 2021, 2022, and 2023.				
8	4) Grant funds from the issuance of \$72,660,000 \$67,138,400 in fiscal year 2017 and				
9	\$74,830,800 \$69,169,200 in fiscal year 2018 in equipment notes are based on a grant of				
10	\$26,000 per school and \$50,000 per school division. For purposes of this grant program,				
11	eligible schools shall include schools that are subject to state accreditation and reporting				
12	membership in grades K through 12 as of September 30, 2016, for the fiscal year 2017				
13	issuance, and September 30, 2017, for the fiscal year 2018 issuance, as well as regional				
14	vocational centers, special education centers, alternative education centers, regular school				
15	year Governor's Schools, and the School for the Deaf and the Blind. Schools that serve				
16	only pre-kindergarten students shall not be eligible for this grant.				
17	5. a.) Supplemental grants shall be allocated to eligible divisions to support schools that				
18	are not fully accredited in accordance with this paragraph. Schools that include a ninth				
19	grade that administer SOL tests in Spring 2016 and that are not fully accredited for the				
20	second consecutive year, based on school accreditation ratings in effect for fiscal year				
21	2016 and fiscal year 2017 will qualify to participate in the Virginia e-Learning Backpack				
22	Initiative in fiscal year 2017 and receive: (1) a supplemental grant of \$400 per student				
23	reported in ninth grade fall membership in a qualifying school for the purchase of a laptop				
24	or tablet for that student and (2) a supplemental grant of \$2,400 per qualifying school to				
25	purchase two content creation packages for teachers. Schools eligible to receive this				
26	supplemental grant in fiscal year 2017 shall continue to receive the grant for the number of				
27	subsequent years equaling the number of grades 9 through 12 in the qualifying school up				
28	to a maximum of four years. Schools that administer SOL tests in Spring 2017 and that are				
29	not fully accredited for the second consecutive year based on school accreditation ratings				
30	in effect for fiscal year 2017 and fiscal year 2018 will qualify to participate in the				
31	initiative in fiscal year 2018. Schools eligible for the supplemental grants in previous				
32	fiscal years shall continue to be eligible for the remaining years of their grant award.				
33	Schools eligible to receive this supplemental grant in fiscal year 2018 shall continue to

37	the primary receiving school for all years subsequent to grade 9. Schools are eligible to				
38	receive these grants for a period of up to four years beginning in fiscal year 2014 and shall				
39	not be eligible to receive a separate award in the future once the original award period has				
40	concluded. Schools that are fully accredited or that are new schools with conditional				
41	accreditation in their first year shall not be eligible to receive this supplemental grant.				
42	b.) Supplemental grants allocated to school divisions for participation in the Virginia e-				
43	Learning Backpack Initiative prior to fiscal year 2017 shall be used in eligible schools for				
44	(1) the purchase of a laptop or tablet for a student reported in ninth grade fall				
45	membership, and (2) the purchase of two content creation packages for teachers per				
46	grant. The amounts for such grants shall remain unchanged.				
47	6) Required local match:				
48	a) Localities are required to provide a match for these funds equal to 20 percent of the				
49	grant amount, including the supplemental grants provided pursuant to paragraph g. 5). At				
50	least 25 percent of the local match, including the match for supplemental grants, shall be				
51	used for teacher training in the use of instructional technology, with the remainder spent				
52	on other required uses. The Superintendent of Public Instruction is authorized to reduce				
53	the required local match for school divisions with a composite index of local ability-to-pay				
54	below 0.2000. The Virginia School for the Deaf and the Blind is exempt from the match				
55	requirement.				
56	b) School divisions that administer 100 percent of SOL tests online in all elementary,				
57	middle, and high schools may use up to 75 percent of their required local match to

Such interventions may include the necessary technology and software to support online learning, technology-based content systems, content management systems, technology equipment systems, information and data management systems, and other appropriate technologies that support the individual needs of learners. School divisions that receive supplemental grants pursuant to paragraph g.5) above shall use the funds in qualifying schools to purchase laptops and tablets for ninth grade students reported in fall membership and content creation packages for teachers.

8	7) The goal of the education technology grant program is to improve the instructional, remedial, and testing capabilities of the Standards of Learning for local school divisions and to increase the number of schools achieving full accreditation.				
9					
10					
11	8) Funds shall be used in the following manner:				
12					
13					
14	a) Each division shall use funds to reach a goal, in each high school, of: (1) a 5-to-1 student to computer ratio; (2) an Internet-ready local area network (LAN) capability; and (3) high speed access to the Internet. School connectivity (computers, LANs and network access) shall include sufficient download/upload capability to ensure that each student will have adequate access to Internet-based instructional, remedial and assessment programs.				
15					
16					
17	b) When each high school in a division meets the goals established in paragraph a) above, the remaining funds shall be used to develop similar capability in first the middle schools and then the elementary schools.				
18					
19					
20	c) For purposes of establishing or enhancing a computer-based instructional program supporting the Standards of Learning pursuant to paragraph g. 1) above, these grant funds may be used to purchase handheld multifunctional computing devices that support a broad range of applications and that are controlled by operating systems providing full multimedia support and mobile Internet connectivity. School divisions that elect to use these grant funds to purchase such qualifying handheld devices must continue to meet the on-line testing requirements stated in paragraph g. 1) above.				
21					
22					
23	d) School divisions shall be eligible to receive supplemental grants pursuant to paragraph g.5) above. These supplemental grants shall be used in qualifying schools for the purchase of laptops and tablets for ninth grade students reported in fall membership and content creation packages for teachers. Participating school divisions will be required to select a core set of electronic textbooks, applications and online services for productivity, learning management, collaboration, practice, and assessment to be included on all devices. In addition, participating school divisions will assume recurring costs for electronic textbook purchases and maintenance.				
24					
25					
26	e) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school divisions became one school division, whether by consolidation of only the school divisions or by consolidation of the local governments, such resulting division shall be provided funding through this program on the basis of having the same number of school divisions as existed prior to September 30, 2000.				
27					
28					
29	9) Local school divisions shall maximize the use of available federal funds, including E-Rate Funds, and to the extent possible, use such funds to supplement the program and meet the goals of this program.				
30					
31					
32	h. The Department of Education shall maintain criteria to determine if high schools, middle schools, or elementary schools have the capacity to meet the goals of this initiative. The Department of Education shall be responsible for the project management of this program.				
33					
34					
35	i. 1) In the event that, on any scheduled payment date of bonds or notes of the Virginia Public School Authority (VPSA) issued for the purpose described in § 22.1-166.2, Code of Virginia, and not benefiting from the provisions of either § 22.1-168 (iii), (iv) and (v), Code of Virginia, or § 22.1-168.1, Code of Virginia, the available moneys in the Literary Fund are less than the amounts authorized for debt service due on such bonds or notes of the VPSA on such date, there is hereby appropriated to the VPSA from the general fund a sum equal to such deficiency.

36	students attending public schools in Virginia.				
37	2) The Department of Education shall authorize amounts estimated at \$4,949,979

42	3) It is the intent of the General Assembly to authorize sufficient Literary Fund revenues				
43	to pay debt service on the Virginia Public School Authority bonds or notes authorized for				
44	this program. In developing the proposed 2018-2020, and 2020-2022, and 2022-2024				
45	biennial budgets for public education, the Department of Education shall include a				
46	recommendation to the Governor to authorize sufficient Literary Fund revenues to make

11	purposes of this program, eligible schools shall include schools that are subject to state				
12	accreditation and reporting membership in grades K through 12 as of September 30, 2016, for				
13	the fiscal year 2017 issuance, and September 30, 2017, for the fiscal year 2018 issuance, as				
14	well as regional vocational centers, special education centers, alternative education centers,				
15	regular school year Governor's Schools, and the Virginia School for the Deaf and the Blind.				
16	7) School divisions would submit their application to Department of Education by August 1				
17	of each year based on the criteria developed by the Department of Education in collaboration				
18	with the Department of Criminal Justice Services who will provide requested technical				
19	support. Furthermore, the Department of Education will have the authority to make such grant				
20	awards to such school divisions.				
21	8) It is also the intent of the General Assembly that the total amount of the grant awards shall				
22	not exceed \$30,000,000 over any ongoing revolving five year period.				
23	9) Required local match:				
24	a) Localities are required to provide a match for these funds equal to 25 percent of the grant				
25	amount. The Superintendent of Public Instruction is authorized to reduce the required local				
26	match for school divisions with a composite index of local ability-to-pay below 0.2000. The				
27	Virginia School for the Deaf and the Blind is exempt from the match requirement.				
28	b) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school				
29	divisions became one school division, whether by consolidation of only the school divisions				
30	or by consolidation of the local governments, such resulting division shall be provided				
31	funding through this program on the basis of having the same number of school divisions as				
32	existed prior to September 30, 2000.				
33	c) Local school divisions shall maximize the use of available federal funds, including E-Rate				
34	Funds, and to the extent possible, use such funds to supplement the program and meet the				
35	goals of this program.				
36	14. Virginia Preschool Initiative Payments				
37	a.1) It is the intent of the General Assembly that a payment estimated at \$70,657,776				
38	\$69,351,713 the first year and \$70,912,925 \$70,950,500 the second year from the Lottery				
39	Proceeds Fund shall be disbursed by the Department of Education to schools and community-				
40	based organizations to provide quality preschool programs for at-risk four-year-olds who are				
41	residents of Virginia and unserved by Head Start program funding. In no event shall				
42	distributions from the Lottery Proceeds Fund be made directly to community-based or private				
43	providers.				
44	2) These state funds and required local matching funds shall be used to provide programs for				
45	at-risk four-year-old children, which include quality preschool education, health services,				
46	social services, parental involvement and transportation. It shall be the policy of the				
47	Commonwealth that state funds and required local matching funds for the Virginia Preschool				
48	Initiative not be used for capital outlay. Programs must provide full-day or half-day and, at				
49	least, school-year services.				
50	3) The Department of Education, in cooperation with the Council on Child Day Care and				
51	Early Childhood Programs, shall establish academic standards that are in accordance with				
52	appropriate preparation for students to be ready to successfully enter kindergarten. These				
53	standards shall be established in such a manner as to be measurable for student achievement				
54	and success. Students shall be required to be evaluated in the fall and in the spring by each

1	participating school division and the school divisions must certify that the Virginia				
2	Preschool Initiative program follows the established standards in order to receive the				
3	funding for quality preschool education and criteria for the service components. Such				
4	guidelines shall be consistent with the findings of the November 1993 study by the Board				
5	of Education, the Department of Education, and the Council on Child Day Care and Early				
6	Childhood Programs.				
7	4) a) Grants shall be distributed based on an allocation formula providing the state share of				
8	a \$6,125 grant for 100 percent of the unserved at-risk four-year-olds in each locality for a				
9	full-day program. The number of unserved at-risk four-year-olds in each locality shall be				
10	based on the projected number of kindergarten students, updated once each biennium for				
11	the Governor's introduced biennial budget. Half-day programs shall operate for a				
12	minimum of three hours of classroom instructional time per day, excluding breaks for				
13	lunch or recess, and grants to half-day programs shall be funded based on the state share				
14	of \$3,062 per unserved at-risk four-year-old in each locality. Full-day programs shall				
15	operate for a minimum of five and one-half instructional hours, excluding breaks for				
16	meals and recess. No additional state funding is provided for programs operating greater				
17	than three hours per day but less than five and one-half hours per day. In determining the				
18	state and local shares of funding, the composite index of local ability-to-pay is capped at				
19	0.5000.				
20	b) For new programs in the first year of implementation only, programs operating less				
21	than a full school year shall receive state funds on a fractional basis determined by the				
22	pro-rata portion of a school year program provided. In determining the prorated state				
23	funds to be received, a school year shall be 180 days.				
24	b.1) Any locality which desires to participate in this grant program must submit a proposal				
25	through its chief administrator (county administrator or city manager) by May 15 of each				
26	year. The chief administrator, in conjunction with the school superintendent, shall identify				
27	a lead agency for this program within the locality. The lead agency shall be responsible for				
28	developing a local plan for the delivery of quality preschool services to at-risk children				
29	which demonstrates the coordination of resources and the combination of funding streams				
30	in an effort to serve the greatest number of at-risk four-year-old children.				
31	2) The proposal must demonstrate coordination with all parties necessary for the				
32	successful delivery of comprehensive services, including the schools, child care providers,				
33	local social services agency, Head Start, local health department, and other groups				
34	identified by the lead agency.				
35	3) A local match, based on the composite index of local ability-to-pay, shall be required.				
36	For purposes of meeting the local match, localities may use local expenditures for existing				
37	qualifying programs, however, at least seventy-five percent of the local match will be cash				
38	and no more than twenty-five percent will be in-kind. In-kind contributions are defined as				
39	cash outlays that are made by the locality that benefit the program but are not directly				
40	charged to the program. The value of fixed assets cannot be considered as an in-kind				
41	contribution. Localities shall also continue to pursue and coordinate other funding sources,				
42	including child care subsidies. Funds received through this program must be used to				
43	supplement, not supplant, any funds currently provided for programs within the locality.				
44	However, in the event a locality is prohibited from continuing the previous level of				
45	support to programs for at-risk four-year-olds from Title I of the federal Elementary and				
46	Secondary Education Act (ESEA), the state and local funds provided in this grants				
47	program may be used to continue services to these Title I students. Such prohibition may				
48	occur due to amendments to the allocation formula in the reauthorization of ESEA as the				
49	No Child Left Behind Act of 2001 or due to a percentage reduction in a locality's Title I				
50	allocation in 2016-2017 or 2017-2018. Any locality so affected shall provide written				
51	evidence to the Superintendent of Public Instruction and request his approval to continue				
52	the services to Title I students.				
53	c. Local plans must provide clear methods of service coordination for the purpose of				
54	reducing the per child cost for the service, increasing the number of at-risk children served				
55	and/or extending services for the entire year. Examples of these include:				
56	1) "Wraparound Services" -- methods for combining funds such as child care subsidy				
57	dollars administered by local social service agencies with dollars for quality preschool

1	education programs.				
2	2) "Wrap-out Services" - methods for using grant funds to purchase quality preschool services				
3	to at-risk four-year-old children through an existing child care setting by purchasing				
4	comprehensive services within a setting which currently provides quality preschool education.				
5	3) "Expansion of Service" - methods for using grant funds to purchase slots within existing				
6	programs, such as Head Start, which provide comprehensive services to at-risk four-year-old				
7	children.				
8	d.1) Local plans must indicate the number of at-risk four-year-old children to be served, and				
9	the eligibility criteria for participation in this program shall be consistent with the economic				
10	and educational risk factors stated in the 2015-2016 programs guidelines that are specific to:				
11	(i) family income at or below 200 percent of poverty, (ii) homelessness, (iii) student's parents				
12	or guardians are school dropouts, or (iv) family income is less than 350 percent of federal				
13	poverty guidelines in the case of students with special needs or disabilities. Up to 15 percent				
14	of a division's slots may be filled based on locally established eligibility criteria so as to meet				
15	the unique needs of at-risk children in the community.				
16	2) The Department of Education is directed to compile from each school division the				
17	aggregated information as to the number of enrolled students whose families are (i) at or				
18	below 130 percent of poverty, and (ii) above 130 percent but below 200 percent of poverty.				
19	The Department shall report this information annually, after the application and fall				
20	participation reports are submitted to the Department from the school divisions, to the				
21	Chairmen of House Appropriations and Senate Finance Committees. In addition, the				
22	Department will post and maintain the summary information by division on the Department's				
23	website in keeping with current student privacy policies.				
24	e.1) The Department of Education and the Council on Child Day Care and Early Childhood				
25	Programs shall provide technical assistance for the administration of this grant program to				
26	provide assistance to localities in developing a comprehensive, coordinated, quality preschool				
27	program for serving at-risk four-year-old children.				
28	2) A pre-application session shall be provided by the Department and the Council on Child				
29	Day Care and Early Childhood Programs prior to the proposal deadline. The Department shall				
30	provide interested localities with information on models for service delivery, methods of				
31	coordinating funding streams, such as funds to match federal IV-A child care dollars, to				
32	maximize funding without supplanting existing sources of funding for the provision of				
33	services to at-risk four-year-old children. A priority for technical assistance in the design of				
34	programs shall be given to localities where the majority of the at-risk four-year-old population				
35	is currently unserved.				
36	f. The Department of Education shall include in the program's application package specific				
37	information regarding the potential availability of funding for supplemental grants that may				
38	be used for one-time expenses, other than capital, related to start-up or expansion of				
39	programs, with priority given to proposals for expanding the use of partnerships with either				
40	nonprofit or for-profit providers. Furthermore, the Department is mandated to communicate to				
41	all eligible school divisions the remaining available balances in the program's adopted budget,				
42	after the fall participation reports have been submitted and finalized for such grants.				
43	15. Early Reading Intervention Payments				
44	a. An additional payment of \$18,142,819 \$20,057,840 the first year and \$18,203,496				
45	\$20,098,089 the second year from the Lottery Proceeds Fund shall be disbursed by the				
46	Department of Education to local school divisions for the purposes of providing early reading				
47	intervention services to students in grades kindergarten through 3 who demonstrate				
48	deficiencies based on their individual performance on diagnostic tests which have been				
49	approved by the Department of Education. The Department of Education shall review the				
50	tests of any local school board which requests authority to use a test other than the state-				
51	provided test to ensure that such local test uses criteria for the early diagnosis of reading				
52	deficiencies which are similar to those criteria used in the state-provided test. The Department				
53	of Education shall make the state-provided diagnostic test used in this program available to				
54	local school divisions. School divisions shall report the results of the diagnostic tests to the				
55	Department of Education on an annual basis at a time to be determined by the Superintendent

2	b. These payments shall be based on the state's share of the cost of providing two and one-				
3	half hours of additional instruction each week for an estimated number of students in each				
4	school division at a student to teacher ratio of five to one. The estimated number of				
5	students in each school division in each year shall be determined by multiplying the				
6	projected number of students reported in each school division's fall membership in grades				
7	kindergarten, 1, 2, and 3 by the percent of students who are determined to need services				
8	based on diagnostic tests administered in the previous year in that school division and				
9	adjusted in the following manner:				
10		Year 1		Year 2	
11	Kindergarten	100%		100%	
12	Grade 1	100%		100%	
13	Grade 2	100%		100%	
14	Grade 3	100%		100%	
15	c. These payments are available to any school division that certifies to the Department of				
16	Education that an intervention program will be offered to such students and that each				
17	student who receives an intervention will be assessed again at the end of that school year.				
18	At the beginning of the school year, local school divisions shall partner with the parents of				
19	those third grade students in the division who demonstrate reading deficiencies, discussing				
20	with them a developed plan for remediation and retesting. Such intervention programs, at				
21	the discretion of the local school division, may include, but not be limited to, the use of:				
22	special reading teachers; trained aides; full-time early literacy tutors; volunteer tutors				
23	under the supervision of a certified teacher; computer-based reading tutorial programs;				
24	aides to instruct in-class groups while the teacher provides direct instruction to the				
25	students who need extra assistance; or extended instructional time in the school day or				
26	year for these students. Localities receiving these payments are required to match these				
27	funds based on the composite index of local ability-to-pay.				
28	d. In the event that a school division does not use the diagnostic test provided by the				
29	Department of Education in the year that serves as the basis for updating the funding				
30	formula for this program but has used it in past years, the Department of Education shall				
31	use the most recent data available for the division for the state-provided diagnostic test.				
32	e. The results of all reading diagnostic tests and reading remediation shall be discussed				
33	with the student and the student's parent prior to the student being promoted to grade four.				
34	f. Funds appropriated for Standards of Quality Prevention, Intervention, and Remediation,				
35	Remedial Summer School, or At-Risk Add-On may also be used to meet the requirements				
36	of this program.				
37	16. Standards of Learning Algebra Readiness Payments				
38	a. An additional payment of \$12,921,689 \$12,968,589 the first year and \$12,955,205				
39	\$12,775,341 the second year from the Lottery Proceeds Fund shall be disbursed by the				
40	Department of Education to local school divisions for the purposes of providing math				
41	intervention services to students in grades 6, 7, 8 and 9 who are at-risk of failing the				
42	Algebra I end-of-course test, as demonstrated by their individual performance on				
43	diagnostic tests which have been approved by the Department of Education. <i>In the second</i>				
44	<i>year, this reflects \$199,992 apportioned to each school division to account for the cost of</i>				
45	<i>the diagnostic test.</i> The Department of Education shall review the tests to ensure that such				
46	local test uses state-provided criteria for diagnosis of math deficiencies which are similar				
47	to those criteria used in the state-provided test. The Department of Education shall make				
48	the state-provided diagnostic test used in this program available to local school divisions.				
49	School divisions shall report the results of the diagnostic tests to the Department of				
50	Education on an annual basis at a time to be determined by the Superintendent of Public				
51	Instruction.				
52	b. These payments shall be based on the state's share of the cost of providing two and one-				
53	half hours of additional instruction each week for an estimated number of students in each				
54	school division at a student to teacher ratio of ten to one. The estimate number of students

2	reported in each school division's fall membership by the percent of students that qualify for				
3	the federal Free Lunch Program.				
4	c. These payments are available to any school division that certifies to the Department of				
5	Education that an intervention program will be offered to such students and that each student				
6	who receives an intervention will be assessed again at the end of that school year. Localities				
7	receiving these payments are required to match these funds based on the composite index of				
8	local ability-to-pay.				
9	17. School Construction Grants Program Escrow				
10	Notwithstanding the requirements of § 22.1-175.5, Code of Virginia, school divisions are				
11	permitted to withdraw funds from local escrow accounts established pursuant to § 22.1-175.5				
12	to pay for recurring operational expenses incurred by the school division. Localities are not				
13	required to provide a local match of the withdrawn funds.				
14	18. English as a Second Language Payments				
15	A payment of \$52,499,242 \$53,267,521 the first year <i>from the Lottery Proceeds Fund</i> and

17	Department of Education to local school divisions to support the state share of 17 professional				
18	instructional positions per 1,000 students for whom English is a second language. Local				
19	school divisions shall provide a local match based on the composite index of local ability-to-				
20	pay.				
21	19. Special Education Instruction Payments				
22	a. The Department of Education shall establish rates for all elements of Special Education				
23	Instruction Payments.				
24	b. Out of the appropriations in this Item, the Department of Education shall make available,				
25	subject to implementation by the Superintendent of Public Instruction, an amount estimated at				
26	\$87,362,717 \$84,678,643 the first year and \$90,918,109 the second year \$32,680,039 from the				
27	<i>general fund and \$54,898,940</i> from the Lottery Proceeds Fund <i>the second year</i> for the				
28	purpose of the state's share of the tuition rates for approved public school regional programs.				
29	Notwithstanding any contrary provision of law, the state's share of the tuition rates shall be				
30	based on the composite index of local ability-to-pay.				
31	c. Out of the amounts for Financial Assistance for Categorical Programs, \$34,872,556				
32	\$34,904,851 the first year and \$35,217,880 \$35,588,024 the second year from the general				
33	fund is appropriated to permit the Department of Education to enter into agreements with				
34	selected local school boards for the provision of educational services to children residing in				
35	certain hospitals, clinics, and detention homes by employees of the local school boards. The				
36	portion of these funds provided for educational services to children residing in local or				
37	regional detention homes shall only be determined on the basis of children detained in such				
38	facilities through a court order issued by a court of the Commonwealth. The selection and				
39	employment of instructional and administrative personnel under such agreements will be the				
40	responsibility of the local school board in accordance with procedures as prescribed by the				
41	local school board. State payments for the first year to the local school boards operating these				
42	programs will be based on certified expenditures from the fourth quarter of FY 2016 and the				
43	first three quarters of FY 2017. State payments for the second year to the local school boards				
44	operating these programs will be based on certified expenditures from the fourth quarter of				
45	FY 2017 and the first three quarters of FY 2018.				
46	20. Vocational Education Instruction Payments				
47	a. It is the intention of the General Assembly that the Department of Education explore				
48	initiatives that will encourage greater cooperation between jurisdictions and the Virginia				
49	Community College System in meeting the needs of public school systems.				
50	b. This appropriation includes \$1,800,000 the first year from the Lottery Proceeds Fund and				
51	\$1,800,000 the second year from the Lottery Proceeds Fund for secondary vocational-

2	equipment must be used to supplement, not supplant, any funds currently provided for				
3	secondary vocational-technical equipment within the locality. Local school divisions are				
4	not required to provide a local match in order to receive these state funds.				
5	c.1) This appropriation includes an additional \$2,000,000 the first year and \$2,000,000 the

13	3) Of this amount, \$600,000 the first year and \$600,000 the second year will be awarded				
14	based on competitive innovative program grants for high-demand and fast-growth industry				
15	sectors with priority given to state-identified challenged schools, the Governor's Science

22	c. The distribution of state sales tax funds shall be made in equal bimonthly payments at the				
23	middle and end of each month.				
24	27. Adult Literacy Payments				
25	a. Appropriations in this Item include \$125,000 the first year and \$125,000 the second year				
26	from the general fund for the ongoing literacy programs conducted by Mountain Empire				
27	Community College.				
28	b. Out of this appropriation, the Department of Education shall provide \$100,000 the first year				
29	and \$100,000 the second year from the general fund for the Virginia Literacy Foundation				
30	grants to support programs for adult literacy including those delivered by community-based				
31	organizations and school divisions providing services for adults with 0-9th grade reading				
32	skills.				
33	28. Governor's School Payments				
34	a. Out of the amounts for Governor's School Payments, the Department of Education shall				
35	provide assistance for the state share of the incremental cost of regular school year Governor's				
36	Schools based on each participating locality's composite index of local ability-to-pay.				
37	Participating school divisions must certify that no tuition is assessed to students for				
38	participation in this program.				
39	b.1) Out of the amounts for Governor's School Payments, the Department of Education shall				
40	provide assistance for the state share of the incremental cost of summer residential Governor's				
41	Schools and Foreign Language Academies to be based on the greater of the state's share of the				
42	composite index of local ability-to-pay or 50 percent. Participating school divisions must				
43	certify that no tuition is assessed to students for participation in this program if they are				
44	enrolled in a public school.				
45	2) Out of the amounts for Governor's School Payments, \$93,000 the first year and \$41,000 the				
46	second year is provided to support the Hanover Regional Summer Governor's School for				
47	Career and Technical Advancement, which was established pursuant to Chapter 425, 2014

2	d. It shall be the policy of the Commonwealth that state general fund appropriations not be				
3	used for capital outlay, structural improvements, renovations, or fixed equipment costs				
4	associated with initiation of existing or proposed Governor's schools. State general fund				
5	appropriations may be used for the purchase of instructional equipment for such schools,				
6	subject to certification by the Superintendent of Public Instruction that at least an equal				
7	amount of funds has been committed by participating school divisions to such purchases.				
8	e. The Board of Education shall not take any action that would increase the state's share of				
9	costs associated with the Governor's Schools as set forth in this Item. This provision shall				
10	not prohibit the Department of Education from submitting requests for the increased costs				
11	of existing programs resulting from updates to student enrollment for school divisions				
12	currently participating in existing programs or for school divisions that begin participation				
13	in existing programs.				
14	f.1) Regular school year Governor's Schools are funded through this Item based on the				
15	state's share of the incremental per pupil cost for providing such programs for each student				
16	attending a Governor's School up to a cap of 1,800 students per Governor's School in the				
17	first year and a cap of 1,800 students per Governor's School in the second year. This				
18	incremental per pupil payment shall be adjusted for the composite index of the school				
19	division that counts such students attending an academic year Governor's School in their				
20	March 31 Average Daily Membership. It is the intent of the General Assembly that this				
21	incremental per pupil amount be in addition to the basic aid per pupil funding provided to				
22	the affected school division for such students. Therefore, local school divisions are				
23	encouraged to provide the appropriate portion of the basic aid per pupil funding to the				
24	Governor's Schools for students attending these programs, adjusted for costs incurred by				
25	the school division for transportation, administration, and any portion of the day that the				
26	student does not attend a Governor's School.				
27	2) Students attending a revolving Academic Year Governor's School program for only one				
28	semester shall be counted as 0.50 of a full-time equivalent student and will be funded for				
29	only fifty percent of the full-year funded per pupil amount. Funding for students attending				
30	a revolving Academic Year program will be adjusted based upon actual September 30th				
31	and January 30th enrollment each fiscal year. For purposes of this Item, revolving				
32	programs shall mean Academic Year Governor's School programs that admit students on a				
33	semester basis.				
34	3) Students attending a continuous, non-revolving Academic Year Governor's School				
35	program shall be counted as a full-time equivalent student and will be funded for the full-				
36	year funded per pupil amount. Funding for students attending a continuous, non-revolving				
37	Academic Year Governor's School program will be adjusted based upon actual September				
38	30th student enrollment each fiscal year. For purposes of this Item, continuous, non-				
39	revolving programs shall mean Academic Year Governor's School programs that only				
40	admit students at the beginning of the school year. Fairfax County Public Schools shall not				
41	reduce local per pupil funding for the Thomas Jefferson Governor's School below the				
42	amounts appropriated for the 2003-2004 school year.				
43	4) This appropriation includes an additional \$1,370,160 \$1,223,796 the first year and				
44	\$1,680,704 \$1,250,538 the second year from the general fund to provide the state's share				
45	of a 2.5 percent increase in the tuition amount, and the state's share of \$50.00 per course				
46	per student adjustment added after the 2.5 percent increase. The 2.5 percent increase and				
47	the \$50.00 per course adjustment shall only be effective for fiscal year 2017 and fiscal				
48	year 2018. The local funding contribution of each school division participating in an				
49	Academic Year Governor's Schools program in either year of the biennium shall not be				
50	reduced on a per pupil basis below the amount in fiscal year 2016.				
51	5) The Department of Education shall review the distribution methodology used to				
52	determine the Governor's School tuition payments by November 4, 2016, and submit the				
53	findings of the review to the Chairmen of House Appropriations and Senate Finance				
54	Committees. The review shall include, but not be limited to, consideration of the length of				
55	the academic program day with the intent to determine and provide an equitable				
56	distribution of tuition payments based on the actual length of academic program day, the				
57	appropriate state and local shares, and the academic model used by Governor's Schools in

4	h. Out of the appropriation included in paragraph 36, a.1., of this Item, \$103,041 the first year				
5	and \$357,852 the second year from the general fund is included for the Academic Year				
6	Governor's School funding allocation to increase the per pupil amount up to an additional				
7	\$70.19 the first year and \$119.98 the second year per pupil amount as an add-on for a 2.0				
8	percent compensation incentive supplement with an effective date of December 1, 2016. In				
9	order to receive the state's allocation for the 2.0 percent compensation incentive supplement in				
10	the first year, participating Academic Year Governor's Schools shall comply with the				
11	provisions set out in paragraph 36 of this Item.				
12	i. Out of this appropriation, \$100,000 the first year from the general fund is available for the				
13	Department of Education to develop, in collaboration with the school divisions and				
14	community colleges in the Roanoke Valley region, a model proposal that establishes a				
15	Regional Career and Technical Governor's School Center.				
16	j. Out of the appropriation included in paragraph 40 of this item, \$135,366 the second year				
17	from the general fund is included in the Academic Year Governor's School funding allocation				
18	to increase the per pupil amount the second year as an add-on for a compensation supplement				
19	payment equal to 2.0 percent of base pay on February 15, 2018, for Academic Year				
20	Governor's School instructional and support positions.				
21	29. School Nutrition Payments				
22	It is provided that, subject to implementation by the Superintendent of Public Instruction, no				
23	disbursement shall be made out of the appropriation for school nutrition to any locality in				
24	which the schools permit the sale of competitive foods in food service facilities or areas				
25	during the time of service of food funded pursuant to this Item.				
26	30. School Breakfast Payments				
27	a. Out of this appropriation, \$3,926,014 \$4,887,179 the first year and \$4,226,897 \$5,492,229				
28	the second year from the Lottery Proceeds Fund is included to continue a state funded				
29	incentive program to maximize federal school nutrition revenues and increase student				
30	participation in the school breakfast program. These funds are available to any school division				
31	as a reimbursement for breakfast meals served that are in excess of the baseline established by				
32	the Department of Education. The per meal reimbursement shall be \$0.22; however, the				
33	department is authorized, but not required to reduce this amount proportionately in the event				
34	that the actual number of meals to be reimbursed exceeds the number on which this				
35	appropriation is based so that this appropriation is not exceeded.				
36	b. In order to receive these funds, school divisions must certify that these funds will be used to				
37	supplement existing funds provided by the local governing body and that local funds derived				
38	from sources that are not generated by the school nutrition programs have not been reduced or				
39	eliminated. The funds shall be used to improve student participation in the school breakfast				
40	program. These efforts may include, but are not limited to, reducing the per meal price paid				
41	by students, reducing competitive food sales in order to improve the quality of nutritional				
42	offerings in schools, increasing access to the school breakfast program, or providing programs				
43	to increase parent and student knowledge of good nutritional practices. In no event shall these				
44	funds be used to reduce local tax revenues below the level appropriated to school nutrition				
45	programs in the prior year. Further, these funds must be provided to the school nutrition				
46	programs and may not be used for any other school purpose.				
47	c.1) Out of this appropriation, \$1,074,000 the first year and \$1,074,000 the second year from				
48	the general fund is provided to fund an elementary school After-the-Bell Model breakfast				
49	pilot program available on a voluntary basis only to elementary schools where student				
50	eligibility for free or reduced lunch exceeds 45.0 percent for the participating eligible				
51	elementary school, and to provide additional reimbursement for eligible meals served in the				
52	current traditional school breakfast program at all grade levels in any participating school.				
53	The Department of Education is directed to ensure that only eligible elementary schools				
54	receive reimbursement funding for participating in the After-the-Bell school breakfast model.

5	the 2016-2017 school year and no later than June 30, 2018 for the 2017-2018 school year.				
6	2) The Department of Education shall communicate, through Superintendent's Memo, to				
7	school divisions the types of breakfast serving models and the criteria that will meet the				
8	requirements for this State reimbursement, which may include, but are not limited to,				
9	breakfast in the classroom, grab and go breakfast, or a breakfast after first period. School				
10	divisions may determine the breakfast serving model that best applies to its students, so				
11	long as it occurs after the instructional day has begun. For the 2016-2017 and 2017-2018				
12	school years, the Department of Education shall monthly transfer to each school division a				
13	reimbursement rate of \$0.05 per breakfast meal that meets either of the established				
14	criteria.				
15	3) No later than July 1, 2016 for the 2016-2017 school year and no later than July 1, 2017				
16	for the 2017-2018 school year, the Department of Education shall provide for a pilot				
17	breakfast program application process for school divisions with eligible elementary				
18	schools, including guidelines regarding specified required data to be compiled from the				
19	prior school year or years and during the one-year pilot. The number of approved				
20	applications shall be based on the estimated number of pilot sites that can be				
21	accommodated within the approved funding level. The reporting requirements must				
22	include: student attendance and tardy arrivals, office discipline referrals, student				
23	achievement measures, teachers' responses to the impact of the pilot program before and				
24	after implementation, and the financial impact on the division's school food program. The				
25	Department of Education shall collect and compile the results of the pilot breakfast

48	education institutions regarding compensation for clinical faculty and mentor teachers				
49	consistent with these elements of the programs; and				
50	e. It is the intent of the General Assembly that no preference between pre-service or

8	of escalating college costs for Virginia students and families. In accordance with the cost-				
9	sharing goals set forth in § 4-2.01 b. of this act, the Board of Visitors is encouraged to limit

8	which is contiguous to Virginia and which has similar reciprocal provisions for persons				
9	domiciled in Virginia.				
10	E. As Virginia's public colleges and universities approach full funding of the base				
11	adequacy guidelines and as the General Assembly strives to fully fund the general fund				
12	share of the base adequacy guidelines, these funds are provided with the intent that, in				
13	exercising their authority to set tuition and fees, the Board of Visitors shall take into				
14	consideration the impact of escalating college costs for Virginia students and families. In				
15	accordance with the cost-sharing goals set forth in § 4-2.01 b. of this act, the Board of				
16	Visitors is encouraged to limit increases on tuition and mandatory educational and general				
17	fees for in-state, undergraduate students to the extent possible.

19	general fund is designated to provide opportunity for 80 students per year to be engaged in				
20	STEM education using aerospace, high tech science, technology and engineering in				
21	partnership with NASA Wallops Flight Facility. Old Dominion University will collaborate				
22	with the Virginia Space Grant Consortium and STEM educators to identify the students				
23	who will participate in the program each year. The designated funding in this paragraph				
24	will not be considered as a resource for purposes of funding guidelines.

30	and Mary's Virginia Coastal Policy Center, shall work with municipalities both along				
31	coastal Virginia and throughout the Commonwealth to develop useful resilience strategies.				
32	H. The 4-VA, a public-private partnership among George Mason University, James				
33	Madison University, the University of Virginia, Virginia Tech, Old Dominion University,				
34	and CISCO Systems, Inc., utilizes emerging technologies to promote collaboration and

36	maintaining and enhancing quality. Instructional talent across the five institutions is				
37	leveraged in the delivery of programs in foreign languages, science, technology,				
38	engineering and mathematics. The 4-VA Management Board can expand this partnership				
39	to additional institutions as appropriate to meet the goals of the 4-VA initiative. It is				
40	expected that funding will be pooled by the management board as required to support				
41	continuing efforts of the 4-VA priorities and projects.

1	specified in paragraphs B.1.b. and B.1.c. in this Item. These funds shall be distributed to				
2	each locality in each year of the biennium based on the greater of that locality's percentage				
3	of actual 1997 Children's Services Act pool fund program expenditures to total 1997 pool				
4	fund program expenditures or the latest available three-year average of actual pool fund				
5	program expenditures as reported to the state fiscal agent.				
6	2. Local Match. All localities are required to appropriate a local match for the base year				
7	funding consisting of the actual aggregate local match rate based on actual total 1997				
8	program expenditures for the Children's Services Act. This local match rate shall also				
9	apply to all reimbursements from the state pool of funds in this Item and carryforward

29	together to determine the most appropriate and cost-effective provider of ICC services for				
30	children in their community who are placed in, or at-risk of being placed in, residential				
31	care through the Children's Services Act, in accordance with guidelines developed by the				
32	State Executive Council. The State Executive Council and Office of Children's Services				
33	shall establish guidelines for reasonable rates for ICC services and provide training and

38	of the fiscal year 1997 pool fund allocations, not to exceed \$2,060,000 the first year and				
39	\$2,060,000 the second year from the general fund, shall be allocated among all localities				
40	for administrative costs. Every locality shall be required to appropriate a local match				
41	based on the local match contribution in paragraph C.2. of this Item. Inclusive of the state				
42	allocation and local matching funds, every locality shall receive the larger of \$12,500 or				
43	an amount equal to two percent of the total pool allocation. No locality shall receive more				
44	than \$50,000, inclusive of the state allocation and local matching funds. Localities are				
45	encouraged to use administrative funding to hire a full-time or part-time local coordinator

4	Assistance Services, in consultation with the Department of Behavioral Health and				
5	Developmental Services, shall amend the State Plan for Medical Assistance Services to

29	utilization, or for which it is not cost-effective to include in the Preferred Drug List program;				
30	and (vi) appropriate grandfather clauses when prior authorization would interfere with				
31	established complex drug regimens that have proven to be clinically effective. In developing

33	considered only after it is determined to be safe and clinically effective.				
34	b. The Pharmacy and Therapeutics Committee shall schedule meetings at least semi-annually				
35	and may meet at other times at the discretion of the chairperson and members. At the				
36	meetings, the Pharmacy and Therapeutics committee shall review any drug in a class subject

42	deviate from the recommendations of the committee.				
43	4. The Preferred Drug List program shall include provisions for (i) the dispensing of a 72-				
44	hour emergency supply of the prescribed drug when requested by a physician and a				
45	dispensing fee to be paid to the pharmacy for such supply; (ii) prior authorization decisions to

51	5. The Preferred Drug List program shall generate savings as determined by the department				
52	that are net of any administrative expenses to implement and administer the program.				
53	6. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, to implement these changes, the				
54	Department of Medical Assistance Services shall promulgate emergency regulations to				
55	become effective within 280 days or less from the enactment of this Act. With respect to such

3	7. The Department of Medical Assistance Services shall (i) continually review utilization				
4	of behavioral health medications under the State Medicaid Program for Medicaid				
5	recipients; and (ii) ensure appropriate use of these medications according to federal Food				
6	and Drug Administration (FDA) approved indications and dosage levels. The department				
7	may also require retrospective clinical justification according to FDA approved				
8	indications and dosage levels for the use of multiple behavioral health drugs for a				
9	Medicaid patient. For individuals 18 years of age and younger who are prescribed three or				
10	more behavioral health drugs, the department may implement clinical edits that target				
11	inefficient, ineffective, or potentially harmful prescribing patterns in accordance with				
12	FDA-approved indications and dosage levels.				
13	8. The Department of Medical Assistance Services shall ensure that in the process of				
14	developing the Preferred Drug List, the Pharmacy and Therapeutics Committee considers				
15	the value of including those prescription medications which improve drug regimen

17	medication delivery systems that include, but are not limited to, transdermal and injectable				
18	delivery systems.

25	and control drug expenditures, the department shall contract with a vendor who will				
26	develop a methodology for the reimbursement and utilization through appropriate case				
27	management of specialty drugs and distribute the list of specialty drug rates, authorized				
28	drugs and utilization guidelines to medical and pharmacy providers in a timely manner				
29	prior to the implementation of the specialty drug program and publish the same on the				
30	department's website.				
31	3. In the event that the Department of Medical Assistance Services contracts with a				
32	vendor, the department shall establish the fee paid to any such contractor based on the				
33	reasonable cost of services provided. The department may not offer or pay directly or				
34	indirectly any material inducement, bonus, or other financial incentive to a program				
35	contractor based on the denial or administrative delay of medically appropriate				
36	prescription drug therapy, or on the decreased use of a particular drug or class of drugs, or				
37	a reduction in the proportion of beneficiaries who receive prescription drug therapy under				
38	the Medicaid program. Bonuses cannot be based on the percentage of cost savings				
39	generated under the benefit management of services.				
40	4. The department shall: (i) review, update and publish the list of authorized specialty				
41	drugs, utilization guidelines, and rates at least quarterly; (ii) implement and maintain a				
42	procedure to revise the list or modify specialty drug program utilization guidelines and				
43	rates, consistent with changes in the marketplace; and (iii) provide an administrative				
44	appeals procedure to allow dispensing or prescribing provider to contest the listed				
45	specialty drugs and rates.				
46	5. The department shall report on savings and quality improvements achieved through the

51	the Administrative Process Act to effect these provisions.				
52	T.1. The Department of Medical Assistance Services shall reimburse school divisions who				
53	sign an agreement to provide administrative support to the Medicaid program and who				
54	provide documentation of administrative expenses related to the Medicaid program 50				
55	percent of the Federal Financial Participation by the department.

5	pharmaceutical benefit management services to administer, develop, manage, or implement				
6	Medicaid pharmacy benefits, the department shall establish the fee paid to any such contractor				
7	based on the reasonable cost of services provided. The department may not offer or pay				
8	directly or indirectly any material inducement, bonus, or other financial incentive to a

10	prescription drug therapy, or on the decreased use of a particular drug or class of drugs, or a				
11	reduction in the proportion of beneficiaries who receive prescription drug therapy under the				
12	Medicaid program. Bonuses cannot be based on the percentage of cost savings generated				
13	under the benefit management of services.				
14	V. The Department of Medical Assistance Services, in cooperation with the Department of				
15	Social Services' Division of Child Support Enforcement (DSCE), shall identify and report

19	their third party identification processes for children handled by DCSE.				
20	W.1. Within the limits of this appropriation, the Department of Medical Assistance Services				
21	shall work with its contracted managed care organizations and fee-for-service health care				
22	providers to: (i) raise awareness among the providers who serve the Medicaid population				
23	about the health risks of chronic kidney disease; (ii) establish effective means of identifying				
24	patients with this condition; and (iii) develop strategies for improving the health status of				
25	these patients. The department shall work with the National Kidney Foundation to prepare

38	provider of the complete cost report as defined in the Department of Medical Assistance				
39	Services' regulations, or (iii) 15 months after filing by the provider of the final complete cost				
40	report as defined in the Department of Medical Assistance Services' regulations subsequent to

46	issued within 180 days of the receipt of the appeal request. If the agency does not render an				
47	informal fact-finding conference decision within 180 days of the receipt of the appeal request,				
48	the decision is deemed to be in favor of the provider. An appeal of the director's informal fact-				
49	finding conference decision concerning provider reimbursement shall be heard in accordance				
50	with § 2.2-4020 of the Administrative Process Act (§ 2.2-4020 et seq.) and the State Plan for

32	qualifications and responsibilities of the Consumer Directed Service Facilitator to ensure the				
33	health, safety and welfare of Medicaid home- and community-based waiver enrollees. The				
34	department shall have the authority to promulgate emergency regulations to implement this				
35	change effective July 1, 2012.				
36	YY. It is the intent of the General Assembly that the implementation and administration of the

40	conflicts are avoided and that sound clinical decisions are made in the best interests of the				
41	individuals receiving behavioral health services. As part of this process, the department shall				
42	monitor the performance of the contract to ensure that these principles are met and that				
43	stakeholders are involved in the assessment, approval, provision, and use of behavioral health				
44	services provided as a result of this contract.				
45	ZZ. 1. Notwithstanding the requirements of Code of Virginia §2.2-4000, et seq., the				
46	Department of Medical Assistance Services shall amend the state plan and appropriate

1	demonstration. This update shall include, but is not limited to, costs of implementation,				
2	projected cost savings, number of individuals enrolled, and any other implementation				
3	issues that arise.				
4	AAA. Effective July 1, 2013, the Department of Medical Assistance Services shall have				
5	the authority, to establish a 25 percent higher reimbursement rate for congregate				
6	residential services for individuals with complex medical or behavioral needs currently				
7	residing in an institution and unable to transition to integrated settings in the community				
8	due to the need for services that cannot be provided within the maximum allowable rate,				
9	or individuals whose needs present imminent risk of institutionalization and enhanced				
10	waiver services are needed beyond those available within the maximum allowable rate.				
11	The department shall have authority to promulgate regulations to implement this change				
12	within 280 days or less from the enactment of this Act.				
13	BBB. The Department of Medical Assistance Services shall amend the State Plan for				
14	Medical Assistance to allow for delivery of notices of program reimbursement or other				
15	items referred to in the regulations related to provider appeals by electronic means				
16	consistent with the Uniform Electronic Transactions Act. The department shall implement				
17	this change effective July 1, 2013, and prior to completion of any regulatory process				
18	undertaken in order to effect such changes.				
19	CCC. The Department of Medical Assistance Services shall amend the State Plan for				
20	Medical Assistance to convert the current cost-based payment methodology for nursing				
21	facility operating rates in 12 VAC 30-90-41 to a price-based methodology effective July 1,				
22	2014. The new price-based payment methodology shall be implemented in a budget				
23	neutral manner.				
24	1. The department shall calculate prospective operating rates for direct and indirect costs				
25	in the following manner:				
26	a. The department shall calculate the cost per day in the base year for direct and indirect				
27	operating costs for each nursing facility. The department shall use existing definitions of				
28	direct and indirect costs.				
29	b. The initial base year for calculating the cost per day is cost reports ending in calendar				
30	year 2011. The department shall rebase prices in fiscal year 2018 and every three years				
31	thereafter using the most recent reliable calendar year cost-settled cost reports for				
32	freestanding nursing facilities that have been completed as of September 1.				
33	c. Each nursing facility's direct cost per day shall be neutralized by dividing the direct cost				
34	per day by the raw Medicaid facility case-mix that corresponds to the base year by facility.				
35	d. Costs per day shall be inflated to the midpoint of the fiscal year rate period using the				
36	moving average Virginia Nursing Home inflation index for the 4th quarter of each year				
37	(the midpoint of the fiscal year). Costs in the 2011 base year shall be inflated from the				
38	midpoint of the cost report year to the midpoint of fiscal year 2012 by pro-rating fiscal				
39	year 2012 inflation and annual inflation after that. Annual inflation adjustments shall be				
40	based on the last available report prior to the beginning of the fiscal year and corrected for				
41	any revisions to prior year inflation.				
42	e. Prices will be established for the following peer groups using a combination of				
43	Medicare wage regions and Medicaid rural and bed size modifications based on similar				
44	costs.				
45	1) Direct Peer groups				
46	- Northern Virginia MSA				
47	- Other MSAs				
48	- Northern Rural				
49	- Southern Rural				
50	2) Indirect Peer Groups				

ITEM 306.		Item Details(\$)		Appropriations(\$)	
		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	- Northern Virginia MSA				
2	- Rest of State – Greater than 60 Beds				
3	- Other MSAs				
4	- Northern Rural				
5	- Southern Rural				
6	- Rest of State – 60 Beds or Less				
7	f. The price for each peer group shall be based on the following adjustment factors:				
8	1) Direct - 105 percent of the peer group day-weighted median neutralized and inflated cost				
9	per day for freestanding nursing facilities. <i>Effective on and after July 1, 2017, the Direct Peer</i>				
10	<i>Group price percentage shall be increased to 106.8 percent.</i>				
11	2) Indirect - 100.7 percent of the peer group day-weighted median inflated cost per day for				
12	freestanding nursing facilities. <i>Effective on and after July 1, 2017, the Indirect Peer Group</i>				
13	<i>price percentage shall be increased to 101.3 percent.</i>				
14	3) <i>The department shall have the authority to implement these price percentage changes</i>				
15	<i>effective July 1, 2017 and prior to the completion of any regulatory process in order to effect</i>				
16	<i>such changes.</i>				
17	g. Facilities with costs projected to the rate year below 95 percent of the price shall have an				
18	adjusted price equal to the price minus the difference between their cost and 95 percent of the				
19	unadjusted price. Adjusted prices will be established at each rebasing. New facilities after the				
20	base year shall not have an adjusted price until the next rebasing. The “spending floor” limits				
21	the potential gain of low cost facilities, thereby making it possible to implement higher				
22	adjustment factors for other facilities at less cost.				
23	h. Individual claim payment for direct costs shall be based on each resident's Resource				
24	Utilization Group (RUG) during the service period times the facility direct price (similar to				
25	Medicare).				
26	i. Resource Utilization Group (RUG) is a resident classification system that groups nursing				
27	facility residents according to resource utilization and assigns weights related to the resource				
28	utilization for each classification. The department shall use RUGs to determine facility case				
29	mix for cost neutralization in determining the direct costs used in setting the price and for				
30	adjusting the claim payments for residents. The department may elect to transition from the				
31	RUG-III 34 Medicaid grouper to the RUG-IV 48 grouper in the following manner.				
32	1) The department shall neutralize direct costs per day in the base year using the most current				
33	RUG grouper applicable to the base year.				
34	2) The department shall utilize RUG-III 34 groups and weights in fiscal year 2015 for claim				
35	payments.				
36	3) Beginning in fiscal year 2016, the department may elect to implement RUG-IV 48				
37	Medicaid groups and weights for claim payments.				
38	4) RUG-IV 48 weights used for claim payments will be normalized to RUG-III 34 weights as				
39	long as base year costs are neutralized by the RUG-III 34 group. In that the weights are not				
40	the same under RUG IV as under RUG III, normalization will insure that total payments in				
41	direct using the RUGs IV 48 weights will be the same as total payments in direct using the				
42	RUGs-III 34 grouper.				
43	j. The department shall transition to the price-based methodology over a period of four years,				
44	blending the price-based rate described here with the cost-based rate based on current law				
45	with the following adjustments. The facility cost-based operating rates shall be the direct and				
46	indirect rates for fiscal year 2015 based on facility case-mix neutral rates modeled after the				
47	law that would have been in effect in fiscal year 2015 absent this amendment and using base				
48	year data from calendar year 2011 inflated to the rate year. Based on a four-year transition,				
49	the rate will be based on the following blend:				

ITEM 306.		Item Details(\$)		Appropriations(\$)	
		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	1) Fiscal year 2015 - 25 percent of the price-based rate and 75 percent of the cost-based				
2	rate.				
3	2) Fiscal year 2016 - 50 percent of the price-based rate and 50 percent of the cost-based				
4	rate.				
5	3) Fiscal year 2017 - 75 percent of the price-based rate and 25 percent of the cost-based				
6	rate.				
7	4) Fiscal year 2018 - 100 percent of the price-based (fully implemented).				
8	During the first transition year for the period July 1, 2014 through October 31, 2014,				
9	DMAS shall case-mix adjust each direct cost component of the rates using the average				
10	facility case-mix from the two most recent finalized quarters (September and December				
11	2013) instead of adjusting this component claim by claim.				
12	Cost-based rates to be used in the transition for facilities without cost data in the base year				
13	but placed in service prior to July 1, 2013 shall be determined based on the most recently				
14	settled cost data. If there is no settled cost report at the beginning of a fiscal year, then 100				
15	percent of the price-based rate shall be used for that fiscal year. Facilities placed in service				
16	after June 30, 2013 shall be paid 100 percent of the price-based rate.				
17	2. Prospective capital rates shall be calculated in the following manner.				
18	a. Fair rental value per diem rates for the fiscal year shall be calculated for all freestanding				
19	nursing facilities based on the prior calendar year information aged to the fiscal year and				
20	using RS Means factors and rental rates corresponding to the fiscal year. There will be no				
21	separate calculation for beds subject to and not subject to transition.				
22	b. The department shall develop a procedure for mid-year fair rental value per diem rate				
23	changes for nursing facilities that put into service a major renovation or new beds. A				
24	major renovation shall be defined as an increase in capital of \$3,000 per bed. The nursing				
25	facility shall submit complete pro forma documentation at least 60 days prior to the				
26	effective date and the new rate shall be effective at the beginning of the month following				
27	the end of the 60 days. The provider shall submit final documentation within 60 days of				
28	the new rate effective date and the department shall review final documentation and				
29	modify the rate if necessary effective 90 days after the implementation of the new rate. No				
30	mid-year rate changes shall be made for an effective date after April 30 of the fiscal year.				
31	c. Effective July 1, 2014, the rental rate shall be 8.0 percent.				
32	d. These FRV changes shall also apply to specialized care facilities.				
33	e. The capital per diem rate for hospital-based nursing facilities shall be the last settled				
34	capital per diem.				
35	3. Prospective Nurse Aide Training and Competency Evaluation Programs (NATCEP)				
36	rates shall be the Medicaid per diem rate in the base year inflated to the rate year based on				
37	inflation used in the operating rate calculations.				
38	4. A prospective rate for criminal records checks shall be the per diem rate in the base				
39	year.				
40	5. The department shall have the authority to implement these payment changes effective				
41	July 1, 2014 and prior to completion of any regulatory process in order to effect such				
42	changes.				
43	6. The department shall amend the State Plan for Medical Assistance to reimburse the				
44	price-based operating rate rather than the transition operating rate to any nursing facility				
45	whose licensed bed capacity decreased by at least 30 beds after 2011 and whose				
46	occupancy increased from less than 70 percent in 2011 to more than 80 percent in 2013.				
47	The department shall have the authority to implement this reimbursement change effective				
48	July 1, 2015, and prior to completion of any regulatory process in order to effect such				
49	change.

17	<i>effective July 1, 2017 and prior to completion of any regulatory process undertaken in order</i>

19	DDD. The Department of Medical Assistance Services shall amend its State Plan under Title				
20	XIX of the Social Security Act to implement reasonable restrictions on the amount of incurred				
21	dental expenses allowed as a deduction from income for nursing facility residents. Such				
22	limitations shall include: (i) that routine exams and x-rays, and dental cleaning shall be				
23	limited to twice yearly; (ii) full mouth x-rays shall be limited to once every three years; and				
24	(iii) deductions for extractions and fillings shall be permitted only if medically necessary as

30	eliminate, to the extent not prohibited under federal law, Medicaid Plan First and FAMIS				
31	Moms program offerings to populations eligible for and enrolled in said subsidized coverage				
32	in order to remove disincentives for subsidized private healthcare coverage through publicly-				
33	offered alternatives. To ensure, to the extent feasible, a smooth transition from public				
34	coverage, DMAS shall endeavor to phase out such coverage for existing enrollees once				
35	subsidized private insurance is available through a Health Benefits Exchange in Virginia. The				
36	department shall implement any necessary changes upon federal approval and prior to the				
37	completion of any regulatory process undertaken in order to effect such change.				
38	FFF. The Department of Medical Assistance Services shall have authority to amend the State

43	Gross Income (MAGI) methodology. The department shall have authority to implement such				
44	standards and practices upon federal approval and prior to the completion of any regulatory				
45	process undertaken in order to effect such change.				
46	GGG. Effective July 1, 2013, the Department of Medical Assistance Services shall establish a

53	Virginia. The committee shall also include representatives from each of the department's				
54	contracted managed care organizations and a representative from the Virginia Association of				
55	Health Plans. The committee will work with the department to investigate the implementation				
56	of quality, cost-effective health care initiatives, to identify means to increase provider

2	Coordination work group comprised of representatives from the Committee, including the				
3	Virginia College of Emergency Physicians, the Medical Society of Virginia, the Virginia

6	coordination of care across provider types of Medicaid "super utilizers"; (ii) the impact of				
7	primary care provider incentive funding on improved interoperability between hospital				
8	and provider systems; and (iii) methods for formalizing a statewide emergency department				
9	collaboration to improve care and treatment of Medicaid recipients and increase cost				
10	efficiency in the Medicaid program, including recognized best practices for emergency				
11	departments. The committee shall meet semi-annually, or more frequently if requested by				
12	the department or members of the committee. The department, in cooperation with the				
13	committee, shall report on the committee's activities annually to the Board of Medical				
14	Assistance Services and to the Chairmen of the House Appropriations and Senate Finance				
15	Committees and the Department of Planning and Budget no later than October 1 each				
16	year.				
17	HHH. The Department of Medical Assistance Services shall establish a work group of				
18	representatives of providers of home- and community-based care services to continue				
19	improvements in the audit process and procedures for home- and community-based				
20	utilization and review audits. The Department of Medical Assistance Services shall report				
21	on any revisions to the methodology for home- and community-based utilization and				
22	review audits, including progress made in addressing provider concerns and solutions to				
23	improve the process for providers while ensuring program integrity. In addition, the report				
24	shall include documentation of the past year's audits, a summary of the number of audits				
25	to which retractions were assessed and the total amount, the number of appeals received				
26	and the results of appeals. The report shall be provided to the Chairmen of the House				
27	Appropriations and Senate Finance Committees by December 1 of each year.				
28	III. The Department of Medical Assistance Services shall realign the billable activities				
29	paid for individual supported employment provided under the Medicaid home- and				
30	community-based waivers to be consistent with job development and job placement				
31	services provided through employment services organizations that are reimbursed by the				
32	Department for Aging and Rehabilitative Services. The department shall have the				
33	authority to implement this reimbursement change effective July 1, 2013, and prior to the				
34	completion of any regulatory process undertaken in order to effect such change.				
35	JJJ.1. The Department of Medical Assistance Services shall seek federal authority through				
36	any necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the				
37	Social Security Act to implement a comprehensive value-driven, market-based reform of				
38	the Virginia Medicaid/FAMIS programs.				
39	2. The department is authorized to contract with qualified health plans to offer recipients a				
40	Medicaid benefit package adhering to these principles. Any coordination of non-				
41	traditional behavioral health services covered under contract with qualified health plans or				
42	through other means shall adhere to the principles outlined in paragraph MM. c. This				
43	reformed service delivery model shall be mandatory, to the extent allowed under the				
44	relevant authority granted by the federal government and shall, at a minimum, include (i)				
45	limited high-performing provider networks and medical/health homes; (ii) financial				
46	incentives for high quality outcomes and alternative payment methods; (iii) improvements				
47	to encounter data submission, reporting, and oversight; (iv) standardization of				
48	administrative and other processes for providers; and (v) support of the health information				
49	exchange.				
50	3. The Department of Medical Assistance Services shall seek reforms to include all				
51	remaining Medicaid populations and services, including long-term care and home- and				
52	community-based waiver services into cost-effective, managed and coordinated delivery				
53	systems. The department shall begin designing the process and obtaining federal authority				
54	to transition all remaining Medicaid beneficiaries into a coordinated delivery system.				
55	DMAS shall promulgate regulations to implement these provisions to be effective within				
56	280 days of its enactment. The department may implement any changes necessary to				
57	implement these provisions prior to the promulgation of regulations undertaken in order to				
58	effect such changes.

1	4. As a condition on all appropriations in this act and notwithstanding any other provision of				
2	this act, or any other law, no general or nongeneral funds shall be appropriated or expended				
3	for such costs as may be incurred to implement coverage for newly eligible individuals				
4	pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act,				
5	unless included in an appropriation bill adopted by the General Assembly on or after July 1,				
6	2016.				
7	KKK.1. The Director of the Department of Medical Assistance Services shall continue to				
8	make improvements in the provision of health and long-term care services under				
9	Medicaid/FAMIS that are consistent with evidence-based practices and delivered in a cost				
10	effective manner to eligible individuals.				
11	2. In order to effect such improvements and ensure that reform efforts are cost effective				
12	relative to current forecasted Medicaid/FAMIS expenditure levels, the Department of Medical				
13	Assistance Services shall (i) develop a five-year consensus forecast of expenditures and				
14	savings associated with the Virginia Medicaid/FAMIS reform efforts by November 15 of each				
15	year in conjunction with the Department of Planning and Budget, and with input from the				
16	House Appropriations and Senate Finance Committees, and (ii) engage stakeholder				
17	involvement in meeting annual targets for quality and cost-effectiveness.				
18	LLL. Effective July 1, 2014, the Department of Medical Assistance Services shall replace the				
19	AP-DRG grouper with the APR-DRG grouper for hospital inpatient reimbursement. The				
20	department shall develop budget neutral case rates and Virginia-specific weights for the APR-				
21	DRG grouper based on the FY 2011 base year. The department shall phase in the APR-DRG				
22	weights by blending in 50 percent of the full APR-DRG weights with 50 percent of FY 2014				
23	AP-DRG weights in the first year and 75 percent of the full APR-DRG weights with 25				
24	percent of the FY 2014 AP-DRG weights in the second year for each APR-DRG group and				
25	severity. FY 2014 AP-DRG weights shall be calculated as a weighted average FY 2014 AP-				
26	DRG weight for all claims in the base year that group to each APR-DRG group and severity.				
27	Full APR-DRG weights shall be used in the third year and succeeding years for each APR-				
28	DRG group and severity. The department shall have the authority to implement these				
29	reimbursement changes effective July 1, 2014, and prior to completion of any regulatory				
30	process in order to effect such changes.				
31	MMM.1. Effective July 1, 2014, the Department of Medical Assistance Services shall replace				
32	the current Disproportionate Share Hospital (DSH) methodology with the following				
33	methodology:				
34	a) DSH eligible hospitals must have a total Medicaid Inpatient Utilization Rate equal to 14				
35	percent or higher in the base year using Medicaid days eligible for Medicare DSH or a Low				
36	Income Utilization Rate in excess of 25 percent and meet other federal requirements.				
37	Eligibility for out of state cost reporting hospitals shall be based on total Medicaid utilization				
38	or on total Medicaid NICU utilization equal to 14 percent or higher.				
39	b) Each hospital's DSH payment shall be equal to the DSH per diem multiplied by each				
40	hospital's eligible DSH days in a base year. Days reported in provider fiscal years in state FY				
41	2011 will be the base year for FY 2015 prospective DSH payments. DSH will be recalculated				
42	annually with an updated base year. DSH payments are subject to applicable federal limits.				
43	c) Eligible DSH days are the sum of all Medicaid inpatient acute, psychiatric and				
44	rehabilitation days above 14 percent for each DSH hospital subject to special rules for out of				
45	state cost reporting hospitals. Eligible DSH days for out of state cost reporting hospitals shall				
46	be the higher of the number of eligible days based on the calculation in the first sentence				
47	times Virginia Medicaid utilization (Virginia Medicaid days as a percent of total Medicaid				
48	days) or the Medicaid NICU days above 14 percent times Virginia NICU Medicaid utilization				
49	(Virginia NICU Medicaid days as a percent of total NICU Medicaid days). Eligible DSH days				
50	for out of state cost reporting hospitals who qualify for DSH but who have less than 12				
51	percent Virginia Medicaid utilization shall be 50 percent of the days that would have				
52	otherwise been eligible DSH days.				
53	d) Additional eligible DSH days are days that exceed 28 percent Medicaid utilization for				
54	Virginia Type Two hospitals (excluding Children's Hospital of the Kings Daughters).				
55	e) The DSH per diem shall be calculated in the following manner:

		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	a. The DSH per diem for Type Two hospitals is calculated by dividing the total Type Two				
2	DSH allocation by the sum of eligible DSH days for all Type Two DSH hospitals. For				
3	purposes of DSH, Type Two hospitals do not include Children's Hospital of the Kings				
4	Daughters (CHKD) or any hospital whose reimbursement exceeds its federal				
5	uncompensated care cost limit. The Type Two Hospital DSH allocation shall equal the				
6	amount of DSH paid to Type Two hospitals in state FY 2014 increased annually by the				
7	percent change in the federal allotment, including any reductions as a result of the				
8	Affordable Care Act, adjusted for the state fiscal year.				
9	b. The DSH per diem for State Inpatient Psychiatric Hospitals is calculated by dividing the				
10	total State Inpatient Psychiatric Hospital DSH allocation by the sum of eligible DSH days.				
11	The State Inpatient Psychiatric Hospital DSH allocation shall equal the amount of DSH				
12	paid in state FY 2013 increased annually by the percent change in the federal allotment,				
13	including any reductions as a result of the Affordable Care Act, adjusted for the state				
14	fiscal year.				
15	c. The DSH per diem for CHKD shall be three times the DSH per diem for Type Two				
16	hospitals.				
17	d. The DSH per diem for Type One hospitals shall be 17 times the DSH per diem for Type				
18	Two hospitals.				
19	2. Each year, the department shall determine how much Type Two DSH has been reduced				
20	as a result of the Affordable Care Act and adjust the percent of cost reimbursed for				
21	outpatient hospital reimbursement.				
22	3. The department shall convene the Hospital Payment Policy Advisory Council at least				
23	once a year to consider additional changes to the DSH methodology.				
24	4. The department shall have the authority to implement these reimbursement changes				
25	effective July 1, 2014, and prior to completion of any regulatory process in order to effect				
26	such changes.				
27	NNN. The Department of Medical Assistance Services shall have authority to amend the				
28	State Plans for Medical Assistance under Titles XIX and XXI of the Social Security Act,				
29	and any waivers thereof, to implement requirements of the federal Patient Protection and				
30	Affordable Care Act (PPACA), P.L. 111-148, as it pertains to implementation of Medicaid				
31	and CHIP eligibility determination and case management standards and practices,				
32	including the Modified Adjusted Gross Income (MAGI) methodology and,				
33	notwithstanding the requirements of Code of Virginia §2.2-4000, et seq., the process for				
34	administrative appeals of MAGI-related eligibility determinations. The department shall				
35	have authority to implement such standards and practices upon federal approval and prior				
36	to the completion of any regulatory process undertaken in order to effect such changes.				
37	OOO. The Department of Medical Assistance Services (DMAS) shall not change the unit				
38	of service or rate of reimbursement for Mental Health Skill-Building Services (MHSS)				
39	until the 2015 General Assembly has reviewed the impact of the December 1, 2013				
40	emergency regulations that changed the eligibility and service description for Mental				
41	Health Skill-Building Services. DMAS and the Department of Behavioral Health and				
42	Developmental Services shall jointly prepare a report to be delivered by November 1,				
43	2014 to the Chairmen of the House Appropriations and Senate Finance Committees. The				
44	report shall document the impact of the MHSS regulations implemented on December 1,				
45	2013 and shall include an assessment of the fiscal impact, consumer and family impact,				
46	service delivery impact, and impact upon other agencies and facilities in Virginia.				
47	PPP.1. The Department of Medical Assistance Services shall have the authority to contract				
48	with other public and private entities to conduct the required screening process for the				
49	Individual and Family Developmental Disabilities Support waiver. The department shall				
50	have authority to implement necessary changes upon federal approval and prior to the				
51	completion of any regulatory process undertaken in order to effect such changes.				
52	2. Notwithstanding § 32.1-330 of the Code of Virginia, the Department of Medical				
53	Assistance Services shall improve the preadmission screening process for individuals who

2	professional and a social worker who are employees or contractors of the Department of				
3	Health or the local department of social services, or other assessors contracted by the				
4	department. The department shall not contract with any entity for whom there exists a conflict				
5	of interest. For community-based screening for children, the screening shall be performed by				
6	an individual or entity with whom the department has entered into a contract for the				
7	performance of such screenings.				
8	3. The department shall track and monitor all requests for screenings and report on those				
9	screenings that have not been completed within 30 days of an individual's request for				
10	screening. The screening teams and contracted entities shall use the reimbursement and				
11	tracking mechanisms established by the department.				
12	4. The Department of Medical Assistance Services shall promulgate regulations to implement				
13	these provisions to be effective within 280 days of its enactment. The department may				
14	implement any changes necessary to implement these provisions prior to the promulgation of				
15	regulations undertaken in order to effect such changes.				
16	QQQ. The Department of Medical Assistance Services shall have authority to amend its				
17	regulations, subject to the federal Centers for Medicare and Medicaid Services approval, to				
18	strengthen all program requirements and policies of the consumer-directed services programs				
19	to ensure the health, safety and welfare of Medicaid home- and community-based waiver				
20	enrollees. The department shall submit a detailed report on proposed regulatory changes to the				
21	consumer-directed services programs and the issues and problems the department is				
22	attempting to resolve. The department shall submit the report to the Director, Department of				
23	Planning and Budget and the Chairmen of the House Appropriations and Senate Finance				
24	Committees at least 30 days prior to beginning the regulatory process.				
25	RRR.1. There is hereby appropriated sum-sufficient nongeneral funds for the Department of				
26	Medical Assistance Services (DMAS) to pay the state share of supplemental payments for				
27	qualifying private hospital partners of Type One hospitals (consisting of state-owned teaching				
28	hospitals) as provided in the State Plan for Medical Assistance Services. Qualifying private				
29	hospitals shall consist of any hospital currently enrolled as a Virginia Medicaid provider and				
30	owned or operated by a private entity in which a Type One hospital has a non-majority				
31	interest. The supplemental payments shall be based upon the reimbursement methodology				
32	established for such payments in Attachments 4.19-A and 4.19-B of the State Plan for				
33	Medical Assistance Services. DMAS shall enter into a transfer agreement with any Type One				
34	hospital whose private hospital partner qualifies for such supplemental payments, under				
35	which the Type One hospital shall provide the state share in order to match federal Medicaid				
36	funds for the supplemental payments to the private hospital partner. The department shall				
37	have the authority to implement these reimbursement changes consistent with the effective				
38	date in the State Plan amendment approved by the Centers for Medicare and Medicaid				
39	Services (CMS) and prior to completion of any regulatory process in order to effect such				
40	changes.				
41	2.a. The Department of Medical Assistance Services shall promulgate regulations to make				
42	supplemental payments to Medicaid physician providers with a medical school located in				
43	Eastern Virginia that is a political subdivision of the Commonwealth. The amount of the				
44	supplemental payment shall be based on the difference between the average commercial rate				
45	approved by CMS and the payments otherwise made to physicians. The department shall have				
46	the authority to implement these reimbursement changes consistent with the effective date in				
47	the State Plan amendment approved by CMS and prior to completion of any regulatory				
48	process in order to effect such changes.				
49	b. The department shall increase payments to Medicaid managed care organizations for the				
50	purpose of securing access to Medicaid physician services in Eastern Virginia, through higher				
51	rates to physicians affiliated with a medical school located in Eastern Virginia that is a				
52	political subdivision of the Commonwealth subject to applicable limits. The department shall				
53	revise its contracts with managed care organizations to incorporate these supplemental				
54	capitation payments, and provider payment requirements, subject to approval by CMS. No				
55	payment shall be made without approval from CMS.				
56	c. Funding for the state share for these Medicaid payments is authorized in Item 247.

1	3.a. The Department of Medical Assistance Services (DMAS) shall have the authority to				
2	amend the State Plan for Medical Assistance Services (State Plan) to implement a				
3	supplemental Medicaid payment for local government-owned nursing homes. The total				
4	supplemental Medicaid payment for local government-owned nursing homes shall be				
5	based on the difference between the Upper Payment Limit of 42 CFR §447.272 as				
6	approved by CMS and all other Medicaid payments subject to such limit made to such				
7	nursing homes. There is hereby appropriated sum-sufficient funds for DMAS to pay the				
8	state share of the supplemental Medicaid payment hereunder. However, DMAS shall not				
9	submit such State Plan amendment to CMS until it has entered into an intergovernmental				
10	agreement with eligible local government-owned nursing homes or the local government				
11	itself which requires them to transfer funds to DMAS for use as the state share for the				
12	supplemental Medicaid payment each nursing home is entitled to and to represent that				
13	each has the authority to transfer funds to DMAS and that the funds used will comply with				
14	federal law for use as the state share for the supplemental Medicaid payment. If a local				
15	government-owned nursing home or the local government itself is unable to comply with

3	probation for a period specified by the court.				
4	2. If an offender assigned to the program voluntarily withdraws from the program, is				
5	removed from the program by the Department of Corrections for intractable behavior, fails

10	imposed by the court, as provided by law.				
11	3. The Department of Corrections shall collect the data and develop the framework and

33	sources associated with inpatient and outpatient health care services, the Department of				
34	Corrections and the Department of Medical Assistance Services shall consult with the				
35	applicable provider community to ensure that administrative burdens are minimized and				
36	payment for health care services is rendered in a prompt manner.				
37	2. The Department of Corrections, through its contract with the Virginia Commonwealth				
38	University Department of Health Administration, shall review the management of a				
39	selected number of inmates who account for the largest share of total inpatient and

2	contracted with a private vendor to provide inmate medical services.				
3	M. The Department of Corrections shall continue to operate a separate program for inmates				
4	under 18 years old who have been tried and convicted as adults and committed to the				
5	Department of Corrections. This separation of these offenders from the general prison				
6	population is required by the requirements of the federal Prison Rape Elimination Act.				
7	N. The Department shall provide to the Secretary of Public Safety and Homeland Security,				
8	the Directors of the Departments of Planning and Budget and Human Resources Management,				
9	and the Chairmen of the House Appropriations and Senate Finance Committees by July 1,				
10	2016, a report assessing:				
11	a. The costs, benefits, and administrative actions required to eliminate the Department's				
12	reliance on a private contractor for the delivery of inmate health care at multiple facilities, and				
13	to provide the same services internally using either state employees or individual contract				
14	medical personnel.				
15	b. The costs, benefits, and administrative actions required to transition to a statewide health				
16	care management model that uses best practices and cost containment methods employed by				
17	prison health care management and Medicaid managed care organizations to deliver provider-				
18	managed and outcome-based comprehensive health care services through a single statewide				
19	contract for all of the Department's adult correctional centers.				
20	c. A review of the Department's actual cost experience comparing the previous arrangement in				
21	which the contractor assumed full financial risk for the payment of off-site inpatient and				
22	outpatient services, and the current and proposed arrangement in which the Department				
23	assumes that risk and also receives any Medicaid reimbursement for such off-site expenses.				
24	For purposes of analyzing the first arrangement, it is assumed that the benefit of any Medicaid				
25	or other third-party reimbursement for hospital or other services would accrue to the				
26	contractor. This review shall also compare cost trends experienced by other states which have				
27	adopted these two arrangements.				
28	d. A comparison of the costs and benefits of the Department's current management of inmate				
29	health care, including the model envisioned in its August 2014 Request for Proposals, to the				
30	alternative models the Department is directed to assess in subsections a, b, and c above.				
31	e. The Department of Human Resources Management, the Department of Planning and				
32	Budget and other executive branch agencies shall provide technical assistance to the				
33	Department as needed.

22	work performed for those agencies.				
23	D. Notwithstanding the provisions of § 53.1-20 A. and B., Code of Virginia, the Director,				
24	Department of Corrections, shall receive offenders into the state correctional system from				
25	local and regional jails at such time as he determines that sufficient, secure and

5	A. From July 1, 2016 to June 30, 2018, the Board of Juvenile Justice shall not approve or				
6	commit additional funds for the state share of the cost of construction, enlargement or				
7	renovation of local or regional detention centers, group homes or related facilities. The

10	Board of Juvenile Justice and the Secretary of Public Safety and Homeland Security is				
11	required. Any emergency projects must also comply with Board of Juvenile Justice				
12	standards.				
13	B. Each emergency resolution adopted by the Board of Juvenile Justice approving				
14	reimbursement of the state share of the cost of construction, maintenance, or operation of				
15	local or regional detention centers, group homes, or related facilities or programs shall

30	in this program and contributing through their local match an amount of local funds which				
31	is greater than they receive from the Commonwealth under this program are authorized,				
32	but not required, to provide a contribution greater than the state general fund contribution.

44	similar amount may be withheld from the current fiscal year's periodic payments				
45	designated by the department for that locality. The Director, Department of Planning and				
46	Budget, may increase the general fund appropriation for this Item up to the amount of

2	limited to, community placement programs, independent living programs, and group				
3	homes. The goals of such transformation services shall be to reduce the risks for				
4	reoffending for juveniles supervised or committed to the Department and to improve and				
5	promote the skills and resiliencies necessary for the juveniles to lead successful lives in				
6	their communities.				
7	3. No later than November 1 of each year, the Department of Juvenile Justice shall provide				
8	a report to the Governor, the Chairmen of the House Appropriations and Senate Finance				
9	Committees, the Secretary of Public Safety and Homeland Security and the Director,				
10	Department of Planning and Budget, assessing the impact and results of the transformation				
11	plan and its related actions. The report shall include, but is not limited to, assessing				
12	juvenile offender recidivism rates, fiscal and operational impact on detention homes;				
13	changes (if any) in commitment orders by the courts; and use of the savings redirected as a				
14	result of transformation, including the amount expended for contracted programs and				
15	treatment services, including the number of juveniles receiving each specific service. The				
16	report should also include the average length of stay for juveniles in each placement				
17	option.				
18	4. The Director, Department of Planning and Budget, is authorized to transfer				
19	appropriations between items and programs within the Department of Juvenile Justice to				
20	reallocate any savings achieved through transformation to accomplish the goals of				
21	transformation.				
22	C.1. There is hereby established a task force on juvenile correctional centers comprised of				
23	the Secretary of Public Safety and Homeland Security, and the Directors of the				
24	Departments of Juvenile Justice, Corrections, and Behavioral Health and Developmental				
25	Services, and the Office of Children's Services, or their designees. The Secretary of Public				
26	Safety and Homeland Security shall chair the task force. The task force shall present an				
27	interim report by November 1, 2016, and a final report by July 15, 2017, to the Governor,				
28	the Director of the Department of Planning and Budget, the Chairman of the Virginia				
29	Commission on Youth, and the Chairmen of the Senate Finance and House Appropriations				
30	Committees.				
31	2.a. The task force shall consider the future capital and operational requirements for				
32	Virginia's juvenile correctional centers, including the construction of a new facility in the				
33	City of Chesapeake, for which planning was authorized by the 2016 General Assembly,				
34	and also including (i) the projected population of state-responsible juvenile offenders,				
35	including an assessment of the impact of the Department of Juvenile Justice's length of				
36	stay guidelines, (ii) the number of juveniles expected to be held in each facility, (iii) the				
37	level and type of mental health, medical, academic and vocational education, and other				
38	services to be provided, (iv) the design and size of spaces needed to accommodate the				
39	necessary services within state facilities, (v) the accommodation of the treatment needs of				
40	state-responsible juvenile offenders with diagnoses of serious mental or behavioral health

42	(including both single and double-bunking), dormitories, cottages, and other housing				
43	configurations, (vii) the number and geographical location of facilities, and (viii) the				
44	potential for contracting for the use of space in existing local and regional secure detention				
45	facilities, group homes, and private residential facilities.				
46	b. The task force shall identify existing juvenile correctional centers, including facilities				
47	which are not currently operational, and other property currently owned by state agencies,				
48	and consider the extent to which the recommendations developed pursuant to Paragraph				
49	C.2.a. of this item may be accommodated within such properties, along with the costs of				
50	construction or renovation of existing facilities to accommodate these recommendations.				
51	The task force shall conduct a cost-benefit analysis to compare the potential revenues				
52	realized from the sale of existing real property owned by state agencies, with the projected				
53	replacement costs which would be incurred to provide replacement facilities, should				
54	existing properties be sold. This analysis should include an assessment of the impact of				
55	locational factors on expected program outcomes and on the objective of maintaining the				
56	juvenile offenders' relationships with their families and communities.				
57	c. In evaluating these alternatives, the task force shall give consideration to and report on

11	other services as necessary to conduct the task force's review. The Director is authorized to				
12	use funds identified in Paragraph A of this item for such purposes.				
13	5. If the Department of Juvenile Justice deems it necessary, due to facility population decline,				
14	efficient use of resources, and the need to further reduce recidivism, to close a state juvenile				
15	correctional center, the Department shall (i) work cooperatively with the affected localities to				
16	minimize the effect of the closure on those communities and their residents, and (ii)				
17	implement a general closure plan, preferably not less than 12 months from announcement of				
18	the closure, to create opportunities to place affected state employees in existing departmental				
19	vacancies, assist affected employees with placement in other state agencies, create training

20	consent under the Government Data Collection and Dissemination Practices Act (GDCDPA)				
21	(§ 2.2-3800 et. seq.) or other law or regulation of the Commonwealth. The transferring agency				
22	shall continue to be deemed the custodian of any record transferred to the center for purposes				
23	of the GDCDPA, the Freedom Of Information Act, and other laws or regulations of the				
24	Commonwealth pertaining to agencies that administer the transferred records and associated				
25	programs. Custody of such records for security purposes shall not make the Virginia				
26	Information Technologies Agency a custodian of such records. Any memorandum of

6	Authority: Title 2.2, Chapter 2, Article 10, § 2.2-201, and Titles 33, 46, and 58, Code of			
7	Virginia.			
8	A. The transportation policy goals enumerated in this act shall be implemented by the			
9	Secretary of Transportation, including the Secretary acting as Chairman of the			
10	Commonwealth Transportation Board.			
11	1. The maintenance of existing transportation assets to ensure the safety of the public shall be			
12	the first priority in budgeting, allocation, and spending. The highway share of the			
13	Transportation Trust Fund shall be used for highway maintenance and operation purposes			
14	prior to its availability for new development, acquisition, and construction.			
15	2. It is in the interest of the Commonwealth to have an efficient and cost-effective			
16	transportation system that promotes economic development and all modes of transportation,			
17	intermodal connectivity, environmental quality, accessibility for people and freight, and			
18	transportation safety. The planning, development, construction, and operations of Virginia's			
19	transportation facilities will reflect this goal.			
20	3. To the greatest extent possible, the appropriation of transportation revenues shall reflect			
21	planned spending of such revenues by agency and by program.			
22	B. The maximization of all federal transportation funds available to the Commonwealth shall			
23	be paramount in the budgetary, spending, and allocation processes.			
24	1. Notwithstanding any provision of law to the contrary, the secretary and all agencies within			
25	the transportation secretariat are hereby authorized to take all actions necessary to ensure that			
26	federal transportation funds are allocated and utilized for the maximum benefit of the			
27	Commonwealth, whether such actions or funds or both are authorized under P.L. 112-141 of			
28	the 112th Congress, or any successor or related federal transportation legislation, or			
29	regulation, rule, or guidance issued by the U.S. Department of Transportation or any federal			
30	agency. The secretary and agencies within the transportation secretariat shall utilize, to the			
31	maximum extent practicable, the flexibility provided in federal law, regulation, rule, or			
32	guidance to use federal funds in a manner consistent with the Code of Virginia.			
33	2. The secretary shall ensure that the allocation of transportation funds apportioned and for			
34	which obligation authority is expected to be available under federal law shall be in accordance			
35	with such laws and in support of the transportation policy goals enumerated in section A. of			
36	this Item. Furthermore, the secretary is authorized to take all actions necessary to allocate the			
37	required match for federal highway funds to ensure their appropriate and timely obligation			
38	and expenditure within the fiscal constraints of state transportation revenues. By June 1 of			
39	each year, the secretary, as Chairman of the Board, shall report to the Governor and General			
40	Assembly on the allocation of such federal transportation funds and the actions taken to			
41	provide the required match.			
42	3. The board shall only make allocations providing the required match for federal Regional			
43	Surface Transportation Program funds to those Metropolitan Planning Organizations in			
44	urbanized areas greater than 200,000 that, in consultation with the Office of Intermodal			
45	Planning and Investment, have developed regional transportation and land use performance			
46	measures pursuant to Chapters 670 and 690 of the 2009 Acts of Assembly and have been			
47	approved by the board.			
48	4. Projects funded, in whole or part, from federal funds referred to as congestion mitigation			
49	and air quality improvement, shall be selected as directed by the board. Such funds shall be			
50	federally obligated within 12 months of their allocation by the board and expended within 36

1	months of such obligation. If the requirements included in this paragraph are not met by				
2	such agency or recipient, then the board shall use such federal funds for any other project				
3	eligible under 23 USC 149.				
4	5. Funds apportioned under federal law for the Surface Transportation Program shall be				
5	distributed and administered in accordance with federal requirements, including the 22				
6	percent of the non-suballocated portion that is required to be allocated for public				
7	transportation purposes. The prioritization process developed under subsection B of				
8	Chapter 726 of the 2014 Virginia Acts of Assembly shall not apply to the 22 percent share				
9	of the non-suballocated portion allocated for public transportation purposes.				
10	6. Funds made available to the Metropolitan Planning Organizations known as the				
11	Regional Surface Transportation Program for urbanized areas greater than 200,000 shall				
12	be federally obligated within 12 months of their allocation by the board and expended				
13	within 36 months of such obligation. If the requirements included in this paragraph are not				
14	met by the recipient, then the board may rescind the required match for such federal funds.				
15	7. Notwithstanding paragraph B.2. of this Item, the required matching funds for				
16	Transportation Alternatives projects are to be provided by the project sponsor of the				
17	federal-aid funding.				
18	8. Federal transportation funds as well as the required state matching funds may be				
19	allocated by the Commonwealth Transportation Board for transit purposes under the same				
20	rules and conditions authorized by federal law. The Commonwealth Transportation Board,				
21	in consultation with the appropriate local and regional entities, may allocate state revenues				
22	to local and regional public transit operators, for operating and/or capital purposes.				
23	9. If a regional area (or areas) of the Commonwealth is determined to be not in compliance				
24	with Clean Air Act rules regarding conformity and as a result federal and/or state				
25	allocations, apportionments or obligations cannot be used to fund or support transportation				
26	projects or programs in that area, such funds may be used to finance demand management,				
27	conformity, and congestion mitigation projects to the extent allowed by federal law. Any				
28	remaining amount of such allocations, apportionments, or obligations shall be set aside to				
29	the extent possible under law for use in that regional area.				
30	10. Appropriations in this act related to federal revenues outlined in this section may be				
31	adjusted by the Director, Department of Planning and Budget, upon request from the				
32	Secretary of Transportation, as needed to utilize and allocate additional federal funds that				
33	may become available.				
34	11. The secretary shall ensure that any bonds issued pursuant to Article 4, Chapter 15 of				
35	Title 33.2 shall be programmed to eligible projects selected and funded through the High				
36	Priority Projects Program pursuant § 33.2-370 or the Construction District Grant Program				
37	pursuant to §33.2-371. In any year such bond proceeds are allocated to one or both of the				
38	programs, the secretary shall take all necessary action to ensure that each program is				
39	provided with the same overall amount of monies though the mix of bond proceeds, state				
40	revenues, and federal revenues provided to each program may vary as deemed appropriate				
41	by the secretary.				
42	C.1. The secretary may ensure that appropriate action is taken to maintain a minimum				
43	cash balance and/or cash reserve in the Highway Maintenance and Operating fund.				
44	2. Notwithstanding the original programmatic allocation, funds provided by the previous				
45	primary, secondary and urban construction formulas prior to fiscal year 2010 that are not				
46	committed and expected to be expended as of January 1, 2018 may be consolidated to				
47	fully fund and advance priority transportation projects within the respective district or				
48	locality. If after taking said actions and the determination of the respective locality and the				
49	Department of Transportation that formula funds will remain, the funds may be used for				
50	other transportation purposes provided by § 33.2, Code of Virginia. All unspent primary,				
51	secondary and urban formula funds allocated prior to 2010 unspent as of January 1, 2018				
52	shall be de-allocated and transferred to the State of Good Repair Program pursuant to §				
53	33.2-369, Code of Virginia, unless such funds are allocated to a fully funded and active				
54	project.

37	G. The Director, Department of Planning and Budget, is authorized to adjust the appropriation				
38	of transportation agencies in order to utilize proceeds from the sale of Commonwealth of				
39	Virginia Transportation Capital Projects Revenue Bonds which were authorized in the prior

30	A.1. Except as provided in Item 450, the Commonwealth Transportation Board shall				
31	allocate all monies in the Commonwealth Mass Transit Fund, as provided in § 58.1-638,				
32	Code of Virginia. The total appropriation for the Commonwealth Mass Transit Fund is				
33	estimated to be \$247,794,000 the first year and \$255,422,000 the second year from the				
34	Transportation Trust Fund. From these funds, the following estimated allocations shall be				
35	made:				
36	a. \$182,608,000 the first year and \$187,826,000 the second year to statewide Operating				
37	Assistance as provided in § 58.1-638, Code of Virginia.				
38	b. \$55,837,000 the first year and \$58,030,000 the second year from the Commonwealth				
39	Mass Transit Fund to statewide Capital Assistance.				
40	c. Notwithstanding the provisions of paragraph A.1.a and A.1.b. of this Item, prior to the				
41	annual adoption of the Six-Year Improvement Program, the Commonwealth				
42	Transportation Board may allocate funding from the Commonwealth Mass Transit Fund to				
43	implement the transit and transportation demand management improvements identified for				
44	the I-95 corridor. Such costs shall include only direct transit capital and operating costs as				
45	well as transportation demand management activities. Costs associated with additional				
46	park and ride lots required to be funded by the Commonwealth under the provisions of the				
47	Comprehensive Agreement for the Interstate 95 High Occupancy Toll Lanes project shall				
48	be borne by the Department of Transportation as set out in Item 455 of this act.				
49	2. Included in this Item is \$1,500,000 the first year and \$1,500,000 the second year from				
50	the Commonwealth Mass Transit Trust Fund. These allocations are designated for				
51	“paratransit” capital projects and enhanced transportation services for the elderly and

2	3. a. From the amounts appropriated in this Item from the Commonwealth Mass Transit Fund,				
3	\$7,849,000 the first year and \$8,066,000 the second year is the estimated allocation to				
4	statewide Special Programs as provided in § 58.1-638, Code of Virginia.				
5	b. From the amounts provided for Special Programs, the Commonwealth Transportation				
6	Board shall operate a program entitled the Transportation Efficiency Improvement Fund				
7	(TEIF). The purpose of the TEIF program is to reduce traffic congestion by supporting				
8	transportation demand management programs and projects designed to reduce the movement				
9	of passengers and freight on Virginia's highway system.				
10	c. From the amounts appropriated in this Item from the Commonwealth Mass Transit Fund,				
11	up to \$1,975,000 the first year and up to \$1,975,000 the second year may be allocated by the				
12	Board for the expansion of vanpool service throughout the Commonwealth. Such efforts may				
13	include partnering with private operators to provide vanpool services on a statewide basis. All				
14	or a portion of any increase to the amounts appropriated in subparagraph B.5 of Item 436 as a				
15	result of the Federal Fixing America's Surface Transportation (FAST) Act may also be				
16	allocated by the Board for this purpose.				
17	4. Not included in this appropriation is an amount estimated at \$25,583,000 the first year and				
18	\$25,583,000 the second year allocated to transit agencies from federal sources for the Surface				
19	Transportation Program (STP).				
20	B. 1. Funds from a stable and reliable source, as required in Public Law 96-184, as amended,				
21	are to be provided to Metro from payments authorized and allocated in this program and				
22	pursuant to §§ 58.1-1720 and 58.1-2295, Code of Virginia. Notwithstanding any other				
23	provision of law, funds allocated to Metro under this program may be disbursed by the				
24	Department of Rail and Public Transportation directly to Metro or to any other transportation				
25	entity that has an agreement to provide funding to Metro as deemed appropriate by the				
26	Department. In appointing the Virginia members of the board of directors of the Washington				
27	Metropolitan Area Transit Authority (WMATA), the Northern Virginia Transportation				
28	Commission shall include the Secretary of Transportation or his designee as a principal				
29	member on the WMATA board of directors.				
30	2. To ensure that all revenues provided to support the Washington Metropolitan Area Transit				
31	Authority (WMATA) are used efficiently and appropriately, the WMATA Board of Directors				
32	shall submit to the Director, Department of Rail and Public Transportation, and the Chairmen				
33	of the House and Senate Transportation Committees and the House Appropriations and				
34	Senate Finance Committees, a report on the actions taken to address all the recommendations				
35	cited in the Federal Transit Administration of the U. S. Department of Transportation's "Full				
36	Scope of Systems Review of the Washington Metropolitan Transit Authority" dated June 10,				
37	2014. Such reports shall be submitted no more than 30 days after the close of each quarter of				
38	the fiscal year, and shall include any further findings issued by the appropriate compliance				
39	officer of the Federal Transit Administration. In addition, the WMATA Board of Directors				
40	shall provide, immediately upon its issuance, a copy of the audited financial statements and				
41	shall submit a plan to remedy any deficiencies within 30 days of receipt of the report.				
42	C. All Commonwealth Mass Transit Funds appropriated for Financial Assistance for Public				
43	Transportation shall be used only for public transportation purposes as defined by the Federal				
44	Transit Administration or outlined in § 58.1-638 A.4. or in § 58.1-638 A.5., Code of Virginia.				
45	D. It is the intent of the General Assembly that no transit operating assistance funding be used				
46	to support any new transit system or route at a level higher than such project would be eligible				
47	for under the allocation formula set out in § 58.1-638 A 4. e., Code of Virginia, beyond the				
48	first two years of its operation.				
49	E.1. The Department of Rail and Public Transportation, in conjunction with the Transit				
50	Capital Project Revenue Advisory Board, shall develop a proposal to be submitted to the				
51	Commonwealth Transportation Board and the General Assembly for a statewide prioritization				
52	process for the use of funds allocated pursuant to § 33.2-365, or allocated to the				
53	Commonwealth Mass Transit Fund established pursuant to subdivision A 4 of § 58.1-638.				
54	Such prioritization process would be used for the development of a Six-Year Improvement				
55	Program for transit capital expenditures to be included in the Program adopted annually by

1	the Commonwealth Transportation Board pursuant to § 33.2-214. The proposal				
2	development should be undertaken with input from localities, metropolitan planning				
3	organizations, transit authorities, transportation authorities, and other stakeholders.				
4	2. Any prioritization process should be based on an objective and quantifiable analysis.				
5	For transit capital projects that establish new transit service or expand existing service, the				
6	prioritization process should consider, at a minimum, the following factors relative to the				
7	cost of the project or strategy: congestion mitigation, economic development,				
8	accessibility, safety, environmental quality, and land use. For state of good repair				
9	projects, the prioritization process should consider asset condition and other factors				
10	determined to be appropriate by the Department. Such a process for the allocation and				
11	distribution of funding would be in addition to the tiered approach established by the				
12	Commonwealth Transportation Board for capital purposes based on asset need and				
13	anticipated state participation level and revenues and is intended to foster project-specific				
14	prioritization within the asset tiers.				
15	3. The Department shall submit its report on the feasibility and proposed content of such a				
16	prioritization scheme to the Chairmen of the House and Senate Transportation				
17	Committees, the House Appropriations Committee and the Senate Finance Committee not				
18	later than August 1, 2017.				
19	<i>F. The Director, Department of Planning and Budget, is hereby authorized, upon request</i>				
20	<i>by the Secretary of Transportation, to transfer an amount not to exceed \$6,214,575 in the</i>				
21	<i>first year and \$6,214,575 in the second year from the amounts appropriated in Item 453 of</i>				
22	<i>this act to the Department of Rail and Public Transportation. Such transfers shall be</i>

24	<i>Commonwealth that receive urbanized transit funds pursuant to 49 U.S.C 5307 whose</i>				
25	<i>funds have been withheld by the Federal Transit Administration until the certification of</i>

27	<i>disburse, subject to appropriate repayment terms, such funds to affected transit agencies</i>				
28	<i>in an amount not to exceed the funds withheld by the Federal Transit Administration. To</i>				
29	<i>the extent repayment is not made as required by the agreement between the Department</i>				
30	<i>and an affected transit agency, the Department is directed to withhold the payment</i>				
31	<i>amount due from funds provided to such transit agency pursuant to §58.1-638 A 4 b 1 (c)</i>				
32	<i>of the Code of Virginia in order to return such amounts to the Department of</i>				
33	<i>Transportation. However, no funds from such loan shall be disbursed to any transit</i>				
34	<i>agency until such agency has expended all funds available for their use from federal fiscal</i>				
35	<i>year 2016. The specific terms and structure of any loan shall be approved by the Secretary</i>

5	of the Department of Rail and Public Transportation shall administer and expend the funds				
6	subject to the approval of the board and according to the authority outlined in § 33.2-1602; the

8	B. The Commonwealth Transportation Board shall operate the Rail Industrial Access Program

9	A: The standards upon which the public institutions of higher education are deemed certified				
10	to receive the payment of interest earnings from the tuition and fees and other nongeneral				
11	fund Educational and General revenues shall be based upon the standards provided in § 4-9.01				
12	of this act, as approved by the General Assembly.				
13	B: The estimated interest earnings and other revenues shall be distributed to those specific				
14	public institutions of higher education that have been certified by the State Council of Higher				
15	Education for Virginia as having met the standards provided in § 4-9.01 of this act; based on				
16	the distribution methodology developed pursuant to Chapter 933, Enactment 2, Acts of

18	Senate Finance Committee.				
19	C: In accordance with § 2.2-5004 and 5005, Code of Virginia, this Item provides \$1,750,000

2	certified by the Virginia Retirement System Board of Trustees pursuant to § 51.1-145(I),				
3	Code of Virginia, must certify to the board of the Virginia Retirement System by				
4	resolution adopted by its local governing body that it: has reviewed and understands the				
5	information provided by the Virginia Retirement System outlining the potential future				
6	fiscal implications of electing or not electing to utilize the employer contribution rates				
7	certified by the Virginia Retirement System Board of Trustees, as provided for in				
8	paragraph I.1.				
9	4. Local public school divisions must receive the concurrence of the local governing body				
10	if electing to pay the alternate contribution rate set out in paragraph I.2. Such concurrence				
11	must be documented by a resolution of the governing body.				
12	5. The board of the Virginia Retirement System shall provide all employers participating

16	set out in paragraph I.2.				
17	J.1. The Virginia Retirement System Board of Trustees shall account for the employer				
18	retirement contribution payments deferred for the 2010-2012 biennium based on limiting				
19	employer retirement contributions to the Virginia Retirement System to the actuarial

23	long-term rate of return. The Governor shall include funds to support payment of such				
24	board-approved, supplemental employer contribution rates in the budget submitted to the				
25	General Assembly.				
26	2. For purposes of setting rates for the 2014-16 biennium, and future biennia, the board				
27	shall treat any lump-sum deposits into the retirement system as an expedited repayment of				
28	the 2010-2012 deferred contributions for the appropriate system. Should these deposits				
29	exceed the remaining amounts owed for the deferred contributions, the balance shall				
30	remain in these specific systems to address the overall unfunded liability.

10	supported local public employees shall be: 0.36 percent for constitutional officers and				
11	employees of constitutional officers, 0.42 percent for employees of local social services

22	Department of Planning and Budget certifies that such action results from 1. budget				
23	reductions enacted in the Appropriation Act, 2. budget reductions executed in response to the				
24	withholding of appropriations by the Governor pursuant to §4-1.02 of the Act, 3.				
25	reorganization or reform actions taken by state agencies to increase efficiency of operations or

30	personnel policy. Under these conditions, the entire cost of such benefits for involuntarily				
31	separated employees shall be factored into the employer contribution rates paid to the Virginia				
32	Retirement System.				
33	2. Notwithstanding the provisions of § 2.2-3205(A), Code of Virginia, the terminating agency				
34	shall not be required to pay the Virginia Retirement System the costs of enhanced retirement				
35	benefits provided for in § 2.2-3204(A), Code of Virginia, for employees who are involuntarily				
36	separated from employment with the Commonwealth if the Speaker of the House of Delegates

38	that such action results from 1. budget reductions enacted in the Appropriation Act pertaining				
39	to the Legislative Department; 2. reorganization or reform actions taken by agencies in the				
40	legislative branch of state government to increase efficiency of operations or improve service				
41	delivery provided such actions have been approved by the Speaker of the House of Delegates

47	benefits for involuntarily separated employees shall be factored into the employer				
48	contribution rates paid to the Virginia Retirement System.				
49	N. The purpose of this paragraph is to provide a transitional severance benefit, under the

53	employment with the employer, or being placed on leave without pay-layoff or equivalent				
54	status, due to budget reductions, employer reorganizations, workforce downsizings, or other

9	commissioner of the revenue, attorney for the Commonwealth, clerk of a circuit court, or

18	3.a. On his date of involuntary separation, an eligible employee with (i) two years' service				
19	or less to the employer shall be entitled to receive a transitional severance benefit				
20	equivalent to four weeks of salary; (ii) three years through and including nine years of				
21	consecutive service to the employer shall be entitled to receive a transitional severance				
22	benefit equivalent to four weeks of salary plus one additional week of salary for every

25	benefit equivalent to twelve weeks of salary plus two additional weeks of salary for every				
26	year of service over nine years; or (iv) fifteen years or more of consecutive service to the				
27	employer shall be entitled to receive a transitional severance benefit equivalent to two				
28	weeks of salary for every year of service, not to exceed thirty-six weeks of salary.				
29	b. Transitional severance benefits shall be computed by the terminating employer's payroll				
30	department. Partial years of service shall be rounded up to the next highest year of service.				
31	c. Transitional severance benefits shall be paid by the employer in the same manner as				
32	normal salary. In accordance with § 60.2-229, transitional severance benefits shall be				
33	allocated to the date of involuntary separation. The right of any employee who receives a				
34	transitional severance benefit to also receive unemployment compensation pursuant to §				
35	60.2-100 et seq. shall not be denied, abridged, or modified in any way due to receipt of the				
36	transitional severance benefit; however, any employee who is entitled to unemployment				
37	compensation shall have his transitional severance benefit reduced by the amount of such				
38	unemployment compensation. Any offset to a terminated employee's transitional				
39	severance benefit due to reductions for unemployment compensation shall be paid in one				
40	lump sum at the time the last transitional severance benefit payment is made.				
41	d. For twelve months after the employee's date of involuntary separation, the employee				
42	shall continue to be covered under the (i) health insurance plan administered by the				
43	employer for its employees, if he participated in such plan prior to his date of involuntary				
44	separation, and (ii) group life insurance plan administered by the Virginia Retirement

46	insurance plan as may be administered by the employer. During such twelve months, the				
47	terminating employer shall continue to pay its share of the terminated employee's				
48	premiums. Upon expiration of such twelve month period, the terminated employee shall				
49	be eligible to purchase continuing health insurance coverage under COBRA.				
50	e. Transitional severance benefit payments shall cease if a terminated employee is				
51	reemployed or hired in an individual capacity as an independent contractor or consultant				
52	by the employer during the time he is receiving such payments.				
53	f. All transitional severance benefits payable pursuant to this section shall be subject to

13	A. There is hereby appropriated in this item \$35,000,000 from the general fund the second				
14	year to establish a Revenue Cash Reserve to mitigate any potential revenue shortfalls that				
15	may arise during the remainder of the biennium. This appropriation includes an amount,

17	Program authorized by House Bill 2246 and Senate Bill 1438, 2017 Session of the

31	official forecast contained in this act.				
32	E. The comptroller may draw against the balances of the Revenue Cash Reserve for an				
33	amount equal to any shortfall in general fund revenue collections from the official forecast

PART 2: CAPITAL PROJECT EXPENSES

§ 2-0. GENERAL CONDITIONS

A.1. The General Assembly hereby authorizes the capital projects listed in this act. The amounts hereinafter set forth are appropriated to the state agencies named for the indicated capital projects. Amounts so appropriated and amounts reappropriated pursuant to paragraph G of this section shall be available for expenditure during the current biennium, subject to the conditions controlling the expenditures of capital project funds as provided by law. Reappropriated amounts, unless otherwise stated, are limited to the unexpended appropriation balances at the close of the previous biennium, as shown by the records of the Department of Accounts.

2. The Director, Department of Planning and Budget, may transfer appropriations listed in Part 2 of this act from the second year to the first year in accordance with § 4-1.03 a 5 of this act.

B. The five-digit number following the title of a project is the code identification number assigned for the life of the project.

C. Except as herein otherwise expressly provided, appropriations or reappropriations for structures may be used for the purchase of equipment to be used in the structures for which the funds are provided, subject to guidelines prescribed by the Governor.

D. Notwithstanding any other provisions of law, appropriations for capital projects shall be subject to the following:

1. Appropriations or reappropriations of funds made pursuant to this act for planning of capital projects shall not constitute implied approval of construction funds in a future biennium. Funds, other than the reappropriations referred to above, for the preparation of capital project proposals must come from the affected agency's existing resources.

2. No capital project for which appropriations for planning are contained in this act, nor any project for which appropriations for planning have been previously approved, shall be considered for construction funds until preliminary plans and cost estimates are reviewed by the Department of General Services. The purpose of this review is to avoid unnecessary expenditures for each project, in the interest of assuring the overall cost of the project is reasonable in relation to the purpose intended, regardless of discrete design choices.

E.1. Expenditures from Items in this act identified as "Maintenance Reserve" are to be made only for the maintenance of property, plant, and equipment as defined in § 4-4.01c of this act to the extent that funds included in the appropriation to the agency for this purpose in Part 1 of this act are insufficient.

2. Agencies and institutions of higher education can expend up to \$1,500,000 for a single repair or project through the maintenance reserve appropriation. Such expenditures shall be subject to rules and regulations prescribed by the Governor. To the extent an agency or institution of higher education has identified a potential project that exceeds this threshold, the Director, Department of Planning and Budget, can provide exemptions to the threshold as long as the project still meets the definition of a maintenance reserve project as defined by the Department of Planning and Budget.

3. Only facilities supported wholly or in part by the general fund shall utilize general fund maintenance reserve appropriations. Facilities supported entirely by nongeneral funds shall accomplish maintenance through the use of nongeneral funds.

F. Conditions Applicable to Bond Projects

1. The capital projects listed in §§ 2-53 and 2-54 for the indicated agencies and institutions of higher education are hereby authorized and sums from the sources and in the amount indicated are hereby appropriated and reappropriated. The issuance of bonds in a principal amount plus amounts needed to fund issuance costs, reserve funds, and other financing expenses, including capitalized interest for any project listed in §§ 2-53 and 2-54 is hereby authorized.

2. The issuance of bonds for any project listed in § 2-53 is to be separately authorized pursuant to Article X, Section 9 (c), Constitution of Virginia.

3. The issuance of bonds for any project listed in §§ 2-53 or 2-54 shall be authorized pursuant to § ~~23-49~~ § [23.1-1106](#), Code of Virginia.

4. In the event that the cost of any capital project listed in §§ 2-53 and 2-54 shall exceed the amount appropriated therefore, the Director, Department of Planning and Budget, is hereby authorized, upon request of the affected institution, to approve an increase in appropriation authority of not more than ten percent of the amount designated in §§ 2-53 and 2-54 for such project, from any available nongeneral fund revenues, provided that such increase shall not constitute an increase in debt issuance authorization for such capital project. Furthermore, the Director, Department of Planning and Budget, is hereby authorized to approve the expenditure of all interest earnings derived from the investment of bond proceeds in addition to the amount designated in §§ 2-53 and 2-54 for such capital project.

1	5. The interest on bonds to be issued for these projects may be subject to inclusion in gross income for federal income tax purposes.				
2	6. Inclusion of a project in this act does not imply a commitment of state funds for temporary construction financing. In the absence of				
3	such commitment, the institution may be responsible for securing short-term financing and covering the costs from other sources of				
4	funds.				
5	7. In the event that the Treasury Board determines not to finance all or any portion of any project listed in § 2-53 of this act with the				
6	issuance of bonds pursuant to Article X, Section 9 (c), Constitution of Virginia, and notwithstanding any provision of law to the				
7	contrary, this act shall constitute the approval of the General Assembly to finance all or such portion of such project under the				
8	authorization of § 2-54 of this act.				
9	8. The General Assembly further declares and directs that, notwithstanding any other provision of law to the contrary, 50 percent of the

14	C-7.10 of Chapter 924 of the Acts of Assembly of 1997.				
15	G. Upon certification by the Director, Department of Planning and Budget, there is hereby reappropriated the appropriations

17	1. Construction is in progress.

1	move and operate from the Pocahontas Building bounded by the following streets 9th to				
2	the west, 10th to the east, Bank to the north, and Main to the south in the City of				
3	Richmond. This temporary move will result in the Commonwealth's legislative activities to				
4	be concentrated in an area requiring traffic and pedestrian operational safety and				
5	security enhancements. As such, and pursuant to the responsibilities of the Department of				
6	General Services (DGS) (§ 2.2-1129) and the Division of Capitol Police (DCP) (§ 30-				
7	34.2:1), Bank Street from 9th to 12th Street in the City of Richmond shall be controlled by				
8	the DGS and the DCP while the General Assembly is in session and is located in the				
9	Pocahontas Building. Vehicular travel limitations and pedestrian management needs on				
10	and along Bank Street shall be determined jointly by the DGS and the DCP during that				
11	time. These determinations will be based on the recommendations outlined in the Bank				
12	Street Safety and Security Assessment prepared by Commonwealth Architects dated				
13	February 15, 2017 (the Assessment). Funding for materials and contract services needed				
14	to address pedestrian and vehicle management activities are available to DGS from the				
15	Chapter referenced in this item.				
16	B. The DGS and the DCP will coordinate its Bank Street decisions with the City of				
17	Richmond to allow for adequate set-up and removal of temporary traffic control after				
18	December 1st each year prior to a General Assembly session and two weeks after a				
19	General Assembly session ends. At no time, will DGS or DCP make permanent changes to				
20	Bank Street right-of-way (e.g. traffic control devices, security fixtures, street lighting,				
21	surface treatments) without the approval of the City of Richmond's Chief Administrative				
22	Officer. Additionally, at no time will the City prevent DGS and DCP from implementing				
23	the recommendations outlined in the Assessment. Bank Street operations will revert to the				
24	City of Richmond upon the General Assembly vacating the Pocahontas Building and has				
25	moved to its new building on Broad Street.				
26	C. The projects stated in the Chapter referenced above also include new permanent				
27	facilities for state government operations. Design precedence for permanent facilities will				
28	accommodate the operational needs of state government resources identified to occupy

The amount deducted on any individual income tax return in any taxable year shall be limited to \$2,000 per ABLE savings trust account. No deduction shall be allowed pursuant to this section if such contributions are deducted on the contributor's federal income tax return. If the contribution to an ABLE savings trust account exceeds \$2,000 the remainder may be carried forward and subtracted in future taxable years until the ABLE savings trust contribution has been fully deducted; however, in no event shall the amount deducted in any taxable year exceed \$2,000 per ABLE savings trust account.

B. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, Code of Virginia, any deduction taken hereunder shall be subject to recapture in the taxable year or years in which distributions or refunds are made for any reason other than (i) to pay qualified disability expenses, as defined in § 529A of the Internal Revenue Code; or (ii) the beneficiary's death.

C. A contributor to an ABLE savings trust account who has attained age 70 shall not be subject to the limitation that the amount of the deduction not exceed \$2,000 per ABLE savings trust account in any taxable year. Such taxpayer shall be allowed a deduction for the full amount contributed to an ABLE savings trust account, less any amounts previously deducted.

D. The Tax Commissioner shall develop guidelines implementing the provisions of this section, including but not limited to the computation, carryover, and recapture of the deduction provided under this section. Such guidelines shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq., Code of Virginia).

The tax shall not exceed 10 percent of the amount of charge for admission to any such venue. The provisions of this section shall expire on July 1, 2019 if no entertainment venue exists in Stafford County upon which the tax authorized is imposed.

§ 3-5.14 SUNSET DATES FOR INCOME TAX CREDITS AND SALES AND USE TAX EXEMPTIONS

A. Notwithstanding any other provision of law the General Assembly shall not advance the sunset date on any existing sales tax exemption or tax credit beyond June 30, 2022. Any new sales tax exemption or tax credit enacted by the General Assembly prior to the 2021 regular legislative session shall have a sunset date not later than June 30, 2022. However, this requirement shall not apply to tax exemptions administered by the Department of Taxation under § 58.1-609.11, relating to exemptions for nonprofit entities nor shall it apply to exemptions or tax credits with sunset dates after June 30, 2022, enacted or advanced during the 2016 Session of the General Assembly.

B. By November 1, 2020, the Department of Taxation shall report to every member of the General Assembly and to the Joint Subcommittee to Evaluate Tax Preferences, on the revenue impact of every sales tax exemption and tax credit scheduled to expire on or before June 30, 2022. The report shall include the prior fiscal year's state and local sales tax impact of each expiring sales tax exemption, and the prior fiscal year's general fund revenue impact of each expiring tax credit. The tax credit revenue impact analysis shall be inclusive of credits claimed against any tax imposed under Title 58.1 of the Code of Virginia.

C. The Department shall provide an updated revenue impact report no later than November 1, 2025, and every five years thereafter, for sales tax exemptions and tax credits set to expire within two years following the date of the report. Such reports shall be distributed to every member of the General Assembly and to the Joint Subcommittee to Evaluate Tax Preferences.

§ 3-5.17 VIRGINIA TAX AMNESTY PROGRAM

A. Notwithstanding any other provision of law, there is hereby established the Virginia Tax Amnesty Program. It is the intent of this program to improve voluntary compliance with the tax laws and to increase and to accelerate collections of certain taxes owed to the Commonwealth.

B. The Virginia Tax Amnesty Program shall be administered by the Department of Taxation, and any person, individual, corporation, estate, trust or partnership required to file a return or to pay any tax administered or collected by the Department of Taxation shall be eligible to participate, subject to the requirements set forth below and guidelines established by the Tax Commissioner. The Tax Commissioner may require participants in the program to complete an amnesty application and such other forms as he may prescribe and to furnish any additional information he deems necessary to make a determination regarding the validity of such amnesty application.

C. The Tax Commissioner shall establish guidelines and rules for the procedures for participation and any other rules that are deemed necessary by the Tax Commissioner. The guidelines and rules issued by the Tax Commissioner regarding the Virginia Tax Amnesty Program shall be exempt from the Administrative Process Act (§ 2.2-4000 et seq. of the Code of Virginia).

D. The Virginia Tax Amnesty Program shall have the following features:

1. The program shall be conducted during the period July 1, 2017 through June 30, 2018 and shall not last less than 60 nor more than 75 days. The exact dates of the program shall be established by the Tax Commissioner.

2. All civil or criminal penalties assessed or assessable, as provided in this title, including the addition to tax under §§ 58.1-492 and 58.1-504 of the Code of Virginia, and one-half of the interest assessed or assessable, as provided in this title, which are the result of nonpayment, underpayment, nonreporting or underreporting of tax liabilities, shall be waived upon receipt of the payment of the amount of taxes and interest owed, with the following exceptions:

a. No person, individual, corporation, estate, trust or partnership currently under investigation or prosecution for filing a fraudulent return or failing to file a return with the intent to evade tax shall qualify to participate.

b. No person, individual, corporation, estate, trust or partnership shall be eligible to participate in the program with respect to any assessment outstanding for which the date of assessment is less than 90 days prior to the first day of the program or with respect to any liability arising from the failure to file a return for which the due date of the return is less than 90 days prior to the first day of the program.

c. No person, individual, corporation, estate, or trust shall be eligible to participate in the program with respect to any tax liability from the income taxes imposed by §§ 58.1-320, 58.1-360 and 58.1-400 of the Code of Virginia, if the tax liability is attributable to taxable years beginning on and after January 1, 2016.

d. No taxpayer shall be eligible to participate in the Program with respect to any tax liability if it is attributable to an issue that is subject to a decision of a Virginia court rendered on or after January 1, 2016.

E. For the purpose of computing the outstanding balance due because of the nonpayment, underpayment, nonreporting or underreporting of any tax liability that has not been assessed prior to the first day of the program, the rate of interest specified for omitted taxes and assessments under § 58.1-15 shall not be applicable. The Tax Commissioner shall, instead, establish one interest rate to be used for each taxable year that approximates the average "underpayment rate" specified under § 58.1-15 of the Code of Virginia for the five-year period immediately preceding the program.

F. 1. If any taxpayer eligible for amnesty under this section and under the rules and guidelines established by the Tax Commissioner retains any outstanding balance after the close of the Virginia Tax Amnesty Program because of the nonpayment, underpayment, nonreporting or underreporting of any tax liability eligible for relief under the Virginia Tax Amnesty Program, then such balance shall be subject to a 20 percent penalty on the unpaid tax. This penalty is in addition to all other penalties that may apply to the taxpayer.

2. Any taxpayer who defaults upon any agreement to pay tax and interest arising out of a grant of amnesty is subject to reinstatement of the penalty and interest forgiven and the imposition of the penalty under this section as though the taxpayer retained the original outstanding balance at the close of the Virginia Tax Amnesty Program.

§ 3-5.18 LIMITATION ON THE AMOUNT OF HISTORIC REHABILITATION TAX CREDITS CLAIMED

The revenue generated from fifty percent of such fee shall be deposited to the general fund. The revenue generated from the other fifty percent of such fee shall be deposited to the Virginia Natural Resources Commitment Fund, a subfund of the Virginia Water Quality Improvement Fund, as established in § 10.1-2128.1, Code of Virginia. The funds deposited to this subfund shall be disbursed for the agricultural best management practices cost share program, pursuant to § 10.1-2128.1, Code of Virginia.

PART 4: GENERAL PROVISIONS

§ 4-0.00 OPERATING POLICIES

§ 4-0.01 OPERATING POLICIES

a. Each appropriating act of the General Assembly shall be subject to the following provisions and conditions, unless specifically exempt elsewhere in this act.

b. All appropriations contained in this act, or in any other appropriating act of the General Assembly, are declared to be maximum appropriations and conditional on receipt of revenue.

c. The Governor, as chief budget officer of the state, shall ensure that the provisions and conditions as set forth in this section are strictly observed.

d. Public higher education institutions are not subject to the provisions of § 2.2-4800, Code of Virginia, or the provisions of the Department of Accounts' Commonwealth Accounting Policies and Procedures manual (CAPP) topic 20505 with regard to students who are veterans of the United States armed services and National Guard and are in receipt of federal educational benefits under the G.I. Bill. Public higher education shall establish internal procedures for the continued enrollment of such students to include resolution of outstanding accounts receivable.

e. The provisions of the Virginia Public Procurement Act (§ 2.2-4300 et seq. of the Code of Virginia) shall not apply to grants made in support of the 2019 Commemoration to non-profit entities organized under § 501 (c)(3) of the Internal Revenue Code.

f. 1. The State Council of Higher Education for Virginia shall establish a policy for granting undergraduate course credit to entering freshman students who have taken one or more Advanced Placement, Cambridge Advanced (A/AS), College-Level Examination Program (CLEP), or International Baccalaureate examinations by August 1, 2017. The policy shall:

a) Outline the conditions necessary for each public institution of higher education to grant course credit, including the minimum required scores on such examinations;

b) Identify the course credit or other academic requirements of each public institution of higher education that the student satisfies by achieving the minimum required scores on such examinations; and

c) Ensure, to the extent possible, that the grant of course credit is consistent across each public institution of higher education and each such examination.

2. The Council and each public institution of higher education shall make the policy available to the public on its website.

§ 4-1.00 APPROPRIATIONS

§ 4-1.01 PREREQUISITES FOR PAYMENT

a. The State Comptroller shall not pay any money out of the state treasury except pursuant to appropriations in this act or in any other act of the General Assembly making an appropriation during the current biennium.

b. Moneys shall be spent solely for the purposes for which they were appropriated by the General Assembly, except as specifically provided otherwise by § 4-1.03 Appropriation Transfers, § 4-4.01 Capital Projects, or § 4-5.01 a. Settlement of Claims with Individuals. Should the Governor find that moneys are not being spent in accordance with provisions of the act appropriating them, he shall restrain the State Comptroller from making further disbursements, in whole or in part, from said appropriations. Further, should the Auditor of Public Accounts determine that a state or other agency is not spending moneys in accordance with provisions of the act appropriating them, he shall so advise the Governor or other governing authority, the State Comptroller, the Chairman of the Joint Legislative Audit and Review Commission, and Chairmen of the Senate Finance and House Appropriations Committees.

c. Exclusive of revenues paid into the general fund of the state treasury, all revenues earned or collected by an agency, and contained in an appropriation item to the agency shall be expended first during the fiscal year, prior to the expenditure of any general fund appropriation within that appropriation item, unless prohibited by statute or by the terms and conditions of any gift, grant or donation.

§ 4-1.02 WITHHOLDING OF SPENDING AUTHORITY

a. For purposes of this subsection, withholding of spending authority is defined as any action pursuant to a budget reduction plan approved by the Governor to address a declared shortfall in budgeted revenue that impedes or limits the ability to spend appropriated moneys, regardless of the mechanism used to effect such withholding.

b.1. Changed Expenditure Factors: The Governor is authorized to reduce spending authority, by withholding allotments of appropriations, when expenditure factors, such as enrollments or population in institutions, are smaller than the estimates upon which the appropriation was based. Moneys generated from the withholding action shall not be reallocated for any other purpose, provided the withholding of allotments of appropriations under this provision shall not occur until at least 15 days after the Governor has transmitted a statement of changed factors and intent to withhold moneys to the Chairmen of the House Appropriations and Senate Finance Committees.

2. Moneys shall not be withheld on the basis of reorganization plans or program evaluations until such plans or evaluations have been specifically presented in writing to the General Assembly at its next regularly scheduled session.

c. Increased Nongeneral Fund Revenue:

1. General fund appropriations to any state agency for operating expenses are supplemental to nongeneral fund revenues collected by the agency. To the extent that nongeneral fund revenues collected in a fiscal year exceed the estimate on which the operating budget was based, the Governor is authorized to withhold general fund spending authority, by withholding allotments of appropriations, in an equivalent amount. However, this limitation shall not apply to (a) restricted excess tuition and fees for educational and general programs in the institutions of higher education, as defined in § 4-2.01 c of this act; (b) appropriations to institutions of higher education designated for fellowships, scholarships and loans; (c) gifts or grants which are made to any state agency for the direct costs of a stipulated project; (d) appropriations to institutions for the mentally ill or intellectually disabled payable from the Behavioral Health and Developmental Services Revenue Fund; and (e) general fund appropriations for highway construction and mass transit. Moneys unallotted under this provision shall not be reallocated for any other purpose.

2. To the degree that new or additional grant funds become available to supplement general fund appropriations for a program, following enactment of an appropriation act, the Governor is authorized to withhold general fund spending authority, by withholding allotments of appropriations, in an amount equivalent to that provided from grant funds, unless such action is prohibited by the original provider of the grant funds. The withholding action shall not include general fund appropriations, which are required to match grant funds. Moneys unallotted under this provision shall not be reallocated for any other purpose.

d. Reduced General Fund Resources:

1. The term "general fund resources" as applied in this subsection includes revenues collected and paid into the general fund of the state treasury during the current biennium, transfers to the general fund of the state treasury during the current biennium, and all unexpended balances brought forward from the previous biennium.

2. In the event that general fund resources are estimated by the Governor to be insufficient to pay in full all general fund appropriations authorized by the General Assembly, the Governor shall, subject to the qualifications herein contained, withhold general fund spending authority, by withholding allotments of appropriations, to prevent any expenditure in excess of the estimated general fund resources available.

3. In making this determination, the Governor shall take into account actual general fund revenue collections for the current fiscal year and the results of a formal written re-estimate of general fund revenues for the current and next biennium, prepared within the previous 90 days, in accordance with the process specified in § 2.2-1503, Code of Virginia. Said re-estimate of general fund revenues shall be communicated to the Chairmen of the Senate Finance, House Appropriations and House Finance Committees, prior to taking action to reduce general fund allotments of appropriations on account of reduced resources.

4.a) In addition to monthly reports on the status of revenue collections relative to the current fiscal year's estimate, the Governor shall provide a written quarterly assessment of the current economic outlook for the remainder of the fiscal year to the Chairmen of the House Appropriations, House Finance, and Senate Finance Committees.

b) Within five business days after the preliminary close of the state accounts at the end of the fiscal year, the State Comptroller shall provide the Governor with the actual total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes for the just-completed fiscal year, with a comparison of such actual totals with the total of such taxes in the official budget estimate for that fiscal year. If that comparison indicates that the total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes, as shown on the preliminary close, was one percent or more below the amount of such taxes in the official budget estimate for the just-completed fiscal year, the Governor shall prepare a written re-estimate of general fund revenues for the current biennium and the next biennium in accordance with § 2.2-1503, Code of Virginia, to be reported to the Chairmen of the Senate Finance, House Finance and House Appropriations Committees, not later than September 1 following the close of the fiscal year.

5.a) The Governor shall take no action to withhold allotments until a written plan detailing specific reduction actions approved by the Governor, identified by program and appropriation item, has been presented to the Chairmen of the House Appropriations and Senate Finance Committees. Subsequent modifications to the approved reduction plan also must be submitted to the Chairmen of the House Appropriations and Senate Finance Committees, prior to withholding allotments of appropriations.

b) In addition to the budget reduction plan approved by the Governor, all budget reduction proposals submitted by state agencies to the Governor or the Governor's staff, including but not limited to the Department of Planning and Budget, the Governor's Cabinet secretaries, or the Chief of Staff, whether submitted electronically or otherwise, shall be made available via electronic means to the

Chairmen of the House Appropriations and Senate Finance Committees concurrently with that budget reduction plan.

6. In effecting the reduction of expenditures, the Governor shall not withhold allotments of appropriations for:

a) More than 15 percent cumulatively of the annual general fund appropriation contained in this act for operating expenses of any one state or nonstate agency or institution designated in this act by title, and the exact amount withheld, by state or nonstate agency or institution, shall be reported within five calendar days to the Chairmen of the Senate Finance and House Appropriations Committees. State agencies providing funds directly to grantees named in this act shall not apportion a larger cut to the grantee than the proportional cut apportioned to the agency. Without regard to § 4-5.05 b.4. of this act, the remaining appropriation to the grantee which is not subject to the cut, equal to at least 85 percent of the annual appropriation, shall be made by July 31, or in two equal installments, one payable by July 31 and the other payable by December 31, if the remaining appropriation is less than or equal to \$500,000, except in cases where the normal conditions of the grant dictate a different payment schedule.

b) The payment of principal and interest on the bonded debt or other bonded obligations of the Commonwealth, its agencies and its authorities, or for payment of a legally authorized deficit.

c) The payments for care of graves of Confederate *and historical African American* dead.

d) The employer contributions, and employer-paid member contributions, to the Social Security System, Virginia Retirement System, Judicial Retirement System, State Police Officers Retirement System, Virginia Law Officers Retirement System, Optional Retirement Plan for College and University Faculty, Optional Retirement Plan for Political Appointees, Optional Retirement Plan for Superintendents, the Volunteer Service Award Program, the Virginia Retirement System's group life insurance, sickness and disability, and retiree health care credit programs for state employees, state-supported local employees and teachers. If the Virginia Retirement System Board of Trustees approves a contribution rate for a fiscal year that is lower than the rate on which the appropriation was based, or if the United States government approves a Social Security rate that is lower than that in effect for the current budget, the Governor may withhold excess contributions. However, employer and employee paid rates or contributions for health insurance and matching deferred compensation for state employees, state-supported local employees and teachers may not be increased or decreased beyond the amounts approved by the General Assembly. Payments for the employee benefit programs listed in this paragraph may not be delayed beyond the customary billing cycles that have been established by law or policy by the governing board.

e) The payments in fulfillment of any contract awarded for the design, construction and furnishing of any state building.

f) The salary of any state officer for whom the Constitution of Virginia prohibits a change in salary.

g) The salary of any officer or employee in the Executive Department by more than two percent (irrespective of the fund source for payment of salaries and wages); however, the percentage of reduction shall be uniformly applied to all employees within the Executive Department.

h) The appropriation supported by the State Bar Fund, as authorized by § 54.1-3913, Code of Virginia, unless the supporting revenues for such appropriation are estimated to be insufficient to pay the appropriation.

7. The Governor is authorized to withhold specific allotments of appropriations by a uniform percentage, a graduated reduction or on an individual basis, or apply a combination of these actions, in effecting the authorized reduction of expenditures, up to the maximum of 15 percent, as prescribed in subdivision 6a of this subsection.

8. Each nongeneral fund appropriation shall be payable in full only to the extent the nongeneral fund revenues from which the appropriation is payable are estimated to be sufficient. The Governor is authorized to reduce allotments of nongeneral fund appropriations by the amount necessary to ensure that expenditures do not exceed the supporting revenues for such appropriations; however, the Governor shall take no action to reduce allotments of appropriations for major nongeneral fund sources on account of reduced revenues until such time as a formal written re-estimate of revenues for the current and next biennium, prepared in accordance with the process specified in § 2.2-1503, Code of Virginia, has been reported to the Chairmen of the Senate Finance, House Finance, and House Appropriations Committees. For purposes of this subsection, major nongeneral fund sources are defined as Highway Maintenance and Operating Fund and Transportation Trust Fund.

9. Notwithstanding any contrary provisions of law, the Governor is authorized to transfer to the general fund on June 30 of each year of the biennium, or within 20 days from that date, any available unexpended balances in other funds in the state treasury, subject to the following:

a) The Governor shall declare in writing to the Chairmen of the Senate Finance and House Appropriations Committees that a fiscal emergency exists which warrants the transfer of nongeneral funds to the general fund and reports the exact amount of such transfer within five calendar days of the transfer;

b) No such transfer may be made from retirement or other trust accounts, the State Bar Fund as authorized by § 54.1-3913, Code of Virginia, debt service funds, or federal funds; and

c) The Governor shall include for informative purposes, in the first biennial budget he submits subsequent to the transfer, the amount transferred from each account or fund and recommendations for restoring such amounts.

10. The Director, Department of Planning and Budget, shall make available via electronic means a report of spending authority withheld under the provisions of this subsection to the Chairmen of the Senate Finance and House Appropriations Committees within five calendar days of the action to withhold. Said report shall include the amount withheld by agency and appropriation item.

11. If action to withhold allotments of appropriation under this provision is inadequate to eliminate the imbalance between projected general fund resources and appropriations, the Speaker of the House of Delegates and the President pro tempore of the Senate shall be advised in writing by the Governor, so that they may consider requesting a special session of the General Assembly.

§ 4-1.03 APPROPRIATION TRANSFERS

f) to address unanticipated business or industrial development opportunities which will benefit the state's economy, provided that any such appropriations be used in a manner consistent with the purposes of the program as originally appropriated.

6. An appropriation transfer shall not occur except through properly executed appropriation transfer documents designed specifically for that purpose, and all transactions effecting appropriation transfers shall be entered in the state's computerized budgeting and accounting systems.

7. The Director, Department of Planning and Budget, may transfer from any other agency, appropriations to supplement any project of the Virginia Public Building Authority authorized by the General Assembly and approved by the Governor. Such capital project shall be transferred to the state agency designated as the managing agency for the Virginia Public Building Authority.

of their acceptance; or

6) realize cost savings in excess of the additional funds provided, or

7) permit a state agency or institution to use a donation, gift or grant for the purpose intended by the donor, or

8) provide for cost overruns on capital projects and for capital projects authorized under § 4-4.01 m of this act, or

9) address caseload or workload changes in programs approved by the General Assembly.

b) The above conditions shall not apply to donations and gifts to the endowment funds of institutions of higher education.

c) Each state agency and institution shall ensure that its budget estimates include a reasonable estimate of receipts from donations, gifts or other nongeneral fund revenue. The Department of Planning and Budget shall review such estimates and verify their accuracy, as part of the budget planning and review process.

d) No obligation or expenditure shall be made from such funds until a revised operating budget request is approved by the Director, Department of Planning and Budget. Expenditures from any gift, grant or donation shall be in accordance with the purpose for which it was made; however, expenditures for property, plant or equipment, irrespective of fund source, are subject to the provisions of §§ 4-2.03 Indirect Costs, 4-4.01 Capital Projects General, and 4-5.03 b Services and Clients-New Services, of this act.

e) Nothing in this section shall exempt agencies from complying with § 4-2.01 a Solicitation and Acceptance of Donations, Gifts, Grants, and Contracts of this act.

4. Any nongeneral fund cash balance recorded on the books of the Department of Accounts as unexpended on the last day of the fiscal year may be appropriated for use in the succeeding fiscal year with the prior written approval of the Director, Department of Planning and Budget, unless the General Assembly shall have specifically provided otherwise. Revenues deposited to the Virginia Health Care Fund shall be used only as the state share of Medicaid, unless the General Assembly specifically authorizes an alternate use. With regard to the appropriation of other nongeneral fund cash balances, the Director shall make a listing of such transactions available to the public via electronic means no less than ten business days following the approval of the appropriation of any such balance.

5. Reporting:

The Director, Department of Planning and Budget, shall make available via electronic means a report on increases in unappropriated nongeneral funds in accordance with § 4-8.00, Reporting Requirements, or as modified by specific provisions in this subsection.

b. AGRIBUSINESS EQUIPMENT FOR THE DEPARTMENT OF CORRECTIONS

The Director of the Department of Planning and Budget may increase the Department of Corrections appropriation for the purchase of agribusiness equipment or the repair or construction of agribusiness facilities by an amount equal to fifty percent of any annual amounts in excess of fiscal year 1992 deposits to the general fund from agribusiness operations. It is the intent of the General Assembly that appropriation increases for the purposes specified shall not be used to reduce the general fund appropriations for the Department of Corrections.

§ 4-1.05 REVERSION OF APPROPRIATIONS AND REAPPROPRIATIONS

a. GENERAL FUND OPERATING EXPENSE:

1.a) General fund appropriations which remain unexpended on (i) the last day of the previous biennium or (ii) the last day of the first year of the current biennium, shall be reappropriated and allotted for expenditure where required by the Code of Virginia, where necessary for the payment of preexisting obligations for the purchase of goods or services, or where desirable, in the determination of the Governor, to address any of the six conditions listed in § 4-1.03 c.5 of this act or to provide financial incentives to reduce spending to effect current or future cost savings. With the exception of the unexpended general fund appropriations of agencies in the Legislative Department, the Judicial Department, the Independent Agencies, or institutions of higher education, all other such unexpended general fund appropriations unexpended on the last day of the previous biennium or the last day of the first year of the current biennium shall revert to the general fund.

General fund appropriations for agencies in the Legislative Department, the Judicial Department, and the Independent Agencies shall be reappropriated, except as may be specifically provided otherwise by the General Assembly. General fund appropriations shall also be reappropriated for institutions of higher education, subject to § 2.2-5005, Code of Virginia.

2. a. The Governor shall report within five calendar days after completing the reappropriation process to the Chairmen of the Senate Finance and House Appropriations Committees on the reappropriated amounts for each state agency in the Executive Department. He shall provide a preliminary report of reappropriation actions on or before November 1 and a final report on or before December 20 to the Chairmen of the House Appropriations and Senate Finance Committees.

b. The Director, Department of Planning and Budget, may transfer reappropriated amounts within an agency to cover nonrecurring

costs.

3. Pursuant to subsection E of § 2.2-1125, Code of Virginia, the determination of compliance by an agency or institution with management standards prescribed by the Governor shall be made by the Secretary of Finance and the Secretary having jurisdiction over the agency or institution, acting jointly.

4. The general fund resources available for appropriation in the first enactment of this act include the reversion of certain unexpended balances in operating appropriations as of June 30 of the prior fiscal year, which were otherwise required to be reappropriated by language in the Appropriation Act.

5. Upon request, the Director, Department of Planning and Budget, shall provide a report to the Chairmen of the House Appropriations and Senate Finance Committees showing the amount reverted for each agency and the total amount of such reversions.

b. NONGENERAL FUND OPERATING EXPENSE:

Based on analysis by the State Comptroller, when any nongeneral fund has had no increases or decreases in fund balances for a period of 24 months, the State Comptroller shall promptly transfer and pay the balance into the fund balance of the general fund. If it is subsequently determined that an appropriate need warrants repayment of all or a portion of the amount transferred, the Director, Department of Planning and Budget shall include repayment in the next budget bill submitted to the General Assembly. This provision does not apply to funds held in trust by the Commonwealth.

c. CAPITAL PROJECTS:

1. Upon certification by the Director, Department of Planning and Budget, the State Comptroller is hereby authorized to revert to the fund balance of the general fund any portion of the unexpended general fund cash balance and corresponding appropriation or reappropriation for a capital project when the Director determines that such portion is not needed for completion of the project. The State Comptroller may similarly return to the appropriate fund source any part of the unexpended nongeneral fund cash balance and reduce any appropriation or reappropriation which the Director determines is not needed to complete the project.

2. The unexpended general fund cash balance and corresponding appropriation or reappropriation for capital projects shall revert to and become part of the fund balance of the general fund during the current biennium as of the date the Director, Department of Planning and Budget, certifies to the State Comptroller that the project has been completed in accordance with the intent of the appropriation or reappropriation and there are no known unpaid obligations related to the project. The State Comptroller shall return the unexpended nongeneral fund cash balance, if there be any, for such completed project to the source from which said nongeneral funds were obtained. Likewise, he shall revert an equivalent portion of the appropriation or reappropriation of said nongeneral funds.

3. The Director, Department of Planning and Budget, may direct the restoration of any portion of the reverted amount if he shall subsequently verify an unpaid obligation or requirement for completion of the project. In the case of a capital project for which an unexpended cash balance was returned and appropriation or reappropriation was reverted in the prior biennium, he may likewise restore any portion of such amount under the same conditions.

§ 4-1.06 LIMITED ADJUSTMENTS OF APPROPRIATIONS

a. LIMITED CONTINUATION OF APPROPRIATIONS.

Notwithstanding any contrary provision of law, any unexpended balances on the books of the State Comptroller as of the last day of the previous biennium shall be continued in force for such period, not exceeding 10 days from such date, as may be necessary in order to permit payment of any claims, demands or liabilities incurred prior to such date and unpaid at the close of business on such date, and shown by audit in the Department of Accounts to be a just and legal charge, for values received as of the last day of the previous biennium, against such unexpended balances.

b. LIMITATIONS ON CASH DISBURSEMENTS.

Notwithstanding any contrary provision of law, the State Comptroller may begin preparing the accounts of the Commonwealth for each subsequent fiscal year on or about 10 days before the start of such fiscal year. The books will be open only to enter budgetary transactions and transactions that will not require the receipt or disbursement of funds until after June 30. Should an emergency arise, or in years in which July 1 falls on a weekend requiring the processing of transactions on or before June 30, the State Comptroller may, with notification to the Auditor of Public Accounts, authorize the disbursement of funds drawn against appropriations of the subsequent fiscal year, not to exceed the sum of three million dollars (\$3,000,000) from the general fund. This provision does not apply to debt service payments on bonds of the Commonwealth which shall be made in accordance with bond documents, trust indentures, and/or escrow agreements.

§ 4-1.07 ALLOTMENTS

Except when otherwise directed by the Governor within the limits prescribed in §§ 4-1.02 Withholding of Spending Authority, 4-1.03 Appropriation Transfers, and 4-1.04 Appropriation Increases of this act, the Director, Department of Planning and Budget, shall prepare and act upon the allotment of appropriations required by this act, and by § 2.2-1819, Code of Virginia, and the authorizations for rates of pay required by this act. Such allotments and authorizations shall have the same effect as if the personal signature of the Governor were subscribed thereto. This section shall not be construed to prohibit an appeal by the head of any state agency to the Governor for reconsideration of any action taken by the Director, Department of Planning and Budget, under this section.

§ 4-2.00 REVENUES

§ 4-2.01 NONGENERAL FUND REVENUES

a. SOLICITATION AND ACCEPTANCE OF DONATIONS, GIFTS, GRANTS, AND CONTRACTS:

1. No state agency shall solicit or accept any donation, gift, grant, or contract without the written approval of the Governor except under written guidelines issued by the Governor which provide for the solicitation and acceptance of nongeneral funds, except that donations or gifts to the Virginia War Memorial Foundation that are small in size and number and valued at less than \$5,000, such as library items or small display items, may be approved by the Executive Director of the Virginia War Memorial in consultation with the Secretary of Veterans Affairs and Homeland Security. All other gifts and donations to the Virginia War Memorial Foundation must receive written approval from the Secretary of Veterans Affairs and Homeland Security.

2. The Governor may issue policies in writing for procedures which allow state agencies to solicit and accept nonmonetary donations, gifts, grants, or contracts except that donations, gifts and grants of real property shall be subject to § 4-4.00 of this act and § 2.2-1149, Code of Virginia. This provision shall apply to donations, gifts and grants of real property to endowment funds of institutions of higher education, when such endowment funds are held by the institution in its own name and not by a separately incorporated foundation or corporation.

3. The preceding subdivisions shall not apply to property and equipment acquired and used by a state agency or institution through a lease purchase agreement and subsequently donated to the state agency or institution during or at the expiration of the lease purchase agreement, provided that the lessor is the Virginia College Building Authority.

4. The use of endowment funds for property, plant or equipment for state-owned facilities is subject to §§ 4-2.03 Indirect Costs, 4-4.01 Capital Projects-General and 4-5.03 Services and Clients of this act.

b. HIGHER EDUCATION TUITION AND FEES

1. Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, all nongeneral fund collections by public institutions of higher education, including collections from the sale of dairy and farm products, shall be deposited in the state treasury in accordance with § 2.2-1802, Code of Virginia, and expended by the institutions of higher education in accordance with the appropriations and provisions of this act, provided, however, that this requirement shall not apply to private gifts, endowment funds, or income derived from endowments and gifts.

2. a) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at levels they deem to be appropriate for all resident student groups based on, but not limited to, competitive market rates, provided that the total revenue generated by the collection of tuition and fees from all students is within the nongeneral fund appropriation for educational and general programs provided in this act.

b) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at levels they deem to be appropriate for all nonresident student groups based on, but not limited to, competitive market rates, provided that: i) the tuition and mandatory educational and general fee rates for nonresident undergraduate and graduate students cover at least 100 percent of the average cost of their education, as calculated through base adequacy guidelines adopted, and periodically amended, by the Joint Subcommittee Studying Higher Education Funding Policies, and ii) the total revenue generated by the collection of tuition and fees from all students is within the nongeneral fund appropriation for educational and general programs provided in this act.

c) For institutions charging nonresident students less than 100 percent of the cost of education, the State Council of Higher Education for Virginia may authorize a phased approach to meeting this requirement, when in its judgment, it would result in annual tuition and fee increases for nonresident students that would discourage their enrollment.

d) The Boards of Visitors or other governing bodies of institutions of higher education shall not increase the current proportion of nonresident undergraduate students if the institution's nonresident undergraduate enrollment exceeds 25 percent. Norfolk State University, Virginia Military Institute, Virginia State University, and two-year public institutions are exempt from this restriction.

3. a) In setting the nongeneral fund appropriation for educational and general programs at the institutions of higher education, the General Assembly shall take into consideration the appropriate student share of costs associated with providing full funding of the base adequacy guidelines referenced in subparagraph 2. b), raising average salaries for teaching and research faculty to the 60th percentile of peer institutions, and other priorities set forth in this act.

b) In determining the appropriate state share of educational costs for resident students, the General Assembly shall seek to cover at least 67 percent of educational costs associated with providing full funding of the base adequacy guidelines referenced in subparagraph 2. b), raising average salaries for teaching and research faculty to the 60th percentile of peer institutions, and other priorities set forth in this act.

4. a) Each institution and the State Council of Higher Education for Virginia shall monitor tuition, fees, and other charges, as well as the mix of resident and nonresident students, to ensure that the primary mission of providing educational opportunities to citizens of Virginia is served, while recognizing the material contributions provided by the presence of nonresident students. The State Council of Higher Education for Virginia shall also develop and enforce uniform guidelines for reporting student enrollments and the domiciliary status of students.

b) The State Council of Higher Education for Virginia shall report to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees no later than August 1 of each year the annual change in total charges for tuition and all required fees approved and allotted by the Board of Visitors. As it deems appropriate, the State Council of Higher Education for Virginia shall provide comparative national, peer, and market data with respect to charges assessed students for tuition and required fees at institutions outside of the Commonwealth.

c) Institutions of higher education are hereby authorized to make the technology service fee authorized in Chapter 1042, 2003 Acts of Assembly, part of ongoing tuition revenue. Such revenues shall continue to be used to supplement technology resources at the institutions of higher education.

d) Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, each institution shall work with the State Council of Higher Education for Virginia and the Virginia College Savings Plan to determine appropriate tuition and fee estimates for tuition savings plans.

5. It is the intent of the General Assembly that each institution's combined general and nongeneral fund appropriation within its educational and general program closely approximate the anticipated annual budget each fiscal year.

6. Nonresident graduate students employed by an institution as teaching assistants, research assistants, or graduate assistants and paid at an annual contract rate of \$4,000 or more may be considered resident students for the purposes of charging tuition and fees.

7. The fund source "Higher Education Operating" within educational and general programs for institutions of higher education includes tuition and fee revenues from nonresident students to pay their proportionate share of the amortized cost of the construction of buildings approved by the Commonwealth of Virginia Educational Institutions Bond Act of 1992 and the Commonwealth of Virginia Educational Facilities Bond Act of 2002.

8. a) Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, mandatory fees for purposes other than educational and general programs shall not be increased for Virginia undergraduates beyond five percent annually, excluding requirements for wage, salary, and fringe benefit increases, authorized by the General Assembly. Fee increases required to carry out actions that respond to mandates of federal agencies are also exempt from this provision, provided that a report on the purposes of the amount of the fee increase is submitted to the Chairmen of the House Appropriations and Senate Finance Committees by the institution of higher education at least 30 days prior to the effective date of the fee increase.

b) This restriction shall not apply in the following instances: fee increases directly related to capital projects authorized by the General Assembly; fee increases to support student health services; and other fee increases specifically authorized by the General Assembly.

c) Due to the small mandatory non-educational and general program fees currently assessed students in the Virginia Community College System, increases in any one year of no more than \$15 shall be allowed on a cost-justified case-by-case basis, subject to approval by the State Board for Community Colleges.

9. Any institution of higher education granting new tuition waivers to resident or nonresident students not authorized by the Code of Virginia must absorb the cost of any discretionary waivers.

10. Tuition and fee revenues from nonresident students taking courses through Virginia institutions from the Southern Regional Education Board's Southern Regional Electronic Campus must exceed all direct and indirect costs of providing instruction to those students. Tuition and fee rates to meet this requirement shall be established by the Board of Visitors of the institution.

c. HIGHER EDUCATION PLANNED EXCESS REVENUES:

An institution of higher education, except for those public institutions governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, may generate and retain tuition and fee revenues in excess of those provided in § 4-2.01 b Higher Education Tuition and Fees, subject to the following:

1. Such revenues are identified by language in the appropriations in this act to any such institution.
2. The use of such moneys is fully documented by the institution to the Governor prior to each fiscal year and prior to allotment.
3. The moneys are supplemental to, and not a part of, ongoing expenditure levels for educational and general programs used as the basis for funding in subsequent biennia.
4. The receipt and expenditure of these moneys shall be recorded as restricted funds on the books of the Department of Accounts and shall not revert to the surplus of the general fund at the end of the biennium.
5. Tuition and fee revenues generated by the institution other than as provided herein shall be subject to the provisions of § 4-1.04 a.3 Gifts, Grants, and Other Nongeneral Funds of this act.

2. The provisions of § 4-2.02 a.1. State Agency Payments into General Fund shall not apply to proceeds from the sale of surplus materials pursuant to § 2.2-1125, Code of Virginia. However, the State Comptroller is authorized to transfer to the general fund of the state treasury, out of the credits under § 4-1.04 a.1 Unappropriated Nongeneral Funds – Sale of Surplus Materials of this act, sums derived from the sale of materials originally purchased with general fund appropriations. The State Comptroller may authorize similar transfers of the proceeds from the sale of property not subject to § 2.2-1124, Code of Virginia, if said property was originally acquired with general fund appropriations, unless the General Assembly provides otherwise.

n) Without regard to § 4-2.02 a.1 above, payments to the Treasurer of Virginia assessed to insurance companies for the safekeeping and handling of securities or surety bonds deposited as insurance collateral shall be deposited into the Insurance Collateral Assessment Fund to defray such safekeeping and handling expenses.

Notwithstanding any contrary provision of law, for purposes of subsection C of § 58.1-3524 and subsection B of § 58.1-3536, Code of Virginia, the term general fund revenues, excluding transfers, is defined as (i) all state taxes, including penalties and interest, required and/or authorized to be collected and paid into the general fund of the state treasury pursuant to Title 58.1, Code of Virginia; (ii) permits, fees, licenses, fines, forfeitures, charges for services, and revenue from the use of money and property required and/or authorized to be paid into the general fund of the treasury; and (iii) amounts required to be deposited to the general fund of the state treasury pursuant to § 4-2.02 a.1., of this act. However, in no case shall (i) lump-sum payments, (ii) one-time payments not generated from the normal operation of state government, or (iii) proceeds from the sale of state property or assets be included in the general fund revenue calculations for purposes of subsection C of § 58.1-3524 and subsection B of § 58.1-3536, Code of Virginia.

c. DATE OF RECEIPT OF REVENUES:

All June general fund collections received under Subtitle I of Title 58.1, Code of Virginia, bearing a postmark date or electronic transactions with a settlement or notification date on or before the first business day in July, when June 30 falls on a Saturday or Sunday, shall be considered as June revenue and recorded under guidelines established annually by the Department of Accounts.

d. RECOVERIES BY THE OFFICE OF THE ATTORNEY GENERAL

1. As a condition of the appropriation for Item 59 of this Act, there is hereby created the Disbursement Review Committee (the "Committee"), the members of which are the Attorney General, who shall serve as chairman; two members of the House of Delegates appointed by the Speaker of the House; two members of the Senate appointed by the Chairman of the Senate Committee on Rules; and two members appointed by the Governor.

2. Whenever forfeitures are available for distribution by the Attorney General through programs overseen by either the U.S. Department of Justice Asset Forfeiture Program or the U.S. Treasury Executive Office for Asset Forfeiture, by virtue of the Attorney General's participation on behalf of the Commonwealth or on behalf of an agency of the Commonwealth, the Attorney General shall seek input from the Committee, to the extent permissible under applicable federal law and guidelines, for the preparation of a proposed Distribution Plan (the "Plan") regarding the distribution and use of money or property, or both. If a federal entity must approve the Plan for such distribution or use, or both, and does not approve the Plan submitted by the Attorney General, the Plan may be revised if deemed appropriate and resubmitted to the federal entity for approval following notification of the Committee. If the federal entity approves the original Plan or a revised Plan, the Attorney General shall inform the Committee, and ensure that such money or property, or both, is distributed or used, or both, in a manner that is consistent with the Plan approved by the federal entity. The distribution of any money or property, or both, shall be done in a manner as prescribed by the State Comptroller and consistent with any federal authorization in order to ensure proper accounting on the books of the Commonwealth.

§ 4-2.03 INDIRECT COSTS

a. INDIRECT COST RECOVERIES FROM GRANTS AND CONTRACTS:

Each state agency, including institutions of higher education, which accepts a grant or contract shall recover full statewide and agency indirect costs unless prohibited by the grantor agency or exempted by provisions of this act.

b. AGENCIES OTHER THAN INSTITUTIONS OF HIGHER EDUCATION:

The following conditions shall apply to indirect cost recoveries received by all agencies other than institutions of higher education:

1. The Governor shall include in the recommended nongeneral fund appropriation for each agency in this act the amount which the agency includes in its revenue estimate as an indirect cost recovery. The recommended nongeneral fund appropriations shall reflect the indirect costs in the program incurring the costs.

2. If actual agency indirect cost recoveries exceed the nongeneral fund amount appropriated in this act, the Director, Department of Planning and Budget, is authorized to increase the nongeneral fund appropriation to the agency by the amount of such excess indirect cost recovery. Such increase shall be made in the program incurring the costs.

3. Statewide indirect cost recoveries shall be paid into the general fund of the state treasury, unless the agency is specifically exempted from this requirement by language in this act. Any statewide indirect cost recoveries received by the agency in excess of the exempted sum shall be deposited to the general fund of the state treasury.

c. INSTITUTIONS OF HIGHER EDUCATION:

The following conditions shall apply to indirect cost recoveries received by institutions of higher education:

1. Seventy percent shall be retained by the institution as an appropriation of moneys for the conduct and enhancement of research and research-related requirements. Such moneys may be used for payment of principal of and interest on bonds issued by or for the institution pursuant to § 23-19 § 23.1-1106, Code of Virginia, for any appropriate purpose of the institution, including, but not limited to, the conduct and enhancement of research and research-related requirements.

2. Thirty percent of the indirect cost recoveries for the level of sponsored programs authorized in the appropriations in Part 1 of Chapter 1042 of the Acts of Assembly of 2003, shall be included in the educational and general revenues of the institution to meet administrative costs.

3. Institutions of higher education may retain 100 percent of the indirect cost recoveries related to research grant and contract levels in excess of the levels authorized in Chapter 1042 of the Acts of Assembly of 2003. This provision is included as an additional incentive for increasing externally funded research activities.

d. REPORTS

The Director, Department of Planning and Budget, shall make available via electronic means a report to the Chairmen of the Senate Finance and House Appropriations Committees and the public no later than September 1 of each year on the indirect cost recovery moneys administratively appropriated.

e. REGULATIONS:

The State Comptroller is hereby authorized to issue regulations to carry out the provisions of this subsection, including the establishment of criteria to certify that an agency is in compliance with the provisions of this subsection.

§ 4-3.00 DEFICIT AUTHORIZATION AND TREASURY LOANS

§ 4-3.01 DEFICITS

a. GENERAL:

1. Except as provided in this section no state agency shall incur a deficit. No state agency receiving general fund appropriations under the provisions of this act shall obligate or expend moneys in excess of its general fund appropriations, nor shall it obligate or expend moneys in excess of nongeneral fund revenues that are collected and appropriated.

2. The Governor is authorized to approve deficit funding for a state agency under the following conditions:

a) an unanticipated federal or judicial mandate has been imposed,

b) insufficient moneys are available in the first year of the biennium for start-up of General Assembly-approved action, or

c) delay pending action by the General Assembly at its next legislative session will result in the curtailment of services required by statute or those required by federal mandate or will produce a threat to life, safety, health or property.

d) Such approval by the Governor shall be in writing under the conditions described in § 4-3.02 a Authorized Deficit Loans of this act and shall be promptly communicated to the Chairmen of the House Appropriations and Senate Finance Committees within five calendar days of deficit approval.

3. Deficits shall not be authorized for capital projects.

4. The Department of Transportation may obligate funds in excess of the current biennium appropriation for projects of a capital nature not covered by § 4-4.00 Capital Projects, of this act provided such projects a) are delineated in the Virginia Transportation

Six-Year Improvement Program, as approved by the Commonwealth Transportation Board; and b) have sufficient cash allocated to each such project to cover projected costs in each year of the Program; and provided that c) sufficient revenues are projected to meet all cash obligations for such projects as well as all other commitments and appropriations approved by the General Assembly in the biennial budget.

b. UNAUTHORIZED DEFICITS: If any agency contravenes any of the prohibitions stated above, thereby incurring an unauthorized deficit, the Governor is hereby directed to withhold approval of such excess obligation or expenditure. Further, there shall be no reimbursement of said excess, nor shall there be any liability or obligation upon the state to make any appropriation hereafter to meet such unauthorized deficit. Further, those members of the governing board of any such agency who shall have voted therefor, or its head if there be no governing board, making any such excess obligation or expenditure shall be personally liable for the full amount of such unauthorized deficit and, at the discretion of the Governor, shall be deemed guilty of neglect of official duty and be subject to removal therefor. Further, the State Comptroller is hereby directed to make public any such unauthorized deficit, and the Director, Department of Planning and Budget, is hereby directed to set out such unauthorized deficits in the next biennium budget. In addition, the Governor is directed to bring this provision of this act to the attention of the members of the governing board of each state agency, or its head if there be no governing board, within two weeks of the date that this act becomes effective. The governing board or the agency head shall execute and return to the Governor a signed acknowledgment of such notification.

c. TOTAL AUTHORIZED DEFICITS: The amount which the Governor may authorize, under the provisions of this section during the current biennium, to be expended from loans repayable out of the general fund of the state treasury, for all state agencies, or other agencies combined, in excess of general fund appropriations for the current biennium, shall not exceed one and one-half percent (1 1/2%) of the revenues collected and paid into the general fund of the state treasury as defined in § 4-2.02 b. of this act during the last year of the previous biennium and the first year of the current biennium.

d. The Governor shall report any such authorized and unauthorized deficits to the Chairmen of the House Appropriations and Senate Finance Committees within five calendar days of deficit approval. By August 15 of each year, the Governor shall provide a comprehensive report to the Chairmen of the House Appropriations and Senate Finance Committees detailing all such deficits.

§ 4-3.02 TREASURY LOANS

a. AUTHORIZED DEFICIT LOANS: A state agency requesting authorization for deficit spending shall prepare a plan for the Governor's review and approval, specifying appropriate financial, administrative and management actions necessary to eliminate the deficit and to prevent future deficits. If the Governor approves the plan and authorizes a state agency to incur a deficit under the provisions of this section, the amount authorized shall be obtained by the agency by borrowing the authorized amount on such terms and from such sources as may be approved by the Governor. At the close of business on the last day of the current biennium, any unexpended balance of such loan shall be applied toward repayment of the loan, unless such action is contrary to the conditions of the loan approval. The Director, Department of Planning and Budget, shall set forth in the next biennial budget all such loans which require an appropriation for repayment. A copy of the approved plan to eliminate the deficit shall be transmitted to the Chairmen of the House Appropriations and the Senate Finance Committees within five calendar days of approval.

b. ANTICIPATION LOANS: Authorization for anticipation loans are limited to the provisions below.

1.a) When the payment of authorized obligations for operating expenses is required prior to the collection of nongeneral fund revenues, any state agency may borrow from the state treasury the required sums with the prior written approval of the Secretary of Finance or his designee as to the amount, terms and sources of such funds; such loans shall not exceed the amount of the anticipated collections of such revenues and shall be repaid only from such revenues when collected.

b) When the payment of authorized obligations for capital expenses is required prior to the collection of nongeneral fund revenues or proceeds from authorized debt, any state agency or body corporate and politic, constituting a public corporation and government instrumentality, may borrow from the state treasury the required sums with the prior written approval of the Secretary of Finance or his designee as to the amount, terms and sources of such funds; such loans in anticipation of bond proceeds shall not exceed the amount of the anticipated proceeds from debt authorized by the General Assembly and shall be repaid only from such proceeds when collected.

2. Anticipation loans for operating expenses shall be in amounts not greater than the sum identified by the agency as the minimum amount required to meet the projected expenditures. The term of any anticipation loans granted for operating expenses shall not exceed twelve months.

3. Before an anticipation loan for a capital project is authorized, the agency shall develop a plan for financing such capital project; approval of the State Treasurer shall be obtained for all plans to incur authorized debt.

4. Anticipation loans for capital projects shall be in amounts not greater than the sum identified by the agency as required to meet the projected expenditures for the project within the current biennium.

5. To ensure that such loans are repaid as soon as practical and economical, the Department of Planning and Budget shall monitor the construction and expenditure schedules of all approved capital projects that will be paid for with proceeds from authorized debt and have anticipation loans.

6. Unless otherwise prohibited by federal or state law, the State Treasurer shall charge current market interest rates on anticipation loans made for operating purposes and capital projects subject to the following:

a) Anticipation loans for capital projects for which debt service will be paid with general fund appropriations shall be exempt from interest payments on borrowed balances.

b) Interest payments on anticipation loans for nongeneral fund capital projects or nongeneral fund operating expenses shall be made from appropriated nongeneral fund revenues. Such interest shall not be paid with the funds from the anticipation loan or from the proceeds of authorized debt without the approval of the State Treasurer.

c) REPORTING: All outstanding loans shall be reported by the Governor to the Chairmen of the House Appropriations and Senate Finance Committees by August 15 of each year. The report shall include a status of the repayment schedule for each loan.

c. ANTICIPATION LOANS FOR PROJECTS NOT INCLUDED IN THIS ACT OR FOR PROJECTS AUTHORIZED UNDER § 4-4.01M: Authorization for anticipation loans for projects not included in this act or for projects authorized under § 4-4.01 m are limited to the provisions below:

1. Such loans are limited to those projects that shall be repaid from revenues derived from nongeneral fund sources.

Such loans shall not exceed the amount of the anticipated collections of such nongeneral fund revenues and shall be repaid only from such nongeneral fund revenues when collected.

b) When the payment of obligations for capital expenses for projects authorized under § 4-4.01 m is required prior to the collection of nongeneral fund revenues, any state agency or body corporate and politic, constituting a public corporation and government instrumentality, may borrow from the state treasury the required sums with the prior written approval of the Secretary of Finance or his designee as to the amount, terms and sources of such funds. Such loans shall be repaid only from nongeneral fund revenues associated with the project.

3. Anticipation loans for operating expenses shall be in amounts not greater than the sum identified by the agency as the minimum amount required to meet projected expenditures. The term of any anticipation loans granted for operating expenses shall not exceed 12 months.

4. Before an anticipation loan is provided for a capital project authorized under § 4-4.01 m, the agency shall develop a plan for repayment of such loan and approval of the Director of the Department of Planning and Budget shall be obtained for all such plans and reported to the Chairman of the House Appropriations and Senate Finance Committees.

5. Such interest shall not be paid with the funds from the anticipation loan without the approval of the Director of the Department of Planning and Budget.

a) REPORTING: All outstanding loans shall be reported by the Governor to the Chairmen of the House Appropriations and Senate Finance Committees by August 15 of each year. The report shall include a status of the repayment schedule for each loan.

§ 4-3.03 CAPITAL LEASES

a. GENERAL:

1. As part of their capital budget submission, all agencies and institutions of the Commonwealth proposing building projects that may qualify as capital lease agreements, as defined in Generally Accepted Accounting Principles (GAAP), and that may be supported in whole, or in part, from appropriations provided for in this act, shall submit copies of such proposals to the Directors of the Departments of Planning and Budget and General Services, the State Comptroller, and the State Treasurer. The Secretary of Finance may promulgate guidelines for the review and approval of such requests.

2. The proposals shall be submitted in such form as the Secretary of Finance may prescribe. The Comptroller and the Director, Department of General Services shall be responsible for evaluating the proposals to determine if they qualify as capital lease agreements. The State Treasurer shall be responsible for incorporating existing and authorized capital lease agreements in the annual

Debt Capacity Advisory Committee reports.

b. APPROVAL OF FINANCINGS:

1. For any project which qualifies as a capital lease, as defined in the preceding subdivisions a 1 and 2, and which is financed through the issuance of securities, the Treasury Board shall approve the terms and structure of such financing pursuant to § 2.2-2416, Code of Virginia.

2. For any project for which costs will exceed \$5,000,000 and which is financed through a capital lease transaction, the Treasury Board shall approve the financing terms and structure of such capital lease in addition to such other reviews and approvals as may be required by law. Prior to consideration by the Treasury Board, the Departments of Accounts, General Services, and Planning and Budget shall notify the Treasury Board upon their approval of any transaction which qualifies as a capital lease under the terms of this section. The State Treasurer shall notify the Chairmen of the House Appropriations and Senate Finance Committees of the action of the Treasury Board as it regards this subdivision within five calendar days of its action.

c. REPORTS: Not later than December 20 of each year, the Secretary of Finance and the Secretary of Administration shall jointly be responsible for providing the Chairmen of the House Appropriations and Senate Finance Committees with recommendations involving proposed capital lease agreements.

d. This section shall not apply to capital leases that are funded entirely with nongeneral fund revenues and are entered into by public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly. Furthermore, the Department of General Services is authorized to enter into capital leases for executive branch agencies provided that the resulting capital lease is funded entirely with nongeneral funds, is approved based on the requirements of § 4-3.03 b.1 and 2 above, and would not be considered tax supported debt of the Commonwealth.

§ 4-4.00 CAPITAL PROJECTS

§ 4-4.01 GENERAL

a. Definition:

1. Unless defined otherwise, when used in this section, "capital project" or "project" means acquisition of property and new construction and improvements related to state-owned property, plant or equipment (including plans therefor), as the terms "acquisition", "new construction", and "improvements" are defined in the instructions for the preparation of the Executive Budget. "Capital project" or "project" shall also mean any improvements to property leased for use by a state agency, and not owned by the state, when such improvements are financed by public funds, except as hereinafter provided in subdivisions 3 and 4 of this subsection.

2. The provisions of this section are applicable equally to acquisition of property and plant by purchase, gift, or any other means, including the acquisition of property through a lease/purchase contract, regardless of the method of financing or the source of funds. Acquisition of property by lease shall be subject to § 4-3.03 of this act.

3. The provisions of this section shall not apply to property or equipment acquired by lease or improvements to leased property and equipment when the improvements are provided by the lessor pursuant to the terms of the lease and upon expiration of the lease remain the property of the lessor.

4. The provisions of this section shall not apply to property leased by state agencies for the purposes described in §§ 2.2-1151 C and 33.2-1010, Code of Virginia.

b. Notwithstanding any other provisions of law, requests for appropriations for capital projects shall be subject to the following:

1. The agency shall submit a capital project proposal for all requested capital projects. Such proposals shall be submitted to the Director, Department of Planning and Budget, for review and approval in accordance with guidelines prescribed by the director. Projects shall be developed to meet agency functional and space requirements within a cost range comparable to similar public and private sector projects.

2. Except for institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly and Chapters 675 and 685 of the 2009 Acts of Assembly, financings for capital projects shall comply, where applicable, with the Treasury Board Guidelines issued pursuant to § 2.2-2416, Code of Virginia, and any subsequent amendments thereto.

3. As part of any request for appropriations for an armory, the Department of Military Affairs shall obtain a written commitment from the host locality to share in the operating expense of the armory.

c. Each agency head shall provide annually to the Director, Department of Planning and Budget, a report on the use of the maintenance reserve appropriation of the agency in Part 2 of this act. In the use of its maintenance reserve appropriation, an

agency shall give first priority to the repair or replacement of roof on buildings under control of the agency. The agency head shall certify in the agency's annual maintenance reserve report that to the best of his or her knowledge, all necessary roof repairs have been accomplished or are in the process of being accomplished. Such roof repairs and replacements shall be in accord with the technical requirements of the Commonwealth's Construction and Professional Services Manual.

d. The Department of Planning and Budget shall review its approach to capital outlay planning and budgeting from time to time and make available via electronic means a report of any proposed change to the Chairmen of the House Appropriations and Senate Finance Committees and the public prior to its implementation. Such report shall include an analysis of the impact of the suggested change on affected agencies and institutions.

e. Nothing in §§ 2-0 and 4-4.00 of this act shall be deemed to override the provisions of §§ 2.2-1132 and 62.1-132.6, Code of Virginia, amended by Chapter 488, 1997 Acts of Assembly, relating to Virginia Port Authority capital projects and procurement activities.

f. Legislative Approval: It is the intent of the General Assembly that, with the exceptions noted in this paragraph and paragraph m, all capital projects to be undertaken by agencies of the Commonwealth, including institutions of higher education, shall be pursuant to approvals by the General Assembly as provided in the Six-Year Capital Outlay Plan established pursuant to § 2.2-1515, et seq., Code of Virginia. Otherwise, the consideration of capital projects shall be limited to:

1. Supplementing projects which have been bid and determined to have insufficient funding to be placed under contract, and
2. Projects declared by the Governor or the General Assembly to be of an emergency nature, which may avoid an increase in cost or otherwise result in a measurable benefit to the state, and/or which are required for the continued use of existing facilities.
3. This paragraph does not prohibit the initiation of projects authorized by § 4-4.01 m hereof, or projects included under the central appropriations for capital project expenses in this act.

g. Preliminary Requirements: In regard to each capital project for which appropriation or reappropriation is made pursuant to this act, or which is hereafter considered by the Governor for inclusion in the Executive Budget, or which is offered as a gift or is considered for purchase, the Governor is hereby required: (1) to determine the urgency of its need, as compared with the need for other capital projects as herein authorized, or hereafter considered; (2) to determine whether the proposed plans and specifications for each capital project are suitable and adequate, and whether they involve expenditures which are excessive for the purposes intended; (3) to determine whether labor, materials, and other requirements, if any, needed for the acquisition or construction of such project can and will be obtained at reasonable cost; and (4) to determine whether or not the project conforms to a site or master plan approved by the agency head or board of visitors of an institution of higher education for a program approved by the General Assembly.

h. Initiation Generally:

1. No architectural or engineering planning for, or construction of, or purchase of any capital project shall be commenced or revised without the prior written approval of the Governor or his designee.

2. The requirements of § 10.1-1190, Code of Virginia, shall be met prior to the release of funds for a major state project, provided, however, that the Governor or his designee is authorized to release from any appropriation for a major state project made pursuant to this act such sum or sums as may be necessary to pay for the preparation of the environmental impact report required by § 10.1-1188, Code of Virginia.

3. The Governor, at his discretion, or his designee may release from any capital project appropriation or reappropriation made pursuant to this act such sum (or sums) as may be necessary to pay for the preparation of plans and specifications by architects and engineers, provided that the estimated cost of the construction covered by such drawings and specifications does not exceed the appropriation therefor; provided, further, however, that the architectural and engineering fees paid on completion of the preliminary design for any such project may be based on such estimated costs as may be approved by the Governor in writing, where it is shown to the satisfaction of the Governor that higher costs of labor or material, or both, or other unforeseen conditions, have made the appropriation inadequate for the completion of the project for which the appropriation was made, and where in the judgment of the Governor such changed conditions justify the payment of architectural or engineering fees based on costs exceeding the appropriation.

4. Architectural or engineering contracts shall not be awarded in perpetuity for capital projects at any state institution, agency or activity.

i. Capital Projects Financed with Bonds: Capital projects proposed to be financed with (i) 9 (c) general obligation bonds or (ii) 9(d) obligations where debt service is expected to be paid from project revenues or revenues of the agency or institution, shall be reviewed as follows:

1. By August 15 of each year, requests for inclusion in the Executive Budget of capital projects to be financed with 9(c) general obligation bonds shall be submitted to the State Treasurer for evaluation of financial feasibility. Submission shall be in accordance with the instructions prescribed by the State Treasurer. The State Treasurer shall distribute copies of financial feasibility studies to

the Director, Department of Planning and Budget, the Secretary for the submitting agency or institution, the Chairmen of the House Appropriations and Senate Finance Committees, and the Director, State Council of Higher Education for Virginia, if the project is requested by an institution of higher education.

2. By August 15 of each year, institutions shall also prepare and submit copies of financial feasibility studies to the State Council of Higher Education for Virginia for 9(d) obligations where debt service is expected to be paid from project revenues or revenues of the institution. The State Council of Higher Education for Virginia shall identify the impact of all projects requested by the institutions of higher education, and as described in § 4-4.01 j.1. of this act, on the current and projected cost to students in institutions of higher education and the impact of the project on the institution's need for student financial assistance. The State Council of Higher Education for Virginia shall report such information to the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance Committees no later than October 1 of each year.

3. Prior to the issuance of debt for 9(c) general obligation projects, when more than one year has elapsed since the review of financial feasibility specified in § 4-4.01 j 1 above, an updated feasibility study shall be prepared by the agency and reviewed by the State Treasurer prior to requesting the Governor's Opinion of Financial Feasibility required under Article X, Section 9 (c), of the Constitution of Virginia.

j. Transfers to supplement capital projects from nongeneral funds may be made under the conditions set forth in §§ 4-1.03 a, 4-1.04 a.3, and 4-4.01 m of this act.

k.1. Change in Size and Scope: Unless otherwise provided by law, the scope, which is the function or intended use, of any capital project may not be substantively changed, nor its size increased or decreased by more than five percent in size beyond the plans and justification which were the basis for the appropriation or reappropriation in this act or for the Governor's authorization pursuant to § 4-4.01 m of this act. However, this prohibition is not applicable to changes in size and scope required because of circumstances determined by the Governor to be an emergency, or requirements imposed by the federal government when such capital project is for armories or other defense-related installations and is funded in whole or in part by federal funds. Furthermore, this prohibition shall not apply to minor increases, beyond five percent, in square footage determined by the Director, Department of General Services, to be reasonable and appropriate based on a written justification submitted by the agency stating the reason for the increase, with the provision that such increase will not increase the cost of the project beyond the amount appropriated; nor to decreases in size beyond five percent to offset unbudgeted costs when such costs are determined by the Director, Department of Planning and Budget, to be reasonable based on a written justification submitted by the agency specifying the amount and nature of the unbudgeted costs and the types of actions that will be taken to decrease the size of the project. The written justification shall also include a certification, signed by the agency head, that the resulting project will be consistent with the original programmatic intent of the appropriations.

2. If space planning, energy conservation, and environmental standards guides for any type of construction have been approved by the Governor or the General Assembly, the Governor shall require capital projects to conform to such planning guides.

1. Projects Not Included In This Act:

1. Authorization by Governor:

a) The Governor may authorize initiation of, planning for, construction of or acquisition of a nongeneral fund capital project not specifically included in this act or provided for a program approved by the General Assembly through appropriations, under one or more of the following conditions:

1) The project is required to meet an emergency situation.

2) The project is to be operated as an auxiliary enterprise or sponsored program in an institution of higher education and will be fully funded by revenues of auxiliary enterprises or sponsored programs.

3) The project is to be operated as an educational and general program in an institution of higher education and will be fully funded by nongeneral fund revenues of educational and general programs or from private gifts and indirect cost recoveries.

4) The project consists of plant or property which has become available or has been received as a gift.

5) The project has been recommended for funding by the Tobacco Indemnification and Community Revitalization Commission or the Virginia Tobacco Settlement Foundation.

b) The foregoing conditions are subject to the following criteria:

1) Funds are available within the appropriations made by this act (including those subject to §§ 4-1.03 a, 4-1.04 a.3, and 4-2.03) without adverse effect on other projects or programs, or from unappropriated nongeneral fund revenues or balances.

2) In the Governor's opinion such action may avoid an increase in cost or otherwise result in a measurable benefit to the state.

3) The authorization includes a detailed description of the project, the project need, the total project cost, the estimated

operating costs, and the fund sources for the project and its operating costs.

4) The Chairmen of the House Appropriations and Senate Finance Committees shall be notified by the Governor prior to the authorization of any capital project under the provisions of this subsection.

5) Permanent funding for any project initiated under this section shall only be from nongeneral fund sources.

2. Authorization by Director, Department of Planning and Budget:

a) The Director, Department of Planning and Budget, may authorize initiation of a capital project not included in this act, if the General Assembly has enacted legislation to fund the project from bonds of the Virginia Public Building Authority, Virginia College Building Authority, or from reserves created by refunding of bonds issued by those Authorities.

3. Delegated authorization by Boards of Visitors, Public Institutions of Higher Education:

a) In accordance with § 4-5.06 of this act, the board of visitors of any public institution of higher education that: i) has met the eligibility criteria set forth in Chapters 933 and 945 of the 2005 Acts of Assembly for additional operational and administrative autonomy, including having entered into a memorandum of understanding with the Secretary of Administration for delegated authority of nongeneral fund capital outlay projects, and ii) has received a sum sufficient nongeneral fund appropriation for emergency projects as set out in Part 2: Capital Project Expenses of this act, may authorize the initiation of any capital project that is not specifically set forth in this act provided that the project meets at least one of the conditions and criteria identified in § 4-4.01 m 1 of this act.

b) At least 30 days prior to the initiation of a project under this provision, the board of visitors must notify the Governor and Chairmen of the House Appropriations and Senate Finance Committees and must provide a life-cycle budget analysis of the project. Such analysis shall be in a form to be prescribed by the Auditor of Public Accounts.

c) The Commonwealth of Virginia shall have no general fund obligation for the construction, operation, insurance, routine maintenance, or long-term maintenance of any project authorized by the board of visitors of a public institution of higher education in accordance with this provision.

m. Acquisition, maintenance, and operation of buildings and nonbuilding facilities in colleges and universities shall be subject to the following policies:

1. The anticipated program use of the building or nonbuilding facility should determine the funding source for expenditures for acquisition, construction, maintenance, operation, and repairs.

2. Expenditures for land acquisition, site preparation beyond five feet from a building, and the construction of additional outdoor lighting, sidewalks, outdoor athletic and recreational facilities, and parking lots in the Virginia Community College System shall be made only from appropriated federal funds, Trust and Agency funds, including local government allocations or appropriations, or the proceeds of indebtedness authorized by the General Assembly.

3. The general policy of the Commonwealth shall be that parking services are to be operated as an auxiliary enterprise by all colleges and universities. Institutions should develop sufficient reserves for ongoing maintenance and replacement of parking facilities.

4. Except as provided in paragraph 2 above, expenditures for maintenance, replacement, and repair of outdoor lighting, sidewalks, and other infrastructure facilities may be made from any appropriated funds.

5. Expenditures for operations, maintenance, and repair of athletic, recreational, and public service facilities, both indoor and outdoor, should be from nongeneral funds. However, this condition shall not apply to any indoor recreational facility existing on a community college campus as of July 1, 1988.

6.a.1. At institutions of higher education that have met the eligibility criteria for additional operational and administrative authority as set forth in Chapters 933 and 945 of the 2005 Acts of Assembly or Chapters 824 and 829 of the 2008 Acts of Assembly, any repair, renovation, or new construction project costing up to \$2,000,000 shall be exempt from the capital outlay review and approval process. For purposes of this paragraph, projects shall not include any subset of a series of projects, which in combination would exceed the \$2,000,000 maximum.

2. All institutions of higher education shall be exempt from the capital review and approval process for repair, renovation, or new construction projects costing up to \$2,000,000.

b. Blanket authorizations funded entirely by nongeneral funds may be used for 1) renovation and infrastructure projects costing up to \$2,000,000 and 2) the planning of nongeneral fund new construction and renovation projects through bidding, with bid award made after receipt of a construction authorization. The Director, Department of Planning and Budget, may provide exemptions to the threshold.

7. It is the policy of the Commonwealth that the institutions of higher education shall treat the maintenance of their facilities as a priority for the allocation of resources. No appropriations shall be transferred from the "Operation and Maintenance of Plant"

subprogram except for closely and definitely related purposes, as approved by the Director, Department of Planning and Budget, or his designee. A report providing the rationale for each approved transfer shall be made to the Chairmen of the House Appropriations and Senate Finance Committees.

n. Legislative Intent and Reporting: Appropriations for capital projects shall be deemed to have been made for purposes which require their expenditure, or being placed under contract for expenditure, during the current biennium. Agencies to which such appropriations are made in this act or any other act are required to report progress as specified by the Governor. If, in the opinion of the Governor, these reports do not indicate satisfactory progress, he is authorized to take such actions as in his judgment may be necessary to meet legislative intent as herein defined. Reporting on the progress of capital projects shall be in accordance with § 4-8.00, Reporting Requirements.

o. No expenditure from a general fund appropriation in this act shall be made to expand or enhance a capital outlay project beyond that anticipated when the project was initially approved by the General Assembly except to comply with requirements imposed by the federal government when such capital project is for armories or other defense-related installations and is funded in whole or in part by federal funds. General fund appropriations in excess of those necessary to complete the project shall not be reallocated to expand or enhance the project, or be reallocated to a different project. The prohibitions in this subsection shall not apply to transfers from projects for which reappropriations have been authorized.

p. Local or private funds to be used for the acquisition, construction or improvement of capital projects for state agency use as owner or lessee shall be deposited into the state treasury for appropriation prior to their expenditure for such projects.

q. State-owned Registered Historic Landmarks: To guarantee that the historical and/or architectural integrity of any state-owned properties listed on the Virginia Landmarks Register and the knowledge to be gained from archaeological sites will not be adversely affected because of inappropriate changes, the heads of those agencies in charge of such properties are directed to submit all plans for significant alterations, remodeling, redecoration, restoration or repairs that may basically alter the appearance of the structure, landscaping, or demolition to the Department of Historic Resources. Such plans shall be reviewed within thirty days and the comments of that department shall be submitted to the Governor through the Department of General Services for use in making a final determination.

r.1. The Governor may authorize the conveyance of any interest in property or improvements thereon held by the Commonwealth to the educational or real estate foundation of any institution of higher education where he finds that such property was acquired with local or private funds or by gift or grant to or for the use of the institution, and not with funds appropriated to the institution by the General Assembly. Any approved conveyance shall be exempt from § 2.2-1156, Code of Virginia, and any other statute concerning conveyance, transfer or sale of state property. If the foundation conveys any interest in the property or any improvements thereon, such conveyance shall likewise be exempt from compliance with any statute concerning disposition of state property. Any income or proceeds from the conveyance of any interest in the property shall be deemed to be local or private funds and may be used by the foundation for any foundation purpose.

2. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly.

s.1. Facility Lease Agreements Involving Institutions of Higher Education: In the case of any lease agreement involving state-owned property controlled by an institution of higher education, where the lease has been entered into consistent with the provisions of § 2.2-1155, Code of Virginia, the Governor may amend, adjust or waive any project review and reporting procedures of Executive agencies as may reasonably be required to promote the property improvement goals for which the lease agreement was developed.

2. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly.

t. Energy-efficiency Projects: Improvements to state-owned properties for the purpose of energy-efficiency shall be treated as follows:

1. Such improvements shall be considered an operating expense, provided that:

a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-1989 and is limited to measures listed in guidelines issued by the Department of General Services;

b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board approval and is executed through a nonprofessional services contract with a vendor approved by the Department of General Services;

c) the scope of work has been reviewed and recommended by the Department of Mines, Minerals and Energy;

d) the total cost does not exceed \$3,000,000; and

e) if the total cost exceeds \$3,000,000, but does not exceed \$7,000,000, the energy savings from the project offset the total cost of the project, including debt service and interest payments.

2. If (a) the total cost of the improvement exceeds \$7,000,000 or (b) the total cost exceeds \$3,000,000, but does not exceed \$7,000,000, and the energy savings from the project do not fully offset the total cost of the project, including debt services and interest payments, the improvement shall be considered a capital expense regardless of the type of improvement and the following conditions must be met:

a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-1989 and is limited to measures listed in guidelines issued by the Department of General Services;

b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board approval and is executed through a nonprofessional services contract with a vendor approved by the Department of General Services;

c) the scope of work has been reviewed and recommended by the Department of Mines, Minerals and Energy;

d) the project has been reviewed by the Department of Planning and Budget; and

e) the project has been approved by the Governor.

3. If the total project exceeds \$250,000, the agency director will submit written notification to the Director, Department of Planning and Budget, verifying that the project meets all of the conditions in subparagraph 1 above.

The provisions of §§ 2.0 and 4-4.01 of this act and the provisions of § 2.2-1132, Code of Virginia, shall not apply to energy conservation projects that qualify as capital expenses.

4. As used in this paragraph, "improvement" does not include (a) constructing, enlarging, altering, repairing or demolishing a building or structure, (b) changing the use of a building either within the same use group or to a different use group when the new use requires greater degrees of structural strength, fire protection, exit facilities or sanitary provisions, or (c) removing or disturbing any asbestos-containing materials during demolition, alteration, renovation of or additions to building or structures. If the projected scope of an energy-efficiency project includes any of these elements, it shall be subject to the capital outlay process as set out in this section.

5. The Director, Department of Planning and Budget, shall notify the Chairmen of the House Appropriations and Senate Finance Committees upon the initiation of any energy-efficiency projects under the provisions of this paragraph.

u. No expenditures shall be authorized for the purchase of fee simple title to any real property to be used for a correctional facility or for the actual construction of a correctional facility provided for in this act, or by reference hereto, that involves acquisition or new construction of youth or adult correctional facilities on real property which was not owned by the Commonwealth on January 1, 1995, until the governing body of the county, city or town wherein the project is to be located has adopted a resolution supporting the location of such project within the boundaries of the affected jurisdiction. The foregoing does not prohibit expenditures for site studies, real estate options, correctional facility design and related expenditures.

v. Except for institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, any alternative financing agreement entered into between a state agency or institution of higher education and a private entity or affiliated foundation must be reviewed and approved by the Treasury Board.

w. Prior to requesting authorization for new dormitory capital projects, institutions of higher education shall conduct a cost study to determine whether an alternative financing arrangement or public-private transaction would provide a more effective option for the construction of the proposed facility. This study shall be submitted to the Department of Planning and Budget as part of the budget development process and shall be evaluated by the Governor prior to submitting his proposed budget.

x. 5. The Auditor of Public Accounts shall, as part of its annual audit plan, determine that institutions of higher education governed under Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594, 616, 824 and 829 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, operating under a memorandum of understanding pursuant to § ~~23-38.90~~ § *23.1-1003* and those operating under a pilot program under § 4-9.02 complied with their internal review process in the selection of procurement method.

§ 4-5.00 SPECIAL CONDITIONS AND RESTRICTIONS ON EXPENDITURES

§ 4-5.01 TRANSACTIONS WITH INDIVIDUALS

b. STUDENT FINANCIAL ASSISTANCE FOR HIGHER EDUCATION:

1. General:

a) The appropriations made in this act to state institutions of higher education within the Items for student financial assistance may be expended for any one, all, or any combination of the following purposes: grants to undergraduate students enrolled at least one-half time in a degree, certificate, industry-based certification and related programs that do not qualify for other sources of student financial assistance or diploma program; grants to full-time graduate students; graduate assistantships; grants to students enrolled full-time in a dual or concurrent undergraduate and graduate program. The institutions may also use these appropriations for the purpose of supporting work study programs. The institution is required to transfer to educational and general appropriations all funds used for work study or to pay graduate assistantships. Institutions may also contribute to federal or private student grant aid programs requiring matching funds by the institution, except for programs requiring work. The State Council of Higher Education for Virginia shall annually review each institution's plan for the expenditures of its general fund appropriation for undergraduate student financial assistance prior to the start of the fall term to determine program compliance. The institution's plan shall include the institution's assumptions and calculations for determining the cost of attendance, student financial need, and student remaining need as well as an award schedule or description of how funds are awarded. For the purposes of the proposed plan, each community college shall be considered independently. No limitations shall be placed on the awarding of nongeneral fund appropriations made in this act to state institutions of higher education within the Items for student financial assistance other than those found previously in this paragraph and as follows: (i) funds derived from in-state student tuition will not subsidize out-of-state students, (ii) students receiving these funds must be making satisfactory academic progress, (iii) awards made to students should be based primarily on financial need, and (iv) institutions should make larger grant and scholarship awards to students taking the number of credit hours necessary to complete a degree in a timely manner.

b) All awards made to undergraduate students from such Items shall be for Virginia students only and such awards shall offset all, or portions of, the costs of tuition and required fees, and, in the case of students qualifying under subdivision b 2 c)1) hereof, the cost of books. All undergraduate financial aid award amounts funded by this appropriation shall be proportionate to the remaining need of individual students, with students with higher levels of remaining need receiving grants before other students. No criteria other than the need of the student shall be used to determine the award amount. Because of the low cost of attendance and recognizing that federal grants provide a much higher portion of cost than at other institutions, a modified approach and minimum award amount for the neediest VGAP student should be implemented for community college and Richard Bland College students based on remaining need and the combination of federal and grant state aid. Student financial need shall be determined by a need-analysis system approved by the Council.

c)1) All need-based awards made to graduate students shall be determined by the use of a need-analysis system approved by the Council.

2) As part of the six-year financial plans required in the provisions of Chapters 933 and 945 of the 2005 Acts of Assembly, each institution of higher education shall report the extent to which tuition and fee revenues are used to support graduate student aid and graduate compensation and how the use of these funds impacts planned increases in student tuition and fees.

d) A student who receives a grant under such Items and who, during a semester, withdraws from the institution which made the award must surrender the unearned portion. The institution shall calculate the unearned portion of the award based on the percentage used for federal Return to Title IV program purposes.

e) An award made under such Items to assist a student in attending an institution's summer session shall be prorated according to the size of comparable awards made in that institution's regular session.

f) The provisions of this act under the heading "Student Financial Assistance for Higher Education" shall not apply to (1) the soil scientist scholarships authorized under ~~§ 23-38.3~~ § 23.1-615, Code of Virginia and (2) need-based financial aid programs for industry-based certification and related programs that do not qualify for other sources of student financial assistance, which will be subject to guidelines developed by the State Council of Higher Education for Virginia.

g) Unless noted elsewhere in this act, general fund awards shall be named "Commonwealth" grants.

h) Unless otherwise provided by statute, undergraduate awards shall not be made to students seeking a second or additional baccalaureate degree until the financial aid needs of first-degree seeking students are fully met.

2. Grants To Undergraduate Students:

a) Each institution which makes undergraduate grants paid from its appropriation for student financial assistance shall expend such sums as approved for that purpose by the Council.

b) A student receiving an award must be duly admitted and enrolled in a degree, certificate or diploma program at the institution making the award, and shall be making satisfactory academic progress as defined by the institution for the purposes of eligibility under Title IV of the federal Higher Education Act, as amended.

c)1) It is the intent of the General Assembly that students eligible under the Virginia Guaranteed Assistance Program (VGAP)

authorized in Title 2323.1, Chapter 4.4:2, Code of Virginia, shall receive grants before all other students at the same institution with equivalent remaining need from the appropriations for undergraduate student financial assistance found in Part 1 of this act (service area 1081000 - Scholarships). In each instance, VGAP eligible students shall receive awards greater than other students with equivalent remaining need.

2) The amount of each VGAP grant shall vary according to each student's remaining need and the total of tuition, all required fees and the cost of books at the institution the student will attend upon acceptance for admission. The actual amount of the VGAP award will be determined by the proportionate award schedule adopted by each institution; however, those students with the greatest financial need shall be guaranteed an award at least equal to tuition.

3) It is the intent of the General Assembly that the Virginia Guaranteed Assistance Program serve as an incentive to financially needy students now attending elementary and secondary school in Virginia to raise their expectations and their academic performance and to consider higher education an achievable objective in their futures.

4) Students may not receive a VGAP and a Commonwealth grant in the same semester.

3. Grants To Graduate Students:

a) An individual award may be based on financial need but may, in addition to or instead of, be based on other criteria determined by the institution making the award. The amount of an award shall be determined by the institution making the award; however, the Council shall annually be notified as to the maximum size of a graduate award that is paid from funds in the appropriation.

b) A student receiving a graduate award paid from the appropriation must be duly admitted into a graduate degree program at the institution making the award.

c) Not more than 50 percent of the funds designated by an institution as graduate grants from the appropriation, and approved as such by the Council, shall be awarded to persons not eligible to be classified as Virginia domiciliary resident students except in cases where the persons meet the criteria outlined in § 4-2.01b.6.

4. Matching Funds: Any institution of higher education may, with the approval of the Council, use funds from its appropriation for fellowships and scholarships to provide the institutional contribution to any student financial aid program established by the federal government or private sources which requires the matching of the contribution by institutional funds, except for programs requiring work.

5. Discontinued Loan Program:

a) If any federal student loan program for which the institutional contribution was appropriated by the General Assembly is discontinued, the institutional share of the discontinued loan program shall be repaid to the fund from which the institutional share was derived unless other arrangements for the use of the funds are recommended by the Council and approved by the Department of Planning and Budget. Should the institution be permitted to retain the federal contributions to the program, the funds shall be used according to arrangements authorized by the Council and approved by the Department of Planning and Budget.

b)1) An institution of higher education may discontinue its student loan fund established pursuant to Title 2323.1, Chapter 4.01, Code of Virginia. The full amount of cash in such discontinued loan fund shall be paid into the state treasury into a nonrevertible nongeneral fund account. Prior to such payment, the State Comptroller shall verify its accuracy, including the fact that the cash held by the institution in the loan fund will be fully depleted by such payment. The loan fund shall not be reestablished thereafter for that institution.

2) The cash so paid into the state treasury shall be used only for grants to undergraduate and graduate students in the Higher Education Student Financial Assistance program according to arrangements authorized by the Council and approved by the Department of Planning and Budget.

3) Payments on principal and interest of any promissory notes held by the discontinued loan fund shall continue to be received by the institution, which shall deposit such payments in the state treasury to the nonrevertible nongeneral fund account specified in subdivision (1) preceding, to be used for grants as specified in subdivision (2) preceding.

6. Reporting: The Council shall collect student-specific information for undergraduate students as is necessary for the operation of the Student Financial Assistance Program. The Council shall maintain regulations governing the operation of the Student Financial Assistance Program based on the provisions outlined in this section, the Code of Virginia, and State Council policy.

C. PAYMENTS TO CITIZEN MEMBERS OF NONLEGISLATIVE BODIES:

Provided, however, that the Program shall reimburse, upon receipt of proof of payment, solely the portion of the premiums that is attributable to the admitted claimant's post-admission coverage from the effective date of this provision forward and paid for by the admitted claimant's parent or legal guardian.

2. The State Corporation Commission shall develop a report containing options and recommendations for improving the actuarial soundness of financing for the Virginia Birth-Related Neurological Injury Compensation Program. The report shall be presented to the Governor and Chairmen of the House Appropriations and Senate Finance Committees no later than November 1, 2017.

4. It is the intent of the General Assembly that information technology (IT) systems, products, data, and service costs, including geographic information systems (GIS), be contained through the shared use of existing or planned equipment, data, or services which may be available or soon made available for use by state agencies, institutions, authorities, and other public bodies. State agencies, institutions, and authorities shall cooperate with the Virginia Information Technologies Agency in identifying the development and operational requirements for proposed IT and GIS systems, products, data, and services, including the proposed use, functionality, capacity and the total cost of acquisition, operation and maintenance.

5. This section shall not apply to public institutions of higher education governed by some combination of Chapters 933 and 945 of the 2005 Acts of Assembly, Chapters 933 and 943 of the 2006 Acts of Assembly or Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly and Chapters 675 and 685 of the 2009 Acts of Assembly, *or to the Virginia Alcoholic Beverage Control Authority*.

6. Notwithstanding any other provision of law, state agencies that do not receive computer services from the Virginia Information Technologies Agency may develop their own policies and procedures governing the sale of surplus computers and laptops to their employees or officials. Any proceeds from the sale of surplus computers or laptops shall be deposited into the appropriate fund or funds used to purchase the equipment.

c. MOTOR VEHICLES AND AIRCRAFT:

1. No motor vehicles shall be purchased or leased with public funds by the state or any officer or employee on behalf of the state without the prior written approval of the Director, Department of General Services.

2. The institutions of higher education *and the Alcoholic Beverage Control Authority* shall be exempt from this provision but shall be required to report their entire inventory of purchased and leased vehicles including the cost of such to the Director of the Department of General Services by June 30 of each year. The Director of the Department of General Services shall compare the cost of vehicles acquired by institutions of higher education *and the Authority* to like vehicles under the state contract. If the comparison demonstrates for a given institution *or the Authority* that the cost to the Commonwealth is greater for like vehicles than would be the case based on a contract of statewide applicability, the Governor or his designee may suspend the exemption granted to the institution *or the Authority* pursuant to this subparagraph c.

3. The Director, Department of General Services, is hereby authorized to transfer surplus motor vehicles among the state agencies, and determine the value of such surplus equipment for the purpose of maintaining the financial accounts of the state agencies affected by such transfers.

d. MOTION PICTURE, TELEVISION AND RADIO SERVICES PRODUCTION: Except for public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, no state Executive Department agency or the Virginia Lottery Department shall expend any public funds for the production of motion picture films or of programs for television transmission, or for the operation of television or radio transmission facilities, without the prior written approval of the Governor or as otherwise provided in this act, except for educational television programs produced for elementary-secondary education by authority of the Virginia Information Technologies Agency. The Joint Subcommittee on Rules is authorized to provide the approval of such expenditures for legislative agencies. For judicial agencies and independent agencies, other than the Virginia Lottery Department, prior approval action rests with the supervisory bodies of these entities. With respect to television programs which are so approved and other programs which are otherwise authorized or are not produced for television transmission, state agencies may enter into contracts without competitive sealed bidding, or competitive negotiation, for program production and transmission services which are performed by public telecommunications entities, as defined in § 2.2-2006, Code of Virginia.

e. TRAVEL: Reimbursement for the cost of travel on official business of the state government is authorized to be paid pursuant to law and regulations issued by the State Comptroller to implement such law. Notwithstanding any contrary provisions of law:

1. For the use of personal automobiles in the discharge of official duties outside the continental limits of the United States, the State Comptroller may authorize an allowance not exceeding the actual cost of operation of such automobiles;

2. The first 15,000 miles of use during each fiscal year of personal automobiles in the discharge of official duties within the continental limits of the United States shall be reimbursed at an amount equal to the most recent business standard mileage rate as established by the Internal Revenue Service for employees or self-employed individuals to use in computing their income tax deductible costs for operating passenger vehicles owned or leased by them for business purposes, or in the instance of a state employee, at the lesser of (a) the IRS rate or (b) the lowest combined capital and operational trip pool rate charged by the Department of General Services, Office of Fleet Management Services (OFMS), posted on the OFMS website at time of travel, for the use of a compact state-owned vehicle. If the head of the state agency concerned certifies that a state-owned vehicle was not available, or if, according to regulations issued by the State Comptroller, the use of a personal automobile in lieu of a state-owned automobile is considered to be an advantage to the state, the reimbursement shall be at the rate of the IRS rate. For such use in excess of 15,000 miles in each fiscal year, the reimbursement shall be at a rate of 13.0 cents per mile, unless a state-owned vehicle is not available; then the rate shall be the IRS rate;

3. The State Comptroller may authorize exemptions to restrictions upon use of common carrier accommodations;

4. The State Comptroller may authorize reimbursement by per diem in lieu of actual costs of meals and any other expense category deemed necessary for the efficient and effective operation of state government;

5. State employees traveling on official business of state government shall be reimbursed for their travel costs using the same bank account authorized by the employee in which their net pay is direct deposited; and

6. This section shall not apply to members and employees of public school boards.

f. **SMALL PURCHASE CHARGE CARD, ELECTRONIC DATA INTERCHANGE, DIRECT DEPOSIT, AND PAYLINE OPT OUT:** The State Comptroller is hereby authorized to charge state agencies a fee of \$5 per check or earnings notice when, in his judgment, agencies have failed to comply with the Commonwealth's electronic commerce initiatives to reduce unnecessary administrative costs for the printing and mailing of state checks and earning notices. The fee shall be collected by the Department of Accounts through accounting entries.

g. **PURCHASES OF APPLIANCES AND EQUIPMENT:** State agencies and institutions shall purchase Energy Star rated appliances and equipment in all cases where such appliances and equipment are available.

h. **ELECTRONIC PAYMENTS:** Any recipient of payments from the State Treasury who receives six or more payments per year issued by the State Treasurer shall receive such payments electronically. The State Treasurer shall decide the appropriate method of electronic payment and, through his warrant issuance authority, the State Comptroller shall enforce the provisions of this section. The State Comptroller is authorized to grant administrative relief to this requirement when circumstances justify non-electronic payment.

i. **LOCAL AND NON-STATE SAVINGS AND EFFICIENCIES:** It is the intent of the General Assembly that State agencies shall encourage and assist local governments, school divisions, and other non-state governmental entities in their efforts to achieve cost savings and efficiencies in the provision of mandated functions and services including but not limited to finance, procurement, social services programs, and facilities management.

j. **TELECOMMUNICATION SERVICES AND DEVICES:**

1. The Chief Information Officer and the State Comptroller shall develop statewide requirements for the use of cellular telephones and other telecommunication devices by in-scope Executive Department agencies, addressing the assignment, evaluation of need, safeguarding, monitoring, and usage of these telecommunication devices. The requirements shall include an acceptable use agreement template clearly defining an employee's responsibility when they receive and use a telecommunication device. Statewide requirements shall require some form of identification on a device in case it is lost or stolen and procedures to wipe the device clean of all sensitive information when it is no longer in use.

2. In-scope Executive Department agencies providing employees with telecommunication devices shall develop agency-specific policies, incorporating the guidance provided in § 4-5.04 k. 1. of this act and shall maintain a cost justification for the assignment or a public health, welfare and safety need.

3. The Chief Information Officer shall determine the optimal number of telecommunication vendors and plans necessary to meet the needs of in-scope Executive Department agency personnel. The Chief Information Officer shall regularly procure these services and provide statewide contracts for use by all such agencies. These contracts shall require the vendors to provide detailed usage information in a useable electronic format to enable the in-scope agencies to properly monitor usage to make informed purchasing decisions and minimize costs.

4. The Chief Information Officer shall examine the feasibility of providing tools for in-scope Executive Department agencies to analyze usage and cost data to assist in determining the most cost effective plan combinations for the entity as a whole and individual users.

k. **ALTERNATIVE PROCUREMENT:** If any payment is declared unconstitutional for any reason or if the Attorney General finds in a formal, written, legal opinion that a payment is unconstitutional, in circumstances where a good or service can constitutionally be the subject of a purchase, the administering agency of such payment is authorized to use the affected appropriation to procure, by means of the Commonwealth's Procurement Act, goods and services, which are similar to those sought by such payment in order to accomplish the original legislative intent.

l. **MEDICAL SERVICES:** No expenditures from general or nongeneral fund sources may be made out of any appropriation by the General Assembly for providing abortion services, except otherwise as required by federal law or state statute.

§ 4-5.05 NONSTATE AGENCIES, INTERSTATE COMPACTS AND ORGANIZATIONAL MEMBERSHIPS

Such matching funds shall not have been previously used to meet the match requirement in any prior appropriation act.

4. Operating appropriations for nonstate agencies equal to or in excess of \$150,000 shall be disbursed to nonstate agencies in twelve or fewer equal monthly installments depending on when the first payment is made within the fiscal year. Operating appropriations for nonstate agencies of less than \$150,000 shall be disbursed in one payment once the nonstate agency has successfully met applicable match and application requirements.

5. The provisions of § 2.2-4343 A 14, Code of Virginia shall apply to any expenditure of state appropriations by a nonstate agency.

c.1. Each interstate compact commission and each organization in which the Commonwealth of Virginia or a state agency thereof holds membership, and the dues for which are provided in this act or any other appropriating act, shall submit its biennial budget request to the state agency under which such commission or organization is listed in this act. c. Institutions wishing to participate in a nongeneral fund capital outlay decentralization program for the first time shall submit a letter of interest to the appropriate Cabinet Secretary. Within 90 calendar days of the receipt of the institution's request to participate, the responsible Cabinet Secretary shall determine whether the institution meets the eligibility criteria and, if appropriate, establish a decentralization program at the institution. The Cabinet Secretary shall report to the Governor and Chairmen of the Senate Finance and House Appropriations Committees by December 1 of each year all institutions that have applied for inclusion in a decentralization program and whether the institutions have been granted authority to participate in the decentralization program.

d. The provisions identified in § 4-5.08 f and § 4-5.08 h of Chapter 1042 of the Acts of Assembly of 2003 pertaining to pilot programs for selected capital outlay projects and memoranda of understanding in institutions of higher education are hereby continued. Notwithstanding these provisions, those projects shall be insured through the state's risk management liability program.

e. If during an independent audit conducted by the Auditor of Public Accounts, the audit discloses that an institution is not performing within the terms of the memoranda of understanding or their addenda, the Auditor shall report this information to the Governor, the responsible Cabinet Secretary, and the Chairmen of the Senate Finance and House Appropriations Committees.

f. Institutions that have executed memoranda of understanding with the Secretary of Administration for nongeneral fund capital outlay decentralization programs are hereby granted a waiver from the provisions of § 2.2-4301, Competitive Negotiation, subdivision 3a, Code of Virginia, regarding the not to exceed amount of \$100,000 for a single project, the not to exceed sum of \$500,000 for all projects performed, and the option to renew for two additional one-year terms.

g. Notwithstanding any contrary provision of law or this act, delegations of authority in this act to the Governor shall apply only to agencies and personnel within the Executive Department, unless specifically stated otherwise.

h. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly.

These terms and conditions shall supplement the provisions of the Semiconductor Manufacturing Performance Grant Program, the Semiconductor Memory or Logic Wafer Manufacturing Performance Grant Program, and the Semiconductor Memory or Logic Wafer Manufacturing Performance Grant Program II, as applicable, and shall include but not be limited to the numbers and types of semiconductor wafers that are produced; the level of investment directly related to the building and equipment for manufacturing of wafers or activities ancillary to or supportive of such manufacturer within the eligible locality; and the direct employment related to these programs. To that end, the Secretary of Commerce and Trade shall certify in writing to the Governor and to the Chairmen of the House Appropriations and Senate Finance Committees the extent to which a qualified manufacturer met the terms and conditions. The appropriation shall be made in full or in proportion to a qualified manufacturer's fulfillment of the memorandum of understanding.

b. The Governor shall consult with the House Appropriations and Senate Finance Committees before amending any existing memorandum of understanding. These Committees shall have the opportunity to review any changes prior to their execution by the Commonwealth.

7 e. 1. Salaries for newly employed or promoted employees shall be established consistent with the compensation and classification
8 plans established by the Governor.

9 2. The State Comptroller is hereby authorized to require payment of wages or salaries to state employees by direct deposit or by
10 credit to a prepaid debit card or card account from which the employee is able to withdraw or transfer funds.

11 f. The provisions of this section, requiring prior written approval of the Governor relative to compensation, shall apply also to any
12 system of incentive award payments which may be adopted and implemented by the Governor. The cost of implementing any such
13 system shall be paid from any funds appropriated to the affected agencies.

14 g. No lump sum appropriation for personal service shall be regarded as advisory or suggestive of individual salary rates or of salary
15 schedules to be fixed under law by the Governor payable from the lump sum appropriation.

16 h. Subject to approval by the Governor of a plan for a statewide employee meritorious service awards program, as provided for in §
17 [2.2-1201](#), Code of Virginia, the costs for such awards shall be paid from any operating funds appropriated to the affected agencies.

18 i. The General Assembly hereby affirms and ratifies the Governor's existing authority and the established practice of this body to
19 provide for pay differentials or to supplement base rates of pay for employees in specific job classifications in particular geographic
20 and/or functional areas where, in the Governor's discretion, they are needed for the purpose of maintaining salaries which enable the
21 Commonwealth to maintain a competitive position in the relevant labor market.

22 j.1. If at any time the Administrator of the Commonwealth's Attorneys' Services Council serves on the faculty of a state-supported
23 institution of higher education, the faculty appointment must be approved by the Council. Such institution shall pay one-half of the
24 salary listed in § 4-6.01 c 6 of this act. Further, such institution may provide compensation in addition to that listed in § 4-6.01 c 6;
25 provided, however, that such additional compensation must be approved by the Council.

26 2. If the Administrator ceases to be a member of the faculty of a state-supported institution of higher education, the total salary listed
27 in § 4-6.01 c 6 shall be paid from the Council's appropriation.

28 k.1.a. Except as otherwise provided for in this subdivision, any increases in the salary band assignment of any job role contained in
29 the compensation and classification plans approved by the Governor shall be effective beginning with the first pay period, defined as
30 the pay period from June 25 through July 9, of the fiscal year if: (1) the agency certifies to the Secretary of Finance that funds are
31 available within the agency's appropriation to cover the cost of the increase for the remainder of the current biennium and presents a
32 plan for covering the costs next biennium and the Secretary concurs, or (2) such funds are appropriated by the General Assembly. If
33 at any time the Secretary of Administration shall certify that such change in the salary band assignment for a job role is of an
34 emergency nature and the Secretary of Finance shall certify that funds are available to cover the cost of the increase for the
35 remainder of the biennium within the agency's appropriation, such change in compensation may be effective on a date agreed upon
36 by these two Secretaries. The Secretary of Administration shall provide a monthly report of all such emergency changes in
37 accordance with § 4-8.00, Reporting Requirements.

38 b. Notwithstanding any other provision of law, state employees will be paid on the first workday of July for the work period June 10
39 to June 24 in any calendar year in which July 1 falls on a weekend.

40 2. Salary adjustments for any employee through a promotion, role change, exceptional recruitment and retention incentive options,
41 or in-range adjustment shall occur only if: a) the agency has sufficient funds within its appropriation to cover the cost of the salary
42 adjustment for the remainder of the current biennium or b) such funds are appropriated by the General Assembly.

43 3. No changes in salary band assignments affecting classified employees of more than one agency shall become effective unless the
44 Secretary of Finance certifies that sufficient funds are available to provide such increase or plan to all affected employees supported
45 from the general fund.

46 1. Full-time employees of the Commonwealth, including faculty members of state institutions of higher education, who are appointed
47 to a state-level board, council, commission or similar collegial body shall not receive any such compensation for their services as
48 members or chairmen except for reimbursement of reasonable and necessary expenses. The foregoing provision shall likewise apply
49 to the Compensation Board, pursuant to § [15.2-1636.5](#), Code of Virginia.

m.1. Notwithstanding any other provision of law, the board of visitors or other governing body of any public institution of higher education is authorized to establish age and service eligibility criteria for faculty participating in voluntary early retirement incentive plans for their respective institutions pursuant to ~~§ 23-9-2.3-1~~ § 23.1-1302 B and the cash payment offered under such compensation plans pursuant to ~~§ 23-9-2.3-1~~ § 23.1-1302 D, Code of Virginia. Notwithstanding the limitations in ~~§ 23-9-2.3-1~~ § 23.1-1302 D, the total cost in any fiscal year for any such compensation plan, shall be set forth by the governing body in the compensation plan for approval by the Governor and review for legal sufficiency by the Office of the Attorney General.

2. Notwithstanding any other provision of law, employees holding full-time, academic-year classified positions at public institutions of higher education shall be considered "state employees" as defined in § 51.1-124.3, Code of Virginia, and shall be considered for medical/hospitalization, retirement service credit, and other benefits on the same basis as those individuals appointed to full-time, 12-month classified positions.

n. Notwithstanding the Department of Human Resource Management Policies and Procedures, payment to employees with five or more years of continuous service who either terminate or retire from service shall be paid in one sum for twenty-five percent of their sick leave balance, provided, however, that the total amount paid for sick leave shall not exceed \$5,000 and the remaining seventy-five percent of their sick leave shall lapse. This provision shall not apply to employees who are covered by the Virginia Sickness and Disability Program as defined in § 51.1-1100, Code of Virginia. Such employees shall not be paid for their sick leave balances. However, they will be paid, if eligible as described above, for any disability leave credits they have at separation or retirement or may convert disability credits to service credit under the Virginia Retirement System pursuant to § 51.1-1103 (F), Code of Virginia.

o. It is the intent of the General Assembly that calculation of the faculty salary benchmark goal for the Virginia Community College System shall be done in a manner consistent with that used for four-year institutions, taking into consideration the number of faculty at each of the community colleges. In addition, calculation of the salary target shall reflect an eight percent salary differential in a manner consistent with other public four-year institutions and for faculty at Northern Virginia Community College.

p. Any public institution of higher education that has met the eligibility criteria set out in Chapters 933 and 945 of the 2005 Acts of Assembly may supplement annual salaries for classified employees from private gifts, endowment funds, or income from endowments and gifts, subject to policies approved by the board of visitors. The Commonwealth shall have no general fund obligations for the continuation of such salary supplements.

q. The Governor, or any other appropriate Board or Public Body, is authorized to adjust the salaries of employees specified in this item, and other items in the Act, to reflect the compensation adjustments authorized in this Act.

r. Any public institution of higher education shall not provide general fund monies above \$100,000 for any individual athletic coaching salaries after July 1, 2013. Athletic coaching salaries with general fund monies above this amount shall be phased-down over a five-year period at 20 percent per year until reaching the cap of \$100,000.

§ 4-6.02 EMPLOYEE TRAINING AND STUDY

Subject to uniform rules and regulations established by the Governor, the head of any state agency may authorize, from any funds appropriated to such department, institution or other agency in this act or subsequently made available for the purpose, compensation or expenses or both compensation and expenses for employees pursuing approved training courses or academic studies for the purpose of becoming better equipped for their employment in the state service. The rules and regulations shall include reasonable provision for the return of any employee receiving such benefits for a reasonable period of duty, or for reimbursement to the state for expenditures incurred on behalf of the employee should he not return to state service.

§ 4-6.03 EMPLOYEE BENEFITS

a. Any medical/hospitalization benefit program provided for state employees shall include the following provision: any state employee, as defined in § 2.2-2818, Code of Virginia, shall have the option to accept or reject coverage.

b. Except as provided for sworn personnel of the Department of State Police, no payment of, or reimbursement for, the employer paid contribution to the State Police Officers' Retirement System, or any system offering like benefits, shall be made by the Compensation Board of the Commonwealth at a rate greater than the employer rate established for the general classified workforce of the Commonwealth covered under the Virginia Retirement System. Any cost for benefits exceeding such general rate shall be borne by the employee or, in the case of a political subdivision, by the employer.

c. Each agency may, within the funds appropriated by this act, implement a transit and ridesharing incentive program for its employees. With such programs, agencies may reimburse employees for all or a portion of the costs incurred from using public transit, car pools, or van pools. The Secretary of Transportation shall develop guidelines for the implementation of such programs and any agency program must be developed in accordance with such guidelines. The guidelines shall be in accordance with the federal National Energy Policy Act of 1992 (P.L. 102-486), and no program shall provide an incentive that exceeds the actual costs incurred by the employee.

d. Any hospital that serves as the primary medical facility for state employees may be allowed to participate in the State Employee Health Insurance Program pursuant to § 2.2-2818, Code of Virginia, provided that (1) such hospital is not a participating provider in the network, contracted by the Department of Human Resource Management, that serves state employees and (2) such hospital enters into a written agreement with the Department of Human Resource Management as to the rates of reimbursement. Such service purchase shall be at the rate of 15 percent of the employee's final creditable compensation or average final compensation, whichever is greater, and shall be completed within 90 days of separation of service.

2) include those months after September 1, 2001 during which the employee was serving on active duty with the armed forces of the United States in the calculation of creditable service.

j. The provisions in § 51.1-144, Code of Virginia, that require a member to contribute five percent of his creditable compensation for each pay period for which he receives compensation on a salary reduction basis, shall not apply to any (i) "state employee," as defined in § 51.1-124.3, Code of Virginia, who is an elected official, or (ii) member of the Judicial Retirement System under Chapter 3 of Title 51.1 (§ 51.1-300 et seq.), who is not a "person who becomes a member on or after July 1, 2010," as defined in § 51.1-124.3, Code of Virginia.

Charges for meals will be determined by the agency. Such charges shall be not less than the value of raw food and the cost of direct labor and utilities incidental to preparation and service. Each agency shall maintain records as to the calculation of meal charges and revenues collected. Except where appropriations for operation of the food service are from nongeneral funds, all revenues received from such charges shall be paid directly and promptly into the general fund. The provisions of this paragraph shall not apply to on-duty employees assigned to correctional facilities operated by the Departments of Corrections and Juvenile Justice.

b. HOUSING SERVICES:

1. Each agency will collect a fee from state employees who occupy state-owned or leased housing, subject to guidelines provided by the Director, Department of General Services. Each agency head is responsible for establishing a fee for state-owned or leased housing and for documenting in writing why the rate established was selected. In exceptional circumstances, which shall be documented as being in the best interest of the Commonwealth by the agency requesting an exception, the Director, Department of General Services may waive the requirement for collection of fees.

2. All revenues received from housing fees shall be promptly deposited in the state treasury. For housing for which operating expenses or rent are financed by general fund appropriations, such revenues shall be deposited to the credit of the general fund. For housing for which operating expenses or rent are financed by nongeneral fund appropriations, such revenues shall be deposited to the credit of the nongeneral fund. Agencies which provide housing for which operating expenses or rent are financed from both general fund and nongeneral fund appropriations shall allocate such revenues, when deposited in the state treasury, to the appropriate fund sources in the same proportion as the appropriations. Agencies occupying private sector leased or rental space in the metropolitan Richmond area, not including institutions of higher education, shall be required to charge a fee to employees for vehicle parking spaces that are assigned to them or are otherwise available either incidental to the lease or rental agreement or pursuant to a separate lease agreement for private parking space. In such cases, the individual employee parking fee shall not be less than that paid by employees parking in Department of General Services parking facilities at the Seat of Government. The Director, Department of General Services may amend or waive the fee requirement for good cause. Revenues derived from employees paying for parking spaces in leased facilities will be retained by the leasing agency to be used to offset the cost of the lease to which it pertains. Any lease for private parking space must be approved by the Director, Department of General Services.

3. 2. Any approval granted under this subsection shall be reported in writing to the Chairmen of the House Appropriations Committee and the Senate Finance Committee, the Governor and the Directors of the Department of Planning and Budget and Department of Human Resource Management within ten days of such approval. Any such position level increases pursuant to this provision may not be approved for more than one year.

b. The Position Levels stipulated for the individual agencies within the Department of Behavioral Health and Developmental Services and the Department of Corrections are for reference only and are subject to changes by the applicable Department, provided that such changes do not result in exceeding the Position Level for that department.

Such policies and procedures shall include periodic review and analysis of the staffing requirements of all Executive Department agencies by the Department of Planning and Budget with the object of eliminating through attrition positions not necessary for the efficient operation of programs.

2. The institutions of higher education and the State Council of Higher Education are hereby authorized to fill all positions authorized in this act. This provision shall be waived only upon the Governor's official declaration that a fiscal emergency exists requiring a change in the official estimate of general fund revenues available for appropriation.

d.1. Position Levels are for reference only and are not binding on agencies in the legislative department, independent agencies, the Executive Offices other than the offices of the Governor's Secretaries, and the judicial department.

e. Prior to implementing any Executive Department hiring freeze, the Governor shall consider the needs of the Commonwealth in regards to the safe and efficient operation of state facilities and performance of essential services to include the exemption of certain positions assigned to agencies and institutions that provide services pertaining to public safety and public health from such hiring freezes.

f.1. Full-time, part-time, wage or contractual state employees assigned to the Governor's Cabinet Secretaries from agencies and institutions under their control for the purpose of carrying out temporary assignments or projects may not be so assigned for a period exceeding 180 days in any calendar year. The permanent transfer of positions from an agency or institution to the Offices of the Secretaries, or the temporary assignment of agency or institutional employees to the Offices of the Secretaries for periods exceeding 180 days in any calendar year regardless of the separate or discrete nature of the projects, is prohibited without the prior approval of the General Assembly.

All state agencies/employers in all branches of government shall provide information requested by DHRM concerning hours worked by employees as needed to comply with the Affordable Care Act (the "Act") and this provision. State agencies/employers are accountable for compliance with this provision, and are responsible for any costs associated with maintaining compliance with it and for any costs or penalties associated with any violations of the Act or regulations thereunder and any such costs shall be borne by the agency from existing appropriations. The provisions of this paragraph shall not apply to employees of state teaching hospitals that have their own health insurance plan; however, the state teaching hospitals are accountable for compliance with, and are responsible for any costs associated with maintaining compliance with the Act and for any costs or penalties associated with any violations of the Act or regulations thereunder and any such costs shall be borne by the agency from existing appropriations. § 4-8.03 LOCAL GOVERNMENTS

a.1. The Auditor of Public Accounts shall establish a workgroup to develop criteria for a preliminary determination that a local government may be in fiscal distress. Such criteria shall be based upon information regularly collected by the Commonwealth or otherwise regularly made public by the local government. This information includes expenditure reports submitted to the Auditor, budget information posted on local government websites, and reports prepared by the Commission on Local Government on revenue fiscal stress. Information provided by the Virginia Retirement System, the Virginia Resources Authority, the Virginia Public Building Authority, and other state and regional authorities concerning late or missed debt service payments shall be shared with the Auditor. Fiscal distress as used in this context shall mean a situation whereby the provision and sustainability of public services is threatened by various administrative and financial shortcomings including but not limited to cash flow issues; inability to pay expenses; revenue shortfalls; deficit spending; structurally imbalanced budgets; billing and revenue collection inadequacies and discrepancies; debt overload; failure to meet obligations to authorities, school divisions, or political subdivisions of the Commonwealth; and/or lack of trained and qualified staff to process administrative and financial transactions. Fiscal distress may be caused by factors internal to the unit of government or external to the unit of government and in various degrees such conditions may or may not be controllable by management, or the local governing body, or its constitutional officers.

2. Based upon the criteria established by the workgroup and using information identified above, the Auditor of Public Accounts shall establish a prioritized early warning system. Under the prioritized early warning system, the Auditor of Public Accounts shall establish a regular process whereby it reviews data on at least an annual basis to make a preliminary determination that a local government is in fiscal distress.

3. For local governments where the Auditor of Public Accounts has made a preliminary determination of fiscal distress based upon the early warning system criteria, the Auditor of Public Accounts shall notify the local governing body of its preliminary determination that it may meet the criteria for fiscal distress. Based upon the request of the local governing body or chief executive officer, the Auditor of Public Accounts may conduct a review and request documents and data from the local government. Such review shall consider factors including, but not limited to, budget processes, debt, borrowing, expenses and payables, revenues and receivables, and other areas including staffing, and the identification of external variables contributing to a locality's financial position, and if so, the scope of the issues involved. Any local governing body that receives requests for information from the Auditor of Public Accounts pursuant to such preliminary determination based on the above described threshold levels shall acknowledge receipt of such a request and shall ensure that a response is provided within the time frames specified by the Auditor of Public Accounts. After such review, if the Auditor of Public Accounts is of the opinion that state assistance, oversight, or targeted intervention is needed, either to further assess, help stabilize, or remediate the situation, the Auditor shall notify the Governor and the Chairmen of the House Appropriations and Senate Finance Committees, and the governing body of the local government in writing outlining specific issues or actions that need to be addressed by state intervention.

4. The notification issued by the Auditor of Public Accounts pursuant to paragraph 3 above shall satisfy the notification requirement necessary to effectuate the provisions of this act in paragraph b.3 below.

b.1. The Director of the Department of Planning and Budget shall identify any amounts remaining unexpended from general fund appropriations in this Act as of June 30, 2017, which constitute state aid to local governments. The Director shall provide a listing of such amounts designated by item number and by program on or before August 15, 2017, to the Governor and the Chairmen of the House Appropriations Committee and the Senate Finance Committee.

2. From such unexpended balances identified by the Director of the Department of Planning and Budget, the Governor may reappropriate up to \$500,000 from amounts which would otherwise revert to the balance of the general fund and transfer such amounts as necessary to establish a component of fund balance which may be used for the purpose of providing technical assistance and intervention actions for local governments deemed to be fiscally distressed and in need of intervention to address such distress. Any such reappropriation approved by the Governor, shall be separately identified in the commitments specified on the balance sheet and financial statements of the State Comptroller for the close of fiscal year 2017 and thereafter, to the extent that such reserve is not used or added to by future appropriation actions.

3. Prior to any expenditure of the reappropriated reserve, the Governor and the Chairmen of the House Appropriations Committee and the Senate Finance Committee must receive a notification from the Auditor of Public Accounts that a specific locality is in need of intervention because of a worsening financial situation. The Auditor of Public Accounts may issue such a notification upon receipt of audited financial statement or other information that indicates the existence of fiscal distress. But, no such notification shall be made until appropriate follow up and correspondence ascertains that, in the opinion of the Auditor of Public Accounts, such fiscal distress indeed exists. Such notification may also be issued by the Auditor of Public Accounts if written concerns raised about fiscal distress are not adequately addressed by the locality in question.

4. Once the Governor has received a notification from the Auditor of Public Accounts indicating fiscal distress in a specific local government, the Governor shall consult with the Chairmen of the House Appropriations Committee and the Senate Finance Committee about a plan for state intervention prior to any expenditure of funds from the cash reserve. Any plan approved by the Governor for intervention should, at a minimum, specify the purpose of such intervention, the estimated duration of the intervention, and the anticipated resources (dollars and personnel) directed toward such effort. The staffing necessary to carry out the intervention plan may be assembled from either public agencies or private entities or both and, notwithstanding any other provisions of law, the Governor may use an expedited method of procurement to secure such staffing when, in his judgment, the need for

intervention is of an emergency nature such that action must be taken in a timely manner to avoid or address unacceptable financial risks to the Commonwealth.

5. The governing body and the elected constitutional officers of a locality subject to an intervention plan approved by the Governor shall assist all state appointed staff conducting the intervention regardless of whether such staff are from public agencies or private entities. Intervention staff shall provide periodic reports in writing to the Governor and the Chairmen of the House Appropriations Committee and the Senate Finance Committee outlining the scope of issues discovered and any recommendations made to remediate such issues, and the progress that is made on such recommendations or other remediation efforts. These periodic reports shall specifically address the degree of cooperation the intervention team is receiving from locally elected officials, including constitutional officers, city, county, or town managers and other local personnel in regards to their intervention work.

6. The Department of General Services is hereby encouraged to develop a master contract of qualified private sector turnaround specialists with expertise in local government intervention that the Governor can use to procure intervention services in an expeditious manner when he determines that state intervention is warranted in situations of local fiscal distress.

§ 4-9.01 ASSESSMENT OF INSTITUTIONAL PERFORMANCE

Such certification shall be completed and forwarded in writing to the Governor and the General Assembly no later than October 1 of each even-numbered year. Institutional performance on measures set forth in paragraph D of this section shall be evaluated year-to-date by the Secretaries of Finance, Administration, and Technology as appropriate, and communicated to the State Council of Higher Education before October 1 of each even-numbered year. Financial benefits provided to each institution in accordance with [§ 2.2-5005](#) will be evaluated in light of that institution's performance.

In general, institutions are expected to achieve all performance measures in order to be certified by SCHEV, but it is understood that there can be circumstances beyond an institution's control that may prevent achieving one or more performance measures. Further, the State Council shall have broad authority to certify institutions as having met the standards on education-related measures. The State Council shall likewise have the authority to exempt institutions from certification on education-related measures that the State Council deems unrelated to an institution's mission or unnecessary given the institution's level of performance.

2. In addition, each institution shall exercise additional financial and administrative authority over financial operations as follows:

a). BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

b) FINANCIAL MANAGEMENT AND REPORTING SYSTEM.

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be authorized by the Board to maintain existing and implement new policies governing the management of University financial resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii) ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the University and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources, (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the University pursuant to a general fund appropriation, and ensure compliance with the requirements of the Appropriation Act.

The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion into the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the University, the accounting and bookkeeping system of the University shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.

In addition, the financial management system shall continue to provide financial reporting for the President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, and the Board of Visitors to enable them to provide adequate oversight of the financial operations of the University.

c) FINANCIAL MANAGEMENT POLICIES.

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall create and implement any and all financial management policies necessary to establish a financial management system with adequate risk management and internal control processes and procedures for the effective protection and management of all University financial resources. Such policies will not address the underlying accounting principles and policies employed by the Commonwealth and the University, but rather will focus on the internal operations of the University's financial management. These policies shall include, but need not be limited to, the development of a tailored set of finance and accounting practices that seek to support the University's specific business and administrative operating environment in order to improve the efficiency and effectiveness of its business and administrative functions. In general, the system of independent financial management policies shall be guided by the general principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and internal accounting controls to ensure University financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of University programs.

The University shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies can be developed, approved and implemented. Such alternate policies shall include applicable accountability measures and shall be submitted to the State Comptroller for review and comment before they are implemented by the University.

d) FINANCIAL RESOURCE RETENTION AND MANAGEMENT.

The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided otherwise in the Appropriation Act, it is the intent of the Commonwealth and the University that the University shall be exempt from the revenue restrictions in the general provisions of the Appropriation Act related to non-general funds. In addition, unless prohibited by the Appropriation Act, it is the intent of the Commonwealth and the University that the University shall be entitled to retain non-general fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather than reverting such savings back to the Commonwealth. This financial resource policy assists the University by providing the framework for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of all these funds.

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to provide oversight of the University's cash management system which is the framework for the retention of non-general funds. The Internal Audit Department of the University shall periodically audit the University's cash management system in accordance with appropriate risk assessment models and make reports to the Audit and Compliance Committee of the Board of Visitors. Additional oversight shall continue to be provided through the annual audit and assessment of internal controls performed by the Auditor of Public Accounts. For the receipt of general and non-general funds, the University shall conform to the Security for Public Deposits Act, Chapter 44 (§ 2.2-4400 et seq.) of Title 2.2 of the Code of Virginia as it currently exists and from time to time may be amended.

e) ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.

The President, through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system for the management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of the Code of Virginia, such that the University shall take all appropriate and cost effective actions to aggressively collect accounts receivable in a timely manner.

These shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all University accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the University shall continue to utilize the Commonwealth's Debt Set-Off Collection Programs, shall develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such Programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act.

f) DISBURSEMENT MANAGEMENT.

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of University financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the University's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the University's mission, including travel-related disbursements. Further, the University's disbursement policy shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and electronic payments.

These disbursement policies shall authorize the President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to include the ability to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, provided that the University shall submit the credit card and cost recovery aspects of its financial and operations policies to the State Comptroller for review and comment prior to implementing those aspects of those policies. The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The University shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established pursuant to the Prompt Payment Act.

The University's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. The University shall continue to follow the Commonwealth's disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such alternate policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the University.

3. The Auditor of Public Accounts or his legally authorized representatives shall audit annually the accounts of each institution and shall distribute copies of each annual audit to the Governor and to the Chairmen of the House Committee on Appropriations and the Senate Committee on Finance. Pursuant to § 30-133, the Auditor of Public Accounts and his legally authorized representatives shall examine annually the accounts and books of each such institution, but the institution shall not be deemed to be a state or governmental agency, advisory agency, public body, or agency or instrumentality for purposes of Chapter 14 (§ 30-130 et seq.) of Title 30 except for those provisions in such chapter that relate to requirements for financial recordkeeping and bookkeeping. Each such institution shall be subject to periodic external review by the Joint Legislative and Audit Review Commission and such other reviews and audits as shall be required by law.

d. Subject to review of its Shared Services Center by the Department of General Services, and approval to proceed with decentralized procurement of authority by the Department of General Services, the Virginia Community College System (VCCS) is authorized, for a period of five years, to exercise additional financial and administrative authority as set out in each of the three functional areas of information technology, procurement and capital projects as set forth and subject to all the conditions in §§ 2.0, 3.0 and 4.0 of the second enactment of Chapter 824 and 829 of the Acts of Assembly of 2008 except that (i) any effective dates contained in Chapter 824 and 829 of the Acts of Assembly of 2008 are superseded by the provisions of this item. The State Board for Community Colleges may request any subsequent delegation of procurement authority after consultation with and positive recommendation by the Department of General Services.

§ 4-9.03 LEVEL III AUTHORITY

The Management Agreements negotiated by the institutions contained in Chapters 675 and 685 of the 2009 Acts of Assembly shall continue in effect unless the Governor, the General Assembly, or the institutions determine that the Management Agreements need

§ 4-9.04 IMPLEMENT JLARC RECOMMENDATIONS

a. The Boards of Visitors at each Virginia public four-year higher education institution, to the extent practicable, shall:

1. require their institutions to clearly list the amount of the athletic fee on their website's tuition and fees information page. The page should include a link to the State Council of Higher Education for Virginia's tuition and fee information. The boards should consider requiring institutions to list the major components of all mandatory fees, including the portion attributable to athletics, on a separate page attached to student invoices;

2. assess the feasibility and impact of raising additional revenue through campus recreation and fitness enterprises to reduce reliance on mandatory student fees. The assessments should address the feasibility and impact of raising additional revenue through charging for specialized programs and services, expanding membership, and/or charging all users of recreation facilities;

3. direct staff to perform a comprehensive review of the institution's organizational structure, including an analysis of spans of control and a review of staff activities and workload, and identify opportunities to streamline the organizational structure. Boards should further direct staff to implement the recommendations of the review to streamline their organizational structures where possible;

4. require periodic reports on average and median spans of control and the number of supervisors with six or fewer direct reports;

5. direct staff to revise human resource policies to eliminate unnecessary supervisory positions by developing standards that establish and promote broader spans of control. The new policies and standards should (i) set an overall target span of control for the institution, (ii) set a minimum number of direct reports per supervisor, with guidelines for exceptions, (iii) define the circumstances that necessitate the use of a supervisory position, (iv) prohibit the establishment of supervisory positions for the purpose of recruiting or retaining employees, and (v) establish a periodic review of departments where spans of control are unusually narrow; and,

6. direct institution staff to set and enforce policies to maximize standardization of purchases of commonly procured goods, including use of institution-wide contracts;

7. consider directing institution staff to provide an annual report on all institutional purchases, including small purchases, that are exceptions to the institutional policies for standardizing purchases;

8. participate in national faculty teaching load assessments by discipline and faculty type.

b. The State Council on Higher Education for Virginia, to the extent practicable, shall:

1. convene a working group of institution financial officers, with input from the Department of Accounts, the Department of Planning and Budget, and the Auditor of Public Accounts, to create a standard way of calculating and publishing mandatory non-E&G fees, including for intercollegiate athletics;

2. update the state's Chart of Accounts for higher education in order to improve comparability and transparency of mandatory non-E&G fees, with input from the Department of Accounts, the Department of Planning and Budget, the Auditor of Public Accounts, and institutional staff. This process should be coordinated with the standardization of tuition and fee reporting;

3. convene a working group of institutional staff to develop instructional and research space guidelines that adequately measure current use of space and plans for future use of space at Virginia's public higher education institutions;

4. coordinate a committee of institutional representatives, such as the previously authorized Learning Technology Advisory Committee. In addition to the objectives set out in the Appropriation Act for the Learning Technology Advisory Committee, the committee should identify instructional technology initiatives and best practices for directly or indirectly lowering institutions' instructional expenditures per student while maintaining or enhancing student learning;

5. include factors such as discipline, faculty rank, cost of living, and regional comparisons in developing faculty salary goals;

6. identify instructional technology best practices that directly or indirectly lower student cost while maintaining or enhancing learning.

c. Notwithstanding the provisions of ~~§ 23-9.14.1~~ § 23.1-1304, the State Council of Higher Education for Virginia shall annually train boards of visitors members on the types of information members should request from institutions to inform decision making, such as performance measures, benchmarking data, the impact of financial decisions on student costs, and past and projected cost trends. Boards of Visitors members serving on finance and facilities subcommittees should, at a minimum, participate in the training within their first year of membership on the subcommittee. SCHEV should obtain assistance in developing or delivering the training from relevant agencies such as the Department of General Services and past or present

finance officers at Virginia's public four-year institutions, as appropriate.

d. The Department of Planning and Budget shall revise the formula used to make allocation recommendations for the state's maintenance reserve funding to account for higher maintenance needs resulting from poor facility condition, aging of facilities, and differences in facility use. Beginning with fiscal year 2016, the Department of Planning and Budget shall submit these recommendations to the Governor and General Assembly no later than November 1 of each year.

e. The Six-Year Capital Outlay Plan Advisory Committee, the Department of Planning and Budget, and others as appropriate shall use the results of the prioritization process established by the State Council of Higher Education for Virginia in determining which capital projects should receive funding.

f. Beginning with fiscal year 2016, the Auditor of Public Accounts shall include in its audit plan for each public institution of higher education a review of progress in implementing the JLARC recommendations contained in paragraph § 4-9.04 a.

§ 4-11.00 STATEMENT OF FINANCIAL CONDITION

Each agency head handling any state funds shall, at least once each year, upon request of the Auditor of Public Accounts, make a detailed statement, under oath, of the financial condition of his office as of the date of such call, to the Auditor of Public Accounts, and upon such forms as shall be prescribed by the Auditor of Public Accounts.

§ 4-12.00 SEVERABILITY

If any part, section, subsection, paragraph, sentence, clause, phrase, or item of this act or the application thereof to any person or circumstance is for any reason declared unconstitutional, such decisions shall not affect the validity of the remaining portions of this act which shall remain in force as if such act had been passed with the unconstitutional part, section, subsection, paragraph, sentence, clause, phrase, item or such application thereof eliminated; and the General Assembly hereby declares that it would have passed this act if such unconstitutional part, section, subsection, paragraph, sentence, clause, phrase, or item had not been included herein, or if such application had not been made.

§ 4-13.00 CONFLICT WITH OTHER LAWS

§ 4-14.00 EFFECTIVE DATE

This act is effective ~~July 1, 2016~~ on its passage as provided in § 1-214, Code of Virginia.

23. That § 33.2-309 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding in Chapter 1 of Title 33.2 a section numbered 33.2-118, as follows:

§ 33.2-118. Limitation on tolling.

A. For purposes of this section, "auxiliary lane" means the portion of the roadway adjoining the traveled way as a shoulder or for speed change, turning, weaving, or the maneuvering of entering and leaving traffic.

B. Notwithstanding any other provision of this title, no toll may be imposed or collected on un-tolled lanes or components of a highway, bridge, or tunnel without approval from the General Assembly. However, such prohibition shall not apply to (i) reconstruction with additional lanes of a highway, bridge, or tunnel provided that the number of un-tolled non-high-occupancy vehicle lanes, excluding auxiliary lanes, after the reconstruction is not less than the number of un-tolled, non-high-occupancy vehicle lanes, excluding auxiliary lanes, prior to such reconstruction; (ii) new construction that is opened to the public as a tolled facility; (iii) new construction that is opened to the public as high-occupancy vehicle lanes; (iv) existing high-occupancy vehicle lanes; or (v) an existing lane on a segment of a highway whose length does not exceed 10 miles and is between an interchange and an interchange or an interchange and a bridge, provided that the number of un-tolled non-high-occupancy vehicle lanes on such segment is equal to the number of un-tolled non-high-occupancy vehicle lanes on the portion of the highway preceding such segment.

C. Notwithstanding the provisions of subsection B, prior approval of the General Assembly shall be required prior to the imposition and collection of any toll for use of all or any portion of (i) a non-limited access highway except for a bridge, tunnel, or the approaches to a bridge or tunnel or (ii) Interstate 81.

§ 33.2-309. Tolls for use of Interstate System components.

A. Subject to the limitations provided in § 33.2-118 and in accordance with all applicable federal and state statutes and requirements, the Board may impose and collect tolls from all classes of vehicles in amounts established by the Board for the use of any component of the Interstate System within the Commonwealth.

B. The toll facilities authorized by this section shall be subject to the provisions of federal law for the purpose of tolling motor vehicles to finance interstate construction and reconstruction, promote efficiency in the use of highways, reduce traffic congestion, and improve air quality and for such other purposes as may be permitted by federal law.

C. In order to mitigate traffic congestion in the vicinity of the toll facilities, no toll facility shall be operated without high-speed automated toll collection technology designed to allow motorists to travel through the toll facilities without stopping to make payments. Nothing in this subsection shall be construed to prohibit a toll facility from retaining means of nonautomated toll collection in some lanes of the facility. The Board shall also consider traffic congestion and mitigation thereof and the impact on local traffic movement as factors in determining the location of the toll facilities authorized pursuant to this section.

D. The revenues collected from each toll facility established pursuant to this section shall be deposited into segregated subaccounts in the Transportation Trust Fund and may be allocated by the Board as the Board deems appropriate to:

1. Pay or finance all or part of the costs of programs or projects, including the costs of planning, operation, maintenance, and improvements incurred in connection with the toll facility, provided that such allocations shall be limited to programs and projects that are reasonably related to or benefit the users of the toll facility. The priorities of metropolitan planning organizations, planning district commissions, local governments, and transportation corridors shall be considered by the Board in making project allocations from such revenues deposited into the Transportation Trust Fund.

2. Repay funds from the Toll Facilities Revolving Account or the Transportation Partnership Opportunity Fund.

3. Pay the Board's reasonable costs and expenses incurred in the administration and management of the toll facility.

24. That the provisions of this act adding § 33.2-118 to the Code of Virginia, as created by this act, and § 33.2-309 of the Code of Virginia, as amended by this act, shall become effective upon the return of the Commonwealth's spot in the Interstate System Reconstruction and Rehabilitation Pilot Program.

5. Enactments 4 and 5 of Chapters 778 and 779 of the 2016 Acts of Assembly are hereby repealed. The General Assembly finds that the creation of the Virginia Growth and Opportunity Foundation to support the Board satisfies the intent of Enactment 4 of Chapters 778 and 779 of the 2016 Acts of Assembly.

6. Enactment 2 of Chapters 776 and 777 of the 2016 Acts of Assembly are hereby repealed.

7. A. Notwithstanding the provisions of § 2.2-1514, Code of Virginia, or any other provision of law, any general fund revenues collected and deposited for fiscal year 2017 that are in excess of the official forecast contained in this act, shall be reflected by the Comptroller as committed on the June 30, 2017, preliminary balance sheet pursuant to the provisions of this enactment for the purposes of establishing a cash reserve to mitigate any potential revenue shortfalls that may arise during the remainder of the biennium.

B. To determine the amounts that are to be committed, the Comptroller shall first determine the revenues that were collected in excess of the revenues forecast in this act. He shall then reduce those revenues for the following adjustments:

1. Any amounts that must be restricted such as mandatory deposits to the Revenue Stabilization Fund.

2. Any amounts that normally would be committed or assigned pursuant to GASB standards.

3. Any amounts that must be committed for deposit to the Water Quality Improvement Fund from excess general fund revenue collections pursuant to § 10.1-2128 A., Code of Virginia.

4. Any other amounts that are required to be committed or assigned pursuant to any other items or provisions of this act, which would include mandatory carryforwards, unexpended balances in capital projects, and balances required to be carried forward for fiscal year 2018.

C. The amount that remains after deduction of the amounts listed above from the surplus revenues on June 30, 2017, shall be further reduced by fifty percent.

D. The Comptroller shall then reflect the remaining fifty percent as a commitment on the preliminary balance sheet entitled Revenue Cash Reserve to be held solely for the purposes of mitigating any loss of general fund revenues in fiscal year 2018 from the official forecast contained in this act.

E. The Comptroller may draw against the balances of the Revenue Cash Reserve for an amount equal to any shortfall in general fund revenue collections from the official forecast contained in this act for fiscal year 2018.

1 38. That the provisions of the first enactment, ~~and~~ *second enactment, and seventh enactment* of this act shall expire at midnight
2 on June 30, 2018. The provisions of the ~~second enactment~~ *third, fourth, fifth, and sixth enactments* of this act shall have no
3 expiration date.
