24	A. In the event the appropriation in this Item proves to be insufficient to fund all of its				
25	provisions, any amount remaining as of June 1, 2021, and June 1, 2022, may be				
26	reallocated among localities on a pro rata basis according to such deficiency.				
27	B. For the purposes of this Item, the following definitions shall be applicable:				
28	1. Effective sentence--a convicted offender's sentence as rendered by the court less any				
29	portion of the sentence suspended by the court.				
30	2. Local responsible inmate--(a) any person arrested on a state warrant and incarcerated in				
31	a local correctional facility, as defined by § 53.1-1, Code of Virginia, prior to trial; (b) any

38	effective sentences for felonies, committed before January 1, 1995, is more than two				
39	years.				
40	C. The individual or entity responsible for operating any facility which receives funds				
41	from this Item may, if requested by the Department of Corrections, enter into an				
42	agreement with the department to accept the transfer of convicted felons, from other local				
43	facilities or from facilities operated by the Department of Corrections. In entering into any				
44	such agreements, or in effecting the transfer of offenders, the Department of Corrections				
45	shall consider the security requirements of transferred offenders and the capability of the				
46	local facility to maintain such offenders. For purposes of calculating the amount due each				
47	locality, all funds earned by the locality as a result of an agreement with the Department of				
48	Corrections shall be included as receipts from these appropriations.				
49	D. Out of this appropriation, an amount not to exceed \$377,010 the first year and				
50	\$377,010 the second year from the general fund, is designated to be held in reserve for

		First Year FY2021	Second Year FY2022	First Year FY2021	Second Year FY2022
1	E. The following amounts shall be paid out of this appropriation to compensate localities for				
2	the cost of maintaining prisoners in local correctional facilities, as defined by § 53.1-1, Code				
3	of Virginia, or if the prisoner is not housed in a local correctional facility, in an alternative to				
4	incarceration program operated by, or under the authority of, the sheriff or jail board:				
5	1. For local responsible inmates--\$4 per inmate day, or, if the inmate is housed and				
6	maintained in a jail farm not under the control of the sheriff, the rate shall be \$18 per inmate				
7	day.				
8	2. For state responsible inmates--\$12 per inmate day.				
9	F. For the payment specified in paragraph E.1. of this Item for prisoners in alternative				
10	punishment or alternative to incarceration programs:				
11	1. Such payment is intended to be made for prisoners that would otherwise be housed in a				
12	local correctional facility. It is not intended for prisoners that would otherwise be sentenced to				
13	community service or placed on probation.				
14	2. No such payment shall be made unless the program has been approved by the Department				
15	of Corrections or the Department of Criminal Justice Services. Alternative punishment or				
16	alternative to incarceration programs, however, may include supervised work experience,				
17	treatment, and electronic monitoring programs.				
18	G.1. Except as provided for in paragraph G.2., and notwithstanding any other provisions of				
19	this Item, the Compensation Board shall provide payment to any locality with an average				
20	daily jail population of under ten in FY 1995 an inmate per diem rate of \$18 per day for local				
21	responsible inmates and \$12 per day for state responsible inmates held in these jails in lieu of				
22	personal service costs for corrections' officers.				
23	2. Any locality covered by the provisions of this paragraph shall be exempt from the				
24	provisions thereof provided that the locally elected sheriff, with the assistance of the				
25	Compensation Board, enters into good faith negotiations to house his prisoners in an existing				
26	local or regional jail. In establishing the per diem rate and capital contribution, if any, to be				
27	charged to such locality by a local or regional jail, the Compensation Board and the local				
28	sheriff or regional jail authority shall consider the operating support and capital contribution				
29	made by the Commonwealth, as required by §§ 15.2-1613, 15.2-1615.1, 53.1-80, and 53.1-81,				
30	Code of Virginia. The Compensation Board shall report periodically to the Chairmen of the				
31	House Appropriations and Senate Finance Committees on the progress of these negotiations				
32	and may withhold the exemption granted by this paragraph if, in the board's opinion, the local				
33	sheriff fails to negotiate in good faith.				
34	H.1. The Compensation Board shall recover the state-funded costs associated with housing				
35	federal inmates, District of Columbia inmates or contract inmates from other states. The				
36	Compensation Board shall determine, by individual jail, the amount to be recovered by the				
37	Commonwealth by multiplying the jail's current inmate days for this population by the				
38	proportion of the jail's per inmate day salary funds provided by the Commonwealth, as				
39	identified in the most recent Jail Cost Report prepared by the Compensation Board. Beginning				
40	July 1, 2009, the Compensation Board shall determine, by individual jail, the amount to be				
41	recovered by the Commonwealth by multiplying the jail's current inmate days for this				
42	population by the proportion of the jail's per inmate day operating costs provided by the				
43	Commonwealth, excluding payments otherwise provided for in this Item, as identified in the				
44	most recent Jail Cost Report prepared by the Compensation Board. If a jail is not included in				
45	the most recent Jail Cost Report, the Compensation Board shall use the statewide average of				
46	per inmate day salary funds provided by the Commonwealth.				
47	2. The Compensation Board shall deduct the amount to be recovered by the Commonwealth				
48	from the facility's next quarterly per diem payment for state-responsible and local-responsible				
49	inmates. Should the next quarterly per diem payment owed the locality not be sufficient				
50	against which to net the total quarterly recovery amount, the locality shall remit the remaining				
51	amount not recovered to the Compensation Board.				
52	3. Any local or regional jail which receives funding from the Compensation Board shall give				
53	priority to the housing of local-responsible, state-responsible, and state contract inmates, in				
54	that order, as provided in paragraph H.1.

1	4. The Compensation Board shall not provide any inmate per diem payments to any local				
2	or regional jail which holds federal inmates in excess of the number of beds contracted for				
3	with the Department of Corrections, unless the Director, Department of Corrections,				
4	certifies to the Chairman of the Compensation Board that a) such contract beds are not				
5	required; b) the facility has operational capacity built under contract with the federal				
6	government; c) the facility has received a grant from the federal government for a portion				
7	of the capital costs; or d) the facility has applied to the Department of Corrections for				
8	participation in the contract bed program with a sufficient number of beds to meet the				
9	Department of Corrections' need or ability to fund contract beds at that facility in any				
10	given fiscal year.				
11	5. The Compensation Board shall apply the cost recovery methodology set out in				
12	paragraph H.1. of this Item to any jail which holds inmates from another state on a				
13	contractual basis. However, recovery in such circumstances shall not be made for inmates				
14	held pending extradition to other states or pending transfer to the Virginia Department of				
15	Corrections.				
16	6. The provisions of this paragraph shall not apply to any local or regional jail where the				
17	cumulative federal share of capital costs exceeds the Commonwealth's cumulative capital				
18	contribution.				
19	7. For a local or regional jail which operates bed space specifically built utilizing federal				
20	capital or grant funds for the housing of federal inmates and for which Compensation				
21	Board funding has never been authorized for staff for such bed space, the Compensation				
22	Board shall allow an exemption from the recovery provided in paragraph H.1. for a				
23	defined number of federal prisoners upon certification by the sheriff or superintendent that				
24	the federal government has paid for the construction of bed space in the facility or				
25	provided a grant for a portion of the capital cost. Such certification shall include specific				
26	funding amounts paid by the federal government, localities, and/or regional jail				
27	authorities, and the Commonwealth for the construction of bed space specifically built for				
28	the housing of federal inmates and for the construction of the jail facility in its entirety.				
29	The defined number of federal prisoners to be exempted from the recovery provided in				
30	paragraph H.1. shall be based upon the proportion of funding paid by the federal				
31	government and localities and/or regional jail authorities for the construction of bed space				
32	to house federal prisoners to the total funding paid by all sources, including the				
33	Commonwealth, for all construction costs for the jail facility in its entirety.				
34	8. Beginning March 1, 2013, federal inmates placed in the custody of a regional jail				
35	pursuant to a work release program operated by the federal Bureau of Prisons shall be				
36	exempt from the recovery of costs associated with housing federal inmates pursuant to				
37	paragraph H.1. of this item if such federal inmates have been assigned by the federal				
38	Bureau of Prisons to a home electronic monitoring program in place for such inmates by				
39	agreement with the jail on or before January 1, 2012 and are not housed in the jail facility.				
40	However, no such exemption shall apply to any federal inmate while they are housed in				
41	the regional jail facility.				
42	I. Any amounts in the program Financial Assistance for Confinement of Inmates in Local				
43	and Regional Facilities, may be transferred between Items 68 and 69, as needed, to cover				
44	any deficits incurred in the programs Financial Assistance for Sheriffs' Offices and				
45	Regional Jails and Financial Assistance for Confinement of Inmates in Local and Regional				
46	Facilities.				
47	J.1. The Compensation Board shall provide an annual report on the number and diagnoses				
48	of inmates with mental illnesses in local and regional jails, the treatment services				
49	provided, and expenditures on jail mental health programs. The report shall be prepared in				
50	cooperation with the Virginia Sheriffs Association, the Virginia Association of Regional				
51	Jails, the Virginia Association of Community Services Boards, and the Department of				
52	Behavioral Health and Developmental Services, and shall be coordinated with the data				
53	submissions required for the annual jail cost report. Copies of this report shall be provided				
54	by November 1 of each year to the Governor, Director, Department of Planning and				
55	Budget, and the Chairmen of the Senate Finance and House Appropriations Committees.				
56	2. Whenever a person is admitted to a local or regional correctional facility, the staff of the				
57	facility shall screen such person for mental illness using a scientifically validated

3	being administered by an employee of the local or regional correctional facility, other than a				
4	health care provider, provided that such employee is trained in the administration of such				
5	instrument.				
6	K. Out of the amounts appropriated in this item, \$198,664 the first year and \$215,939 the				
7	second year from the general fund is provided for the purpose of reimbursing the County of				
8	Nottoway for the expense of confining residents of the Virginia Center for Behavioral				
9	Rehabilitation arrested for new offenses and held in Piedmont Regional Jail at the expense of				
10	the County. Reimbursements by the Board are to be made quarterly, and shall be equal to				
11	demonstrated costs incurred by the County of Nottoway for confinement of these individuals,				
12	and shall not exceed the amounts provided in this paragraph for each fiscal year.				
13	Demonstrated costs may include expenses incurred in the last month of the prior fiscal year if				
14	not previously reimbursed. The County of Nottoway, the Virginia Center for Behavioral				
15	Rehabilitation, and Piedmont Regional Jail shall upon request provide the Compensation				
16	Board any information and assistance it determines is necessary to calculate amounts to be				
17	reimbursed to the County of Nottoway.

30	Virginia, shall receive salaries as if they served localities with populations between 35,000				
31	and 44,999.				
32	3. Whenever an attorney for the Commonwealth is such for a county and city together, or for				
33	two or more cities, the aggregate population of such political subdivisions shall be the				
34	population for the purpose of arriving at the salary of such attorney for the Commonwealth				
35	under the provisions of this paragraph and such attorney for the Commonwealth shall receive				
36	as additional compensation the sum of one thousand dollars.				
37	B. No expenditure shall be made out of this Item for the employment of investigators, clerk-

40	C. Consistent with the provisions of § 19.2-349 , Code of Virginia, attorneys for the				
41	Commonwealth may, in addition to the options otherwise provided by law, employ				
42	individuals to assist in collection of outstanding fines, costs, forfeitures, penalties, and				
43	restitution. Notwithstanding any other provision of law, beginning on the date upon which the				
44	order or judgment is entered, the costs associated with employing such individuals may be				
45	paid from the proceeds of the amounts collected provided that the cost is apportioned on a pro				
46	rata basis according to the amount collected which is due the state and that which is due the				
47	locality. The attorneys for the Commonwealth shall account for the amounts collected and				
48	apportion costs associated with the collections consistent with procedures issued by the				
49	Auditor of Public Accounts.				
50	D. The provisions of this act notwithstanding, no Commonwealth's attorney, public defender

1	shall be construed to limit the ability of localities to supplement the salaries of locally				
2	elected constitutional officers or their employees.				
3	E. The Statewide Juvenile Justice project positions, as established under the provisions of				
4	Item 74 E, of Chapter 912, 1996 Acts of Assembly, and Chapter 924, 1997 Acts of				
5	Assembly, are continued under the provisions of this act. The Commonwealth's attorneys				
6	receiving such positions shall annually certify to the Compensation Board that the				
7	positions are used primarily, if not exclusively, for the prosecution of delinquency and				
8	domestic relations felony cases, as defined by Chapters 912 and 924. In the event the				
9	positions are not primarily or exclusively used for the prosecution of delinquency and				
10	domestic relations felony cases, the Compensation Board shall reallocate such positions				
11	by using the allocation provisions as provided for the board in Item 74 E of Chapters 912				
12	and 924.				
13	F. The Compensation Board shall monitor the Department of Taxation program regarding				
14	the collection of unpaid fines and court costs by private debt collection firms contracted				
15	by Commonwealth's attorneys and shall include, in its annual report to the General				
16	Assembly on the collection of court-ordered fines and fees for clerks of the courts and				
17	Commonwealth's attorneys, the amount of unpaid fines and costs collected by this				
18	program.				
19	G. Out of this appropriation, \$389,165 the first year and \$389,165 the second year from				
20	the general fund is designated for the Compensation Board to fund five additional				
21	positions in Commonwealth's attorney's offices that shall be dedicated to prosecuting				
22	gang-related criminal activities. The board shall ensure that these positions work across				
23	jurisdictional lines, serving the Northern Virginia area (counties of Fairfax, Loudoun,				
24	Prince William, and Arlington and the cities of Falls Church, Alexandria, Manassas,				
25	Manassas Park and Fairfax).				
26	H. In accordance with the provisions of § 19.2-349, Code of Virginia, attorneys for the				
27	Commonwealth may employ individuals, or contract with private attorneys, private				
28	collection agencies, or other state or local agencies, to assist in collection of delinquent				
29	fines, costs, forfeitures, penalties, and restitution. If the attorney for the Commonwealth				
30	employs individuals, the costs associated with employing such individuals may be paid				
31	from the proceeds of the amounts collected provided that the cost is apportioned on a pro				
32	rata basis according to the amount collected which is due the state and that which is due				
33	the locality. If the attorney for the Commonwealth does not undertake collection, the				
34	attorney for the Commonwealth shall, as soon as practicable, take steps to ensure that any				
35	agreement or contract with an individual, attorney or agency complies with the terms of				
36	the current Master Guidelines Governing Collection of Unpaid Delinquent Court-Ordered				
37	Fines and Costs Pursuant to Virginia Code § 19.2-349 promulgated by the Office of the				
38	Attorney General, the Executive Secretary of the Supreme Court, the Department of				
39	Taxation, and the Compensation Board ("the Master Guidelines"). Notwithstanding any				
40	other provision of law, the delinquent amounts owed shall be increased by seventeen (17)				
41	percent to help offset the costs associated with employing such individuals or contracting				
42	with such agencies or individuals. If such increase would exceed the contracted collection				
43	agent's fee, then the delinquent amount owed shall be increased by the percentage or				
44	amount of the collection agent's fee. Effective July 1, 2015, as provided in § 19.2-349,				
45	Code of Virginia, treasurers not being compensated on a contingency basis as of January				
46	1, 2015 shall be prohibited from being compensated on a contingency basis but shall				
47	instead be compensated for administrative costs pursuant to § 58.1-3958, Code of				
48	Virginia. Treasurers currently collecting a contingency fee shall be eligible to contract on				
49	a contingency fee basis. Effective July 1, 2015, any treasurer collecting a contingency fee				
50	shall retain only the expenses of collection, and the excess collection shall be divided				
51	between the state and the locality in the same manner as if the collection had been done by				
52	the attorney for the Commonwealth. The attorneys for the Commonwealth shall account				
53	for the amounts collected and the fees and costs associated with the collections consistent				
54	with procedures issued by the Auditor of Public Accounts.				
55	I. Notwithstanding the provisions of Article 7, Chapter 4, Title 38, Code of Virginia,				
56	beginning July 1, 2018, \$600,000 each year from the Insurance Fraud Fund is included in

2	insurance fraud based upon data provided by the Virginia State Police Insurance Fraud				
3	Program. The Virginia State Police Insurance Fraud Program shall ensure that these positions				
4	work across jurisdictional lines, serving jurisdictions identified as most in need of these				
5	resources as supported by data. These funds shall remain unallocated until the Compensation				
6	Board and Virginia State Police notify the Director of the Department of Planning and Budget				
7	of the joint agreements reached with the Commonwealth's Attorneys of the jurisdictions				
8	receiving the additional Assistant Commonwealth's Attorney positions and the jurisdictions to				
9	be served by these positions. The Commonwealth's Attorneys receiving such positions shall				
10	annually certify to the Compensation Board that these positions are used primarily, if not				
11	exclusively, for the prosecution of insurance fraud and related criminal activities.				
12	J. The appropriations in this item includes \$1,350,989 the first year and \$1,433,928 the second				
13	year from the general fund to fund approximately twenty-five percent of the unfunded				
14	positions needed based on the fiscal year 2020 staffing standards calculation.				
15	K. Any locality in the Commonwealth that employs the use of body worn cameras for its law				
16	enforcement officers shall be required to establish and fund one full-time equivalent entry-				
17	level Assistant Commonwealth's Attorney, at a salary no less than that established by the				
18	Compensation Board for an entry-level Commonwealth's Attorney, at a rate of one Assistant				
19	Commonwealth's Attorney for up to 75 body worn cameras employed for use by local law				
20	enforcement officers, and one Assistant Commonwealth's Attorney for every 75 body worn				
21	cameras employed for use by local law enforcement officers, thereafter. However, with the				
22	consent of the Commonwealth's Attorney, a locality may provide their Commonwealth's				
23	Attorney's office with additional funding, using a different formula than stated above, as				
24	needed to accommodate the additional workload resulting from the requirement to review,				
25	redact and present footage from body worn cameras. If, as of July 1, 2019, a locality is				
26	providing additional funding to the Commonwealth's Attorney's office specifically to address				
27	the staffing and workload impact of the implementation of body worn cameras on that office,				
28	that additional funding shall be credited to the formula used in that locality. Any agreed upon				
29	funding formula between the impacted Commonwealth's Attorney and the locality employing				
30	body worn cameras shall be filed with the Compensation Board by July 1, 2019 and shall				
31	remain in effect unless modified by the agreement of both parties until June 30th of the				
32	following year. The term "locality" means every county or independent city with an Attorney				
33	for the Commonwealth. The term "employed for use" includes all body worn cameras				
34	maintained by the law enforcement agency or agencies of that locality, regardless of any				
35	temporary inoperability.

40	paragraph.				
41	C. Each clerk of the circuit court shall submit to the Compensation Board a copy of the

9	all public-facing websites and systems operated by state agencies. All state agencies which				
10	operate such websites and systems shall cooperate with the Virginia Information				
11	Technologies Agency in order to complete the vulnerability scans. However, the State				
12	Corporation Commission shall not be required to disable, in full or in part, any software

24	4. Non-participating agencies shall be required by July 1 each year to notify the Chief

23	A. Definitions				
24	1. "March 31 Average Daily Membership," or "March 31 ADM" - The responsible school				
25	division's average daily membership for grades K-12 including (1) handicapped students ages				
26	5-21 and (2) students for whom English is a second language who entered school for the first				
27	time after reaching their twelfth birthday, and who have not reached twenty-two years of age				
28	on or before August 1 of the school year, for the first seven (7) months (or equivalent period)				
29	of the school year through March 31 in which state funds are distributed from this				
30	appropriation. Preschool and postgraduate students shall not be included in March 31 ADM.				
31	a. School divisions shall take a count of September 30 fall membership and report this				
32	information to the Department of Education no later than October 15 of each year.				
33	b. Except as otherwise provided herein, by statute, or by precedent, all appropriations to the				
34	Department of Education shall be calculated using March 31 ADM unadjusted for half-day				
35	kindergarten programs, estimated at 1,257,188.55 \$1,213,092.90 the first year and				
36	1,262,626.85 \$1,218,331.05 the second year. March 31 ADM for half-day kindergarten shall be				
37	adjusted at 85 percent.				
38	c. Students who are either (i) enrolled in a nonpublic school or (ii) receiving home instruction				
39	pursuant to § 22.1-254.1 and who are enrolled in a public school on less than a full-time basis				
40	in any mathematics, science, English, history, social science, vocational education, health				
41	education or physical education, fine arts or foreign language course, or receiving special				
42	education services required by a student's individualized education plan, shall be counted in				
43	the funded fall membership and March 31 ADM of the responsible school division. Each				
44	course shall be counted as 0.25, up to a cap of 0.5 of a student.				
45	d. Students enrolled in an Individualized Student Alternative Education Program (ISAEP)				
46	pursuant to § 22.1-254 E shall be counted in the March 31 Average Daily Membership of the				
47	responsible school division. School divisions shall report these students separately in their				
48	March 31 reports of Average Daily Membership.				
49	2. "Standards of Quality" - Operations standards for grades kindergarten through 12 as				
50	prescribed by the Board of Education subject to revision by the General Assembly.				
51	3.a. "Basic Operation Cost" - The cost per pupil, including provision for the number of

1	instructional personnel required by the Standards of Quality for each school division with				
2	a minimum ratio of 51 professional personnel for each 1,000 pupils or proportionate				
3	number thereof, in March 31 ADM for the same fiscal year for which the costs are				
4	computed, and including provision for driver, gifted, occupational-vocational, and special				
5	education, library materials and other teaching materials, teacher sick leave, general				
6	administration, division superintendents' salaries, free textbooks (including those for free				
7	and reduced price lunch pupils), school nurses, operation and maintenance of school plant,				
8	transportation of pupils, instructional television, professional and staff improvement,				
9	remedial work, fixed charges and other costs in programs not funded by other state and/or				
10	federal aid.				
11	b. The state and local shares of funding resulting from the support cost calculation for				
12	school nurses shall be specifically identified as such and reported to school divisions				
13	annually. School divisions may spend these funds for licensed school nurse positions				
14	employed by the school division or for licensed nurses contracted by the local school				
15	division to provide school health services.				
16	4.a. "Composite Index of Local Ability-to-Pay" - An index figure computed for each				
17	locality. The composite index is the sum of 2/3 of the index of wealth per pupil in				
18	unadjusted March 31 ADM reported for the first seven (7) months of the 2017-2018				
19	school year and 1/3 of the index of wealth per capita (population estimates for 2017 as				
20	determined by the Weldon Cooper Center for Public Service of the University of Virginia)				
21	multiplied by the local nominal share of the costs of the Standards of Quality of 0.45 in				
22	each year. The indices of wealth are determined by combining the following constituent				
23	index elements with the indicated weighting: (1) true values of real estate and public				
24	service corporations as reported by the State Department of Taxation for the calendar year				
25	2017 - 50 percent; (2) adjusted gross income for the calendar year 2017 as reported by the				
26	State Department of Taxation - 40 percent; (3) the sales for the calendar year 2017 which				
27	are subject to the state general sales and use tax, as reported by the State Department of				
28	Taxation - 10 percent. Each constituent index element for a locality is its sum per March				
29	31 ADM, or per capita, expressed as a percentage of the state average per March 31 ADM,				
30	or per capita, for the same element. A locality whose composite index exceeds 0.8000				
31	shall be considered as having an index of 0.8000 for purposes of distributing all payments				
32	based on the composite index of local ability-to-pay. Each constituent index element for a				
33	locality used to determine the composite index of local ability-to-pay for the current				
34	biennium shall be the latest available data for the specified official base year provided to				
35	the Department of Education by the responsible source agencies no later than November				
36	15, 2019.				
37	b. For any locality whose total calendar year 2017 Virginia Adjusted Gross Income is				
38	comprised of at least 3 percent or more by nonresidents of Virginia, such nonresident				
39	income shall be excluded in computing the composite index of ability-to-pay. The				
40	Department of Education shall compute the composite index for such localities by using				
41	adjusted gross income data which exclude nonresident income, but shall not adjust the				
42	composite index of any other localities. The Department of Taxation shall furnish to the				
43	Department of Education such data as are necessary to implement this provision.				
44	c.1) Notwithstanding the funding provisions in § 22.1-25 D, Code of Virginia, additional				
45	state funding for future consolidations shall be as set forth in future Appropriation Acts.				
46	2) In the case of the consolidation of Bedford County and Bedford City school divisions,				
47	the fifteen year period for the application of a new composite shall apply beginning with				
48	the fiscal year that starts on July 1, 2013. The composite index established by the Board of				
49	Education shall equal the lowest composite index that was in effect prior to July 1, 2013,				
50	of any individual localities involved in such consolidation, and this index shall remain in				
51	effect for a period of fifteen years, unless a lower composite index is calculated for the				
52	combined division through the process for computing an index as set forth above.				
53	3) If the composite index of a consolidated school division is reduced during the course of				
54	the fifteen year period to a level that would entitle the school division to a lower interest				
55	rate for a Literary Fund loan than it received when the loan was originally released, the				
56	Board of Education shall reduce the interest rate of such loan for the remainder of the				
57	period of the loan. Such reduction shall be based on the interest rate that would apply at

		First Year FY2021	Second Year FY2022	First Year FY2021	Second Year FY2022
1	the time of such adjustment. This rate shall remain in effect for the duration of the loan and				
2	shall apply only to those years remaining to be paid.				
3	d.4) When it is determined that a substantial error exists in a constituent index element, the				
4	Department of Education will make adjustments in funding for the current school year only in				
5	the division where the error occurred. The composite index of any other locality shall not be				
6	changed as a result of the adjustment. No adjustment during the biennium will be made as a				
7	result of updating of data used in a constituent index element.				
8	2-) A payment estimated at \$197,155 the first year and \$198,755 the second year from the				
9	general fund shall be disbursed to Montgomery County school division for a substantial error				
10	in the composite index of the locality for the 2020-2022 biennium. The composite index of				
11	any other locality shall not be changed as a result of the adjustment for Montgomery County.				
12	e. In the event that any school division consolidates two or more small schools, the division				
13	shall continue to receive Standards of Quality funding and provide for the required local				
14	expenditure for a period of five years as if the schools had not been consolidated. Small				
15	schools are defined as any elementary, middle, or high school with enrollment below 200, 300				
16	and 400 students, respectively.				
17	5. "Required Local Expenditure for the Standards of Quality" - The locality's share based on				
18	the composite index of local ability-to-pay of the cost required by all the Standards of Quality				
19	minus its estimated revenues from the state sales and use tax dedicated to public education				
20	and those sales tax revenues transferred to the general fund from the Public Education				
21	Standards of Quality/Local Real Estate Property Tax Relief Fund and appropriated in this				
22	Item, both of which are returned on the basis of the latest yearly estimate of school age				
23	population provided by the Weldon Cooper Center for Public Service, as specified in this				
24	Item, collected by the Department of Education and distributed to school divisions in the				
25	fiscal year in which the school year begins.				
26	6. "Required Local Match" - The locality's required share of program cost based on the				
27	composite index of local ability-to-pay for all Lottery and Incentive programs, where				
28	required, in which the school division has elected to participate in a fiscal year.				
29	7. "Planning District Eight" - The nine localities which comprise Planning District Eight are				
30	Arlington County, Fairfax County, Loudoun County, Prince William County, Alexandria				
31	City, Fairfax City, Falls Church City, Manassas City, and Manassas Park City.				
32	8. "State Share of the Standards of Quality" - The state share of the Standards of Quality				
33	(SOQ) shall be equal to the total funded SOQ cost for a school division less the school				
34	division's estimated revenues from the state sales and use tax dedicated to public education				
35	based on the latest yearly estimate of school age population provided by the Weldon Cooper				
36	Center for Public Service, adjusted for the state's share of the composite index of local ability				
37	to pay.				
38	9. Entitlements under this Item that use school-level or division-level Free Lunch eligibility				
39	percentages to determine the entitlement amounts are based on the most recent data available				
40	as of the biennial rebenchmarking calculations made for the current biennium. For schools				
41	that participate in the Community Eligibility Provision program, such entitlements are based				
42	on the most recent Free Lunch eligibility data available prior to that school's enrollment in the				
43	Community Eligibility Provision program.				
44	10. In the event that the general fund appropriations in this Item are not sufficient to meet the				
45	entitlements payable to school divisions pursuant to the provisions of this Item, the				
46	Department of Education is authorized to transfer any available general fund funds between				
47	these Items to address such insufficiencies. If the total general fund appropriations after such				
48	transfers remain insufficient to meet the entitlements of any program funded with general				
49	fund dollars, the Department of Education is authorized to prorate such shortfall				
50	proportionately across all of the school divisions participating in any program where such				
51	shortfall occurred.				
52	11. The Department of Education is directed to apply a cap on inflation rates in the same				
53	manner prescribed in § 51.1-166.B, Code of Virginia, when updating funding to school				
54	divisions during the biennial rebenchmarking process.

2	Education is directed to combine the end-of-year Average Daily Membership (ADM) for				
3	those school divisions who have partnered together as a fiscal agent division and a				
4	contractual division for the purposes of calculating prevailing costs included in the

21	Education is directed to fund transportation costs using a 15 year replacement schedule,				
22	which is the national standard guideline, for school bus replacement schedule for the				
23	purpose of calculating funded transportation costs included in the Standards of Quality				
24	(SOQ).				
25	17. To provide additional flexibility, notwithstanding the provisions of § 22.1-79.1, Code				
26	of Virginia, any school division that was granted a waiver regarding the opening date of				
27	the school year for the 2011-2012 school year under the good cause requirements shall				
28	continue to be granted a waiver for the 2020-2021 school year and the 2021-2022 school				
29	year.				
30	18. In the first year, to provide temporary flexibility, notwithstanding any other provision				
31	in statute or in this item, school divisions may elect to increase the teacher to pupil staffing				
32	ratios in kindergarten through grade 7 and English classes for grades 6 through 12 by one				
33	additional student; the teacher to pupil staffing ratio requirements for Elementary				
34	Resource teachers, Prevention, Intervention and Remediation, Gifted and Talented, Career				
35	and Technical funded programs (other than on Career and Technical courses where school				
36	divisions will have to maintain a maximum class size based on federal Occupational				
37	Safety & Health Administration safety requirements) are waived; and the instructional and				
38	support technology positions, and librarian staffing ratios for new hires are waived.				
39	In the first year, school divisions shall report to the Board of Education the number and				
40	type of positions that were not filled in the previous school year and during the current				
41	school year through these flexibility provisions. The Board of Education shall include a				
42	compilation of such responses in its report on the conditions and needs of public education				
43	in the Commonwealth, that is required to be submitted to the Governor and General				
44	Assembly no later than December 1, as referenced in §§ 22.1-18 and 22.1-253.13:8 of the

46	B. General Conditions				
47	1. The Standards of Quality cost in this Item related to fringe benefits shall be limited for

7	index.				
8	2) A locality whose composite index exceeds 0.8000 shall be considered as having an index				
9	of 0.8000 for purposes of distributing fringe benefit funds under this provision.				
10	3) The state payment to each school division for retirement, social security, and group life				
11	insurance costs for non-instructional personnel is included in and distributed through Basic				
12	Aid.

17	2. Each locality shall offer a school program for all its eligible pupils which is acceptable to				
18	the Department of Education as conforming to the Standards of Quality program				
19	requirements.				
20	3. In the event the statewide number of pupils in March 31 ADM results in a state share of				
21	cost exceeding the general fund appropriation in this Item, the locality's state share of Basic				
22	Aid shall be reduced proportionately so that this general fund appropriation will not be				
23	exceeded. In addition, the required local share of Basic Aid shall also be reduced				
24	proportionately to the reduction in the state's share.				
25	4. The Department of Education shall make equitable adjustments in the computation of				
26	indices of wealth and in other state-funded accounts for localities affected by annexation,				
27	unless a court of competent jurisdiction makes such adjustments. However, only the indices of

33	population provided by the Weldon Cooper Center for Public Service) for sales in the fiscal				
34	year in which the school year begins are different from the number estimated as the basis for				
35	this appropriation, the estimated state sales and use tax revenues shall not be adjusted.				
36	6. This appropriation shall be apportioned to the public schools with guidelines established by				
37	the Department of Education consistent with legislative intent as expressed in this act.

1	Membership, was met. Pursuant to § 22.1-97, Code of Virginia, the Department of Education				
2	shall report annually, no later than the first day of the General Assembly session, to the House				
3	Committees on Education and Appropriations and the Senate Committees on Finance and				
4	Education and Health, the results of such calculations made after the close of the school year				
5	and the degree to which each school division has met, failed to meet, or surpassed its required				
6	local expenditure. The Department of Education shall specify the calculations to determine if				
7	a school division has expended its required local expenditure for the Standards of Quality.				
8	This calculation may include but is not limited to the following calculations:				
9	b. The total expenditures for operation, defined as total expenditures less all capital outlays,				
10	expenditures for debt service, facilities, non-regular day school programs (such as adult				
11	education, preschool, and non-local education programs), and any transfers to regional				
12	programs will be calculated.				
13	c. The following state funds will be deducted from the amount calculated in paragraph a.				
14	above: revenues from the state sales and use tax (returned on the basis of the latest yearly				
15	estimate of school age population provided by the Weldon Cooper Center for Public Service,				
16	as specified in this Item) for sales in the fiscal year in which the school year begins; total				
17	receipts from state funds (except state funds for non-regular day school programs and state				
18	funds used for capital or debt service purposes); and the state share of any balances carried				
19	forward from the previous fiscal year. Any qualifying state funds that remain unspent at the				
20	end of the fiscal year will be added to the amount calculated in paragraph a. above.				
21	d. Federal funds, and any federal funds carried forward from the previous fiscal year, will also				
22	be deducted from the amount calculated in paragraph a. above. Any federal funds that remain				
23	unspent at the end of the fiscal year and any capital expenditures paid from federal funds will				
24	be added to the amount calculated in paragraph a. above.				
25	e. Tuition receipts, receipts from payments from other cities or counties, and fund transfers				
26	will also be deducted from the amount calculated in paragraph a, then				
27	f. The final amount calculated as described above must be equal to or greater than the required				
28	local expenditure defined in paragraph A. 5.				
29	g. The Department of Education shall collect the data necessary to perform the calculations of				
30	required local expenditure as required by this section.				
31	h. A locality whose expenditure in fact exceeds the required amount from local funds may not				
32	reduce its expenditures unless it first complies with all of the Standards of Quality.				
33	9.a. Any required local matching funds which a locality, as of the end of a school year, has				
34	not expended, pursuant to this Item, for the Standards of Quality shall be paid by the locality				
35	into the general fund of the state treasury. Such payments shall be made not later than the end				
36	of the school year following that in which the under expenditure occurs.				
37	b. Whenever the Department of Education has recovered funds as defined in the preceding				
38	paragraph a., the Secretary of Education is authorized to repay to the locality affected by that				
39	action, seventy-five percent (75%) of those funds upon his determination that:				
40	1) The local school board agrees to include the funds in its June 30 ending balance for the				
41	year following that in which the under expenditure occurs;				
42	2) The local governing body agrees to reappropriate the funds as a supplemental appropriation				
43	to the approved budget for the second year following that in which the under expenditure				
44	occurs, in an appropriate category as requested by the local school board, for the direct benefit				
45	of the students;				
46	3) The local school board agrees to expend these funds, over and above the funds required to				
47	meet the required local expenditure for the second year following that in which the under				
48	expenditure occurs, for a special project, the details of which must be furnished to the				
49	Department of Education for review and approval;				
50	4) The local school board agrees to submit quarterly reports to the Department of Education				
51	on the use of funds provided through this project award; and

1	5) The local governing body and the local school board agree that the project award will				
2	be cancelled and the funds withdrawn if the above conditions have not been met as of June				
3	30 of the second year following that in which the under expenditure occurs.				
4	c. There is hereby appropriated, for the purposes of the foregoing repayment, a sum				
5	sufficient, not to exceed 75 percent of the funds deposited in the general fund pursuant to				
6	the preceding paragraph a.				
7	10. The Department of Education shall specify the manner for collecting the required				
8	information and the method for determining if a school division has expended the local				
9	funds required to support the actual local match based on all Lottery and Incentive				
10	programs in which the school division has elected to participate. Unless specifically stated				
11	otherwise in this Item, school divisions electing to participate in any Lottery or Incentive				
12	program that requires a local funding match in order to receive state funding, shall certify				
13	to the Department of Education its intent to participate in each program by July 1 each				
14	fiscal year in a manner prescribed by the Department of Education. As part of this				
15	certification process, each division superintendent must also certify that adequate local				
16	funds have been appropriated, above the required local effort for the Standards of Quality,				
17	to support the projected required local match based on the Lottery and Incentive programs				
18	in which the school division has elected to participate. State funding for such program(s)				
19	shall not be made until such time that the school division can certify that sufficient local				
20	funding has been appropriated to meet required local match. The Department of Education				
21	shall make calculations after the close of the fiscal year to verify that the required local				
22	match was met based on the state funds that were received.				
23	11. Any sum of local matching funds for Lottery and Incentive program which a locality				
24	has not expended as of the end of a fiscal year in support of the required local match				
25	pursuant to this Item shall be paid by the locality into the general fund of the state treasury				
26	unless the carryover of those unspent funds is specifically permitted by other provisions of				
27	this act. Such payments shall be made no later than the end of the school year following				
28	that in which the under expenditure occurred.				
29	12. The Superintendent of Public Instruction shall provide a report annually, no later than				
30	the first day of the General Assembly session, on the status of teacher salaries, by local				
31	school division, to the Governor and the Chairmen of the Senate Finance and House				
32	Appropriations Committees. In addition to information on average salaries by school				
33	division and statewide comparisons with other states, the report shall also include				
34	information on starting salaries by school division and average teacher salaries by school.				
35	13. All state and local matching funds required by the programs in this Item shall be				
36	appropriated to the budget of the local school board.				
37	14. By November 15 of each year, the Department of Planning and Budget, in cooperation				
38	with the Department of Education, shall prepare and submit a preliminary forecast of				
39	Standards of Quality expenditures, based upon the most current data available, to the				
40	Chairmen of the House Appropriations and Senate Finance Committees. In odd-numbered				
41	years, the forecast for the current and subsequent two fiscal years shall be provided. In				
42	even-numbered years, the forecast for the current and subsequent fiscal year shall be				
43	provided. The forecast shall detail the projected March 31 Average Daily Membership and				
44	the resulting impact on the education budget.				
45	15. School divisions may choose to use state payments provided for Standards of Quality				
46	Prevention, Intervention, and Remediation in both years as a block grant for remediation				
47	purposes, without restrictions or reporting requirements, other than reporting necessary as				
48	a basis for determining funding for the program.				
49	16. Except as otherwise provided in this act, the Superintendent of Public Instruction shall				
50	provide guidelines for the distribution and expenditure of general fund appropriations and				
51	such additional federal, private and other funds as may be made available to aid in the				
52	establishment and maintenance of the public schools.				
53	17. At the Department of Education's option, fees for audio-visual services may be				
54	deducted from state Basic Aid payments for individual local school divisions.

3	19. Payments for accounts related to the Standards of Quality made to localities for public				
4	education from the general fund, as provided herein, shall be payable in twenty-four semi-				
5	monthly installments at the middle and end of each month.				
6	20. Notwithstanding § 58.1-638 D., Code of Virginia, and other language in this Item, the				
7	Department of Education shall, for purposes of calculating the state and local shares of the				
8	Standards of Quality, apportion state sales and use tax dedicated to public education and those				
9	sales tax revenues transferred to the general fund from the Public Education Standards of				
10	Quality/ Local Real Estate Property Tax Relief Fund in the first year based on the July 1,				
11	2018, estimate of school age population provided by the Weldon Cooper Center for Public				
12	Service and, in the second year, based on the July 1, 2019, estimate of school age population				
13	provided by the Weldon Cooper Center for Public Service.				
14	Notwithstanding § 58.1-638 D., Code of Virginia, and other language in this Item, the State				
15	Comptroller shall distribute the state sales and use tax revenues dedicated to public education				
16	and those sales tax revenues transferred to the general fund from the Public Education				
17	Standards of Quality/ Local Real Estate Property Tax Relief Fund in the first year based on				
18	the July 1, 2018, estimate of school age population provided by the Weldon Cooper Center for				
19	Public Service and, in the second year, based on the July 1, 2019, estimate of school age				
20	population provided by the Weldon Cooper Center for Public Service.				
21	21. The school divisions within the Tobacco Region, as defined by the Tobacco				
22	Indemnification and Community Revitalization Commission, shall jointly explore ways to				
23	maximize their collective expenditure reimbursement totals for all eligible E-Rate funding.				
24	22. This Item includes appropriations totaling an estimated \$657,959,397 \$685,031,123 the				
25	first year and \$666,104,670 \$690,903,334 the second year from the revenues deposited to the				
26	Lottery Proceeds Fund. These amounts are appropriated for distribution to counties, cities,				
27	and towns to support public education programs pursuant to Article X, Section 7-A				
28	Constitution of Virginia. Any county, city, or town which accepts a distribution from this fund				
29	shall provide its portion of the cost of maintaining an educational program meeting the				
30	Standards of Quality pursuant to Section 2 of Article VIII of the Constitution without the use				
31	of distributions from the fund.				
32	23. For reporting purposes, the Department of Education shall include Lottery Proceeds Funds				
33	as state funds.				
34	24.a. Any locality that has met its required local effort for the Standards of Quality accounts				
35	for FY 2021 and that has met its required local match for incentive or Lottery-funded				
36	programs in which the locality elected to participate in FY 2021 may carry over into FY 2022				
37	any remaining state Direct Aid to Public Education fund balances available to help minimize				
38	any FY 2022 revenue adjustments that may occur in state funding to that locality. Localities				
39	electing to carry forward such unspent state funds must appropriate the funds to the school				
40	division for expenditure in FY 2022.				
41	b. Any locality that has met its required local effort for the Standards of Quality accounts for				
42	FY 2022 and that has met its required local match for incentive or Lottery-funded programs in				
43	which the locality elected to participate in FY 2022 may carry over into FY 2023 any				
44	remaining state Direct Aid to Public Education fund balances available to help minimize any				
45	FY 2023 revenue adjustments that may occur in state funding to that locality. Localities				
46	electing to carry forward such unspent state funds must appropriate the funds to the school				
47	division for expenditure in FY 2023.				
48	25. Localities are encouraged to allow school boards to carry over any unspent local				
49	allocations into the next fiscal year. Localities are also encouraged to provide increased				
50	flexibility to school boards by appropriating state and local funds for public education in a				
51	lump sum.				
52	26. The Department of Education shall include in the annual School Performance Report Card				
53	for school divisions the percentage of each division's annual operating budget allocated to				
54	instructional costs. For this report, the Department of Education shall establish a methodology

1	for allocating each school division's expenditures to instructional and non-instructional				
2	costs in a manner that is consistent with the funding of the Standards of Quality as				
3	approved by the General Assembly.				
4	27. It is the intent of the General Assembly that all school divisions annually provide their				
5	employees, upon request, with a user-friendly statement of total compensation, including				
6	contract duration if less than 12 months.				
7	28. The Department of Education, in collaboration with the Virginia Community College				
8	System, will ensure that the same policies regarding the cost for dual enrollment courses				
9	held at a community college, are consistently applied to public school students and home-				
10	schooled students alike. These policies will clearly address the school division				
11	contributions and any student charges for dual enrollment courses, and will ensure that				
12	public school students and home-school students are treated in the same manner.				
13	29. Each school division shall report each year to the Department of Education the				
14	individual uses for the prior year of the following funds prescribed by this item: (i)				
15	Prevention, Intervention, and Remediation, (ii) At-Risk Add-On, and (iii) Early Reading				
16	Intervention. The Department shall prescribe the format and timeline required for the				
17	reporting of such information, which shall include, permitted categories of spending,				
18	personnel, both state and local contributions, and to the extent possible, the individual				
19	schools which these funds were expended. The Department shall compile and submit this				
20	information to the Chairs of the House Appropriations and Senate Finance and				
21	Appropriations Committees no later than the first day of the General Assembly session.				
22	30. In the first year only, the Department of Education shall not reduce semi-monthly				
23	payments to school divisions due to mid-year adjustments to ADM projections. Semi-				
24	monthly payments occurring after the final calculation of March 31 ADM shall be				
25	adjusted to address changes in membership that occur throughout the school year. It is the				
26	intent of the General Assembly that this is a one-time action to address fluctuating				
27	enrollment resulting from the COVID-19 emergency.				
28	C. Apportionment				
29	1. Subject to the conditions stated in this paragraph and in paragraph B of this Item, each				
30	locality shall receive sums as listed above within this program for the basic operation cost				
31	and payments in addition to that cost. The apportionment herein directed shall be inclusive				
32	of, and without further payment by reason of, state funds for library and other teaching				
33	materials.				
34	2. School Employee Retirement Contributions				
35	a. This Item provides funds to each local school board for the state share of the employer's				
36	retirement cost incurred by it, on behalf of instructional and support personnel, for				
37	subsequent transfer to the retirement allowance account as provided by Title 51.1, Chapter				
38	1, Code of Virginia.				
39	b. Notwithstanding § 51.1-1401, Code of Virginia, the Commonwealth shall provide				
40	payments for only the state share of the Standards of Quality fringe benefit cost of the				
41	retiree health care credit. This Item includes payments in both years based on the state				
42	share of fringe benefit costs of 55 percent of the employer's cost on funded Standards of				
43	Quality instructional and support positions, distributed based on the composite index of				
44	the local ability-to-pay.				
45	3. School Employee Social Security Contributions				
46	a. This Item provides funds to each local school board for the state share of the employer's				
47	Social Security cost incurred by it, on behalf of the instructional personnel for subsequent				
48	transfer to the Contribution Fund pursuant to Title 51.1, Chapter 7, Code of Virginia.				
49	b. Appropriations for contributions in paragraphs 2 and 3 above include payments from				
50	funds derived from the principal of the Literary Fund in accordance with Article VIII,				
51	Section 8, of the Constitution of Virginia. The amounts set aside from the Literary Fund				
52	for these purposes shall not exceed \$162,000,000 the first year and \$83,000,000 the				
53	second year.

3	Group Life Insurance cost incurred by it on behalf of instructional personnel who participate				
4	in group insurance under the provisions of Title 51.1, Chapter 5, Code of Virginia.				
5	5. Basic Aid Payments				
6	a.1) A state share of the Basic Operation Cost, which cost per pupil in March 31 ADM is				
7	established individually for each local school division based on the number of instructional				
8	personnel required by the Standards of Quality and the statewide prevailing salary levels				
9	(adjusted in Planning District Eight <i>and the counties of Accomack and Northampton</i> for the				
10	cost of competing) as well as recognized support costs calculated on a prevailing basis for an				
11	estimated March 31 ADM.				
12	2) This appropriation includes funding to recognize the common labor market in the				
13	Washington-Baltimore-Northern Virginia, DC-MD-VA-WV Combined Statistical Area.				
14	Standards of Quality salary payments for instructional and support positions in school				
15	divisions of the localities set out below have been adjusted for the equivalent portion of the				
16	Cost of Competing Adjustment (COCA) rates that are paid to local school divisions in				
17	Planning District Eight <i>and the counties of Accomack and Northampton</i> . For the counties of				
18	Stafford, Fauquier, Spotsylvania, Clarke, Warren, Frederick, and Culpeper and the Cities of				
19	Fredericksburg and Winchester, the SOQ payments for instructional and support positions				
20	have been increased by 25 percent each year of the COCA rates paid to school divisions in				
21	Planning District Eight <i>and the counties of Accomack and Northampton</i> .				
22	The support COCA rate is 16.0 10.6 percent.				
23	b. The state share for a locality shall be equal to the Basic Operation Cost for that locality less				
24	the locality's estimated revenues from the state sales and use tax (returned on the basis of the				
25	latest yearly estimate of school age population provided by the Weldon Cooper Center for				
26	Public Service, as specified in this Item), in the fiscal year in which the school year begins				
27	and less the required local expenditure.				
28	c. For the purpose of this paragraph, the Department of Taxation's fiscal year sales and use tax				
29	estimates are as cited in this Item.				
30	d. 1) In accordance with the provisions of § 37.2-713, Code of Virginia, the Department of				
31	Education shall deduct the locality's share for the education of handicapped pupils residing in				
32	institutions within the Department of Behavioral Health and Developmental Services from the				
33	locality's Basic Aid payments.				
34	2) The amounts deducted from Basic Aid for the education of intellectually disabled persons				
35	shall be transferred to the Department of Behavioral Health and Developmental Services in				
36	support of the cost of educating such persons; the amount deducted from Basic Aid for the				
37	education of emotionally disturbed persons shall be used to cover extraordinary expenses				
38	incurred in the education of such persons. The Department of Education shall establish				
39	guidelines to implement these provisions and shall provide for the periodic transfer of sums				
40	due from each local school division to the Department of Behavioral Health and				
41	Developmental Services and for Special Education categorical payments. The amount of the				
42	actual transfers will be based on data accumulated during the prior school year.				
43	e. 1) The apportionment to localities of all driver education revenues received during the				
44	school year shall be made as an undesignated component of the state share of Basic Aid in				
45	accordance with the provisions of this Item. Only school divisions complying with the				
46	standardized program established by the Board of Education shall be entitled to participate in				
47	the distribution of state funds appropriated for driver education. The Department of Education				
48	will deduct a designated amount per pupil from a school division's Basic Aid payment when				
49	the school division is not in compliance with § 22.1-205 C, Code of Virginia. Such amount				
50	will be computed by dividing the current appropriation for the Driver Education Fund by				
51	actual March 31 ADM.				
52	2) Local school boards may charge a per pupil fee for behind-the-wheel driver education

2	for a pro rata reduction in Basic Aid payments to school divisions.				
3	f. Textbooks				
4	1) The appropriation in this Item includes \$75,370,476 \$72,851,568 the first year and				
5	\$75,647,111 \$73,119,307 the second year from the general fund as the state's share of the				
6	cost of textbooks based on a per pupil amount of \$107.47 the first year and \$107.47 the				
7	second year. A school division shall appropriate these funds for textbooks or any other				
8	public education instructional expenditure by the school division. The state's distributions				
9	for textbooks shall be based on adjusted March 31 ADM. These funds shall be matched by				
10	the local government, based on the composite index of local ability-to-pay.				
11	2) School divisions shall provide free textbooks to all students.				
12	3) School divisions may use a portion of this funding to purchase Standards of Learning				
13	instructional materials. School divisions may also use these funds to purchase electronic				
14	textbooks or other electronic media resources integral to the curriculum and classroom				
15	instruction and the technical equipment required to read and access the electronic				
16	textbooks and electronic curriculum materials.				
17	4) Any funds provided to school divisions for textbook costs that are unexpended as of				
18	June 30, 2021, or June 30, 2022, shall be carried on the books of the locality to be				
19	appropriated to the school division the following year to be used for same purpose. School				
20	divisions are permitted to carry forward any remaining balance of textbook funds until the				
21	funds are expended for a qualifying purpose.				
22	5) Notwithstanding any other provision in statute or in this item, to provide temporary				
23	flexibility in the first year, school divisions may elect to use textbook payments to address				
24	costs incurred as a result of reopening schools that were closed due to the COVID-19				
25	pandemic or to support virtual learning needs in school divisions that have not fully				
26	reopened to in-person instruction. Such costs may include, but are not limited to cleaning				
27	supplies, personal protective equipment, reduced class sizes to meet social distancing				
28	guidelines, technology needs and internet access. No local match is required to receive				
29	these state funds in the first year only and such local match shall be excluded from the				
30	determination of required local effort in the first year pursuant to Item 145.B.8. of this act,				
31	and § 22.1-97, Code of Virginia.				
32	g. The one-cent state sales and use tax earmarked for education and the sales tax revenues				
33	transferred to the general fund from the Public Education Standards of Quality/Local Real

35	localities on the basis of the latest yearly estimate of school age population provided by				
36	the Weldon Cooper Center for Public Service as specified in this Item shall be reflected in				
37	each locality's annual budget for educational purposes as a separate revenue source for the				
38	current fiscal year.				
39	h. The appropriation for the Standards of Quality for Public Education (SOQ) includes				
40	amounts estimated at \$365,700,000 \$394,400,000 the first year and \$375,900,000

43	pursuant to Part 3 of this act which are derived from the 0.375 cent increase in the state				
44	sales and use tax levied pursuant to § 58.1-638, Code of Virginia. These additional funds				
45	are provided to local school divisions and local governments in order to relieve the				
46	financial pressure education programs place on local real estate taxes.				
47	i. From the total amounts in paragraph h. above, an amount estimated at \$243,800,000				
48	\$263,000,000 the first year and \$250,600,000 \$270,100,000 the second year

51	Chapters 939 & 955 of the Acts of Assembly of 2004: five elementary resource teachers				
52	per 1,000 students; one support and one instructional technology position per 1,000				
53	students; a full daily planning period for teachers at the middle and high school levels in

5	Estate Property Tax Relief Fund on the basis of the latest yearly estimate of school age				
6	population provided by the Weldon Cooper Center for Public Service as specified in this Item.				
7	k. For the purposes of funding certain support positions in Basic Aid, a funding ratio				
8	methodology is used based upon the prevailing ratio of actual support positions, consistent				
9	with those recognized for SOQ funding, to actual instructional positions, consistent with those				
10	recognized for SOQ funding, as established in Chapter 781, 2009 Acts of Assembly. For the				
11	purposes of making the required spending adjustments, the appropriation and distribution of				
12	Basic Aid shall reflect this methodology. Local school divisions shall have the discretion as to				
13	where the adjustment may be made, consistent with the Standards of Quality funded in this				
14	Act.				
15	6. Education of the Gifted Payments				
16	a. An additional payment shall be disbursed by the Department of Education to local school				
17	divisions to support the state share of one full-time equivalent instructional position per 1,000				
18	students in adjusted March 31 ADM.				
19	b. Local school divisions are required to spend, as part of the required local expenditure for				
20	the Standards of Quality the established per pupil cost for gifted education (state and local				
21	share) on approved programs for the gifted.				
22	7. Occupational-Vocational Education Payments				
23	a. An additional payment shall be disbursed by the Department of Education to the local				
24	school divisions to support the state share of the number of Vocational Education instructors				
25	required by the Standards of Quality. These funds shall be disbursed on the same basis as the				
26	payment is calculated.				
27	b. An amount estimated at \$129,097,464 \$129,097,542 the first year and \$129,160,173 the				
28	second year from the general fund included in Basic Aid Payments relates to vocational				
29	education programs in support of the Standards of Quality.				
30	8. Special Education Payments				
31	a. An additional payment shall be disbursed by the Department of Education to the local				
32	school divisions to support the state share of the number of Special Education instructors				
33	required by the Standards of Quality. These funds shall be disbursed on the same basis as the				
34	payment is calculated.				
35	b. Out of the amounts for special education payments, general fund support is provided to				
36	fund the caseload standards for speech pathologists at 68 students for each year of the				
37	biennium.				
38	9. Remedial Education Payments				
39	a. An additional payment estimated at \$121,073,126 \$117,973,133 the first year and

41	Department of Education to support the Board of Education's Standards of Quality				
42	Prevention, Intervention, and Remediation program adopted in June 2003.				
43	b. The payment shall be calculated based on one hour of additional instruction per day for				
44	identified students, using the three year average percent of students eligible for the federal				
45	Free Lunch program as a proxy for students needing such services. Fall membership shall be				
46	multiplied by the three year average division-level Free Lunch eligibility percentage to				
47	determine the estimated number of students eligible for services. Pupil-teacher ratios shall be				
48	applied to the estimated number of eligible students to determine the number of instructional				
49	positions needed for each school division. The pupil-teacher ratio applied for each school				
50	division shall range from 10:1 for those divisions with the most severe combined three year				
51	average failure rates for English and math Standards of Learning test scores to 18:1 for those				
52	divisions with the lowest combined three year average failure rates for English and math

4	d. To provide flexibility in the instruction of English Language Learners who have limited				
5	English proficiency and who are at risk of not meeting state accountability standards,				
6	school divisions may use state and local funds from the SOQ Prevention, Intervention, and				
7	Remediation account to employ additional English Language Learner teachers to provide				
8	instruction to identified limited English proficiency students. Using these funds in this

11	School divisions using the SOQ Prevention, Intervention, and Remediation funds in this				
12	manner shall only employ instructional personnel licensed by the Board of Education.				
13	e. An additional state payment estimated at \$149,886,328 \$70,914,683 the first year and				
14	\$173,220,888 \$133,057,800 the second year from the general fund and				
15	\$58,211,291 \$106,171,982 the first year and \$60,956,428 \$97,331,981 the second year				
16	from the Lottery Proceeds Fund shall be disbursed based on the estimated number of				
17	federal Free Lunch participants, in support of programs for students who are educationally				
18	at risk. The additional payment shall be based on the state share of:				
19	1) A minimum 1.0 percent Add-On, as a percent of the per pupil basic aid cost, for each				
20	child who qualifies for the federal Free Lunch Program; and				
21	2) An addition to the Add-On, based on the concentration of children qualifying for the				
22	federal Free Lunch Program. Based on its percentage of Free Lunch participants, each				
23	school division will receive a total between 1.0 and 23.0 19.9 percent in the first year and				
24	between 1.0 and 26.0 percent in the second year in additional basic aid per Free Lunch				
25	participant. These funds shall be matched by the local government, based on the				
26	composite index of local ability-to-pay.				
27	3a) Local school divisions are required to spend the established At-Risk Add-On payment				
28	(state and local share) on approved programs for students who are educationally at risk.				
29	b) To receive these funds, each school division shall certify to the Department of				
30	Education that the state and local share of the At-Risk Add-On payment will be used to				
31	support approved programs for students who are educationally at risk. These programs				
32	may include: teacher recruitment programs and incentives, Dropout Prevention,				
33	community and school-based truancy officer programs, Advancement Via Individual				
34	Determination (AVID), Project Discovery, Reading Recovery, programs for students who				
35	speak English as a Second Language, hiring additional school guidance counselors, testing				
36	coordinators, and licensed behavior analysts, or programs related to increasing the success				
37	of disadvantaged students in completing a high school degree and providing opportunities				
38	to encourage further education and training. Further, in the first year only each school				
39	division shall report by August 1 to the Department the individual uses of these funds. The				
40	Department shall compile the responses and provide them to the Chairmen of House				
41	Appropriations and Senate Finance Committees no later than the first day of each Regular				
42	General Assembly Session.				
43	4) If the Board of Education has required a local school board to submit a corrective				
44	action plan pursuant to § <u>22.1-253.13:3</u> , Code of Virginia, either for the school division				
45	pursuant to a division level review, or for any schools within its division that have been				
46	designated as not meeting the standards as approved by the Board of Education, the				
47	Superintendent of Public Instruction shall determine and report to the Board of Education				
48	whether each such local school board has met its obligation to develop and submit such				
49	corrective action plan(s) and is making adequate and timely progress in implementing the				
50	plan(s). Additionally, if an academic or other review process undertaken pursuant to §				
51	<u>22.1-253.13:3</u> , Code of Virginia, has identified actions for a local school board to				
52	implement, the Superintendent of Public Instruction shall determine and report to the				
53	Board of Education whether the local school board has implemented required actions. If				
54	the Superintendent certifies that a local school board has failed or refused to meet any of				
55	those obligations as referenced in a memorandum of understanding between the local				
56	school board and the Board of Education, the Board of Education shall withhold payment

2	this allocation for the pending fiscal year. In determining the amount of At-Risk Add-On				
3	funds to be withheld, the Board of Education shall take into consideration the extent to which				
4	such funds have already been expended or contractually obligated. The local school board				
5	shall be given an opportunity to correct its failure and, if successful in a timely manner, may				
6	have some or all of its At-Risk Add-On funds restored at the Board of Education's discretion.				
7	f. Regional Alternative Education Programs				
8	1) An additional state payment of \$9,526,559 \$9,206,220 the first year and				
9	\$9,834,814 \$9,456,237 the second year from the Lottery Proceeds Fund shall be disbursed for				
10	Regional Alternative Education programs. Such programs shall be for the purpose of				
11	educating certain expelled students and, as appropriate, students who have received				
12	suspensions from public schools and students returned to the community from the Department				
13	of Juvenile Justice.				
14	2) Each regional program shall have a small student/staff ratio. Such staff shall include, but				
15	not be limited to education, mental health, health, and law enforcement professionals, who				
16	will collaborate to provide for the academic, psychological, and social needs of the students.				
17	Each program shall be designed to ensure that students make the transition back into the				
18	"mainstream" within their local school division.				
19	3) a) Regional alternative education programs are funded through this Item based on the				
20	state's share of the incremental per pupil cost for providing such programs. This incremental				
21	per pupil payment shall be adjusted for the composite index of local ability-to-pay of the				
22	school division that counts such students attending such program in its March 31 Average				
23	Daily Membership. It is the intent of the General Assembly that this incremental per pupil				
24	amount be in addition to the basic aid per pupil funding provided to the affected school				
25	division for such students. Therefore, local school divisions are encouraged to provide the				
26	appropriate portion of the basic aid per pupil funding to the regional programs for students				
27	attending these programs, adjusted for costs incurred by the school division for transportation,				
28	administration, and any portion of the school day or school year that the student does not				
29	attend such program.				
30	b) In the event a school division does not use all of the student slots it is allocated under this				
31	program, the unused slots may be reallocated or transferred to another school division.				
32	1. A school division must request from the Department of Education the availability and				
33	possible use of any unused student slots. If any unused slots are available and if the requesting				
34	school division chooses to utilize any of the unused slots, the requesting school division shall				
35	only receive the state's share of tuition for the unused slot that was allocated in this Item for				
36	the originally designated school division.				
37	2. However, no requesting school division shall receive more tuition funding from the state				
38	for any requested unused slot than what would have been the calculated amount for the				
39	requesting school division had the unused slot been allocated to the requesting school division				
40	in the original budget. Furthermore, the requesting school division shall pay for any remaining				
41	tuition payment necessary for using a previously unused slot.				
42	3. The Department of Education shall provide assistance for the state share of the incremental				
43	cost of Regional Alternative Education program operations based on the composite index of				
44	local ability-to-pay.				
45	4) Out of the appropriation included in paragraph C-38: of this item; \$304,117 the first year				
46	and \$612,979 the second year from the Lottery Proceeds Fund are provided for a				
47	compensation supplement payment equal to 2.0 percent of base pay on July 1, 2020; and for a				
48	compensation supplement payment equal to 2.0 percent of base pay on July 1, 2021; for				
49	Regional Alternative Education Program instructional and support positions; as referenced in				
50	paragraph C- 38: of this item.				
51	5) The Department of Education shall develop a plan to determine and biennially				
52	rebenchmark the allocation of existing regional alternative education program slots to				
53	participating school divisions. In developing a plan, the Department shall (i) identify a				
54	mechanism to calculate slot distribution based on the number of students in a participating

1	division requiring regional alternative education, (ii) identify needs to implement such a				
2	plan, including reporting from local school divisions, (iii) identify any legislative and				
3	Appropriation Act amendments necessary for implementation, and (iv) plan for the full				
4	implementation to rebenchmark the slot allocation of regional alternative education				
5	programs. The Department shall report the recommendation to the Secretary of Education,				
6	and the Chairs of the House Appropriations and Senate Finance and Appropriations				
7	Committees by August 1, 2021.				
8	6) Out of the appropriation included in paragraph C.44 of this Item, \$260,471 the second				
9	year from the Lottery Proceeds Fund is included in the Regional Alternative Education				
10	Program funding allocation for a one-time bonus payment equal to two percent of base				
11	pay on September 1, 2021, for Regional Alternative Education Program instructional and				
12	support positions.				
13	g. Remedial Summer School				
14	1) This appropriation includes \$22,625,279 \$17,994,400 the first year and \$22,584,988 the				
15	second year from the general fund for the state's share of Remedial Summer School				
16	Programs. These funds are available to school divisions for the operation of programs				
17	designed to remediate students who are required to attend such programs during a summer				
18	school session or during an intersession in the case of year-round schools. These funds				
19	may be used in conjunction with other sources of state funding for remediation or				
20	intervention. School divisions shall have maximum flexibility with respect to the use of				
21	these funds and the types of remediation programs offered; however, in exercising this				
22	flexibility, students attending these programs shall not be charged tuition and no high				
23	school credit may be awarded to students who participate in this program.				
24	2) For school divisions charging students tuition for summer high school credit courses,				
25	consideration shall be given to students from households with extenuating financial				
26	circumstances who are repeating a class in order to graduate.				
27	10. K-3 Primary Class Size Reduction Payments				
28	a. An additional payment estimated at \$141,698,697 \$129,176,942 the first year and				
29	\$141,828,973 \$132,995,629 the second year from the Lottery Proceeds Fund shall be				
30	disbursed by the Department of Education as an incentive for reducing class sizes in the				
31	primary grades.				
32	b. The Department of Education shall calculate the payment based on the incremental cost				
33	of providing the lower class sizes based on the lower of the division average per pupil cost				
34	of all divisions or the actual division per pupil cost.				
35	c. Localities are required to provide a match for these funds based on the composite index				
36	of local ability-to-pay.				
37	d. By October 15 of each year school divisions must provide data to the Department of				
38	Education that each participating school has a September 30 pupil/teacher ratio in grades				
39	K through 3 that meet the following criteria:				
40	Qualifying School Percentage of	Grades K-3	Maximum Individual		
41	Students Approved				
42	Eligible for Free Lunch, Three-Year	School Ratio	K-3 Class Size		
43	Average				
44	30% but less than 45%	19 to 1	24		
45	45% but less than 55%	18 to 1	23		
46	55% but less than 65%	17 to 1	22

48	70% but less than 75%	15 to 1	20		
49	75% or more	14 to 1	19		
50	e. School divisions may elect to have eligible schools participate at a higher ratio, or only				
51	in a portion of grades kindergarten through three, with a commensurate reduction of state				
52	and required local funds, if local conditions do not permit participation at the established

1	ratio and/or maximum individual class size. In the event that a school division requires				
2	additional actions to ensure participation at the established ratio and/or maximum individual				
3	class size, such actions must be completed by December 1 of the impacted school year.				
4	Special education teachers and instructional aides shall not be counted towards meeting these				
5	required pupil/teacher ratios in grades kindergarten through three.				
6	f. The Superintendent of Public Instruction may grant waivers to school divisions for the class				
7	size requirement in eligible schools that have only one class in an affected grade level in the				
8	school.				
9	11. Literary Fund Subsidy Program Payments				
10	a. The Department of Education and the Virginia Public School Authority (VPSA) shall				
11	provide a program of funding for school construction and renovation through the Literary				
12	Fund and through VPSA bond sales. The program shall be used to provide funds, through				
13	Literary Fund loans and subsidies, and through VPSA bond sales, to fund a portion of the				
14	projects on the First or Second Literary Fund Waiting List, or other critical projects which				
15	may receive priority placement on the First or Second Literary Fund Waiting List by the				
16	Department of Education. Interest rate subsidies will provide school divisions with the present				
17	value difference in debt service between a Literary Fund loan and a borrowing through the				
18	VPSA. To qualify for an interest rate subsidy, the school division's project must be eligible				
19	for a Literary Fund loan and shall be subject to the same restrictions. The VPSA shall work				
20	with the Department of Education in selecting those projects to be funded through the interest				
21	rate subsidy/bond financing program, so as to ensure the maximum leverage of Literary Fund				
22	moneys and a minimum impact on the VPSA Bond Pool.				
23	b. The Department of Education may offer Literary Fund loans from the uncommitted				
24	balances of the Literary Fund after meeting the obligations of the interest rate subsidy sales				
25	and the amounts set aside from the Literary Fund for Debt Service Payments for Education				
26	Technology and Security Equipment in this Item.				
27	c. 1) In the event that on any scheduled payment date of bonds of the Virginia Public School				
28	Authority (VPSA) authorized under the provisions of a bond resolution adopted subsequent to				
29	June 30, 1997, issued subsequent to June 30, 1997, and not benefiting from the provisions of				
30	either § 22.1-168 (iii), (iv), and (v), Code of Virginia, or § 22.1-168.1, Code of Virginia, the				
31	sum of (i) the payments on general obligation school bonds of cities, counties, and towns				
32	(localities) paid to the VPSA and (ii) the proceeds derived from the application of the				
33	provisions of § 15.2-2659, Code of Virginia, to such bonds of localities, is less than the debt				
34	service due on such bonds of the VPSA on such date, there is hereby appropriated to the				
35	VPSA, first, from available moneys of the Literary Fund and, second, from the general fund a				
36	sum equal to such deficiency.				
37	2) The Commonwealth shall be subrogated to the VPSA to the extent of any such				
38	appropriation paid to the VPSA and shall be entitled to enforce the VPSA's remedies with				
39	respect to the defaulting locality and to full recovery of the amount of such deficiency,				
40	together with interest at the rate of the defaulting locality's bonds.				
41	d. The chairman of the Board of Commissioners of the VPSA shall, on or before November 1				
42	of each year, make and deliver to the Governor and the Secretary of Finance a certificate				
43	setting forth his estimate of total debt service during each fiscal year of the biennium on				
44	bonds of the VPSA issued and projected to be issued during such biennium pursuant to the				
45	bond resolution referred to in paragraph a above. The Governor's budget submission each year				
46	shall include provisions for the payment of debt service pursuant to paragraph 1) above.				
47	<i>e. The Virginia Department of Education and the Virginia Department of the Treasury shall</i>				
48	<i>develop recommendations to make Literary Fund construction loans more competitive and</i>				
49	<i>attractive to school divisions as a viable source for funding school construction projects. The</i>				
50	<i>objective of such recommendations should focus on making such loans valuable to both the</i>				
51	<i>Literary Fund and the borrowing localities with a goal of increasing localities' use of loans</i>				
52	<i>and increasing the overall health of the Literary Fund. The agencies should consider changes</i>				
53	<i>to the Literary Fund loan program and State Board of Education regulations that reflect</i>				
54	<i>market-favorable interest rates and provide loan alternatives for localities that are</i>				
55	<i>competitive with the Virginia Public School Authority and other construction financing</i>

22	c. It is the intent of the General Assembly to authorize sufficient Literary Fund revenues to				
23	pay debt service on the Virginia Public School Authority bonds or notes authorized for				
24	education technology grant programs. In developing the proposed 2022-2024, 2024-2026,				
25	and 2026-2028 biennial budgets for public education, the Department of Education shall				
26	include a recommendation to the Governor to authorize sufficient Literary Fund revenues				
27	to make debt service payments for these programs in fiscal years 2023, 2024, 2025, 2026,				
28	and 2027.				
29	d. 1) An education technology grant program shall be conducted through the Virginia				
30	Public School Authority, through the issuance of equipment notes in an amount estimated				
31	at \$57,533,200 \$56,085,200 in fiscal year 2021 and \$57,832,400 \$57,308,800 in fiscal year				
32	2022. Proceeds of the notes will be used to establish a computer-based instructional and				
33	testing system for the Standards of Learning (SOL) and to develop the capability for high				
34	speed Internet connectivity at high schools followed by middle schools followed by				
35	elementary schools. School divisions shall use these funds first to develop and maintain				
36	the capability to support the administration of online SOL testing for all students with the				
37	exception of students with a documented need for a paper SOL test.				
38	2) Grant funds from the issuance of \$57,533,200 \$56,085,200 in fiscal year 2021 and				
39	\$57,832,400 \$57,308,800 in fiscal year 2022 in equipment notes are based on a grant of				
40	\$26,000 per school and \$50,000 per school division. For purposes of this grant program,				
41	eligible schools shall include schools that are subject to state accreditation and reporting				
42	membership in grades K through 12 as of September 30, 2020, for the fiscal year 2021				
43	issuance, and September 30, 2021, for the fiscal year 2022 issuance, as well as regional				
44	vocational centers, special education centers, alternative education centers, regular school				
45	year Governor's Schools, CodeRVA Regional High School, and the School for the Deaf

47	this grant.				
48	3. a.) Supplemental grants shall be allocated to eligible divisions to support schools that				
49	are not fully accredited in accordance with this paragraph. Schools that include a ninth				
50	grade that administer SOL tests in Spring 2020 and that are not fully accredited for the

Schools eligible to receive this supplemental grant in fiscal year 2021 shall continue to receive the grant for the number of subsequent years equaling the number of grades 9 through 12 in the qualifying school up to a maximum of four years. Schools that administer SOL tests in Spring 2021 and that are not fully accredited for the second consecutive year based on school accreditation ratings in effect for fiscal year 2021 and fiscal year 2022 will qualify to participate in the initiative in fiscal year 2022. 19	b.) Supplemental grants allocated to school divisions for participation in the Virginia e-Learning Backpack Initiative prior to fiscal year 2017 shall be used in eligible schools for (1)			
20	the purchase of a laptop or tablet for a student reported in ninth grade fall membership, and			
21	(2) the purchase of two content creation packages for teachers per grant. The amounts for			
22	such grants shall remain unchanged.			
23				
24	4) Required local match:			
25	a) Localities are required to provide a match for these funds equal to 20 percent of the grant			
26	amount, including the supplemental grants provided pursuant to paragraph g. 5). At least 25			
27	percent of the local match, including the match for supplemental grants, shall be used for			
28	teacher training in the use of instructional technology, with the remainder spent on other			
29	required uses. The Superintendent of Public Instruction is authorized to reduce the required			
30	local match for school divisions with a composite index of local ability-to-pay below 0.2000.			
31	The Virginia School for the Deaf and the Blind is exempt from the match requirement.			
32	b) School divisions that administer 100 percent of SOL tests online in all elementary, middle,			
33	and high schools may use up to 75 percent of their required local match to purchase targeted			
34	technology-based interventions. Such interventions may include the necessary technology and			
35	software to support online learning, technology-based content systems, content management			
36	systems, technology equipment systems, information and data management systems, and			
37	other appropriate technologies that support the individual needs of learners. School divisions			
38	that receive supplemental grants pursuant to paragraph g.5) above shall use the funds in			
39	qualifying schools to purchase laptops and tablets for ninth grade students reported in fall			
40	membership and content creation packages for teachers.			
41	5) The goal of the education technology grant program is to improve the instructional,			
42	remedial, and testing capabilities of the Standards of Learning for local school divisions and			
43	to increase the number of schools achieving full accreditation.			
44	6) Funds shall be used in the following manner:			
45	a) Each division shall use funds to reach a goal, in each high school, of: (1) a 5-to-1 student			
46	to computer ratio; (2) an Internet-ready local area network (LAN) capability; and (3) high speed			
47	access to the Internet. School connectivity (computers, LANs and network access) shall			
48	include sufficient download/upload capability to ensure that each student will have adequate			
49	access to Internet-based instructional, remedial and assessment programs.			
50	b) When each high school in a division meets the goals established in paragraph a) above, the			
51	remaining funds shall be used to develop similar capability in first the middle schools and			
52	then the elementary schools.			
53	c) For purposes of establishing or enhancing a computer-based instructional program			
54	supporting the Standards of Learning pursuant to paragraph g. 1) above, these grant funds			
55	may be used to purchase handheld multifunctional computing devices that support a broad

1	range of applications and that are controlled by operating systems providing full				
2	multimedia support and mobile Internet connectivity. School divisions that elect to use				
3	these grant funds to purchase such qualifying handheld devices must continue to meet the				
4	on-line testing requirements stated in paragraph g. 1) above.				
5	d) School divisions shall be eligible to receive supplemental grants pursuant to paragraph				
6	g.5) above. These supplemental grants shall be used in qualifying schools for the purchase				
7	of laptops and tablets for ninth grade students reported in fall membership and content				
8	creation packages for teachers. Participating school divisions will be required to select a				
9	core set of electronic textbooks, applications and online services for productivity, learning				
10	management, collaboration, practice, and assessment to be included on all devices. In				
11	addition, participating school divisions will assume recurring costs for electronic textbook				
12	purchases and maintenance.				
13	e) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school				
14	divisions became one school division, whether by consolidation of only the school				
15	divisions or by consolidation of the local governments, such resulting division shall be				
16	provided funding through this program on the basis of having the same number of school				
17	divisions as existed prior to September 30, 2000.				
18	7) Local school divisions shall maximize the use of available federal funds, including E-				
19	Rate Funds, and to the extent possible, use such funds to supplement the program and				
20	meet the goals of this program.				
21	e. The Department of Education shall maintain criteria to determine if high schools,				
22	middle schools, or elementary schools have the capacity to meet the goals of this				
23	initiative. The Department of Education shall be responsible for the project management				
24	of this program.				
25	f. 1) In the event that, on any scheduled payment date of bonds or notes of the Virginia				
26	Public School Authority (VPSA) issued for the purpose described in § 22.1-166.2, Code				
27	of Virginia, and not benefiting from the provisions of either § 22.1-168 (iii), (iv) and (v),				
28	Code of Virginia, or § 22.1-168.1, Code of Virginia, the available moneys in the Literary				
29	Fund are less than the amounts authorized for debt service due on such bonds or notes of				
30	the VPSA on such date, there is hereby appropriated to the VPSA from the general fund a				
31	sum equal to such deficiency.				
32	2) The Chairman of the Board of Commissioners of the VPSA shall, on or before				
33	November 1 of each year, make and deliver to the Governor and the Secretary of Finance				
34	a certificate setting forth his estimate of total debt service during each fiscal year of the				
35	biennium on bonds and notes of the VPSA issued and projected to be issued during such				
36	biennium pursuant to the resolution referred to in paragraph 1) above. The Governor's				
37	budget submission each year shall include provisions for the payment of debt service				
38	pursuant to paragraph 1) above.				
39	g. Unobligated proceeds of the notes, including investment income derived from the				
40	proceeds of the notes may be used to pay interest on, or to decrease principal of the notes				
41	or to fund a portion of such other educational technology grants as authorized by the				
42	General Assembly.				
43	h. 1) For the purposes of § 56-232, Code of Virginia, "Contracts of Telephone Companies				
44	with State Government" and for the purposes of § 56-234 "Contracts for Service Rendered				
45	by a Telephone Company for the State Government" shall be deemed to include				
46	communications lines into public schools which are used for educational technology. The				
47	rate structure for such lines shall be negotiated by the Superintendent of Public Instruction				
48	and the Chief Information Officer of the Virginia Information Technologies Agency.				
49	Further, the Superintendent and Director are authorized to encourage the development of				
50	"by-pass" infrastructure in localities where it fails to obtain competitive prices or prices				
51	consistent with the best rates obtained in other parts of the state.				
52	2) The State Corporation Commission, in its consideration of the discount for services				
53	provided to elementary schools, secondary schools, and libraries and the universal service				
54	funding mechanisms as provided under § 254 of the Telecommunications Act of 1996, is				
55	hereby encouraged to make the discounts for intrastate services provided to elementary

schools, secondary schools, and libraries for educational purposes as large as is prudently possible and to fund such discounts through the universal fund as provided in § 254 of the Telecommunications Act of 1996. The commission shall proceed as expeditiously as possible in implementing these discounts and the funding mechanism for intrastate services, consistent with the rules of the Federal Communications Commission aimed at the preservation and advancement of universal service.

13. Security Equipment Payments

1) A security equipment grant program shall be conducted through the Virginia Public School Authority, through the issuance of equipment notes in an amount estimated at up to \$12,000,000 in fiscal year 2021 and \$12,000,000 in fiscal year 2022 in conjunction with the Virginia Public School Authority technology notes program authorized in C.12. of this Item. Proceeds of the notes will be used to help offset the related costs associated with the purchase of appropriate security equipment that will improve and help ensure the safety of students attending public schools in Virginia.

2) The Department of Education shall authorize estimated amounts as indicated in Table 1 from the Literary Fund to provide debt service payments for the security equipment grant programs conducted through the Virginia Public School Authority in the referenced years.

Table 1

Grant Year	FY 2021	FY 2022
2016	\$1,233,750	
2017	\$1,246,000	\$1,249,500
2018	\$1,273,500	\$1,273,500
2019	\$1,258,500	\$1,261,750

	\$2,430,288	\$2,430,750
2021		\$2,620,255
		\$2,565,690

3) It is the intent of the General Assembly to authorize sufficient Literary Fund revenues to pay debt service on the Virginia Public School Authority bonds or notes authorized for this program. In developing the proposed 2022-2024, 2024-2026, and 2026-2028 biennial budgets for public education, the Department of Education shall include a recommendation to the Governor to authorize sufficient Literary Fund revenues to make debt service payments for these programs in fiscal years 2023, 2024, 2025, 2026, and 2027.

4) In the event that, on any scheduled payment date of bonds or notes of the Virginia Public School Authority issued for the purpose described in § 22.1-166.2, Code of Virginia, and not benefiting from the provisions of either § 22.1-168 (iii), (iv) and (v), Code of Virginia, or § 22.1-168.1, Code of Virginia, the available moneys in the Literary Fund are less than the amounts authorized for debt service due on such bonds or notes on such date, there is hereby appropriated to the Virginia Public School Authority from the general fund a sum equal to such deficiency.

5) The Chairman of the Board of Commissioners of the Virginia Public School Authority shall, on or before November 1 of each year, deliver to the Governor and the Secretary of Finance a certificate setting forth his estimate of total debt service during each fiscal year of the biennium on bonds and notes issued and projected to be issued during such biennium. The Governor's budget submission each year shall include provisions for the payment of debt service pursuant to paragraph 1) above.

6) Grant award funds from the issuance of up to \$12,000,000 in fiscal year 2021 and \$12,000,000 in fiscal year 2022 in equipment notes shall be distributed to eligible school divisions. The grant awards will be based on a competitive grant basis of up to \$250,000 per school division. School divisions will be permitted to apply annually for grant funding. For purposes of this program, eligible schools shall include schools that are subject to state accreditation and reporting membership in grades K through 12 as of September 30, 2020, for the fiscal year 2021 issuance, and September 30, 2021, for the fiscal year 2022 issuance, as well as regional vocational centers, special education centers, alternative education centers,

2	Blind.				
3	7) School divisions would submit their application to Department of Education by August				
4	1 of each year based on the criteria developed by the Department of Education in				
5	collaboration with the Department of Criminal Justice Services who will provide				
6	requested technical support. Furthermore, the Department of Education will have the				
7	authority to make such grant awards to such school divisions.				
8	8) It is also the intent of the General Assembly that, beginning with fiscal year 2020, the				
9	total amount of the grant awards shall not exceed \$60,000,000 over any ongoing revolving				
10	five year period.				
11	9) Required local match:				
12	a) Localities are required to provide a match for these funds equal to 25 percent of the				
13	grant amount. The Superintendent of Public Instruction is authorized to reduce the				
14	required local match for school divisions with a composite index of local ability-to-pay				
15	below 0.2000. The Virginia School for the Deaf and the Blind is exempt from the match				
16	requirement.				
17	b) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school				
18	divisions became one school division, whether by consolidation of only the school				
19	divisions or by consolidation of the local governments, such resulting division shall be				
20	provided funding through this program on the basis of having the same number of school				
21	divisions as existed prior to September 30, 2000.				
22	c) Local school divisions shall maximize the use of available federal funds, including E-				
23	Rate Funds, and to the extent possible, use such funds to supplement the program and				
24	meet the goals of this program.				
25	14. Virginia Preschool Initiative Payments				
26	a.1) It is the intent of the General Assembly that a payment estimated at				
27	\$80,539,047 \$71,703,142 the first year and \$107,086,043 the second year from the general				
28	fund and \$16,600,000 the first year from federal funds shall be disbursed by the				
29	Department of Education to schools and community-based organizations to provide				
30	quality preschool programs for at-risk four-year-olds who are residents of Virginia and				
31	unserved by Head Start program funding and for at-risk five-year-olds who are not eligible				
32	to attend kindergarten.				
33	2) These state funds and required local matching funds shall be used to provide programs				
34	for at-risk four-year-old children, which include quality preschool education, health				
35	services, social services, parental involvement and transportation. It shall be the policy of				
36	the Commonwealth that state funds and required local matching funds for the Virginia				
37	Preschool Initiative not be used for capital outlay, not be used to supplant any Head Start				
38	federal funds provided for local early education programs, and not be used until the local				
39	Head Start grantee certifies that all local Head Start slots are filled. Programs must provide				
40	full-day or half-day and, at least, school-year services.				
41	3) The Department of Education shall establish academic standards that are in accordance				
42	with appropriate preparation for students to be ready to successfully enter kindergarten.				
43	These standards shall be established in such a manner as to be measurable for student				
44	achievement and success. Students shall be required to be evaluated in the fall and in the				
45	spring by each participating school division and the school divisions must certify that the				
46	Virginia Preschool Initiative program follows the established standards in order to receive				
47	the funding for quality preschool education and criteria for the service components. Such				
48	standards shall align with the Virginia Standards of Learning for Kindergarten.				
49	4) a) Grants shall be distributed based on an allocation formula providing the state share of				
50	a \$6,959 \$6,326 per pupil grant in the first year and a \$7,655 per pupil grant in the second				
51	year for 100 percent of the unserved at-risk four-year-olds in each locality for a full-day				
52	program. The number of unserved at-risk four-year-olds in each locality shall be based on				
53	the projected number of kindergarten students, updated once each biennium for the				
54	Governor's introduced biennial budget. Grants to half-day programs shall be funded based

1	on the state share of \$3,480 \$3,163 in the first year and \$3,828 in the second year per unserved				
2	at-risk four-year-old in each locality.				
3	b) Out of this appropriation, \$2,837,266 the first year and \$6,117,049 the second year from				
4	the general fund is provided to serve at-risk three-year-olds who are residents of Virginia and				
5	unserved by Head Start funding on a pilot basis using criteria as determined by the				
6	Department of Education. Localities may apply to participate in the pilot by May 15 each year				
7	and shall be selected on a competitive basis. Pilot providers shall be required to: (i)				
8	demonstrate broad stakeholder support, (ii) track outcomes for participating children, (iii)				
9	demonstrate how they will maximize federal and state funds to preserve existing birth to five				
10	slots, including certifying that all local Head Start slots are filled, (iv) support inclusive				
11	practices of children with identified special needs, and (v) collaborate among the school				
12	division, local department of social services, programs accepting child care subsidy payments,				
13	and providers for Head Start, private child care, and early childhood special education and				
14	early intervention programs. In addition, localities shall be selected using other criteria that				
15	include prioritizing: (i) communities with limited child care options; (ii) programs serving				
16	children in private, mixed-delivery settings; or (iii) communities that demonstrate full support				
17	of public and private providers. Grants shall be distributed based on an allocation formula				
18	providing the state share of a \$6,959 per pupil grant in the first year; and a \$7,655 per pupil				
19	grant in the second year. Grants to half-day programs shall be funded based on the state share				
20	of \$3,480 in the first year; and \$3,828 in the second year.				
21	c) Full-day programs shall operate for a minimum of five and one-half instructional hours,				
22	excluding breaks for meals, and half-day programs shall operate for a minimum of three hours				
23	of classroom instructional time per day, excluding breaks for lunch. Virginia Preschool				
24	Initiative programs may include unstructured recreational time that is intended to develop				
25	teamwork, social skills, and overall physical fitness in any calculation of total instructional				
26	time, provided that such unstructured recreational time does not exceed 15 percent of total				
27	instructional time or teaching hours. No additional state funding is provided for programs				
28	operating greater than three hours per day but less than five and one-half hours per day. In				
29	determining the state and local shares of funding, the composite index of local ability-to-pay				
30	is capped at 0.5000.				
31	d) For new programs in the first year of implementation only, programs operating less than a				
32	full school year shall receive state funds on a fractional basis determined by the pro-rata				
33	portion of a school year program provided. In determining the prorated state funds to be				
34	received, a school year shall be 180 days or 990 teaching hours.				
35	<i>e) To ensure children with special needs have equitable opportunity to enter kindergarten</i>				
36	<i>ready, all Virginia Preschool Initiative programs are expected to be inclusive of children with</i>				
37	<i>disabilities. Specifically, programs shall meet or exceed a target inclusion rate, such that 10</i>				
38	<i>percent of all children participating in the Virginia Preschool Initiative are children with</i>				
39	<i>disabilities, defined as those with an Individualized Education Plan, and are served in</i>				
40	<i>inclusive classrooms that include children who do not have an Individualized Education Plan.</i>				
41	<i>A program that is unable to meet this target shall provide reasons a 10 percent inclusion rate</i>				
42	<i>was not achieved in the given school year in its annual comprehensive report.</i>				
43	b.1) Any locality that desires to participate in this grant program must submit a proposal				
44	through its chief administrator (county administrator or city manager) by May 15 of each				
45	year. The chief administrator, in conjunction with the school superintendent, shall identify a				
46	lead agency for this program within the locality. The lead agency shall be responsible for				
47	developing a local plan for the delivery of quality preschool services to at-risk children, which				
48	demonstrates the coordination of resources and the combination of funding streams in an				
49	effort to serve the greatest number of at-risk four-year-old children. Starting in fiscal year				
50	2021 2022, localities may apply for additional funds to serve at-risk three-year-old children on				
51	a pilot basis.				
52	2) The proposal must demonstrate coordination with all parties necessary for the successful				
53	delivery of comprehensive services, including the schools, child care providers, local social				
54	services agency, Head Start, local health department, and other groups identified by the lead				
55	agency. The proposal must identify which entities were consulted and how the locality will				
56	ensure that federal funds are preserved and maximized including demonstrating compliance				
57	with Title I of the federal Elementary and Secondary Education Act to ensure that a Local

1	Educational Agency receiving Title I funding coordinates with Head Start programs and				
2	other early learning programs receiving federal funds by developing Memorandums of				
3	Understanding with such agencies to coordinate services. The proposal must also				
4	demonstrate a plan for supporting inclusive practices for children with identified special				
5	needs.				
6	3) A local match, based on the composite index of local ability-to-pay, shall be required.				
7	For purposes of meeting the local match, localities may use local expenditures for existing				
8	qualifying programs, however, at least fifty percent of the local match will be cash and no				
9	more than fifty percent will be in-kind. In-kind contributions are defined as cash outlays				
10	that are made by the locality that benefit the program but are not directly charged to the				
11	program. The value of fixed assets cannot be considered as an in-kind contribution.				
12	Philanthropic or other private funds may be contributed to the locality to be appropriated				
13	in their local budget and then utilized as local match. Localities shall also continue to				
14	pursue and coordinate other funding sources, including child care subsidies. Funds				
15	received through this program must be used to supplement, not supplant, any funds				
16	currently provided for programs within the locality. However, in the event a locality is				
17	unable to continue the previous level of support to programs for at-risk four-year-olds				
18	from Title I of the federal Elementary and Secondary Education Act (ESEA), the state and				
19	local funds provided in this grants program may be used to continue services to these Title				
20	I students. Such inability may occur due to adjustments to the allocation formula in the				
21	reauthorization of ESEA as the Every Student Succeeds Act of 2015, or due to a				
22	percentage reduction in a locality's Title I allocation in a particular year. Any locality so				
23	affected shall provide written evidence to the Superintendent of Public Instruction and				
24	request his approval to continue the services to Title I students.				
25	c. Local plans must provide clear methods of service coordination for the purpose of				
26	reducing the per child cost for the service, increasing the number of at-risk children served				
27	and/or extending services for the entire year. Examples of these include:				
28	1) "Wraparound Services" -- methods for combining funds such as child care subsidy				
29	dollars administered by local social service agencies with dollars for quality preschool				
30	education programs.				
31	2) "Wrap-out Services" - methods for using grant funds to purchase quality preschool				
32	services to at-risk four-year-old children through an existing child care setting by				
33	purchasing comprehensive services within a setting which currently provides quality				
34	preschool education.				
35	3) "Expansion of Service" - methods for using grant funds to purchase slots within				
36	existing programs, such as Head Start, which provides comprehensive services to at-risk				
37	three- and four-year-old children.				
38	d. Local plans must indicate the number of at-risk four-year-old children to be served, and				
39	the eligibility criteria for participation in this program shall be consistent with the				
40	economic and educational risk factors stated in the 2015-2016 programs guidelines that				
41	are specific to: (i) family income at or below 200 percent of federal poverty guidelines, (ii)				
42	homelessness, (iii) student's parents or guardians are school dropouts, or (iv) family				
43	income is above 200 percent but at or below 350 percent of federal poverty guidelines in				
44	the case of students with special needs or disabilities. Up to 15 percent of a division's slots				
45	may be filled based on locally established eligibility criteria so as to meet the unique needs				
46	of at-risk children in the community. If applicable, local plans must also indicate the				
47	number of at-risk three-year-old children to be served using the same eligibility criteria				
48	listed above. Localities that can demonstrate that more than 15 percent of slots are needed				
49	to meet the needs of at-risk children in their community may apply for a waiver from the				
50	Superintendent of Public Instruction to use a larger percentage of their slots. Localities				
51	must demonstrate that increasing eligibility will enable the maximization of federal funds				
52	and will not have a negative impact on access for other individuals currently being served.				
53	e.1) The Department of Education shall provide technical assistance for the administration				
54	of this grant program to provide assistance to localities in developing a comprehensive,				
55	coordinated, quality preschool program that prepares all participants for kindergarten.				
56	2) The Department shall provide interested localities with information on models for

1	service delivery, methods of coordinating funding streams, such as funds to match federal IV-				
2	A child care dollars, to maximize funding without supplanting existing sources of funding for				
3	the provision of services to at-risk three- and four-year-old children. A priority for technical				
4	assistance in the design of programs shall be given to localities where the majority of the at-				
5	risk three- and four-year-old population is currently unserved.				
6	f. The Department of Education shall include in the program's application package specific				
7	information regarding the potential availability of funding for supplemental grants that may				
8	be used for one-time expenses, other than capital, related to start-up or expansion of				
9	programs, with priority given to proposals for expanding the use of partnerships with either				
10	nonprofit or for-profit providers. Furthermore, the Department is mandated to communicate to				
11	all eligible school divisions the remaining available balances in the program's adopted budget,				
12	after the fall participation reports have been submitted and finalized for such grants.				
13	g. Out of this appropriation, \$3,982,079 the first year and \$3,285,258 the second year from the				
14	general fund is provided to support Virginia Preschool Initiative slots to serve children on				
15	wait lists. In each year, unused grants distributed as provided in paragraph C.14.a.4. of this				
16	Item shall be redistributed based on guidelines established by the Department of Education				
17	subject to the appropriation available for this purpose. Such guidelines shall provide the				
18	criteria used to redistribute grants and provide for the notification of grants redistribution to				
19	programs no later than July 1 of each year. The Department shall conduct this process				
20	annually, and the redistribution shall not affect the allocation formula for the subsequent year.				
21	h.1) Out of this appropriation, \$5,020,000 the first year and \$5,005,000 \$4,886,000 the second				
22	year from the general fund is provided to support an add-on grant per child for approximately				
23	2,000 children to incentivize mixed-delivery of services through private providers. These add-				
24	on grants are intended to provide funds to minimize the difference between the amount of the				
25	per-pupil grant allocation and the per-pupil cost to serve a child in a community-based or				
26	private provider setting. Recipients of the add-on grants will be encouraged to support				
27	classrooms that support inclusive practices of children with special needs. Localities shall				
28	indicate in their plans submitted pursuant to C.14.b.1 of this Item how many of their Virginia				
29	Preschool Initiative slots will be provided in community-based or private provider settings to				
30	receive the add-on grant.				
31	2) The amount of these add-on grants shall vary by region in fiscal year 2021 and provide a				
32	grant of: (i) \$3,500 per child for divisions in Planning District 8, (ii) \$2,500 per child for				
33	divisions in Planning District 15, Planning District 23, and for the counties of Stafford,				
34	Fauquier, Spotsylvania, Clarke, Warren, Frederick, and Culpeper and the Cities of				
35	Fredericksburg and Winchester, and (iii) \$1,500 per child in any other division.				
36	3) The Department of Education shall develop a plan to determine the magnitude of the gap				
37	between regional prevailing child care market rates and the Virginia Preschool Initiative per				
38	pupil amount. The Department shall establish a schedule designating the amount of the add-				
39	on grants for each school division for fiscal year 2022 2023. The amount of the add-on grant				
40	plus the Virginia Preschool Initiative per pupil amount shall not exceed prevailing child care				
41	market rates in a particular region. The Department shall report on the established schedule to				
42	the Chairs of the House Appropriations and Senate Finance and Appropriations Committees				
43	by December 1, 2020 September 30, 2021.				
44	i. The Department of Education shall develop a plan to determine, recognize, and biennially				
45	rebenchmark the per-student funding amount of the Virginia Preschool Initiative, similar to				
46	the current formula supporting public K-12 education in Virginia. In developing such plan,				
47	the Department shall (i) identify needs to implement such plan, including reporting from local				
48	school divisions, (ii) include relevant stakeholders, including school division finance staff and				
49	local Virginia Preschool Initiative administrators, (iii) identify any legislative or				
50	Appropriation Act amendments necessary for implementation, and (iv) plan for full				
51	implementation to benchmark the per-student funding amount of the Virginia Preschool				
52	Initiative.				
53	j. Out of this appropriation, \$6,419,996 the first year and \$7,062,088 the second year from the				
54	general fund is provided to support increased Virginia Preschool Initiative teacher to student				
55	ratios and class sizes, as follows:				
56	1) Any classroom that exceeds benchmarks set by the Board of Education shall be staffed as

		First Year FY2021	Second Year FY2022	First Year FY2021	Second Year FY2022
1	follows: (i) one teacher shall be provided for any class of ten students or less; (ii) if the				
2	enrollment in any class exceeds ten students but does not exceed 20, a full-time teacher's				
3	aide shall be assigned to the class; and (iii) the maximum class size shall be 20 students.				
4	2) All other classrooms shall be staffed as follows: (i) one teacher shall be employed for				
5	any class of nine students or less; (ii) if the enrollment in any class exceeds nine students				
6	but does not exceed 18, a full-time teacher's aide shall be assigned to the class; and (iii)				
7	the maximum class size shall be 18 students.				
8	k. Out of this appropriation, \$306,100 the first year and \$306,100 the second year from the				
9	general fund is allocated for the Department of Education to provide grants of no more				
10	than \$30,000 each for local school divisions that have applied for such funds for the sole				
11	purpose of providing financial incentives to provisionally licensed teachers teaching				
12	students enrolled in the Virginia Preschool Initiative <i>or other publicly-funded preschool</i>				
13	<i>programs operated by the school division</i> and who are actively engaged in coursework				
14	and professional development, toward achieving the required degree and license that				
15	satisfy the licensure requirements reflected in § 22.1-299, Code of Virginia. School				
16	divisions must submit applications to the Department of Education by December 1 of each				
17	year. Priority for awarding grants shall be given to hard-to-staff schools and schools with				
18	the highest number of provisionally licensed teachers teaching students enrolled in the				
19	Virginia Preschool Initiative <i>or other publicly-funded preschool programs operated by the</i>				
20	<i>school division</i> . The Department of Education shall develop the application process to be				
21	provided to school divisions that have provisionally licensed <i>preschool</i> teachers employed				
22	and are teaching students enrolled in the Virginia Preschool Initiative <i>or other publicly-</i>				
23	<i>funded preschool programs operated by the school division</i> .				
24	1. 1.) The Department of Education shall collect information from local <i>Virginia Preschool</i>				
25	<i>Initiative</i> programs and from pilot providers participating in the Virginia Early Childhood				
26	Foundation's pilot Mixed-Delivery Preschool Initiative established in Item 144 as needed				
27	to compile a comprehensive report on the usage of state funds detailing, but not limited to				
28	the number of calculated slots and funding allocated to each local program or pilot				
29	provider, and the number of such slots that have been filled.				
30	2.) Such comprehensive report shall be aggregated in a manner to identify: (i) funding and				
31	the number of slots used to serve a student in a public school and non-public school				
32	setting, (ii) the number of three-year olds served, (iii) waitlist slots requested, offered, and				
33	provided, (iv) the number of students served whose families are at or below 130 percent				
34	poverty, above 130 percent but at or below 200 percent of poverty, above 200 percent but				
35	at or below 350 percent of poverty, and above 350 percent of poverty.				
36	3.) <i>Such comprehensive report shall describe the Virginia Preschool Initiative programs'</i>				
37	<i>progress towards the target inclusion rate, such that 10 percent of all children enrolled in</i>				
38	<i>each program are children with disabilities, defined as those with an Individualized</i>				
39	<i>Education Plan. Virginia Preschool Initiative programs shall report the share of children</i>				
40	<i>with Individualized Education Plans in inclusive classrooms annually starting with the</i>				
41	<i>2020-2021 school year. If the program's current inclusion rate falls below 10 percent, the</i>				
42	<i>program shall provide reasons a 10 percent inclusion rate was not achieved in the given</i>				
43	<i>school year and what actions the program could implement to increase its rate of</i>				
44	<i>inclusion in the next year.</i>				
45	34.) Such comprehensive report shall include details regarding any supplemental grants				
46	awarded pursuant to paragraph f.				
47	45.) The Department shall submit such comprehensive report to the Chairs of the House				
48	Appropriations and Senate Finance and Appropriations Committees no later than				
49	December 31 each year.				
50	56.) The Department shall develop a plan for comprehensive public reporting on early				
51	childhood expenditures, outcomes, and program quality to replace this reporting				
52	requirement. Such plan <i>and subsequent reports</i> shall consider the components included in				
53	this reporting requirement, and include all publicly-funded providers as defined in House				
54	Bill 1012 Chapter 860 and Senate Bill 578 Chapter 861, 2020 Acts of Assembly. The plan				
55	shall identify any fiscal, legislative, or regulatory barriers to implementing such public				
56	reporting, and shall consider integration with the Department's School Quality Profiles.

An additional payment of \$28,874,557 \$27,103,087 the first year and \$28,952,264 \$27,208,558 the second year from the Lottery Proceeds Fund shall be disbursed by the Department of Education to local school divisions for the purposes of providing early reading intervention services to students in grades kindergarten through 3 who demonstrate deficiencies based on their individual performance on diagnostic tests which have been approved by the Department of Education. The Department of Education shall review the tests of any local school board which requests authority to use a test other than the state-provided test to ensure that such local test uses criteria for the early diagnosis of reading deficiencies which are similar to those criteria used in the state-provided test. The Department of Education shall make the state-provided diagnostic test used in this program available to local school divisions. At the beginning of the school year, local school divisions shall partner with the parents of those third grade students in the division who demonstrate reading deficiencies, discussing with them a developed plan for remediation and retesting. Such intervention programs, at the discretion of the local school division, may include, but not be limited to, the use of: special reading teachers; trained aides; full-time early literacy tutors; volunteer tutors under the supervision of a certified teacher; computer-based reading tutorial programs; aides to instruct in-class groups while the teacher provides direct instruction to the students who need extra assistance; or extended instructional time in the school day or year for these students. 4	use the most recent data available for the division for the state-provided diagnostic test.				
5	e. The results of all reading diagnostic tests and reading remediation shall be discussed				
6	with the student and the student's parent prior to the student being promoted to grade four.				
7	f. Funds appropriated for Standards of Quality Prevention, Intervention, and Remediation,				
8	Remedial Summer School, or At-Risk Add-On may also be used to meet the requirements

16	on diagnostic tests which have been approved by the Department of Education. These				
17	amounts reflect \$200,000 the first year and \$200,000 the second year apportioned to each				
18	school division to account for the cost of the diagnostic test. The Department of Education				
19	shall review the tests to ensure that such local test uses state-provided criteria for				
20	diagnosis of math deficiencies which are similar to those criteria used in the state-provided				
21	test. The Department of Education shall make the state-provided diagnostic test used in				
22	this program available to local school divisions. School divisions shall report the results of				
23	the diagnostic tests to the Department of Education on an annual basis at a time to be				
24	determined by the Superintendent of Public Instruction.				
25	b. These payments shall be based on the state's share of the cost of providing two and one-				
26	half hours of additional instruction each week for an estimated number of students in each				
27	school division at a student to teacher ratio of ten to one. The estimate number of students				
28	in each school division shall be determined by multiplying the projected number of				
29	students reported in each school division's fall membership by the percent of students that				
30	qualify for the federal Free Lunch Program.				
31	c. These payments are available to any school division that certifies to the Department of

34	Localities receiving these payments are required to match these funds based on the				
35	composite index of local ability-to-pay.				
36	17. School Construction Grants Program Escrow

5	index of local ability-to-pay.				
6	c. Out of the amounts for Financial Assistance for Categorical Programs, \$36,591,267 the first

11	for educational services to children residing in local or regional detention homes shall only be				
12	determined on the basis of children detained in such facilities through a court order issued by

19	based on certified expenditures from the fourth quarter of FY 2021 and the first three quarters				
20	of FY 2022.				
21	20. Vocational Education Instruction Payments				
22	a. It is the intention of the General Assembly that the Department of Education explore				
23	initiatives that will encourage greater cooperation between jurisdictions and the Virginia				
24	Community College System in meeting the needs of public school systems.				
25	b. This appropriation includes \$1,800,000 the first year and \$1,800,000 the second year from				
26	the Lottery Proceeds Fund for secondary vocational-technical equipment. A base allocation of				
27	\$2,000 each year shall be available for all divisions, with the remainder of the funding				
28	distributed on the basis of student enrollment in secondary vocational-technical courses. State				
29	funds received for secondary vocational-technical equipment must be used to supplement, not				
30	supplant, any funds currently provided for secondary vocational-technical equipment within				
31	the locality. Local school divisions are not required to provide a local match in order to				
32	receive these state funds.				
33	c.1) This appropriation includes an additional \$2,000,000 the first year and \$2,000,000 the				
34	second year from the Lottery Proceeds Fund to update vocational-technical equipment to

37	2) Of this amount, \$1,400,000 the first year and \$1,400,000 the second year is provided for				
38	vocational-technical equipment in high-demand, high-skill, and fast-growth industry sectors

41	3) Of this amount, \$600,000 the first year and \$600,000 the second year will be awarded				
42	based on competitive innovative program grants for high-demand and fast-growth industry

49	sciences (STEM-H) career and technical education programs.				
50	21. Adult Education Payments

2	27. Governor's School Payments				
3	a. Out of the amounts for Governor's School Payments, the Department of Education shall				
4	provide assistance for the state share of the incremental cost of regular school year Governor's				
5	Schools based on each participating locality's composite index of local ability-to-pay.				
6	Participating school divisions must certify that no tuition is assessed to students for				
7	participation in this program.				
8	b.1) Out of the amounts for Governor's School Payments, the Department of Education shall				
9	provide assistance for the state share of the incremental cost of summer residential Governor's				
10	Schools and Foreign Language Academies to be based on the greater of the state's share of the				
11	composite index of local ability-to-pay or 50 percent. Participating school divisions must				
12	certify that no tuition is assessed to students for participation in this program if they are				
13	enrolled in a public school.				
14	2) Out of the amounts for Governor's School Payments, \$41,000 the first year and \$41,000 the				
15	second year is provided to support the Hanover Regional Summer Governor's School for				
16	Career and Technical Advancement, which was established pursuant to Chapter 425, 2014				
17	Acts of Assembly, and Chapter 665, 2015 Acts of Assembly.				
18	c. For the Summer Governor's Schools and Foreign Language Academies programs, the				
19	Superintendent of Public Instruction is authorized to adjust the tuition rates, types of programs				
20	offered, length of programs, and the number of students enrolled in order to maintain costs				
21	within the available state and local funds for these programs.				
22	d. It shall be the policy of the Commonwealth that state general fund appropriations not be				
23	used for capital outlay, structural improvements, renovations, or fixed equipment costs				
24	associated with initiation of existing or proposed Governor's schools. State general fund				
25	appropriations may be used for the purchase of instructional equipment for such schools,				
26	subject to certification by the Superintendent of Public Instruction that at least an equal				
27	amount of funds has been committed by participating school divisions to such purchases.				
28	e. The Board of Education shall not take any action that would increase the state's share of				
29	costs associated with the Governor's Schools as set forth in this Item. This provision shall not				
30	prohibit the Department of Education from submitting requests for the increased costs of				
31	existing programs resulting from updates to student enrollment for school divisions currently				
32	participating in existing programs or for school divisions that begin participation in existing				
33	programs.				
34	f.1) Regular school year Governor's Schools are funded through this Item based on the state's				
35	share of the incremental per pupil cost for providing such programs for each student attending				
36	a Governor's School up to a cap of 1,800 students per Governor's School in the first year and a				
37	cap of 1,800 students per Governor's School in the second year. This incremental per pupil				
38	payment shall be adjusted for the composite index of the school division that counts such				
39	students attending an academic year Governor's School in their March 31 Average Daily				
40	Membership. It is the intent of the General Assembly that this incremental per pupil amount				
41	be in addition to the basic aid per pupil funding provided to the affected school division for				
42	such students. Therefore, local school divisions are encouraged to provide the appropriate				
43	portion of the basic aid per pupil funding to the Governor's Schools for students attending				
44	these programs, adjusted for costs incurred by the school division for transportation,				
45	administration, and any portion of the day that the student does not attend a Governor's				
46	School.				
47	2) Students attending a revolving Academic Year Governor's School program for only one				
48	semester shall be counted as 0.50 of a full-time equivalent student and will be funded for only				
49	fifty percent of the full-year funded per pupil amount. Funding for students attending a				
50	revolving Academic Year program will be adjusted based upon actual September 30th and				
51	January 30th enrollment each fiscal year. For purposes of this Item, revolving programs shall				
52	mean Academic Year Governor's School programs that admit students on a semester basis.				
53	3) Students attending a continuous, non-revolving Academic Year Governor's School				
54	program shall be counted as a full-time equivalent student and will be funded for the full-year

2	Academic Year Governor's School program will be adjusted based upon actual September				
3	30th student enrollment each fiscal year. For purposes of this Item, continuous, non-				
4	revolving programs shall mean Academic Year Governor's School programs that only				
5	admit students at the beginning of the school year. Fairfax County Public Schools shall not				
6	reduce local per pupil funding for the Thomas Jefferson Governor's School below the				
7	amounts appropriated for the 2003-2004 school year.				
8	g. All regional Governor's Schools are encouraged to provide full-day grades 9 through 12				
9	programs.				
10	h. Out of the appropriation included in paragraph C. 38. of this item, \$408,502 the first				
11	year and \$834,740 the second year from the general fund is provided in the Academic				
12	Year Governor's School funding allocation to increase the per pupil amount the second				
13	year as an add-on for a compensation supplement payment equal to 2.0 percent of base				
14	pay on July 1, 2020; and for a compensation supplement payment equal to 2.0 percent of				
15	base pay on July 1, 2021; for Academic Year Governor's School instructional and support				
16	positions.				
17	i. Each Academic Year Governor's School shall set diversity goals for its student body and				
18	faculty, and develop a plan to meet said goals in collaboration with community partners at				
19	public meetings. Each school shall submit a report to the Governor by October 1 of each				
20	year on its goals and status of implementing its plan. The report shall include, but not be				
21	limited to the following: utilization of universal screenings in feeder divisions; admission				
22	processes in place or under consideration that promote access for historically underserved				
23	students; and outreach and communication efforts deployed to recruit historically				
24	underserved students. The report shall include the racial/ethnic make-up and				
25	socioeconomic diversity of its students, faculty, and applicants.				
26	j. Out of the appropriation included in paragraph C.44 of this Item, \$354,941 the second				
27	year from the general fund is included in the Academic Year Governor's School Program				
28	funding allocation for a one-time bonus payment equal to two percent of base pay on				
29	September 1, 2021, for Academic Year Governor's School Program instructional and				
30	support positions.				
31	28. School Nutrition Payments				
32	It is provided that, subject to implementation by the Superintendent of Public Instruction,				
33	no disbursement shall be made out of the appropriation for school nutrition to any locality				
34	in which the schools permit the sale of competitive foods in food service facilities or areas				
35	during the time of service of food funded pursuant to this Item.				
36	29. School Breakfast Payments				
37	a. Out of this appropriation, \$7,238,768 \$1,437,082 the first year and \$7,920,136 the				
38	second year from the Lottery Proceeds Fund is included to continue a state funded				
39	incentive program to maximize federal school nutrition revenues and increase student				
40	participation in the school breakfast program. These funds are available to any school				
41	division as a reimbursement for breakfast meals served that are in excess of the baseline				
42	established by the Department of Education. The per meal reimbursement shall be \$0.22;				
43	however, the department is authorized, but not required to reduce this amount				
44	proportionately in the event that the actual number of meals to be reimbursed exceeds the				
45	number on which this appropriation is based so that this appropriation is not exceeded.				
46	b. In order to receive these funds, school divisions must certify that these funds will be				
47	used to supplement existing funds provided by the local governing body and that local				
48	funds derived from sources that are not generated by the school nutrition programs have				
49	not been reduced or eliminated. The funds shall be used to improve student participation				
50	in the school breakfast program. These efforts may include, but are not limited to,				
51	reducing the per meal price paid by students, reducing competitive food sales in order to				
52	improve the quality of nutritional offerings in schools, increasing access to the school				
53	breakfast program, or providing programs to increase parent and student knowledge of				
54	good nutritional practices. In no event shall these funds be used to reduce local tax				
55	revenues below the level appropriated to school nutrition programs in the prior year.

1	Further, these funds must be provided to the school nutrition programs and may not be used				
2	for any other school purpose.				
3	c.1) Out of this appropriation, \$1,074,000 the first year and \$1,074,000 the second year from				
4	the general fund is provided to fund an After-the-Bell Model breakfast program available on a				
5	voluntary basis to elementary, middle, and high schools where student eligibility for free or				
6	reduced lunch exceeds 45.0 percent for the participating eligible school, and to provide				
7	additional reimbursement for eligible meals served in the current traditional school breakfast				
8	program at all grade levels in any participating school. The Department of Education is				
9	directed to ensure that only eligible schools receive reimbursement funding for participating				
10	in the After-the-Bell school breakfast model. The schools participating in the program shall				
11	evaluate the educational impact of the models implemented that provide school breakfasts to				
12	students after the first bell of the school day, based on the guidelines developed by the				
13	Department of Education and submit the required report to the Department of Education no				
14	later than August 31 each year.				
15	2) The Department of Education shall communicate, through Superintendent's Memo, to				
16	school divisions the types of breakfast serving models and the criteria that will meet the				
17	requirements for this State reimbursement, which may include, but are not limited to,				
18	breakfast in the classroom, grab and go breakfast, or a breakfast after first period. School				
19	divisions may determine the breakfast serving model that best applies to its students, so long				
20	as it occurs after the instructional day has begun. The Department of Education shall monthly				
21	transfer to each school division a reimbursement rate of \$0.05 per breakfast meal that meets				
22	either of the established criteria in elementary schools and a reimbursement rate of \$0.10 per				
23	breakfast meal that meets either of the established criteria in middle or high schools.				
24	3) No later than July 1 each year, the Department of Education shall provide for a breakfast				
25	program application process for school divisions with eligible schools, including guidelines				
26	regarding specified required data to be compiled from the prior school year or years and for				
27	the upcoming school year program. The number of approved applications shall be based on				
28	the estimated number of sites that can be accommodated within the approved funding level.				
29	The Department of Education shall set criteria for establishing priority should the number of				
30	applications from eligible schools exceed the approved funding level. The reporting				
31	requirements must include: chronic absenteeism rates, student attendance and tardy arrivals,				
32	office discipline referrals, student achievement measures, teachers' and administrators'				
33	responses to the impact of the program on student hunger, student attentiveness, and overall				
34	classroom learning environment before and after implementation, and the financial impact on				
35	the division's school food program. Funded schools that do not provide data by August 31 are				
36	subject to exclusion from funding in the following year. The Department of Education shall				
37	collect and compile the results of the breakfast program and shall submit the report to the				
38	Governor and the Chairmen of the House Appropriations and Senate Finance Committees no				
39	later than November 1 following each school year.

47	programs shall include elements which are consistent with the following:				
48	a. An application process for localities and school/higher education partnerships that wish to				
49	participate in the programs;				
50	b. For Clinical Faculty programs only, provisions for a local funding or institutional

22	grade that rank lowest statewide on the reading Standards of Learning (SOL) assessments.				
23	Funding for a reading specialist during the 2020-2022 biennium shall be based on the				
24	results of the Spring 2019 reading SOL assessments. Such schools shall be eligible to				
25	receive the state share of funding for both years of the biennium. Following certification				
26	from a school division that it will not participate in the program, the Department is				
27	authorized to identify additional eligible schools based upon the list of schools that rank				
28	lowest on the Spring 2019 SOL reading assessment.

9	b. These payments are available to any school division with a qualifying school that certifies				
10	to the Department of Education that the division has (1) hired a math or reading instructional

36	Internet service delivery, the level of bandwidth capacity and the degree such capacity is				
37	sufficient for delivery of school-wide digital resources and instruction, degree of internet				
38	connectivity via Wi-Fi, cost information related to Internet connectivity, data security, and				
39	such other pertinent information as determined by the Department of Education. The				
40	Department shall provide a summary of the division responses in a report to be made

47	second year in adjusted March 31 average daily membership. These per pupil amounts are				
48	subject to change for the purpose of payment to school divisions based on the actual March 31				
49	ADM collected each year. Beginning in the second year, these funds shall be matched by the				
50	local government, based on the composite index of local ability-to-pay. Further, in order to				
51	receive this funding, the locality in which the school division is located shall appropriate these				
52	funds solely for educational purposes and shall not use such funds to reduce total local				
53	operating expenditures for public education below the amount expended by the locality for				
54	such purposes in the year upon which the 2018-20 biennial Standards of Quality expenditure

5	divisions from Lottery funds to ensure that any shortfall in Lottery revenue can be				
6	accounted for in the remaining Infrastructure and Operations Per Pupil Allocation				
7	payments to be made for the year.				
8	b. From the amounts listed above, funds are provided to ensure that small school divisions				
9	receive an Infrastructure and Operations payment of at least \$200,000 each year.				
10	Beginning in the second year, divisions receiving additional funds for a payment of at

31	accredited college or university.				
32	b. The award of such grants shall be made by the Department of Education, and the				
33	number of awards during any one year shall depend upon the amounts appropriated by the				
34	General Assembly for this purpose. The amount awarded for each traineeship shall be				
35	\$600 for a minimum of three semester hours of course work in areas required for the				
36	special education endorsement to be taken by the applicant during a single semester or

9	incurred during the transition are funded through the Working Capital Advance included in				
10	paragraph B.1. of this Item.				
11	4. The State Comptroller shall submit revised projections of revenues and expenditures for the				
12	internal service funds for the Commonwealth's enterprise applications and estimates of any

14	5. In the event that expenses of the enterprise applications become due before costs have been				
15	fully recovered in the department's internal service fund, a treasury loan shall be provided to				
16	the department to finance these costs. This treasury loan shall be repaid from the proceeds

9	present a six-year forecast of the adult offender population presently incarcerated in the			
10	Department of Corrections and approaching release who meet the criteria set forth in			
11	Chapter 863 and Chapter 914 of the 2006 Acts of Assembly, and who may be eligible for			
12	evaluation as sexually violent predators (SVPs) for each fiscal year within the six-year			
13	forecasting period. As part of the forecast, the secretary shall report on: (i) the number of			
14	Commitment Review Committee (CRC) evaluations to be completed; (ii) the number of			
15	eligible inmates recommended by the CRC for civil commitment, conditional release, and			
16	full release; (iii) the number of civilly committed residents of the Virginia Center for			
17	Behavioral Rehabilitation who are eligible for annual review; and (iv) the number of			
18	individuals civilly committed to the Virginia Center for Behavioral Rehabilitation and			
19	granted conditional release from civil commitment in a state SVP facility. The secretary			
20	shall complete a summary report of current SVP cases and a forecast of SVP eligibility,			
21	civil commitments, and SVP conditional releases, including projected bed space			
22	requirements, to the Governor and Senate Finance and House Appropriations Committees			
23	by November 15 of each year.			
24	2. As part of the forecast process, the Department of Corrections shall administer a			
25	STATIC-99 screening to all potential Sexually Violent Predators eligible for civil			
26	commitment pursuant to § 37.2-900 et seq., Code of Virginia, within six months of

30	3. The Office of the Attorney General shall also provide to the commissioner of DBHDS,			
31	on a monthly basis, the status of all SVP cases pending before their office for purposes of			
32	forecasting the SVP population.			
33	B. The Secretary of Health and Human Resources shall create a trauma-informed care			
34	workgroup to develop a shared vision and definition of trauma-informed care for agencies			
35	within the Health and Human Resources Secretariat. The workgroup shall include			
36	representatives from the Departments of Social Services, Behavioral Health and			
37	Developmental Services, Medical Assistance Services, and Health, as well as			
38	stakeholders, researchers, community organizations and representatives from impacted

43	of care; (iv) identify needed professional development/training in trauma-informed			
44	practices for all child-serving professionals and (v) identify data sharing issues that need			
45	to be addressed to facilitate such a system. In addition, the workgroup shall explore

5	business requirements for electronic health records to ensure consistency and interoperability				
6	with other partner state and local agencies and public and private health care entities to the				
7	extent allowed by federal and state law and regulations. The goal of the workgroup is to				
8	develop an integrated EHR which may be shared as appropriate with other partner state and				
9	local agencies and public and private health care entities. The workgroup shall evaluate the				
10	DBHDS statement of work developed for its EHR system and the DBHDS platform for				
11	potential adaption and/or use by state agencies in order to develop an integrated statewide				
12	EHR.

14	appropriate to meet specific agency needs and evaluate the cost-effectiveness of pursuing a				
15	separate EHR system as compared to a statewide integrated EHR. However, the workgroup				
16	shall ensure that standards are developed to ensure that EHRs can be shared as appropriate				
17	with public and private partner agencies and health care entities.				
18	3. The workgroup shall also develop an implementation timeline, cost estimates, and assess				
19	other issues that may need to be addressed in order to implement an integrated statewide EHR

27	access to health insurance. The Secretary shall convene stakeholders to include				
28	representatives of health insurers, the State Corporation Commission Bureau of Insurance,				
29	consumer advocates, and others deemed necessary to assist in developing the reinsurance				
30	program.				
31	2. The State Corporation Commission Bureau of Insurance shall provide technical assistance				
32	to the Secretary of Health and Human Resources as requested.				
33	3. The Secretary shall report on the reinsurance program to the Chairs of House Labor and				
34	Commerce and Senate Commerce and Labor Committees and the House Appropriations and				
35	Senate Finance and Appropriations Committees by October 1, 2020. Such report shall include				
36	an analysis of the costs and assumptions of such a reinsurance program and potential options				
37	to fund the non-federal share of costs. In addition, the report shall include suggested				
38	legislation to implement the program. Implementation of the reinsurance program shall be				
39	subject to appropriation of the non-federal share of costs by the General Assembly and				
40	approval by the United States Secretary of Health and Human Services.

42	make recommendations regarding the state regulation of doula and establishing a community				
43	doula benefit for pregnant women covered by Medicaid. The workgroup shall include				
44	representatives from the Department of Medical Assistance Services, the Virginia Department				
45	of Health, and the Department of Health Professions, as well as representatives from				
46	community doula practitioners, stakeholder groups, and community organizations. The				
47	workgroup shall examine and report on the (i) federal requirements and permissibility				
48	associated with providing a Medicaid doula benefit; (ii) impact that state regulation would				
49	have on doula practitioners; (iii) a review of strategies other states have implemented; (iv) an				
50	analysis of the appropriate rates for such a benefit; and (v) the estimated costs and potential				
51	savings to the state and practitioners over the next six years. The workgroup shall report its				
52	findings and recommendations to the Governor and to the Chairs of the House Appropriations

24	Committees and the Director, Department of Planning and Budget by December 15 each year.				
25	L. The Department of Medical Assistance Services shall not require dentists who agree to				
26	participate in the delivery of Medicaid pediatric dental care services, or services provided to				
27	enrollees in the Family Access to Medical Insurance Security (FAMIS) Plan or any variation				
28	of FAMIS, to also deliver services to subscribers enrolled in commercial plans of the				
29	managed care vendor, unless the dentist is a willing participant in the commercial managed				
30	care plan.				
31	M.1. The Department of Medical Assistance Services shall implement continued				
32	enhancements to the drug utilization review (DUR) program. The department shall continue				
33	the Pharmacy Liaison Committee and the DUR Board. The department shall continue to work				
34	with the Pharmacy Liaison Committee, meeting at least semi-annually, to implement				
35	initiatives for the promotion of cost-effective services delivery as may be appropriate. The

39	Board of Medical Assistance Services and to the Chairmen of the House Appropriations and				
40	Senate Finance Committees and the Department of Planning and Budget no later than				
41	December 15 each year of the biennium.				
42	2. The department shall add a representative to the Pharmacy Liaison Committee from the

53	local governments, that focus on optimizing Medicaid claims and cost recoveries. Any				
54	revenues generated through these activities shall be transferred to the Virginia Health Care				
55	Fund to be used for the purposes specified in this Item.				
56	2. The Department of Medical Assistance Services shall retain the savings necessary to				
57	reimburse a vendor for its efforts to implement paragraph N.1. of this Item. However, prior to

1	reimbursement, the department shall identify for the Secretary of Health and Human				
2	Resources each of the vendor's revenue maximization efforts and the manner in which				
3	each vendor would be reimbursed. No reimbursement shall be made to the vendor without				
4	the prior approval of the above plan by the Secretary.				
5	O. The Department of Medical Assistance Services shall have the authority to pay				
6	contingency fee contractors, engaged in cost recovery activities, from the recoveries that				
7	are generated by those activities. All recoveries from these contractors shall be deposited				
8	to a special fund. After payment of the contingency fee any prior year recoveries shall be				
9	transferred to the Virginia Health Care Fund. The Director, Department of Medical				
10	Assistance Services, shall report to the Chairmen of the House Appropriations and Senate				
11	Finance Committees the increase in recoveries associated with this program as well as the				
12	areas of audit targeted by contractors by November 1 each year.				
13	P. The Department of Medical Assistance Services in cooperation with the State Executive				
14	Council, shall provide semi-annual training to local Children's Services Act teams on the				
15	procedures for use of Medicaid for residential treatment and treatment foster care services,				
16	including, but not limited to, procedures for determining eligibility, billing,				
17	reimbursement, and related reporting requirements. The department shall include in this				
18	training information on the proper utilization of inpatient and outpatient mental health				
19	services as covered by the Medicaid State Plan.				
20	Q.1. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, the Department of Medical				
21	Assistance Services, in consultation with the Department of Behavioral Health and				
22	Developmental Services, shall amend the State Plan for Medical Assistance Services to				
23	modify the delivery system of pharmaceutical products to include a Preferred Drug List.				
24	In developing the modifications, the department shall consider input from physicians,				
25	pharmacists, pharmaceutical manufacturers, patient advocates, and others, as appropriate.				
26	2.a. The department shall utilize a Pharmacy and Therapeutics Committee to assist in the				
27	development and ongoing administration of the Preferred Drug List program. The				
28	Pharmacy and Therapeutics Committee shall be composed of 8 to 12 members, including				
29	the Commissioner, Department of Behavioral Health and Developmental Services, or his				
30	designee. Other members shall be selected or approved by the department. The				
31	membership shall include a ratio of physicians to pharmacists of 2:1 and the department				
32	shall ensure that at least one-half of the physicians and pharmacists are either direct				
33	providers or are employed with organizations that serve recipients for all segments of the				
34	Medicaid population. Physicians on the committee shall be licensed in Virginia, one of				
35	whom shall be a psychiatrist, and one of whom specializes in care for the aging.				
36	Pharmacists on the committee shall be licensed in Virginia, one of whom shall have				
37	clinical expertise in mental health drugs, and one of whom has clinical expertise in				
38	community-based mental health treatment. The Pharmacy and Therapeutics Committee				
39	shall recommend to the department (i) which therapeutic classes of drugs should be				
40	subject to the Preferred Drug List program and prior authorization requirements; (ii)				
41	specific drugs within each therapeutic class to be included on the preferred drug list; (iii)				
42	appropriate exclusions for medications, including atypical anti-psychotics, used for the				
43	treatment of serious mental illnesses such as bi-polar disorders, schizophrenia, and				
44	depression; (iv) appropriate exclusions for medications used for the treatment of brain				
45	disorders, cancer and HIV-related conditions; (v) appropriate exclusions for therapeutic				
46	classes in which there is only one drug in the therapeutic class or there is very low				
47	utilization, or for which it is not cost-effective to include in the Preferred Drug List				
48	program; and (vi) appropriate grandfather clauses when prior authorization would				
49	interfere with established complex drug regimens that have proven to be clinically				
50	effective. In developing and maintaining the preferred drug list, the cost effectiveness of				
51	any given drug shall be considered only after it is determined to be safe and clinically				
52	effective.				
53	b. The Pharmacy and Therapeutics Committee shall schedule meetings at least semi-				
54	annually and may meet at other times at the discretion of the chairperson and members. At				
55	the meetings, the Pharmacy and Therapeutics committee shall review any drug in a class				
56	subject to the Preferred Drug List that is newly approved by the Federal Food and Drug				
57	Administration, provided there is at least thirty (30) days notice of such approval prior to				
58	the date of the quarterly meeting.

1	3. The department shall establish a process for acting on the recommendations made by the				
2	Pharmacy and Therapeutics Committee, including documentation of any decisions which				
3	deviate from the recommendations of the committee.				
4	4. The Preferred Drug List program shall include provisions for (i) the dispensing of a 72-				
5	hour emergency supply of the prescribed drug when requested by a physician and a				
6	dispensing fee to be paid to the pharmacy for such supply; (ii) prior authorization decisions to				
7	be made within 24 hours and timely notification of the recipient and/or the prescribing				
8	physician of any delays or negative decisions; (iii) an expedited review process of denials by				
9	the department; and (iv) consumer and provider education, training and information regarding				
10	the Preferred Drug List prior to implementation, and ongoing communications to include				
11	computer access to information and multilingual material.				
12	5. The Preferred Drug List program shall generate savings as determined by the department				
13	that are net of any administrative expenses to implement and administer the program.				
14	6. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, to implement these changes, the				
15	Department of Medical Assistance Services shall promulgate emergency regulations to				
16	become effective within 280 days or less from the enactment of this Act. With respect to such				
17	state plan amendments and regulations, the provisions of § 32.1-331.12 et seq., Code of				
18	Virginia, shall not apply. In addition, the department shall work with the Department of				
19	Behavioral Health and Development Services to consider utilizing a Preferred Drug List				
20	program for its non-Medicaid clients.				
21	7. The Department of Medical Assistance Services shall (i) continually review utilization of				
22	behavioral health medications under the State Medicaid Program for Medicaid recipients; and				
23	(ii) ensure appropriate use of these medications according to federal Food and Drug				
24	Administration (FDA) approved indications and dosage levels. The department may also				
25	require retrospective clinical justification according to FDA approved indications and dosage				
26	levels for the use of multiple behavioral health drugs for a Medicaid patient. For individuals				
27	18 years of age and younger who are prescribed three or more behavioral health drugs, the				
28	department may implement clinical edits that target inefficient, ineffective, or potentially				
29	harmful prescribing patterns in accordance with FDA-approved indications and dosage levels.				
30	8. The Department of Medical Assistance Services shall ensure that in the process of				
31	developing the Preferred Drug List, the Pharmacy and Therapeutics Committee considers the				
32	value of including those prescription medications which improve drug regimen compliance,				
33	reduce medication errors, or decrease medication abuse through the use of medication				
34	delivery systems that include, but are not limited to, transdermal and injectable delivery				
35	systems.				
36	R.1. The Department of Medical Assistance Services may amend the State Plan for Medical				
37	Assistance Services to modify the delivery system of pharmaceutical products to include a				
38	specialty drug program. In developing the modifications, the department shall consider input				
39	from physicians, pharmacists, pharmaceutical manufacturers, patient advocates, the Pharmacy				
40	Liaison Committee, and others as appropriate.				
41	2. In developing the specialty drug program to implement appropriate care management and				
42	control drug expenditures, the department shall contract with a vendor who will develop a				
43	methodology for the reimbursement and utilization through appropriate case management of				
44	specialty drugs and distribute the list of specialty drug rates, authorized drugs and utilization				
45	guidelines to medical and pharmacy providers in a timely manner prior to the implementation				
46	of the specialty drug program and publish the same on the department's website.				
47	3. In the event that the Department of Medical Assistance Services contracts with a vendor,				
48	the department shall establish the fee paid to any such contractor based on the reasonable cost				
49	of services provided. The department may not offer or pay directly or indirectly any material				
50	inducement, bonus, or other financial incentive to a program contractor based on the denial or				
51	administrative delay of medically appropriate prescription drug therapy, or on the decreased				
52	use of a particular drug or class of drugs, or a reduction in the proportion of beneficiaries who				
53	receive prescription drug therapy under the Medicaid program. Bonuses cannot be based on				
54	the percentage of cost savings generated under the benefit management of services.				
55	4. The department shall: (i) review, update and publish the list of authorized specialty drugs,

1	utilization guidelines, and rates at least quarterly; (ii) implement and maintain a procedure				
2	to revise the list or modify specialty drug program utilization guidelines and rates,				
3	consistent with changes in the marketplace; and (iii) provide an administrative appeals				
4	procedure to allow dispensing or prescribing provider to contest the listed specialty drugs				
5	and rates.				
6	5. The department shall have authority to enact emergency regulations under § 2.2-4011 of				
7	the Administrative Process Act to effect these provisions.				
8	S.1. The Department of Medical Assistance Services shall reimburse school divisions who				
9	sign an agreement to provide administrative support to the Medicaid program and who				
10	provide documentation of administrative expenses related to the Medicaid program 50				
11	percent of the Federal Financial Participation by the department.				
12	2. The Department of Medical Assistance Services shall retain five percent of the Federal				
13	Financial Participation for reimbursement to school divisions for medical and				
14	transportation services.				
15	T. In the event that the Department of Medical Assistance Services decides to contract for				
16	pharmaceutical benefit management services to administer, develop, manage, or				
17	implement Medicaid pharmacy benefits, the department shall establish the fee paid to any				
18	such contractor based on the reasonable cost of services provided. The department may				
19	not offer or pay directly or indirectly any material inducement, bonus, or other financial				
20	incentive to a program contractor based on the denial or administrative delay of medically				
21	appropriate prescription drug therapy, or on the decreased use of a particular drug or class				
22	of drugs, or a reduction in the proportion of beneficiaries who receive prescription drug				
23	therapy under the Medicaid program. Bonuses cannot be based on the percentage of cost				
24	savings generated under the benefit management of services.				
25	U. The Department of Medical Assistance Services, in cooperation with the Department of				
26	Social Services' Division of Child Support Enforcement (DSCE), shall identify and report				
27	third party coverage where a medical support order has required a custodial or				
28	noncustodial parent to enroll a child in a health insurance plan. The Department of				
29	Medical Assistance Services shall also report to the DCSE third party information that has				
30	been identified through their third party identification processes for children handled by				
31	DCSE.				
32	V.1. Notwithstanding the provisions of § 32.1-325.1:1, Code of Virginia, upon identifying				
33	that an overpayment for medical assistance services has been made to a provider, the				
34	Director, Department of Medical Assistance Services shall notify the provider of the				
35	amount of the overpayment. Such notification of overpayment shall be issued within the				
36	earlier of (i) four years after payment of the claim or other payment request, or (ii) four				
37	years after filing by the provider of the complete cost report as defined in the Department				
38	of Medical Assistance Services' regulations, or (iii) 15 months after filing by the provider				
39	of the final complete cost report as defined in the Department of Medical Assistance				
40	Services' regulations subsequent to sale of the facility or termination of the provider.				
41	2. Notwithstanding the provisions of § 32.1-325.1, Code of Virginia, the director shall				
42	issue an informal fact-finding conference decision concerning provider reimbursement in				
43	accordance with the State Plan for Medical Assistance, the provisions of § 2.2-4019, Code				
44	of Virginia, and applicable federal law. The informal fact-finding conference decision				
45	shall be issued within 180 days of the receipt of the appeal request, except as provided				
46	herein. If the agency does not render an informal fact-finding conference decision within				
47	180 days of the receipt of the appeal request or, in the case of a joint agreement to stay the				
48	appeal decision as detailed below, within the time remaining after the stay expires and the				
49	appeal timeframes resume, the decision is deemed to be in favor of the provider. An				
50	appeal of the director's informal fact-finding conference decision concerning provider				
51	reimbursement shall be heard in accordance with § 2.2-4020 of the Administrative Process				
52	Act (§ 2.2-4020 et seq.) and the State Plan for Medical Assistance provided for in § 32.1-				
53	325, Code of Virginia. The Department of Medical Assistance Services and the provider				
54	may jointly agree to stay the deadline for the informal appeal decision or for the formal				
55	appeal recommended decision of the Hearing Officer for a period of up to sixty (60) days				
56	to facilitate settlement discussions. If the parties reach a resolution as reflected by a				
57	written settlement agreement within the sixty-day period, then the stay shall be extended

1	for such additional time as may be necessary for review and approval of the settlement				
2	agreement in accordance § 2.2-514 of the Code of Virginia. Once a final agency case decision				
3	has been made, the director shall undertake full recovery of such overpayment whether or not				
4	the provider disputes, in whole or in part, the informal fact-finding conference decision or the				
5	final agency case decision. Interest charges on the unpaid balance of any overpayment shall				
6	accrue pursuant to § 32.1-313, Code of Virginia, from the date the Director's agency case				
7	decision becomes final.				
8	W. Any hospital that was designated a Medicare-dependent small rural hospital, as defined in				
9	42 U.S.C. §1395ww (d) (5) (G) (iv) prior to October 1, 2004, shall be designated a rural				
10	hospital pursuant to 42 U.S.C. §1395ww (d) (8) (ii) (II) on or after September 30, 2004.				
11	X.1. The Department of Medical Assistance Services shall make programmatic changes in the				
12	provision of Intensive In-Home services and Community Mental Health services in order to				
13	ensure appropriate utilization and cost efficiency. The department shall consider all available				
14	options including, but not limited to, prior authorization, utilization review and provider				
15	qualifications. The Department of Medical Assistance Services shall promulgate regulations				
16	to implement these changes within 280 days or less from the enactment date of this Act.				
17	2. The Department of Medical Assistance Services shall have the authority to implement prior				
18	authorization and utilization review for community-based mental health services for children				
19	and adults. The department shall have the authority to promulgate emergency regulations to				
20	implement this amendment within 280 days or less from the enactment of this Act.				
21	Y. The Department of Medical Assistance Services shall delay the last quarterly payment of				
22	certain quarterly amounts paid to hospitals, from the end of each state fiscal year to the first				
23	quarter of the following year. Quarterly payments that shall be delayed from each June to				
24	each July shall be Disproportionate Share Hospital payments, Indirect Medical Education				
25	payments, and Direct Medical Education payments. The department shall have the authority				
26	to implement this reimbursement change effective upon passage of this Act, and prior to the				
27	completion of any regulatory process undertaken in order to effect such change.				
28	Z. The Department of Medical Assistance Services shall make the monthly capitation				
29	payment to managed care organizations for the member months of each month in the first				
30	week of the subsequent month. The department shall have the authority to implement this				
31	reimbursement schedule change effective upon passage of this Act, and prior to the				
32	completion of any regulatory process undertaken in order to effect such change.				
33	AA. In every June the remittance that would normally be paid to providers on the last				
34	remittance date of the state fiscal year shall be delayed one week longer than is normally the				
35	practice. This change shall apply to the remittances of Medicaid and FAMIS providers. This				
36	change does not apply to providers who are paid a per-month capitation payment. The				
37	department shall have the authority to implement this reimbursement change effective upon				
38	passage of this Act, and prior to the completion of any regulatory process undertaken in order				
39	to effect such change.				
40	BB. The Department of Medical Assistance Services shall impose an assessment equal to 6.0				
41	percent of revenue on all ICF-ID providers. The department shall determine procedures for				
42	collecting the assessment, including penalties for non-compliance. The department shall have				
43	the authority to adjust interim rates to cover new Medicaid costs as a result of this assessment.				
44	CC. Effective July 1, 2020 2021, the Department of Medical Assistance Services shall amend				
45	the State Plan for Medical Assistance to revise per diem rates paid to Virginia-based				
46	psychiatric residential treatment facilities using the provider's audited cost per day from the				
47	facility's cost report for provider fiscal years ending in state fiscal year 2018. New Virginia-				
48	based residential psychiatric facilities must submit proforma cost report data, which will be				
49	used to set the initial per diem rate for up to two years. After this period, the department shall				
50	establish a per diem rate based on an audited cost report for a 12-month period within the first				
51	two years of operation. Virginia-based residential psychiatric facilities that do not submit cost				
52	reports shall be paid at 75 percent of the established rate ceiling. If necessary to enroll out-of-				
53	state providers for network adequacy, the department shall negotiate rates. If there is				
54	sufficient utilization, the department may require out-of-state providers to submit a cost report				
55	to establish a per diem rate. In-state and out-of-state provider per diem rates shall be subject to				
56	a ceiling based on the statewide weighted average cost per day from fiscal year 2018 cost

2	1, 2020 2021 and prior to the completion of any regulatory process undertaken in order to				
3	effect such change.				
4	DD. The Department of Medical Assistance Services shall work with the Department of				
5	Behavioral Health and Developmental Services in consultation with the Virginia				
6	Association of Community Services Boards, the Virginia Network of Private Providers,				
7	the Virginia Coalition of Private Provider Associations, and the Association of				
8	Community Based Providers, to establish rates for the Intensive In-Home Service based				
9	on quality indicators and standards, such as the use of evidence-based practices.				
10	EE. The Department of Medical Assistance Services shall seek federal authority through				
11	the necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the				
12	Social Security Act to expand principles of care coordination to all geographic areas,				
13	populations, and services under programs administered by the department. The expansion				
14	of care coordination shall be based on the principles of shared financial risk such as shared				
15	savings, performance benchmarks or risk and improving the value of care delivered by				
16	measuring outcomes, enhancing quality, and monitoring expenditures. The department				
17	shall engage stakeholders, including beneficiaries, advocates, providers, and health plans,				
18	during the development and implementation of the care coordination projects.				
19	Implementation shall include specific requirements for data collection to ensure the ability				
20	to monitor utilization, quality of care, outcomes, costs, and cost savings. The department				
21	shall report by November 1 of each year to the Governor and the Chairmen of the House				
22	Appropriations and Senate Finance Committees detailing implementation progress				
23	including, but not limited to, the number of individuals enrolled in care coordination, the				
24	geographic areas, populations and services affected and cost savings achieved. Unless				
25	otherwise delineated, the department shall have authority to implement necessary changes				
26	upon federal approval and prior to the completion of any regulatory process undertaken in				
27	order to effect such change. The intent of this Item may be achieved through several steps,				
28	including, but not limited to, the following:				
29	a. In fulfillment of this Item, the department and the Department of Behavioral Health and				
30	Developmental Services, in collaboration with the Community Services Boards and in				
31	consultation with appropriate stakeholders, shall develop a blueprint for the development				
32	and implementation of a care coordination model for individuals in need of behavioral				
33	health services not currently provided through a managed care organization. The overall				
34	goal of the project is to improve the value of behavioral health services purchased by the				
35	Commonwealth of Virginia without compromising access to behavioral health services for				
36	vulnerable populations. Targeted case management services will continue to be the				
37	responsibility of the Community Services Boards. The blueprint shall: (i) describe the				
38	steps for development and implementation of the program model(s) including funding,				
39	populations served, services provided, timeframe for program implementation, and				
40	education of clients and providers; (ii) set the criteria for medical necessity for community				
41	mental health rehabilitation services; and (iii) include the following principles:				
42	1. Improves value so that there is better access to care while improving equity.

49	provider panels for the development of policy and planning decisions.				
50	6. Improves quality, individual safety, health outcomes, and efficiency.

52	easier for consumers to obtain timely access to care and services, which could include up				
53	to full integration.				
54	8. Builds upon current best practices in the delivery of behavioral health services.

23	Titles XIX and XXI of the Social Security Act to develop and implement a care coordination				
24	model, that is consistent with the principles in paragraph a., for individuals in need of				
25	behavioral health services to be effective July 1, 2019. This model may be applied to				
26	individuals on a mandatory basis. The department shall have authority to promulgate				
27	emergency regulations to implement this amendment within 280 days or less from the				
28	enactment date of this Act.				
29	FF. The Department of Medical Assistance Services shall make programmatic changes in the				
30	provision of Residential Treatment Facility (Level C) and Levels A and B residential services				
31	(group homes) for children with serious emotional disturbances in order ensure appropriate

42	approval and prior to the completion of any regulatory process undertaken in order to effect				
43	such change.				
44	HH. The department may seek federal authority through amendments to the State Plans under				
45	Title XIX and XXI of the Social Security Act, and appropriate waivers to such, to develop				
46	and implement programmatic and system changes that allow expedited enrollment of				
47	Medicaid eligible recipients into Medicaid managed care, most importantly for pregnant				
48	women. The department shall have the authority to promulgate emergency regulations to

2	electronic transmission.				
3	ii. Clarify that the day of delivery ends at normal business hours of 5:00 pm.				
4	iii. Eliminate an automatic dismissal against DMAS for alleged deficiencies in the case				
5	summary that do not relate to DMAS's obligation to substantively address all issues				
6	specified in the provider's written notice of informal appeal. A process shall be added, by				
7	which the provider shall file with the informal appeals agent within 12 calendar days of				
8	the provider's receipt of the DMAS case summary, a written notice that specifies any such				
9	alleged deficiencies that the provider knows or reasonably should know exist. DMAS shall				
10	have 12 calendar days after receipt of the provider's timely written notification to address				
11	or cure any of said alleged deficiencies. The current requirement that the case summary				
12	address each adjustment, patient, service date, or other disputed matter identified in the				
13	provider's written notice of informal appeal in the detail set forth in the current regulation				
14	shall remain in force and effect, and failure to file a written case summary with the

17	issues not addressed by DMAS.				
18	iv. Clarify that appeals remanded to the informal appeal level via Final Agency Decision				
19	or court order shall reset the timetable under DMAS' appeals regulations to start running				
20	from the date of the remand.				
21	v. Clarify the department's authority to administratively dismiss untimely filed appeal				
22	requests.				
23	vi. Clarify the time requirement for commencement of the formal administrative hearing.				
24	vii. Clarify that settlement proposals may be tendered during the appeal process and that				
25	approval is subject to the requirements of § 2.2-514 of the Code of Virginia. The amended				
26	regulations shall develop a framework for the submission of the settlement proposal and				
27	state that the Department of Medical Assistance Services and the provider may jointly				
28	agree to stay the deadline for the informal appeal decision or for the formal appeal				
29	recommended decision of the Hearing Officer for a period of up to sixty (60) days to				
30	facilitate settlement discussions. If the parties reach a resolution as reflected by a written				
31	settlement agreement within the sixty-day period, then the stay shall be extended for such				
32	additional time as may be necessary for review and approval of the settlement agreement				
33	in accordance with law.				
34	2. The Department of Medical Assistance Services shall have authority to promulgate				
35	regulations to implement these changes within 280 days or less from the enactment date of				
36	this Act.				
37	JJ. It is the intent of the General Assembly that the implementation and administration of				
38	the care coordination contract for behavioral health services be conducted in a manner that				
39	insures system integrity and engages private providers in the independent assessment				
40	process. In addition, it is the intent that in the provision of services that ethical and				
41	professional conflicts are avoided and that sound clinical decisions are made in the best				
42	interests of the individuals receiving behavioral health services. As part of this process, the				
43	department shall monitor the performance of the contract to ensure that these principles				
44	are met and that stakeholders are involved in the assessment, approval, provision, and use				
45	of behavioral health services provided as a result of this contract.				
46	KK. The Department of Medical Assistance Services shall amend the State Plan for				
47	Medical Assistance to allow for delivery of notices of program reimbursement or other				
48	items referred to in the regulations related to provider appeals by electronic means				
49	consistent with the Uniform Electronic Transactions Act. The department shall implement				
50	this change effective July 1, 2013, and prior to completion of any regulatory process				
51	undertaken in order to effect such changes.

2	effective July 1, 2017, the department shall use the peer groups based on the existing				
3	regulations. For future rebasings, the department shall permanently move these facilities to				
4	the Other MSA peer group. The department shall have the authority to implement this				
5	reimbursement change effective July 1, 2017 and prior to completion of any regulatory				
6	process undertaken in order to effect such change.				
7	MM. The Department of Medical Assistance Services shall amend its State Plan under Title				
8	XIX of the Social Security Act to implement reasonable restrictions on the amount of incurred				
9	dental expenses allowed as a deduction from income for nursing facility residents. Such				
10	limitations shall include: (i) that routine exams and x-rays, and dental cleaning shall be				
11	limited to twice yearly; (ii) full mouth x-rays shall be limited to once every three years; and

15	effective upon the availability of subsidized private health insurance offered through a Health				
16	Benefits Exchange in Virginia as articulated through the federal Patient Protection and				
17	Affordable Care Act (PPACA), the Department of Medical Assistance Services shall				
18	eliminate, to the extent not prohibited under federal law, Medicaid Plan First and FAMIS				
19	Moms program offerings to populations eligible for and enrolled in said subsidized coverage				
20	in order to remove disincentives for subsidized private healthcare coverage through publicly-				
21	offered alternatives. To ensure, to the extent feasible, a smooth transition from public				
22	coverage, DMAS shall endeavor to phase out such coverage for existing enrollees once				
23	subsidized private insurance is available through a Health Benefits Exchange in Virginia. The				
24	department shall implement any necessary changes upon federal approval and prior to the				
25	completion of any regulatory process undertaken in order to effect such change.

27	Plans for Medical Assistance under Titles XIX and XXI of the Social Security Act, and any				
28	waivers thereof, to implement requirements of the federal Patient Protection and Affordable				
29	Care Act (PPACA) as it pertains to implementation of Medicaid and CHIP eligibility				
30	determination and case management standards and practices, including the Modified Adjusted				
31	Gross Income (MAGI) methodology. The department shall have authority to implement such				
32	standards and practices upon federal approval and prior to the completion of any regulatory				
33	process undertaken in order to effect such change.				
34	PP. Effective July 1, 2013, the Department of Medical Assistance Services shall establish a				
35	Medicaid Physician and Managed Care Liaison Committee including, but not limited to,				
36	representatives from the following organizations: the Virginia Academy of Family

40	Virginia; the Virginia Medical Group Management Association; and the Medical Society of				
41	Virginia. The committee shall also include representatives from each of the department's				
42	contracted managed care organizations and a representative from the Virginia Association of				
43	Health Plans. The committee will work with the department to investigate the implementation				
44	of quality, cost-effective health care initiatives, to identify means to increase provider				
45	participation in the Medicaid program, to remove administrative obstacles to quality, cost-				
46	effective patient care, and to address other matters as raised by the department or members of				
47	the committee. The Committee shall establish an Emergency Department Care Coordination				
48	work group comprised of representatives from the Committee, including the Virginia College

2	Department of Planning and Budget no later than October 1 each year.				
3	QQ.1. The Department of Medical Assistance Services shall seek federal authority				
4	through any necessary waiver(s) and/or State Plan authorization under Titles XIX and				
5	XXI of the Social Security Act to implement a comprehensive value-driven, market-based				
6	reform of the Virginia Medicaid/FAMIS programs.				
7	2. The department is authorized to contract with qualified health plans to offer recipients a				
8	Medicaid benefit package adhering to these principles. Any coordination of non-				
9	traditional behavioral health services covered under contract with qualified health plans or				
10	through other means shall adhere to the principles outlined in paragraph EE.a. This				
11	reformed service delivery model shall be mandatory, to the extent allowed under the				
12	relevant authority granted by the federal government and shall, at a minimum, include (i)

19	Department of Medical Assistance Services shall have the authority to (1) amend the State				
20	Plan for Medical Assistance under Title XIX of the Social Security Act, and any waivers				
21	thereof, to implement coverage for newly eligible individuals pursuant to 42 U.S.C. §				
22	1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act and (2) begin the				
23	process of implementing a § 1115 demonstration project to transform the Medicaid				
24	program for newly eligible individuals pursuant to the provisions of 4.c. and eligible				
25	individuals enrolled in the existing Medicaid program. DMAS shall submit the § 1115				
26	demonstration waiver application to CMS for approval. The department shall provide				
27	updates on the progress of the State Plan amendments and demonstration waiver				
28	applications to the Chairmen of the House Appropriations and Senate Finance				
29	Committees, or their designees, upon request, and provide for participation in discussions

34	housing benefit targeted to high risk Medicaid beneficiaries with mental illness, substance				
35	use disorder, or other complex, chronic conditions who need intensive, ongoing support to				
36	obtain and maintain employment and stable housing.				
37	c. The department shall have the authority to promulgate emergency regulations to				
38	implement these changes within 280 days or less from the enactment date of this Act.				
39	4. In the event that the increased federal medical assistance percentages for newly eligible				
40	individuals included in 42 U.S.C. § 1396d(y)(1)[2010] of the PPACA are modified				
41	through federal law or regulation from the methodology in effect on January 1, 2014,				
42	resulting in a reduction in federal medical assistance as determined by the department in				
43	consultation with the Department of Planning and Budget, the Department of Medical				
44	Assistance Services shall disenroll and eliminate coverage for individuals who obtained				
45	coverage through 42 U.S.C. § 1396d(y)(1) [2010] of the PPACA. The disenrollment				
46	process shall include written notification to affected Medicaid beneficiaries, Medicaid				
47	managed care plans, and other providers that coverage will cease as soon as allowable				
48	under federal law following the date the department is notified of a reduction in Federal				
49	Medical Assistance Percentage.				
50	RR.1. Effective July 1, 2014, the Department of Medical Assistance Services shall replace				
51	the current Disproportionate Share Hospital (DSH) methodology with the following				
52	methodology:				
53	a) DSH eligible hospitals must have a total Medicaid Inpatient Utilization Rate equal to 14				
54	percent or higher in the base year using Medicaid days eligible for Medicare DSH or a				
55	Low Income Utilization Rate in excess of 25 percent and meet other federal requirements.				
56	Eligibility for out of state cost reporting hospitals shall be based on total Medicaid

		First Year FY2021	Second Year FY2022	First Year FY2021	Second Year FY2022
1	utilization or on total Medicaid NICU utilization equal to 14 percent or higher.				
2	b) Each hospital's DSH payment shall be equal to the DSH per diem multiplied by each				
3	hospital's eligible DSH days in a base year. Days reported in provider fiscal years in state FY				
4	2011 will be the base year for FY 2015 prospective DSH payments. DSH will be recalculated				
5	annually with an updated base year. DSH payments are subject to applicable federal limits.				
6	c) Eligible DSH days are the sum of all Medicaid inpatient acute, psychiatric and				
7	rehabilitation days above 14 percent for each DSH hospital subject to special rules for out of				
8	state cost reporting hospitals. Eligible DSH days for out of state cost reporting hospitals shall				
9	be the higher of the number of eligible days based on the calculation in the first sentence				
10	times Virginia Medicaid utilization (Virginia Medicaid days as a percent of total Medicaid				
11	days) or the Medicaid NICU days above 14 percent times Virginia NICU Medicaid utilization				
12	(Virginia NICU Medicaid days as a percent of total NICU Medicaid days). Eligible DSH days				
13	for out of state cost reporting hospitals who qualify for DSH but who have less than 12				
14	percent Virginia Medicaid utilization shall be 50 percent of the days that would have				
15	otherwise been eligible DSH days.				
16	d) Additional eligible DSH days are days that exceed 28 percent Medicaid utilization for				
17	Virginia Type Two hospitals (excluding Children's Hospital of the Kings Daughters).				
18	e) The DSH per diem shall be calculated in the following manner:				
19	a. The DSH per diem for Type Two hospitals is calculated by dividing the total Type Two				
20	DSH allocation by the sum of eligible DSH days for all Type Two DSH hospitals. For				
21	purposes of DSH, Type Two hospitals do not include Children's Hospital of the Kings				
22	Daughters (CHKD) or any hospital whose reimbursement exceeds its federal uncompensated				
23	care cost limit. The Type Two Hospital DSH allocation shall equal the amount of DSH paid to				
24	Type Two hospitals in state FY 2014 increased annually by the percent change in the federal				
25	allotment, including any reductions as a result of the Affordable Care Act, adjusted for the				
26	state fiscal year.				
27	b. The DSH per diem for State Inpatient Psychiatric Hospitals is calculated by dividing the				
28	total State Inpatient Psychiatric Hospital DSH allocation by the sum of eligible DSH days.				
29	The State Inpatient Psychiatric Hospital DSH allocation shall equal the amount of DSH paid				
30	in state FY 2013 increased annually by the percent change in the federal allotment, including				
31	any reductions as a result of the Affordable Care Act, adjusted for the state fiscal year.				
32	c. The DSH per diem for CHKD shall be three times the DSH per diem for Type Two				
33	hospitals.				
34	d. The DSH per diem for Type One hospitals shall be 17 times the DSH per diem for Type				
35	Two hospitals.				
36	2. Each year, the department shall determine how much Type Two DSH has been reduced as				
37	a result of the Affordable Care Act and adjust the percent of cost reimbursed for outpatient				
38	hospital reimbursement.				
39	3. The department shall convene the Hospital Payment Policy Advisory Council at least once				
40	a year to consider additional changes to the DSH methodology.				
41	4. The department shall have the authority to implement these reimbursement changes				
42	effective July 1, 2014, and prior to completion of any regulatory process in order to effect				
43	such changes.				
44	SS. The Department of Medical Assistance Services shall have authority to amend the State				
45	Plans for Medical Assistance under Titles XIX and XXI of the Social Security Act, and any				
46	waivers thereof, to implement requirements of the federal Patient Protection and Affordable				
47	Care Act (PPACA), P.L. 111-148, as it pertains to implementation of Medicaid and CHIP				
48	eligibility determination and case management standards and practices, including the				
49	Modified Adjusted Gross Income (MAGI) methodology and, notwithstanding the				
50	requirements of Code of Virginia §2.2-4000, et seq., the process for administrative appeals of				
51	MAGI-related eligibility determinations. The department shall have authority to implement				
52	such standards and practices upon federal approval and prior to the completion of any				
53	regulatory process undertaken in order to effect such changes.

1	TT.1. Notwithstanding § 32.1-330 of the Code of Virginia, the Department of Medical				
2	Assistance Services shall improve the preadmission screening process for individuals who				
3	will be eligible for long-term care services, as defined in the state plan for medical				
4	assistance. The community-based screening team shall consist of a licensed health care				
5	professional and a social worker who are employees or contractors of the Department of				
6	Health or the local department of social services, or other assessors contracted by the				
7	department. The department shall not contract with any entity for whom there exists a				
8	conflict of interest. For community-based screening for children, the screening shall be				
9	performed by an individual or entity with whom the department has entered into a contract				
10	for the performance of such screenings.				
11	2. The department shall track and monitor all requests for screenings and report on those				
12	screenings that have not been completed within 30 days of an individual's request for				
13	screening. The screening teams and contracted entities shall use the reimbursement and				
14	tracking mechanisms established by the department.				
15	3. The Department of Medical Assistance Services shall promulgate regulations to				
16	implement these provisions to be effective within 280 days of its enactment. The				
17	department may implement any changes necessary to implement these provisions prior to				
18	the promulgation of regulations undertaken in order to effect such changes.				
19	UU.1.a. There is hereby appropriated sum-sufficient nongeneral funds for the Department				
20	of Medical Assistance Services (DMAS) to pay the state share of supplemental payments				
21	for qualifying private hospital partners of Type One hospitals (consisting of state-owned				
22	teaching hospitals) as provided in the State Plan for Medical Assistance Services.				
23	Qualifying private hospitals shall consist of any hospital currently enrolled as a Virginia				
24	Medicaid provider and owned or operated by a private entity in which a Type One hospital				
25	has a non-majority interest. The supplemental payments shall be based upon the				
26	reimbursement methodology established for such payments in Attachments 4.19-A and				
27	4.19-B of the State Plan for Medical Assistance Services. DMAS shall enter into a transfer				
28	agreement with any Type One hospital whose private hospital partner qualifies for such				
29	supplemental payments, under which the Type One hospital shall provide the state share				
30	in order to match federal Medicaid funds for the supplemental payments to the private				
31	hospital partner. The department shall have the authority to implement these				
32	reimbursement changes consistent with the effective date in the State Plan amendment				
33	approved by the Centers for Medicare and Medicaid Services (CMS) and prior to				
34	completion of any regulatory process in order to effect such changes.				
35	b. The department shall adjust capitation payments to Medicaid managed care				
36	organizations for the purpose of securing access to Medicaid hospital services for the				
37	qualifying private hospital partners of Type One hospitals (consisting of state-owned				
38	teaching hospitals). The department shall revise its contracts with managed care				
39	organizations to incorporate these supplemental capitation payments and provider				
40	payment requirements. DMAS shall enter into a transfer agreement with any Type One				
41	hospital whose private hospital partner qualifies for such supplemental payments, under				
42	which the Type One hospital shall provide the state share in order to match federal				
43	Medicaid funds for the supplemental payments to the private hospital partner. The				
44	department shall have the authority to implement these reimbursement changes consistent				
45	with the effective date approved by the Centers for Medicare and Medicaid Services				
46	(CMS). No payment shall be made without approval from CMS.				
47	2.a. The Department of Medical Assistance Services shall promulgate regulations to make				
48	supplemental payments to Medicaid physician providers with a medical school located in				
49	Eastern Virginia that is a political subdivision of the Commonwealth. The amount of the				
50	supplemental payment shall be based on the difference between the average commercial				
51	rate approved by CMS and the payments otherwise made to physicians. The department				
52	shall have the authority to implement these reimbursement changes consistent with the				
53	effective date in the State Plan amendment approved by CMS and prior to completion of				
54	any regulatory process in order to effect such changes.				
55	b. The department shall increase payments to Medicaid managed care organizations for				
56	the purpose of securing access to Medicaid physician services in Eastern Virginia, through				
57	higher rates to physicians affiliated with a medical school located in Eastern Virginia that

1	is a political subdivision of the Commonwealth subject to applicable limits. The department				
2	shall revise its contracts with managed care organizations to incorporate these supplemental				
3	capitation payments, and provider payment requirements, subject to approval by CMS. No				
4	payment shall be made without approval from CMS.				
5	c. Funding for the state share for these Medicaid payments is authorized in Item 254.				
6	3.a. The Department of Medical Assistance Services (DMAS) shall have the authority to				
7	amend the State Plan for Medical Assistance Services (State Plan) to implement a				
8	supplemental Medicaid payment for local government-owned nursing homes. The total				
9	supplemental Medicaid payment for local government-owned nursing homes shall be based				
10	on the difference between the Upper Payment Limit of 42 CFR §447.272 as approved by				
11	CMS and all other Medicaid payments subject to such limit made to such nursing homes.				
12	There is hereby appropriated sum-sufficient funds for DMAS to pay the state share of the				
13	supplemental Medicaid payment hereunder. However, DMAS shall not submit such State				
14	Plan amendment to CMS until it has entered into an intergovernmental agreement with				
15	eligible local government-owned nursing homes or the local government itself which requires				
16	them to transfer funds to DMAS for use as the state share for the supplemental Medicaid				
17	payment each nursing home is entitled to and to represent that each has the authority to				
18	transfer funds to DMAS and that the funds used will comply with federal law for use as the				
19	state share for the supplemental Medicaid payment. If a local government-owned nursing				
20	home or the local government itself is unable to comply with the intergovernmental				
21	agreement, DMAS shall have the authority to modify the State Plan. The department shall				
22	have the authority to implement the reimbursement change consistent with the effective date				
23	in the State Plan amendment approved by CMS and prior to the completion of any regulatory				
24	process undertaken in order to effect such change.				
25	b. If by June 30, 2017, the Department of Medical Assistance Services has not secured				
26	approval from the Centers for Medicare and Medicaid Services to use a minimum fee				
27	schedule pursuant to 42 C.F.R. § 438.6(c)(1)(iii) for local government-owned nursing homes				
28	participating in Commonwealth Coordinated Care Plus (CCC Plus) at the same level as and in				
29	lieu of the supplemental Medicaid payments authorized in Section XX.3.a., then DMAS shall:				
30	(i) exclude Medicaid recipients who elect to receive nursing home services in local				
31	government-owned nursing homes from CCC Plus; (ii) pay for such excluded recipient's				
32	nursing home services on a fee-for-service basis, including the related supplemental Medicaid				
33	payments as authorized herein; and (iii) prohibit CCC Plus contracted health plans from in				
34	any way limiting Medicaid recipients from electing to receive nursing home services from				
35	local government-owned nursing homes. The department may include in CCC Plus Medicaid				
36	recipients who elect to receive nursing home services in local government-owned nursing				
37	homes in the future when it has secured federal CMS approval to use a minimum fee schedule				
38	as described above.				
39	4. The Department of Medical Assistance Services shall have the authority to amend the State				
40	Plan for Medical Assistance Services to implement a supplemental payment for clinic services				
41	furnished by the Virginia Department of Health (VDH) effective July 1, 2015. The total				
42	supplemental Medicaid payment shall be based on the Upper Payment Limit approved by the				
43	Centers for Medicare and Medicaid Services and all other Medicaid payments. VDH may				
44	transfer general fund to the department from funds already appropriated to VDH to cover the				
45	non-federal share of the Medicaid payments. The department shall have the authority to				
46	implement the reimbursement change effective July 1, 2015, and prior to the completion of				
47	any regulatory process undertaken in order to effect such changes.				
48	5. The Department of Medical Assistance Services shall amend the State Plan for Medical				
49	Assistance to increase the supplemental physician payments for physicians employed at a				
50	freestanding children's hospital serving children in Planning District 8 with more than 50				
51	percent Medicaid inpatient utilization in fiscal year 2014 to the maximum allowed by the				
52	Centers for Medicare and Medicaid Services within the limit of the appropriation provided for				
53	this purpose. The total supplemental Medicaid payment shall be based on the Upper Payment				
54	Limit approved by the Centers for Medicare and Medicaid Services and all other Virginia				
55	Medicaid fee-for-service payments. The department shall have the authority to implement				
56	these reimbursement changes effective July 1, 2016, and prior to the completion of any				
57	regulatory process undertaken in order to effect such change.

46	2. The department shall have authority to implement these changes to be effective July 1,				
47	2019. The department shall also have authority to promulgate any emergency regulations

40	implications.				
41	2. Prior to the award of any contract that will potentially obligate the Commonwealth to				
42	future unappropriated spending, the department shall receive prior written concurrence				
43	from Director, Department of Planning and Budget. Any approved increases in funding				
44	requests shall be reported by DSS to the Chairmen of House Appropriations and Senate				
45	Finance Committees within 30 days.				
46	E. At least 60 days prior to the modification of any public guidance document, handbook,				
47	manual, or state plan, the Department of Social Services (DSS) shall provide written				
48	notification to the Governor and the Director of the Department of Planning and Budget as				
49	to the purpose of such change. This notice shall also assess whether the amendment may				
50	require any 1) future state regulatory action; 2) increase in local costs; and/or 3) any state				
51	expenditure beyond that which is appropriated in this Act. This notice does not exempt the				
52	agency from any requirements set forth within § 4-5.03 of this Act.				
53	F. The Superintendent of Public Instruction shall convene a work group to develop and				
54	establish a plan to transfer the Child Care Development Fund grant from the Virginia				
55	Department of Social Services to the Virginia Department of Education no later than July

1	1, 2021. The work group shall include representatives of (i) the Secretariats of Education and				
2	Health and Human Resources; (ii) relevant state agencies, including the Department of				
3	Planning and Budget, the Office of the Attorney General, the Department of Education, and				
4	the Department of Social Services; (iii) relevant regulatory boards, including the Board of				
5	Education; and (iv) the House Committee on Appropriations and the Senate Committee on				
6	Finance and Appropriations. The goal of this transfer is to house responsibility of child care				
7	and education programs under one agency. The plan shall be submitted to the Governor, the				
8	Chairs of the House Appropriations and Senate Finance and Appropriations Committees, and				
9	Director of the Department of Planning and Budget no later than August 15, 2020. Such plan				
10	shall confirm the funding amounts and positions that need to be transferred between the				
11	impacted agencies, and shall identify any savings or additional costs associated with the				
12	transfer of these programs. The review shall also assess any potential administrative impacts				
13	on the Department of Social Services and the Department of Education.				
14	G. Out of this appropriation, \$250,000 the first year from the general fund is provided for the				
15	agency to contract with a vendor for assistance in evaluating the agency's needs for a new				
16	child welfare system; developing detailed cost estimates and a timeline for implementation.				
17	The department shall submit a plan for a new child welfare system to the Governor and the				
18	Chairs of the House Appropriations and Senate Finance and Appropriations Committees by				
19	October 1, 2020.				
20	H. The Department of Social Services shall report a detailed accounting, annually, of the				
21	agency's organization and operations. This report shall include an organizational chart that				
22	shows all full- and part-time positions (by job title) employed by the agency as well as the				
23	current management structure and unit responsibilities. The report shall also provide a				
24	summary of organization changes implemented over the previous year. The report shall be				
25	made available on the department's website by August 15 of each year. For the report due				
26	August 15, 2020, the department shall provide a summary of all organizational changes				
27	implemented since January 1, 2018.				
28	I. Notwithstanding any other provision of law, the Department of Social Services (DSS) shall				
29	have temporary authority to make any changes to relevant State Plans, request waivers from				
30	applicable Federal agencies, change eligibility criteria for benefits and services, and payment				
31	levels for applicable programs in response to the COVID-19 pandemic and new authorities				
32	and funding made available by the federal government to effect those policies necessary to				
33	ensure that benefits are available to eligible populations in response to COVID-19. Prior to				
34	the implementation of any change, DSS must receive written approval from the Governor.				
35	Within 15 days of implementing changes in response to COVID-19, DSS shall send a list of				
36	such actions to the Director, Department of Planning and Budget and the Chairs of the House				
37	Appropriations and Senate Finance and Appropriations Committees. The provisions of this				
38	paragraph, as well as any actions implemented under its authority, shall be in accordance with				
39	the Governor's emergency declaration for COVID-19 and be in effect for the period specified				
40	therein.				
41	J. Out of this appropriation, \$178,043 the first year from the federal Temporary Assistance for				
42	Needy Families (TANF) grant shall be provided to fund payment structure changes to				
43	implement one-time food benefit payments to families with children enrolled in Head Start.				
44	360. A. In the operation of any program of public assistance, including benefit and service				
45	programs in any locality, for which program appropriations are made to the Department of				
46	Social Services, it is provided that if a payment or overpayment is made to an individual who				
47	is ineligible therefor under federal and/or state statutes and regulations, the amount of such				
48	payment or overpayment shall be returned to the Department of Social Services by the				
49	locality.				
50	B. However, no such repayments may be required of the locality if the department determines				
51	that such overpayment or payments to ineligible resulted from the promulgation of vague or				
52	conflicting regulations by the department or from the failure of the department to make timely				
53	distribution to the localities of the statutes, rules, regulations, and policy decisions, causing				
54	the overpayment or payment to ineligible(s) to be made by the locality or from situations				
55	where a locality exercised due diligence, yet received incomplete or incorrect information				
56	from the client which caused the overpayment or payment to ineligible. If a locality fails to				
57	effect the return, the Department of Social Services shall withhold an equal amount from the

2	C. The Department of Social Services shall implement the guidance issued by the U.S.				
3	Department of Health and Human Services concerning the obligation of recipients of				
4	federal financial assistance to comply with Title VI of the Civil Rights Act of 1964 by				
5	ensuring that meaningful access to federally-funded programs, activities and services				
6	administered by the department is provided to limited English proficient (LEP) persons,				
7	63 Fed. Reg. 47,311-47,323 (August 8, 2003). At a minimum, the department shall (i)				
8	identify the need for language assistance by analyzing the following factors: (1) the				
9	number or proportion of LEP persons in the eligible service population, (2) the frequency				
10	of contact with such persons, (3) the nature and importance of the program, activity or				
11	service, and (4) the costs of providing language assistance and resources available; (ii)				
12	translate vital documents into the language of each frequently encountered LEP group				
13	eligible to be served; (iii) provide accurate and timely oral interpreter services; and (iv)				
14	develop an effective implementation plan to address the identified needs of the LEP				
15	populations served.				
16	361. A. The amount for the Supplemental Nutrition Assistance Program (SNAP) shall be				
17	expended under regulations of the Board of Social Services to reimburse county and city				
18	welfare/social services boards pursuant to § 63.2-401, Code of Virginia, and subject to the				
19	same percentage limitations for other administrative services performed by county and				
20	city public welfare/social services boards and superintendents of public welfare/social				
21	services pursuant to other provisions of the Code of Virginia, as amended.				
22	B. Pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of				
23	1996, Public Law 104-193, the Department of Social Services shall, in cooperation with				
24	local departments of social services, maintain a waiver of the work requirement for				
25	Supplemental Nutrition Assistance Program (SNAP) recipients residing in areas that do				
26	not have a sufficient number of jobs to provide employment for such individuals,				
27	including those areas designated as labor surplus areas by the U.S. Department of Labor.				
28	C. To the extent permitted by federal law, Supplemental Nutrition Assistance Program				
29	(SNAP) recipients subject to a work requirement pursuant to § 824 of the Personal				
30	Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, as				
31	amended, shall be permitted to satisfy such work requirement by providing volunteer				
32	services to a public or private, nonprofit agency for the number of hours per month				
33	determined by dividing the household's monthly SNAP allotment by the federal minimum				
34	wage.				
35	D. The Department of Social Services shall, to the extent permitted by federal law,				
36	disregard the value of at least one motor vehicle per household in determining eligibility				
37	for the Supplemental Nutrition Assistance Program (SNAP).				
38	E. The Department of Social Services shall develop a multi-lingual outreach campaign to				
39	inform qualified aliens and their children, who are United States citizens, of their				
40	eligibility for the federal Supplemental Nutrition Assistance Program (SNAP) and ensure				
41	that they have access to benefits under SNAP. To the extent permitted by federal law, the				
42	department shall administer SNAP in a way that minimizes the procedural burden on				
43	qualified aliens and addresses concerns about the impact of SNAP receipt on their				
44	immigration sponsors and status.

2	A. The Department of Environmental Quality is authorized to use up to \$300,000 the first				
3	year and \$300,000 the second year from the Vehicle Emissions Inspection Program Fund to				
4	implement the provisions of Chapter 710, Acts of Assembly of 2002, which authorizes the				
5	department to operate a program to subsidize repairs of vehicles that fail to meet emissions				
6	standards established by the Air Pollution Control Board when the owner of the vehicle is				
7	financially unable to have the vehicle repaired.				
8	B.1. All of the permit program emissions fees collected by the State Air Pollution Control				
9	Board pursuant to § 10.1-1322, Code of Virginia, shall be assessed and collected on an annual				
10	basis notwithstanding the provisions of that section. The State Air Pollution Control Board				
11	shall adopt regulations adjusting permit program emissions fees collected pursuant to § 10.1-				
12	1322, Code of Virginia, and establish permit application processing fees and permit				
13	maintenance fees sufficient to ensure that the revenues collected from fees cover the total				
14	direct and indirect costs of the program consistent with the requirements of Title V of the				
15	Clean Air Act, except that the initial adjustment to permit program emissions fees shall not be				
16	increased by more than 30 percent over current rates. Notwithstanding the provisions of §				
17	10.1-1322, Code of Virginia, the permit application fees collected pursuant to this paragraph				
18	shall not be credited towards the amount of annual fees owed pursuant to § 10.1-1322, Code

20	Consumer Price Index.				
21	2. The State Air Pollution Control Board shall adopt regulations to prohibit the sale, lease,				
22	rent, installation or entry into commerce in Virginia of any products or equipment that use or				
23	will use hydrofluorocarbons hydrofluorocarbons for the applications and end uses restricted				
24	by Appendix U and Appendix V of Subpart G of 40 C.F.R. Part 82, as those read on January				
25	3, 2017. Notwithstanding the foregoing, such regulations shall not prohibit the use of				
26	hydrofluorocarbons in the manufacturing process by extruded polystyrene boardstock and				
27	billet manufacturers located in Virginia to produce products for sale and distribution outside				
28	of the Commonwealth, until the Board has solicited input from such manufacturers in order to				
29	determine and set by regulation a feasible date by which such manufacturers must be required				
30	to comply. In developing regulations, the Board shall solicit input from a workgroup of				
31	relevant stakeholders assembled by the Department. <i>If the United States environmental</i>				
32	<i>protection agency approves a previously prohibited hydrofluorocarbon blend with a global</i>				
33	<i>warming potential of seven hundred fifty or less for foam blowing of polystyrene extruded</i>				
34	<i>boardstock and billet and rigid polyurethane low-pressure two-component spray foam</i>				
35	<i>pursuant to the significant new alternatives policy program under section 7671(k) of the</i>				
36	<i>federal clean air act (42 U.S.C. Sec. 7401 et seq.), the Department must expeditiously propose</i>

39	provisions of this item shall be exempt from Chapter 40 of Title 2.2, Code of Virginia, and				
40	shall become effective no later than December 31 July 1, 2021. Thereafter, any amendments to				
41	the fee schedule described by these acts shall not be exempted from Chapter 40 of Title 2.2,

42	agency is compliant with the requirements of § 9.1-903, Code of Virginia, the Director shall				
43	make reimbursement of withheld funding due to the locality in the same fiscal year in which

2	B. Each emergency resolution adopted by the Board of Juvenile Justice approving				
3	reimbursement of the state share of the cost of construction, maintenance, or operation of				
4	local or regional detention centers, group homes, or related facilities or programs shall include				
5	a statement noting that such approval is subject to the availability of funds and approval by				
6	the General Assembly at its next regular session.				
7	C. The Department of Juvenile Justice shall reimburse localities, pursuant to § 66-15, Code of				
8	Virginia, at the rate of \$50 per day for housing juveniles who have been committed to the				
9	department, for each day after the department has received a valid commitment order and				
10	other pertinent information as required by § 16.1-287, Code of Virginia.				
11	D. Notwithstanding the provisions of § 16.1-322.1 of the Code of Virginia, the department				
12	shall apportion to localities the amounts appropriated in this Item.				
13	E.1. The appropriation for Financial Assistance for Community Based Alternative Treatment				
14	Services includes \$10,379,926 the first year and \$10,379,926 the second year from the general				
15	fund for the implementation of the financial assistance provisions of the Juvenile Community				
16	Crime Control Act (VJCCCA), §§ 16.1-309.2 through 16.1-309.10, Code of Virginia.				
17	Notwithstanding § 16.1-309.6, Code of Virginia, localities participating in this program and				
18	contributing through their local match an amount of local funds which is greater than they				
19	receive from the Commonwealth under this program are authorized, but not required, to				
20	provide a contribution greater than the state general fund contribution. In no case shall their				
21	local match be less than their state share.				
22	2. Notwithstanding the provisions of §§ 16.1-309.2 through 16.1-309.10, Code of Virginia,				
23	the Board of Juvenile Justice shall establish guidelines for use in determining the types of				
24	programs for which VJCCCA funding may be expended. The department shall establish a				
25	format to receive biennial or annual requests for funding from localities, based on these				
26	guidelines. For each program requested, the plan shall document the need for the program,				
27	goals, and measurable objectives, and a budget for the proposed expenditure of these funds				
28	and any other resources to be committed by localities.				
29	3.a. Notwithstanding the provisions of § 16.1-309.7 B, Code of Virginia, unobligated				
30	VJCCCA funds must be returned to the department by each grantee locality no later than				
31	October 1 of the fiscal year following the fiscal year in which they were received, or a similar				
32	amount may be withheld from the current fiscal year's periodic payments designated by the				
33	department for that locality. The Director, Department of Planning and Budget, may increase				
34	the general fund appropriation for this Item up to the amount of unobligated VJCCCA funds				
35	returned to the Department of Juvenile Justice.				
36	b. All such unobligated and reappropriated balances shall be used by the department for the				
37	purpose of awarding short-term supplementary grants to localities, for programs and services				
38	which have been demonstrated to improve outcomes, including reduced recidivism, of				
39	juvenile offenders. Such programs and services must augment and support current VJCCCA-				
40	funded programs within each affected locality. The grantee locality shall submit an outcomes				
41	report to the department, in accord with a written memorandum of agreement which shall				
42	accompany the supplementary grant award. This provision shall apply to funds obligated to				
43	and in the possession of the department and its grant recipients. The entity which returns				
44	unobligated funds under this provision shall not have a presumptive entitlement to a				
45	supplementary grant.				
46	c. The Department of Juvenile Justice, with the assistance of the Department of Corrections,				
47	the Virginia Council on Juvenile Detention, juvenile court service unit directors, juvenile and				
48	domestic relations district court judges, and juvenile justice advocacy groups, shall provide a				
49	report on the types of programs supported by the Juvenile Community Crime Control Act and				
50	whether the youth participating in such programs are statistically less likely to be arrested,				
51	adjudicated or convicted, or incarcerated for either misdemeanors or crimes that would				
52	otherwise be considered felonies if committed by an adult.				
53	F. The department shall consolidate the annual reporting requirements in §§ 2.2-222 and 66-				
54	13 and in Chapters 755 and 914 of the 1996 Acts of the General Assembly concerning				
55	juvenile offender demographics. The consolidated annual report shall address the progress of

14	prior to its availability for new development, acquisition, and construction.			
15	2. It is in the interest of the Commonwealth to have an efficient and cost-effective			
16	transportation system that promotes economic development and all modes of transportation,

35	paragraph.			
36	2. The secretary shall ensure that the allocation of transportation funds apportioned and for

Once actual financial data from the year of certification are available, the State Comptroller and the Director, Department of Planning and Budget, shall compare the actual data with estimates used to determine the distribution of the interest earnings, nongeneral fund Educational and General revenues, and the pro rata amounts to the certified institutions of higher education. In those cases where variances exist, the Governor shall include in his next introduced budget bill recommended appropriations to make whatever adjustments to each institution's distributed amount to ensure that each institution's incentive payments are accurate based on actual financial data.</p>

PART 2: CAPITAL PROJECT EXPENSES

§ 2-0. GENERAL CONDITIONS

A.1. The General Assembly hereby authorizes the capital projects listed in this act. The amounts hereinafter set forth are appropriated to the state agencies named for the indicated capital projects. Amounts so appropriated and amounts reappropriated pursuant to paragraph G. of this section shall be available for expenditure during the current biennium, subject to the conditions controlling the expenditures of capital project funds as provided by law. Reappropriated amounts, unless otherwise stated, are limited to the unexpended appropriation balances at the close of the previous biennium, as shown by the records of the Department of Accounts.

2. The Director, Department of Planning and Budget, may transfer appropriations listed in Part 2 of this act from the second year to the first year in accordance with § 4-1.03 c.5. of this act.

B. The five-digit number following the title of a project is the code identification number assigned for the life of the project.

C. Except as herein otherwise expressly provided, appropriations or reappropriations for structures may be used for the purchase of equipment to be used in the structures for which the funds are provided, subject to guidelines prescribed by the Governor.

D. Notwithstanding any other provisions of law, appropriations for capital projects shall be subject to the following:

1. Appropriations or reappropriations of funds made pursuant to this act for planning of capital projects shall not constitute implied approval of construction funds in a future biennium. Funds, other than the reappropriations referred to above, for the preparation of capital project proposals must come from the affected agency's existing resources.

2. No capital project for which appropriations for planning are contained in this act, nor any project for which appropriations for planning have been previously approved, shall be considered for construction funds until preliminary plans and cost estimates are reviewed by the Department of General Services. The purpose of this review is to avoid unnecessary expenditures for each project, in the interest of assuring the overall cost of the project is reasonable in relation to the purpose intended, regardless of discrete design choices.

E.1. Expenditures from Items in this act identified as "Maintenance Reserve" are to be made only for the maintenance of property, plant, and equipment as defined in § 4-4.01 c. of this act to the extent that funds included in the appropriation to the agency for this purpose in Part 1 of this act are insufficient.

2. 34	or delay construction of the referenced construction projects. Notwithstanding the foregoing,				
35	DGS may commence the construction project work and safety and security enhancements				
36	within the referenced right-of-way of North 9th Street and East Broad Street prior to the				
37	execution of a deed of easement or other proper instruments, if deemed necessary by DGS to				
38	avoid delay in the implementation of the construction project work or safety and security				
39	enhancements.				
40	B. Pursuant to projects authorized and funded in paragraph E.1. of Item C-39.40 of Chapter 1				
41	of the Acts of Assembly of 2014, operations of the Virginia General Assembly have				
42	temporarily moved and now operate from the Pocahontas Building bounded by the following				
43	streets 9th to the west, 10th to the east, Bank to the north, and Main to the south in the City of				
44	Richmond. This temporary move has resulted in the Commonwealth's legislative activities to				
45	be concentrated in an area requiring traffic and pedestrian operational safety and security				
46	enhancements. As such, and pursuant to the responsibilities of the Department of General				
47	Services (DGS) (§ 2.2-1129) and the Division of Capitol Police (DCP) (§ 30-34.2:1), Bank				
48	Street from 9th to 12th Street in the City of Richmond shall be controlled by the DGS and the				
49	DCP. Vehicular travel limitations and pedestrian management needs on and along Bank				
50	Street shall be determined jointly by the DGS and the DCP. These determinations will be				
51	based on the recommendations outlined in the Bank Street Safety and Security Assessment				
52	prepared by Commonwealth Architects dated February 15, 2017 (the Assessment). Funding				
53	for materials and contract services needed to address pedestrian and vehicle management				
54	activities are available to DGS from the Chapter referenced in this item.				
55	C-75. A. The Virginia Public Building Authority, pursuant to § 2.2-2260 et seq. of the Code of				
56	Virginia, is authorized to issue bonds in a principal amount not to exceed \$206,401,500				
57	\$210,491,500 plus amounts needed to fund issuance costs, reserve funds, original issue				
58	discount, interest prior to and during the acquisition or construction and for one year after				
59	completion thereof, and other financing expenses, to finance the capital costs of the projects

§ 3-5.15 PROVIDER COVERAGE ASSESSMENT

A. The Department of Medical Assistance Services (DMAS) is authorized to levy an assessment upon private acute care hospitals operating in Virginia in accordance with this Item. Private acute care hospitals operating in Virginia shall pay a coverage assessment beginning on or after October 1, 2018. For the purposes of this coverage assessment, the definition of private acute care hospitals shall exclude public hospitals, freestanding psychiatric and rehabilitation hospitals, children's hospitals, long stay hospitals, long-term acute care hospitals and critical access hospitals.

B.1. The coverage assessment shall be used only to cover the non-federal share of the "full cost of expanded Medicaid coverage" for newly eligible individuals pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act, including the administrative costs of collecting the coverage assessment and implementing and operating the coverage for newly eligible adults which includes the costs of administering the provisions of the Section 1115 waiver.

2.a. The "full cost of expanded Medicaid coverage" shall include: 1) any and all Medicaid expenditures related to individuals eligible for Medicaid pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act, including any federal actions or repayments; and, 2) all administrative costs associated with providing coverage, which includes the costs of administering the provisions of the Section 1115 waiver, and collecting the coverage assessment.

b. The "full cost of expanded Medicaid coverage" shall be updated: 1) on November 1 of each year based on the official Medicaid forecast and latest administrative cost estimates developed by DMAS; 2) no more than 30 days after the enactment of this Act to reflect policy changes adopted by the latest session of the General Assembly; and 3) on March 1 of any year in which DMAS estimates that the most recent non-federal share of the "full cost of expanded Medicaid coverage" times 1.08 will be insufficient to pay all expenses in 2.a. for that year.

C.1. The "coverage assessment amount" shall equal the non-federal share of the "full cost of expanded Medicaid coverage" times 1.08.

2. The "coverage assessment percentage" shall be calculated quarterly by dividing (i) the "coverage assessment amount" by (ii) the total "net patient service revenue" for hospitals subject to the assessment. The coverage assessment amount used in the quarterly calculation of the "coverage assessment percentage" shall include a reconciliation of the Health Care Coverage Assessment Fund prescribed in D.1 and subtract all prior quarterly assessments paid for that fiscal year before dividing the remainder by the remaining quarters in the fiscal year.

3. Each hospital's "net patient service revenue" equals the amount reported in the most recent Virginia Health Information (VHI) "Hospital Detail Report." Hospitals shall certify that the net patient service revenue is hospital revenue and this amount shall be the assessment basis for the following fiscal year.

4. Each hospital's coverage assessment amount shall be calculated by multiplying the quarterly "coverage assessment percentage" times each hospital's net patient service revenue.

D.1. DMAS shall, at a minimum, update the "coverage assessment amount" whenever the "full cost of expanded Medicaid coverage" is updated in section B.2.b or to ensure amounts are sufficient to cover the full cost of expanded Medicaid coverage based on the latest estimate. Hospitals shall be given no less than 15 days' notice prior to the beginning of the quarter with associated calculations supporting the change in its coverage assessment amount. Prior to any change to the coverage assessment amount, DMAS shall perform and incorporate a reconciliation of the Health Care Coverage Assessment Fund through the most recent complete quarter. Any estimated excess or shortfall of revenue shall be deducted from or added to the "coverage assessment amount."

2. DMAS shall be responsible for collecting the coverage assessment amount. Hospitals subject to the coverage assessment shall make quarterly payments due no later than July 1, October 1, January 1 and April 1 of each state fiscal year.

3. Hospitals that fail to make the coverage assessment payments within 30 days of the due date shall incur a five percent penalty that shall be deposited in the Virginia Health Care Fund. Any unpaid coverage assessment or penalty will be considered a debt to the Commonwealth and DMAS is authorized to recover it as such.

E. DMAS shall submit a report, due September 1 of each year, to the Director, Department of Planning and Budget and Chairmen of the House Appropriations and Senate Finance Committees, and the Virginia Hospital and Healthcare Association.

The report shall include, for the most recently completed fiscal year, the revenue collected from the coverage assessment, expenditures for purposes authorized by this Item, and the year-end coverage assessment balance in the Health Care Coverage Assessment Fund. The report shall also include a complete and itemized listing of all administrative costs included in the coverage assessment.

F. All revenue from the coverage assessment excluding penalties, shall be deposited into the Health Care Coverage Assessment Fund. Proceeds from the coverage assessment, excluding penalties, shall not be used for any other purpose than to cover the non-federal share of the full cost of expanded Medicaid coverage. Notwithstanding any other provision of law, the net state share of any prior year recovery of Medicaid expansion costs that were paid with coverage assessment revenue shall be deposited into the Health Care Coverage Assessment Fund.

G. Any provision of this Item is contingent upon approval by the Centers for Medicare and Medicaid Services if necessary.

H. The Hospital Payment Policy Advisory Council shall meet to consider the implementation and provisions of the Provider Coverage and Payment Rate Assessments in order to consider and make recommendations to ensure the collection and use of such funds are appropriate and consistent with the intent of the General Assembly. Specifically, the Council shall consider the level of detail and format necessary to develop the report pursuant to paragraph E. The Council shall recommend a format and associated level of detail, to be included in the report to the Joint Subcommittee for Health and Human Resources Oversight. The Joint Subcommittee shall approve the final format and associated level of detail of the report to be submitted by the Department of Medical Assistance Services.

§ 3-5.16 PROVIDER PAYMENT RATE ASSESSMENT

A. The Department of Medical Assistance Services (DMAS) is hereby authorized to levy a payment rate assessment upon private acute care hospitals operating in Virginia in accordance with this item. Private acute care hospitals operating in Virginia shall pay a payment rate assessment beginning on or after October 1, 2018 when all necessary state plan amendments are approved by the Centers for Medicare and Medicaid Services (CMS). For purposes of this assessment, the definition of private acute care hospitals shall exclude public hospitals, freestanding psychiatric and rehabilitation hospitals, children's hospitals, long stay hospitals, long-term acute care hospitals and critical access hospitals.

B. Proceeds from the payment rate assessment shall be used to (i) fund an increase in inpatient and outpatient payment rates paid to private acute care hospitals operating in Virginia up to the "upper payment limit gap"; and (ii) fill the "managed care organization hospital payment gap" for care provided to recipients of medical assistance services. Payments made under the provisions i and ii of this paragraph shall be referred to as "private acute care hospital enhanced payments".

C.1. The Department of Medical Assistance Services (DMAS) shall calculate each hospital's "payment rate assessment amount" by multiplying the "payment rate assessment percentage" times "net patient service revenue" as defined below.

2. The "payment rate assessment percentage" for hospitals shall be calculated as (i) the non-federal share of funding the "private acute care hospitals enhanced payments" divided by (ii) the total "net patient service revenue" for hospitals subject to the assessment.

3. Each hospital's "net patient service revenue" equals the amount reported in the most recent Virginia Health Information (VHI) "Hospital Detail Report." Hospitals shall certify that the net patient service revenue is hospital revenue and this amount shall be the assessment basis for the following fiscal year.

D. DMAS is authorized to update the payment rate assessment amount and payment rate assessment percentage on a quarterly basis to ensure amounts are sufficient to cover the non-federal share of the full cost of the private acute care hospital enhanced payments based on the department's quarterly claims and encounter data. Hospitals shall be given no less than 15 days prior notice of the new assessment amount and be provided with calculations. Prior to any change to the payment rate assessment amount, DMAS shall perform and incorporate a reconciliation of the Health Care Provider Payment Rate Assessment Fund. Any estimated excess or shortfall of revenue since the previous reconciliation shall be deducted from or added to the calculation of the private acute care hospital enhanced payments.

E.1. The "upper payment limit" means the limit on payment for inpatient services for recipients of medical assistance established in accordance with 42 C.F.R. § 447.272 and outpatient services for recipients of medical assistance pursuant to 42 C.F.R. § 447.321 for private hospitals. DMAS shall complete a calculation of the "upper payment limit" for each state fiscal year with a detailed analysis of how it was determined. The "upper payment limit payment gap" means the difference between the amount of the private hospital upper payment limit and the amount otherwise paid pursuant to the state plan for inpatient and outpatient services. The "managed care organization hospital payment gap" means the difference between the amount included in the capitation rates for inpatient and outpatient services based on historical paid claims and the amount that would be included when the projected hospital services furnished by private acute care hospitals operating in Virginia are priced for the contract year equivalent to the upper payment limit subject to CMS approval under 42 C.F.R. section 438.6(c). As part of the development of the managed care capitation rates, the DMAS shall calculate a "Medicaid managed care organization (MCO) supplemental hospital capitation payment adjustment". This is a distinct additional amount that shall be added to Medicaid MCO capitation rates to fund supplemental payments under this section to private acute care hospitals operating in Virginia for services to Medicaid recipients.

2. DMAS shall contractually direct Medicaid MCOs to disburse supplemental hospital capitation payment funds consistent with this section and 42 C.F.R. § 438.6(c), to ensure that all such funds are disbursed to private acute care hospitals operating in Virginia. In addition, DMAS shall contractually prohibit MCOs from making reductions to or supplanting hospital payments otherwise paid by MCOs.

3. DMAS shall make available quarterly a report of the additional capitation payments that are made to each MCO pursuant to this item. Further, DMAS shall consider recommendations of the Medicaid Hospital Payment Policy and Advisory Council in designing and implementing the specific elements of the payment rate assessment and private acute care hospital supplemental payment program authorized by this item.

F.1. DMAS shall be responsible for collecting the payment rate assessment amount. Hospitals subject to the payment rate assessment shall make quarterly payments due no later than August 15, November 15, February 15 and May 15 of each state fiscal year.

2. Hospitals that fail to make the payment rate assessment payments on or before the due date in subsection F.1. shall incur a five percent penalty that shall be deposited in the Virginia Health Care Fund. Any unpaid payment assessment or penalty will be considered a debt to the Commonwealth and DMAS is authorized to recover it as such.

G. DMAS shall submit a report due September 1 of each year to the Director, Department of Planning and Budget and Chairmen of the House Appropriations and Senate Finance Committees. § 4-1.00 APPROPRIATIONS

§ 4-1.01 PREREQUISITES FOR PAYMENT

a. The State Comptroller shall not pay any money out of the state treasury except pursuant to appropriations in this act or in any other act of the General Assembly making an appropriation during the current biennium.

b. Moneys shall be spent solely for the purposes for which they were appropriated by the General Assembly, except as specifically provided otherwise by § 4-1.03 Appropriation Transfers, § 4-4.01 Capital Projects, or § 4-5.01 a. Settlement of Claims with Individuals. Should the Governor find that moneys are not being spent in accordance with provisions of the act appropriating them, he shall restrain the State Comptroller from making further disbursements, in whole or in part, from said appropriations. Further, should the Auditor of Public Accounts determine that a state or other agency is not spending moneys in accordance with provisions of the act appropriating them, he shall so advise the Governor or other governing authority, the State Comptroller, the Chairman of the Joint Legislative Audit and Review Commission, and Chairmen of the Senate Finance and House Appropriations Committees.

c. Exclusive of revenues paid into the general fund of the state treasury, all revenues earned or collected by an agency, and contained in an appropriation item to the agency shall be expended first during the fiscal year, prior to the expenditure of any general fund appropriation within that appropriation item, unless prohibited by statute or by the terms and conditions of any gift, grant or donation.

§ 4-1.02 WITHHOLDING OF SPENDING AUTHORITY

a. For purposes of this subsection, withholding of spending authority is defined as any action pursuant to a budget reduction plan approved by the Governor to address a declared shortfall in budgeted revenue that impedes or limits the ability to spend appropriated moneys, regardless of the mechanism used to effect such withholding.

b.1. Changed Expenditure Factors: The Governor is authorized to reduce spending authority, by withholding allotments of appropriations, when expenditure factors, such as enrollments or population in institutions, are smaller than the estimates upon which the appropriation was based. Moneys generated from the withholding action shall not be reallocated for any other purpose, provided the withholding of allotments of appropriations under this provision shall not occur until at least 15 days after the Governor has transmitted a statement of changed factors and intent to withhold moneys to the Chairmen of the House Appropriations and Senate Finance Committees.

2. Moneys shall not be withheld on the basis of reorganization plans or program evaluations until such plans or evaluations have been specifically presented in writing to the General Assembly at its next regularly scheduled session.

c. Increased Nongeneral Fund Revenue:

1. General fund appropriations to any state agency for operating expenses are supplemental to nongeneral fund revenues collected by the agency. To the extent that nongeneral fund revenues collected in a fiscal year exceed the estimate on which the operating budget was based, the Governor is authorized to withhold general fund spending authority, by withholding allotments of appropriations, in an equivalent amount. However, this limitation shall not apply to (a) restricted excess tuition and fees for educational and general programs in the institutions of higher education, as defined in § 4-2.01 c of this act; (b) appropriations to institutions of higher education designated for fellowships, scholarships and loans; (c) gifts or grants which are made to any state agency for the direct costs of a stipulated project; (d) appropriations to institutions for the mentally ill or intellectually disabled payable from the Behavioral Health and Developmental Services Revenue Fund; and (e) general fund appropriations for highway construction and mass transit. Moneys unallotted under this provision shall not be reallocated for any other purpose.

2. To the degree that new or additional grant funds become available to supplement general fund appropriations for a program, following enactment of an appropriation act, the Governor is authorized to withhold general fund spending authority, by withholding allotments of appropriations, in an amount equivalent to that provided from grant funds, unless such action is prohibited by the original provider of the grant funds. The withholding action shall not include general fund appropriations, which are required to match grant funds. Moneys unallotted under this provision shall not be reallocated for any other purpose.

d. Reduced General Fund Resources:

1. The term "general fund resources" as applied in this subsection includes revenues collected and paid into the general fund of the state treasury during the current biennium, transfers to the general fund of the state treasury during the current biennium, and all unexpended balances brought forward from the previous biennium.

2. In the event that general fund resources are estimated by the Governor to be insufficient to pay in full all general fund appropriations authorized by the General Assembly, the Governor shall, subject to the qualifications herein contained, withhold general fund spending authority, by withholding allotments of appropriations, to prevent any expenditure in excess of the estimated general fund resources available.

3. In making this determination, the Governor shall take into account actual general fund revenue collections for the current fiscal year and the results of a formal written re-estimate of general fund revenues for the current and next biennium, prepared within the previous 90 days, in accordance with the process specified in § 2.2-1503, Code of Virginia. Said re-estimate of general fund revenues shall be communicated to the Chairmen of the Senate Finance, House Appropriations and House Finance Committees, prior to taking action to reduce general fund allotments of appropriations on account of reduced resources.

4.a) In addition to monthly reports on the status of revenue collections relative to the current fiscal year's estimate, the Governor shall provide a written quarterly assessment of the current economic outlook for the remainder of the fiscal year to the Chairmen of the House Appropriations, House Finance, and Senate Finance Committees.

b) Within five business days after the preliminary close of the state accounts at the end of the fiscal year, the State Comptroller shall provide the Governor with the actual total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes for the just-completed fiscal year, with a comparison of such actual totals with the total of such taxes in the official budget estimate for that fiscal year. If that comparison indicates that the total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes, as shown on the preliminary close, was one percent or more below the amount of such taxes in the official budget estimate for the just-completed fiscal year, the Governor shall prepare a written re-estimate of general fund revenues for the current biennium and the next biennium in accordance with § 2.2-1503, Code of Virginia, to be reported to the Chairmen of the Senate Finance, House Finance and House Appropriations Committees, not later than September 1 following the close of the fiscal year.

5.a) The Governor shall take no action to withhold allotments until a written plan detailing specific reduction actions approved by the Governor, identified by program and appropriation item, has been presented to the Chairmen of the House Appropriations and Senate Finance Committees. Subsequent modifications to the approved reduction plan also must be submitted to the Chairmen of the House Appropriations and Senate Finance Committees, prior to withholding allotments of appropriations.

b) In addition to the budget reduction plan approved by the Governor, all budget reduction proposals submitted by state agencies to the Governor or the Governor's staff, including but not limited to the Department of Planning and Budget, the Governor's Cabinet secretaries, or the Chief of Staff, whether submitted electronically or otherwise, shall be made available via electronic means to the Chairmen of the House Appropriations and Senate Finance Committees concurrently with that budget reduction plan.

6. In effecting the reduction of expenditures, the Governor shall not withhold allotments of appropriations for:

a) More than 15 percent cumulatively of the annual general fund appropriation contained in this act for operating expenses of any one state or nonstate agency or institution designated in this act by title, and the exact amount withheld, by state or nonstate agency or institution, shall be reported within five calendar days to the Chairmen of the Senate Finance and House Appropriations Committees. State agencies providing funds directly to grantees named in this act shall not apportion a larger cut to the grantee than the proportional cut apportioned to the agency. Without regard to § 4-5.05 b.4. of this act, the remaining appropriation to the grantee which is not subject to the cut, equal to at least 85 percent of the annual appropriation, shall be made by July 31, or in two equal installments, one payable by July 31 and the other payable by December 31, if the remaining appropriation is less than or equal to \$500,000, except in cases where the normal conditions of the grant dictate a different payment schedule.

b) The payment of principal and interest on the bonded debt or other bonded obligations of the Commonwealth, its agencies and its authorities, or for payment of a legally authorized deficit.

c) The payments for care of graves of Confederate and historical African American dead.

d) The employer contributions, and employer-paid member contributions, to the Social Security System, Virginia Retirement System, Judicial Retirement System, State Police Officers Retirement System, Virginia Law Officers Retirement System, Optional Retirement Plan for College and University Faculty, Optional Retirement Plan for Political Appointees, Optional Retirement Plan for Superintendents, the Volunteer Service Award Program, the Virginia Retirement System's group life insurance, sickness and disability, and retiree health care credit programs for state employees, state-supported local employees and teachers. If the Virginia Retirement System Board of Trustees approves a contribution rate for a fiscal year that is lower than the rate on which the appropriation was based, or if the United States government approves a Social Security rate that is lower than that in effect for the current budget, the Governor may withhold excess contributions. However, employer and employee paid rates or contributions for health insurance and matching deferred compensation for state employees, state-supported local employees and teachers may not be increased or decreased beyond the amounts approved by the General Assembly. Payments for the employee benefit programs listed in this paragraph may not be delayed beyond the customary billing cycles that have been established by law or policy by the governing board.

e) The payments in fulfillment of any contract awarded for the design, construction and furnishing of any state building.

f) The salary of any state officer for whom the Constitution of Virginia prohibits a change in salary.

g) The salary of any officer or employee in the Executive Department by more than two percent (irrespective of the fund source for payment of salaries and wages); however, the percentage of reduction shall be uniformly applied to all employees within the Executive Department.

h) The appropriation supported by the State Bar Fund, as authorized by § 54.1-3913, Code of Virginia, unless the supporting revenues for such appropriation are estimated to be insufficient to pay the appropriation.

7. The Governor is authorized to withhold specific allotments of appropriations by a uniform percentage, a graduated reduction or on an individual basis, or apply a combination of these actions, in effecting the authorized reduction of expenditures, up to the maximum of 15 percent, as prescribed in subdivision 6a of this subsection.

8. Each nongeneral fund appropriation shall be payable in full only to the extent the nongeneral fund revenues from which the appropriation is payable are estimated to be sufficient. The Governor is authorized to reduce allotments of nongeneral fund appropriations by the amount necessary to ensure that expenditures do not exceed the supporting revenues for such appropriations; however, the Governor shall take no action to reduce allotments of appropriations for major nongeneral fund sources on account of reduced revenues until such time as a formal written re-estimate of revenues for the current and next biennium, prepared in accordance with the process specified in § 2.2-1503, Code of Virginia, has been reported to the Chairmen of the Senate Finance, House Finance, and House Appropriations Committees. For purposes of this subsection, major nongeneral fund sources are defined as Highway Maintenance and Operating Fund and Transportation Trust Fund.

9. Notwithstanding any contrary provisions of law, the Governor is authorized to transfer to the general fund on June 30 of each year of the biennium, or within 20 days from that date, any available unexpended balances in other funds in the state treasury, subject to the following:

a) The Governor shall declare in writing to the Chairmen of the Senate Finance and House Appropriations Committees that a fiscal emergency exists which warrants the transfer of nongeneral funds to the general fund and reports the exact amount of such transfer within five calendar days of the transfer;

b) No such transfer may be made from retirement or other trust accounts, the State Bar Fund as authorized by § 54.1-3913, Code of Virginia, debt service funds, or federal funds; and

c) The Governor shall include for informative purposes, in the first biennial budget he submits subsequent to the transfer, the amount transferred from each account or fund and recommendations for restoring such amounts.

10. The Director, Department of Planning and Budget, shall make available via electronic means a report of spending authority withheld under the provisions of this subsection to the Chairmen of the Senate Finance and House Appropriations Committees within five calendar days of the action to withhold. Said report shall include the amount withheld by agency and appropriation item.

11. If action to withhold allotments of appropriation under this provision is inadequate to eliminate the imbalance between projected general fund resources and appropriations, the Speaker of the House of Delegates and the President pro tempore of the Senate shall be advised in writing by the Governor, so that they may consider requesting a special session of the General Assembly.

f) to address unanticipated business or industrial development opportunities which will benefit the state's economy, provided that any such appropriations be used in a manner consistent with the purposes of the program as originally appropriated.

1. Sale of Surplus Materials:

The Director, Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the amount of credit resulting from the sale of surplus materials under the provisions of § 2.2-1125, Code of Virginia.

2. Insurance Recovery:

The Director, Department of Planning and Budget, shall increase the appropriation authority for any state agency by the amount of the proceeds of an insurance policy or from the State Insurance Reserve Trust Fund, for expenditures as far as may be necessary, to pay for the repair or replacement of lost, damaged or destroyed property, plant or equipment.

3. Gifts, Grants and Other Nongeneral Funds:

a) Subject to § 4-1.02 c, Increased Nongeneral Fund Revenue, and the conditions stated in this section, the Director, Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the amount of the proceeds of donations, gifts, grants or other nongeneral funds paid into the state treasury in excess of such appropriations during a fiscal year. Such appropriations shall be increased only when the expenditure of moneys is authorized elsewhere in this act or is required to:

1) address a threat to life, safety, health or property or

2) provide for unbudgeted increases in costs for services required by statute or services mandated by the federal government, in order to continue those services at the present level or implement compensation adjustments approved by the General Assembly, or

3) provide for payment of overtime salaries and wages, when the obligations for payment of such overtime were incurred during a situation deemed threatening to life, safety, health, or property, or

4) continue a program at the present level of service or at an increased level of service when required to address unanticipated increases in noncredit instruction at institutions of higher education or business and industrial development opportunities which will benefit the state's economy, or

5) participate in a federal or sponsored program provided that the provisions of § 4-5.03 shall also apply to increases in appropriations for additional gifts, grants, and other nongeneral fund revenue which require a general fund match as a condition of their acceptance; or

6) realize cost savings in excess of the additional funds provided, or

7) permit a state agency or institution to use a donation, gift or grant for the purpose intended by the donor, or

8) provide for cost overruns on capital projects and for capital projects authorized under § 4-4.01 m of this act, or

9) address caseload or workload changes in programs approved by the General Assembly.

b) The above conditions shall not apply to donations and gifts to the endowment funds of institutions of higher education.

c) Each state agency and institution shall ensure that its budget estimates include a reasonable estimate of receipts from donations, gifts or other nongeneral fund revenue. The Department of Planning and Budget shall review such estimates and verify their accuracy, as part of the budget planning and review process.

d) No obligation or expenditure shall be made from such funds until a revised operating budget request is approved by the Director, Department of Planning and Budget. Expenditures from any gift, grant or donation shall be in accordance with the purpose for which it was made; however, expenditures for property, plant or equipment, irrespective of fund source, are subject to the provisions of §§ 4-2.03 Indirect Costs, 4-4.01 Capital Projects General, and 4-5.03 b Services and Clients-New Services, of this act.

e) Nothing in this section shall exempt agencies from complying with § 4-2.01 a Solicitation and Acceptance of Donations, Gifts, Grants, and Contracts of this act.

4. Any nongeneral fund cash balance recorded on the books of the Department of Accounts as unexpended on the last day of the fiscal year may be appropriated for use in the succeeding fiscal year with the prior written approval of the Director, Department of Planning and Budget, unless the General Assembly shall have specifically provided otherwise. Revenues deposited to the Virginia Health Care Fund shall be used only as the state share of Medicaid, unless the General Assembly specifically authorizes an alternate use. With regard to the appropriation of other nongeneral fund cash balances, the Director shall make a listing of such transactions available to the public via electronic means no less than ten business days following the approval of the appropriation of any such balance.

5. Reporting:

The Director, Department of Planning and Budget, shall make available via electronic means a report on increases in

unappropriated nongeneral funds in accordance with § 4-8.00, Reporting Requirements, or as modified by specific provisions in this subsection.

b. AGRIBUSINESS EQUIPMENT FOR THE DEPARTMENT OF CORRECTIONS

The Director of the Department of Planning and Budget may increase the Department of Corrections appropriation for the purchase of agribusiness equipment or the repair or construction of agribusiness facilities by an amount equal to fifty percent of any annual amounts in excess of fiscal year 1992 deposits to the general fund from agribusiness operations. It is the intent of the General Assembly that appropriation increases for the purposes specified shall not be used to reduce the general fund appropriations for the Department of Corrections.

§ 4-1.05 REVERSION OF APPROPRIATIONS AND REAPPROPRIATIONS

a. GENERAL FUND OPERATING EXPENSE:

1.a) General fund appropriations which remain unexpended on (i) the last day of the previous biennium or (ii) the last day of the first year of the current biennium, shall be reappropriated and allotted for expenditure where required by the Code of Virginia, where necessary for the payment of preexisting obligations for the purchase of goods or services, or where desirable, in the determination of the Governor, to address any of the six conditions listed in § 4-1.03 c.5 of this act or to provide financial incentives to reduce spending to effect current or future cost savings. With the exception of the unexpended general fund appropriations of agencies in the Legislative Department, the Judicial Department, the Independent Agencies, or institutions of higher education, all other such unexpended general fund appropriations unexpended on the last day of the previous biennium or the last day of the first year of the current biennium shall revert to the general fund.

b) General fund appropriations for agencies in the Legislative Department, the Judicial Department, and the Independent Agencies shall be reappropriated, except as may be specifically provided otherwise by the General Assembly. General fund appropriations shall also be reappropriated for institutions of higher education, subject to § 23.1-1002, Code of Virginia.

c) To improve the stability in institutional planning and predictability for students and families to prepare for the cost of higher education, public higher education institutions are encouraged to employ the financial management strategy of establishing an institutional reserve fund supported by any unexpended education and general appropriations of the institution at the end of the fiscal year. The establishment of such a fund is designed to foster more long-term planning, promote efficient resource utilization and reduce the need for substantial year-to-year increases in tuition, thereby increasing affordability for Virginians. Independent of the provisions of § 23.1-1001, institutions are authorized to carry over education and general unexpended balances to establish and maintain a reserve fund in an amount not to exceed six percent of their general fund appropriation for educational and general programs in the most recently-completed fiscal year. Any use of the reserve fund shall be approved by the Board of Visitors of the affected institution, and the institution shall immediately report the details of the approved plan for use of the reserve fund to the Governor, the Secretary of Education, the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance Committees. Any reserve fund shall be subject to the provisions of § 23.1-1303.B.11.

2. a. The Governor shall report within five calendar days after completing the reappropriation process to the Chairmen of the Senate Finance and House Appropriations Committees on the reappropriated amounts for each state agency in the Executive Department. He shall provide a preliminary report of reappropriation actions on or before November 1 and a final report on or before December 20 to the Chairmen of the House Appropriations and Senate Finance Committees.

b. The Director, Department of Planning and Budget, may transfer reappropriated amounts within an agency to cover nonrecurring costs.

3. Pursuant to subsection E of § 2.2-1125, Code of Virginia, the determination of compliance by an agency or institution with management standards prescribed by the Governor shall be made by the Secretary of Finance and the Secretary having jurisdiction over the agency or institution, acting jointly.

4. The general fund resources available for appropriation in the first enactment of this act include the reversion of certain unexpended balances in operating appropriations as of June 30 of the prior fiscal year, which were otherwise required to be reappropriated by language in the Appropriation Act.

5. Upon request, the Director, Department of Planning and Budget, shall provide a report to the Chairmen of the House Appropriations and Senate Finance Committees showing the amount reverted for each agency and the total amount of such reversions.

b. NONGENERAL FUND OPERATING EXPENSE:

Based on analysis by the State Comptroller, when any nongeneral fund has had no increases or decreases in fund balances for a period of 24 months, the State Comptroller shall promptly transfer and pay the balance into the fund balance of the general fund. If it is subsequently determined that an appropriate need warrants repayment of all or a portion of the amount transferred, the Director, Department of Planning and Budget shall include repayment in the next budget bill submitted to the General Assembly. This provision does not apply to funds held in trust by the Commonwealth.

c. CAPITAL PROJECTS:

1. Upon certification by the Director, Department of Planning and Budget, the State Comptroller is hereby authorized to revert to the fund balance of the general fund any portion of the unexpended general fund cash balance and corresponding appropriation or reappropriation for a capital project when the Director determines that such portion is not needed for completion of the project. The State Comptroller may similarly return to the appropriate fund source any part of the unexpended nongeneral fund cash balance and reduce any appropriation or reappropriation which the Director determines is not needed to complete the project.

2. The unexpended general fund cash balance and corresponding appropriation or reappropriation for capital projects shall revert to and become part of the fund balance of the general fund during the current biennium as of the date the Director, Department of Planning and Budget, certifies to the State Comptroller that the project has been completed in accordance with the intent of the appropriation or reappropriation and there are no known unpaid obligations related to the project. The State Comptroller shall return the unexpended nongeneral fund cash balance, if there be any, for such completed project to the source from which said nongeneral funds were obtained. Likewise, he shall revert an equivalent portion of the appropriation or reappropriation of said nongeneral funds.

3. The Director, Department of Planning and Budget, may direct the restoration of any portion of the reverted amount if he shall subsequently verify an unpaid obligation or requirement for completion of the project. In the case of a capital project for which an unexpended cash balance was returned and appropriation or reappropriation was reverted in the prior biennium, he may likewise restore any portion of such amount under the same conditions.

§ 4-1.06 LIMITED ADJUSTMENTS OF APPROPRIATIONS

a. LIMITED CONTINUATION OF APPROPRIATIONS.

Notwithstanding any contrary provision of law, any unexpended balances on the books of the State Comptroller as of the last day of the previous biennium shall be continued in force for such period, not exceeding 10 days from such date, as may be necessary in order to permit payment of any claims, demands or liabilities incurred prior to such date and unpaid at the close of business on such date, and shown by audit in the Department of Accounts to be a just and legal charge, for values received as of the last day of the previous biennium, against such unexpended balances.

b. LIMITATIONS ON CASH DISBURSEMENTS.

Notwithstanding any contrary provision of law, the State Comptroller may begin preparing the accounts of the Commonwealth for each subsequent fiscal year on or about 10 days before the start of such fiscal year. The books will be open only to enter budgetary transactions and transactions that will not require the receipt or disbursement of funds until after June 30. Should an emergency arise, or in years in which July 1 falls on a weekend requiring the processing of transactions on or before June 30, the State Comptroller may, with notification to the Auditor of Public Accounts, authorize the disbursement of funds drawn against appropriations of the subsequent fiscal year, not to exceed the sum of three million dollars (\$3,000,000) from the general fund. This provision does not apply to debt service payments on bonds of the Commonwealth which shall be made in accordance with bond documents, trust indentures, and/or escrow agreements.

§ 4-1.07 ALLOTMENTS

Except when otherwise directed by the Governor within the limits prescribed in §§ 4-1.02 Withholding of Spending Authority, 4-1.03 Appropriation Transfers, and 4-1.04 Appropriation Increases of this act, the Director, Department of Planning and Budget, shall prepare and act upon the allotment of appropriations required by this act, and by § 2.2-1819, Code of Virginia, and the authorizations for rates of pay required by this act. Such allotments and authorizations shall have the same effect as if the personal signature of the Governor were subscribed thereto. This section shall not be construed to prohibit an appeal by the head of any state agency to the Governor for reconsideration of any action taken by the Director, Department of Planning and Budget, under this section.

§ 4-2.00 REVENUES

§ 4-2.01 NONGENERAL FUND REVENUES

a. SOLICITATION AND ACCEPTANCE OF DONATIONS, GIFTS, GRANTS, AND CONTRACTS:

1. a) No state agency shall solicit or accept any donation, gift, grant, or contract without the written approval of the Governor except under written guidelines issued by the Governor which provide for the solicitation and acceptance of nongeneral funds, except that donations or gifts to the Virginia War Memorial Foundation that are small in size and number and valued at less than \$5,000, such as library items or small display items, may be approved by the Executive Director of the Virginia War Memorial in consultation with the Secretary of Veterans Affairs and Homeland Security. All other gifts and donations to the Virginia War Memorial Foundation must receive written approval from the Secretary of Veterans Affairs and Homeland Security.

b) The limits on solicitation and acceptance of donations, gifts, grants, and contracts stated in paragraph 1.a) above shall not apply to donations, gifts, grants, and contracts associated with support and/or response to the needs and impacts of the COVID-19 pandemic provided that acceptance of such does not create any ongoing commitments against general or nongeneral fund resources of the Commonwealth.

2. The Governor may issue policies in writing for procedures which allow state agencies to solicit and accept nonmonetary donations, gifts, grants, or contracts except that donations, gifts and grants of real property shall be subject to § 4-4.00 of this act and § 2.2-1149, Code of Virginia. This provision shall apply to donations, gifts and grants of real property to endowment funds of institutions of higher education, when such endowment funds are held by the institution in its own name and not by a separately incorporated foundation or corporation.

3. The preceding subdivisions shall not apply to property and equipment acquired and used by a state agency or institution through a lease purchase agreement and subsequently donated to the state agency or institution during or at the expiration of the lease purchase agreement, provided that the lessor is the Virginia College Building Authority.

4. The use of endowment funds for property, plant or equipment for state-owned facilities is subject to §§ 4-2.03 Indirect Costs, 4-4.01 Capital Projects-General and 4-5.03 Services and Clients of this act.

5. Notwithstanding any other provision of law, public institutions of higher education may enter into agreements or contracts with nonprofit organizations that provide funding for research or other mission related activities and require use of binding arbitration or application of the laws of another jurisdiction, upon approval of the Office of the Attorney General.

b. HIGHER EDUCATION TUITION AND FEES

1. Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, all nongeneral fund collections by public institutions of higher education, including collections from the sale of dairy and farm products, shall be deposited in the state treasury in accordance with § 2.2-1802, Code of Virginia, and expended by the institutions of higher education in accordance with the appropriations and provisions of this act, provided, however, that this requirement shall not apply to private gifts, endowment funds, or income derived from endowments and gifts.

2. a) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at levels they deem to be appropriate for all resident student groups based on, but not limited to, competitive market rates, provided that the total revenue generated by the collection of tuition and fees from all students is within the nongeneral fund appropriation for educational and general programs provided in this act.

b) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at levels they deem to be appropriate for all nonresident student groups based on, but not limited to, competitive market rates, provided that: i) the tuition and mandatory educational and general fee rates for nonresident undergraduate and graduate students cover at least 100 percent of the average cost of their education, as calculated through base adequacy guidelines adopted, and periodically amended, by the Joint Subcommittee Studying Higher Education Funding Policies, and ii) the total revenue generated by the collection of tuition and fees from all students is within the nongeneral fund appropriation for educational and general programs provided in this act.

c) For institutions charging nonresident students less than 100 percent of the cost of education, the State Council of Higher Education for Virginia may authorize a phased approach to meeting this requirement, when in its judgment, it would result in annual tuition and fee increases for nonresident students that would discourage their enrollment.

d) The Boards of Visitors or other governing bodies of institutions of higher education shall not increase the current proportion of nonresident undergraduate students if the institution's nonresident undergraduate enrollment exceeds 25 percent, unless: i) such enrollment is intended to support workforce development needs within the Commonwealth of Virginia as identified in consultation with the Virginia Economic Development Partnership, and ii) the number of in-state undergraduate students does not drop below fall 2018 full-time equivalent census levels as certified by the State Council of Higher Education for Virginia. Norfolk State University, Virginia Military Institute, Virginia State University, and two-year public institutions are exempt from this restriction. Any such increases shall be limited to no more than a one percentage point increase over the prior year.

3. a) In setting the nongeneral fund appropriation for educational and general programs at the institutions of higher education, the General Assembly shall take into consideration the appropriate student share of costs associated with providing full funding of the base adequacy guidelines referenced in subparagraph 2. b), raising average salaries for teaching and research faculty to the 60th percentile of peer institutions, and other priorities set forth in this act.

b) In determining the appropriate state share of educational costs for resident students, the General Assembly shall seek to cover at least 67 percent of educational costs associated with providing full funding of the base adequacy guidelines referenced in subparagraph 2. b), raising average salaries for teaching and research faculty to the 60th percentile of peer institutions, and other priorities set forth in this act.

4. a) Each institution and the State Council of Higher Education for Virginia shall monitor tuition, fees, and other charges, as well as

the mix of resident and nonresident students, to ensure that the primary mission of providing educational opportunities to citizens of Virginia is served, while recognizing the material contributions provided by the presence of nonresident students. The State Council of Higher Education for Virginia shall also develop and enforce uniform guidelines for reporting student enrollments and the domiciliary status of students.

b) The State Council of Higher Education for Virginia shall report to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees no later than August 1 of each year the annual change in total charges for tuition and all required fees approved and allotted by the Board of Visitors. As it deems appropriate, the State Council of Higher Education for Virginia shall provide comparative national, peer, and market data with respect to charges assessed students for tuition and required fees at institutions outside of the Commonwealth.

c) Institutions of higher education are hereby authorized to make the technology service fee authorized in Chapter 1042, 2003 Acts of Assembly, part of ongoing tuition revenue. Such revenues shall continue to be used to supplement technology resources at the institutions of higher education.

d) Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 144 and 145 of the 2019 Acts of Assembly, each institution shall work with the State Council of Higher Education for Virginia and the Virginia College Savings Plan to determine appropriate tuition and fee estimates for tuition savings plans.

5. It is the intent of the General Assembly that each institution's combined general and nongeneral fund appropriation within its educational and general program closely approximate the anticipated annual budget each fiscal year.

6. Nonresident graduate students employed by an institution as teaching assistants, research assistants, or graduate assistants and paid at an annual contract rate of \$4,000 or more may be considered resident students for the purposes of charging tuition and fees.

7. The fund source "Higher Education Operating" within educational and general programs for institutions of higher education includes tuition and fee revenues from nonresident students to pay their proportionate share of the amortized cost of the construction of buildings approved by the Commonwealth of Virginia Educational Institutions Bond Act of 1992 and the Commonwealth of Virginia Educational Facilities Bond Act of 2002.

8. a) 1) Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the 2019 Acts of Assembly, mandatory fees for purposes other than educational and general programs shall not be increased for Virginia undergraduates beyond three percent annually, excluding requirements for wage, salary, and fringe benefit increases, authorized by the General Assembly. Fee increases required to carry out actions that respond to mandates of federal agencies are also exempt from this provision, provided that a report on the purposes of the amount of the fee increase is submitted to the Chairmen of the House Appropriations and Senate Finance Committees by the institution of higher education at least 30 days prior to the effective date of the fee increase.

2) The University of Mary Washington is hereby authorized to undertake a review of its tuition and fee structure for the purpose of more closely aligning auxiliary fees, including room, board, and the comprehensive fee, with auxiliary expenditure budgets. Adjustments to mandatory fees in auxiliary programs may exceed three percent subject to annual approval by the University's Board of Visitors to the extent required to effect budgetary alignment of revenues and expenditures. This exemption will be limited to the period beginning in fiscal year 2019-20 and extending through the end of fiscal year 2023-24.

b) This restriction shall not apply in the following instances: fee increases directly related to capital projects authorized by the General Assembly; fee increases to support student health services; and other fee increases specifically authorized by the General Assembly.

c) Due to the small mandatory non-educational and general program fees currently assessed students in the Virginia Community College System, increases in any one year of no more than \$15 shall be allowed on a cost-justified case-by-case basis, subject to approval by the State Board for Community Colleges.

9. Any institution of higher education granting new tuition waivers to resident or nonresident students not authorized by the Code of Virginia must absorb the cost of any discretionary waivers.

10. Tuition and fee revenues from nonresident students taking courses through Virginia institutions from the Southern Regional Education Board's Southern Regional Electronic Campus must exceed all direct and indirect costs of providing instruction to those students. Tuition and fee rates to meet this requirement shall be established by the Board of Visitors of the institution.

c. HIGHER EDUCATION PLANNED EXCESS REVENUES:

An institution of higher education, except for those public institutions governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the 2019 Acts of Assembly, may generate and retain tuition and fee revenues in excess of those

provided in § 4-2.01 b Higher Education Tuition and Fees, subject to the following:

1. Such revenues are identified by language in the appropriations in this act to any such institution.
2. The use of such moneys is fully documented by the institution to the Governor prior to each fiscal year and prior to allotment.
3. The moneys are supplemental to, and not a part of, ongoing expenditure levels for educational and general programs used as the basis for funding in subsequent biennia.
4. The receipt and expenditure of these moneys shall be recorded as restricted funds on the books of the Department of Accounts and shall not revert to the surplus of the general fund at the end of the biennium.
5. Tuition and fee revenues generated by the institution other than as provided herein shall be subject to the provisions of § 4-1.04 a.3 Gifts, Grants, and Other Nongeneral Funds of this act.

§ 4-2.02 GENERAL FUND REVENUE

l) Without regard to paragraph e) above, the following revenues shall be excluded from the requirement for deposit to the general

fund and shall be deposited as follows: (1) payments to Virginia Correctional Enterprises shall be deposited into the Virginia Correctional Enterprises Fund; (2) payments to the Departments of Corrections and Juvenile Justice for work performed by inmates, work release prisoners, probationers or wards, which are intended to cover the expenses of these inmates, work release prisoners, probationers, or wards, shall be retained by the respective agencies for their use; and (3) payments to the Departments of Corrections and Juvenile Justice for work performed by inmates in educational programs shall be retained by the agency to increase vocational training activities and to purchase work tools and work clothes for inmates, upon release.

2. The provisions of § 4-2.02 a.1. State Agency Payments into General Fund shall not apply to proceeds from the sale of surplus materials pursuant to § 2.2-1125, Code of Virginia. However, the State Comptroller is authorized to transfer to the general fund of the state treasury, out of the credits under § 4-1.04 a.1 Unappropriated Nongeneral Funds – Sale of Surplus Materials of this act, sums derived from the sale of materials originally purchased with general fund appropriations. The State Comptroller may authorize similar transfers of the proceeds from the sale of property not subject to § 2.2-1124, Code of Virginia, if said property was originally acquired with general fund appropriations, unless the General Assembly provides otherwise.

a. Without regard to § 4-2.02 a.1 above, payments to the Treasurer of Virginia assessed to insurance companies for the safekeeping and handling of securities or surety bonds deposited as insurance collateral shall be deposited into the Insurance Collateral Assessment Fund to defray such safekeeping and handling expenses.

b. DEFINITION OF GENERAL FUND REVENUE FOR PERSONAL PROPERTY RELIEF ACT

Notwithstanding any contrary provision of law, for purposes of subsection C of § 58.1-3524 and subsection B of § 58.1-3536, Code of Virginia, the term general fund revenues, excluding transfers, is defined as (i) all state taxes, including penalties and interest, required and/or authorized to be collected and paid into the general fund of the state treasury pursuant to Title 58.1, Code of Virginia; (ii) permits, fees, licenses, fines, forfeitures, charges for services, and revenue from the use of money and property required and/or authorized to be paid into the general fund of the treasury; and (iii) amounts required to be deposited to the general fund of the state treasury pursuant to § 4-2.02 a.1., of this act. However, in no case shall (i) lump-sum payments, (ii) one-time payments not generated from the normal operation of state government, or (iii) proceeds from the sale of state property or assets be included in the general fund revenue calculations for purposes of subsection C of § 58.1-3524 and subsection B of § 58.1-3536, Code of Virginia.

c. DATE OF RECEIPT OF REVENUES:

All June general fund collections received under Subtitle I of Title 58.1, Code of Virginia, bearing a postmark date or electronic transactions with a settlement or notification date on or before the first business day in July, when June 30 falls on a Saturday or Sunday, shall be considered as June revenue and recorded under guidelines established annually by the Department of Accounts.

d. RECOVERIES BY THE OFFICE OF THE ATTORNEY GENERAL

1. As a condition of the appropriation for Item 59 of this Act, there is hereby created the Disbursement Review Committee (the "Committee"), the members of which are the Attorney General, who shall serve as chairman; two members of the House of Delegates appointed by the Speaker of the House; two members of the Senate appointed by the Chairman of the Senate Committee on Rules; and two members appointed by the Governor.

2. Whenever forfeitures are available for distribution by the Attorney General through programs overseen by either the U.S. Department of Justice Asset Forfeiture Program or the U.S. Treasury Executive Office for Asset Forfeiture, by virtue of the Attorney General's participation on behalf of the Commonwealth or on behalf of an agency of the Commonwealth, the Attorney General shall seek input from the Committee, to the extent permissible under applicable federal law and guidelines, for the preparation of a proposed Distribution Plan (the "Plan") regarding the distribution and use of money or property, or both. If a federal entity must approve the Plan for such distribution or use, or both, and does not approve the Plan submitted by the Attorney General, the Plan may be revised if deemed appropriate and resubmitted to the federal entity for approval following notification of the Committee. If the federal entity approves the original Plan or a revised Plan, the Attorney General shall inform the Committee, and ensure that such money or property, or both, is distributed or used, or both, in a manner that is consistent with the Plan approved by the federal entity. The distribution of any money or property, or both, shall be done in a manner as prescribed by the State Comptroller and consistent with any federal authorization in order to ensure proper accounting on the books of the Commonwealth.

§ 4-2.03 INDIRECT COSTS

a. INDIRECT COST RECOVERIES FROM GRANTS AND CONTRACTS:

Each state agency, including institutions of higher education, which accepts a grant or contract shall recover full statewide and agency indirect costs unless prohibited by the grantor agency or exempted by provisions of this act.

b. AGENCIES OTHER THAN INSTITUTIONS OF HIGHER EDUCATION:

The following conditions shall apply to indirect cost recoveries received by all agencies other than institutions of higher education:

1. The Governor shall include in the recommended nongeneral fund appropriation for each agency in this act the amount which the agency includes in its revenue estimate as an indirect cost recovery. The recommended nongeneral fund appropriations shall reflect the indirect costs in the program incurring the costs.

2. If actual agency indirect cost recoveries exceed the nongeneral fund amount appropriated in this act, the Director, Department of Planning and Budget, is authorized to increase the nongeneral fund appropriation to the agency by the amount of such excess indirect cost recovery. Such increase shall be made in the program incurring the costs.

3. Statewide indirect cost recoveries shall be paid into the general fund of the state treasury, unless the agency is specifically exempted from this requirement by language in this act. Any statewide indirect cost recoveries received by the agency in excess of the exempted sum shall be deposited to the general fund of the state treasury.

c. INSTITUTIONS OF HIGHER EDUCATION:

The following conditions shall apply to indirect cost recoveries received by institutions of higher education:

1. Seventy percent shall be retained by the institution as an appropriation of moneys for the conduct and enhancement of research and research-related requirements. Such moneys may be used for payment of principal of and interest on bonds issued by or for the institution pursuant to § 23.1-1106, Code of Virginia, for any appropriate purpose of the institution, including, but not limited to, the conduct and enhancement of research and research-related requirements.

2. Thirty percent of the indirect cost recoveries for the level of sponsored programs authorized in the appropriations in Part 1 of Chapter 1042 of the Acts of Assembly of 2003, shall be included in the educational and general revenues of the institution to meet administrative costs.

3. Institutions of higher education may retain 100 percent of the indirect cost recoveries related to research grant and contract levels in excess of the levels authorized in Chapter 1042 of the Acts of Assembly of 2003. This provision is included as an additional incentive for increasing externally funded research activities.

d. REPORTS

§ 4-3.00 DEFICIT AUTHORIZATION AND TREASURY LOANS

§ 4-3.01 DEFICITS

a. GENERAL:

1. Except as provided in this section no state agency shall incur a deficit. No state agency receiving general fund appropriations under the provisions of this act shall obligate or expend moneys in excess of its general fund appropriations, nor shall it obligate or expend moneys in excess of nongeneral fund revenues that are collected and appropriated.

2. The Governor is authorized to approve deficit funding for a state agency under the following conditions:

a) an unanticipated federal or judicial mandate has been imposed,

b) insufficient moneys are available in the first year of the biennium for start-up of General Assembly-approved action, or

c) delay pending action by the General Assembly at its next legislative session will result in the curtailment of services required by statute or those required by federal mandate or will produce a threat to life, safety, health or property.

d) Such approval by the Governor shall be in writing under the conditions described in § 4-3.02 a Authorized Deficit Loans of this act and shall be promptly communicated to the Chairmen of the House Appropriations and Senate Finance Committees within five calendar days of deficit approval.

3. Deficits shall not be authorized for capital projects.

4. The Department of Transportation may obligate funds in excess of the current biennium appropriation for projects of a capital nature not covered by § 4-4.00 Capital Projects, of this act provided such projects a) are delineated in the Virginia Transportation

Six-Year Improvement Program, as approved by the Commonwealth Transportation Board; and b) have sufficient cash allocated to each such project to cover projected costs in each year of the Program; and provided that c) sufficient revenues are projected to meet all cash obligations for such projects as well as all other commitments and appropriations approved by the General Assembly in the biennial budget.

b. UNAUTHORIZED DEFICITS: If any agency contravenes any of the prohibitions stated above, thereby incurring an unauthorized deficit, the Governor is hereby directed to withhold approval of such excess obligation or expenditure. Further, there shall be no reimbursement of said excess, nor shall there be any liability or obligation upon the state to make any appropriation hereafter to meet such unauthorized deficit. Further, those members of the governing board of any such agency who shall have voted therefor, or its head if there be no governing board, making any such excess obligation or expenditure shall be personally liable for the full amount of such unauthorized deficit and, at the discretion of the Governor, shall be deemed guilty of neglect of official duty and be subject to removal therefor. Further, the State Comptroller is hereby directed to make public any such unauthorized deficit, and the Director, Department of Planning and Budget, is hereby directed to set out such unauthorized deficits in the next biennium budget. In addition, the Governor is directed to bring this provision of this act to the attention of the members of the governing board of each state agency, or its head if there be no governing board, within two weeks of the date that this act becomes effective. The governing board or the agency head shall execute and return to the Governor a signed acknowledgment of such notification.

c. TOTAL AUTHORIZED DEFICITS: The amount which the Governor may authorize, under the provisions of this section during the current biennium, to be expended from loans repayable out of the general fund of the state treasury, for all state agencies, or other agencies combined, in excess of general fund appropriations for the current biennium, shall not exceed one and one-half percent (1 1/2%) of the revenues collected and paid into the general fund of the state treasury as defined in § 4-2.02 b. of this act during the last year of the previous biennium and the first year of the current biennium.

d. The Governor shall report any such authorized and unauthorized deficits to the Chairmen of the House Appropriations and Senate Finance Committees within five calendar days of deficit approval. By August 15 of each year, the Governor shall provide a comprehensive report to the Chairmen of the House Appropriations and Senate Finance Committees detailing all such deficits.

§ 4-3.02 TREASURY LOANS

a. AUTHORIZED DEFICIT LOANS: A state agency requesting authorization for deficit spending shall prepare a plan for the Governor's review and approval, specifying appropriate financial, administrative and management actions necessary to eliminate the deficit and to prevent future deficits. If the Governor approves the plan and authorizes a state agency to incur a deficit under the provisions of this section, the amount authorized shall be obtained by the agency by borrowing the authorized amount on such terms and from such sources as may be approved by the Governor. At the close of business on the last day of the current biennium, any unexpended balance of such loan shall be applied toward repayment of the loan, unless such action is contrary to the conditions of the loan approval. The Director, Department of Planning and Budget, shall set forth in the next biennial budget all such loans which require an appropriation for repayment. A copy of the approved plan to eliminate the deficit shall be transmitted to the Chairmen of the House Appropriations and the Senate Finance Committees within five calendar days of approval.

4. Anticipation loans for capital projects shall be in amounts not greater than the sum identified by the agency as required to meet the projected expenditures for the project within the current biennium.

5. To ensure that such loans are repaid as soon as practical and economical, the Department of Planning and Budget shall monitor the construction and expenditure schedules of all approved capital projects that will be paid for with proceeds from authorized debt and have anticipation loans.

6. Unless otherwise prohibited by federal or state law, the State Treasurer shall charge current market interest rates on anticipation loans made for operating purposes and capital projects subject to the following:

a) Anticipation loans for capital projects for which debt service will be paid with general fund appropriations shall be exempt from interest payments on borrowed balances.

b) Interest payments on anticipation loans for nongeneral fund capital projects or nongeneral fund operating expenses shall be made from appropriated nongeneral fund revenues. Such loans shall be repaid only from nongeneral fund revenues associated with the project.

3. Anticipation loans for operating expenses shall be in amounts not greater than the sum identified by the agency as the minimum amount required to meet projected expenditures. The term of any anticipation loans granted for operating expenses shall not exceed 12 months.

§ 4-3.03 LONG-TERM LEASES

a. GENERAL:

1. As part of their capital budget submission, all agencies and institutions of the Commonwealth proposing building projects that may qualify as long-term lease agreements, as defined in Generally Accepted Accounting Principles (GAAP), and that may be supported in whole, or in part, from appropriations provided for in this act, shall submit copies of such proposals to the Directors of the Departments of Planning and Budget and General Services, the State Comptroller, and the State Treasurer based on guidelines promulgated by the Secretary of Finance. In addition, the Secretary of Finance may promulgate guidelines for the review and approval of such requests.

2. The proposals shall be submitted in such form as the Secretary of Finance may prescribe. The Comptroller and the Director, Department of General Services shall be responsible for evaluating the proposals to determine if they qualify as long-term lease

agreements. The State Treasurer shall be responsible for incorporating existing and authorized long-term lease agreements meeting the approved parameters into the annual Debt Capacity Advisory Committee reports.

b. APPROVAL OF FINANCINGS:

1. For any project which qualifies as a long-term lease, as defined in the preceding subdivisions a 1 and 2, and which is financed through the issuance of securities, the Treasury Board shall approve the terms and structure of such financing pursuant to § 2.2-2416, Code of Virginia.

2. For any project for which costs will exceed \$5,000,000 and which is financed through a long-term lease transaction, the Treasury Board shall approve the financing terms and structure of such long-term lease in addition to such other reviews and approvals as may be required by law. Prior to consideration by the Treasury Board, the Departments of Accounts shall notify the Treasury Board of any transaction determined to be a long-term lease. Additionally, the Departments of General Services and Planning and Budget shall notify the Treasury Board upon their approval of any transaction which qualifies as a long-term lease under the terms of this section. Furthermore, the Department of General Services is authorized to enter into long-term leases for executive branch agencies provided that the resulting long-term lease is funded entirely with nongeneral funds, is approved based on the requirements of § 4-3.03 b.1 and 2 above, and would not be considered tax supported debt of the Commonwealth.

§ 4-4.00 CAPITAL PROJECTS

§ 4-4.01 GENERAL

a. Definition:

1. Unless defined otherwise, when used in this section, "capital project" or "project" means acquisition of property and new construction and improvements related to state-owned property, plant or equipment (including plans therefor), as the terms "acquisition", "new construction", and "improvements" are defined in the instructions for the preparation of the Executive Budget. "Capital project" or "project" shall also mean any improvements to property leased for use by a state agency, and not owned by the state, when such improvements are financed by public funds, except as hereinafter provided in subdivisions 3 and 4 of this subsection.

2. The provisions of this section are applicable equally to acquisition of property and plant by purchase, gift, or any other means, including the acquisition of property through a lease/purchase contract, regardless of the method of financing or the source of funds. Acquisition of property by lease shall be subject to § 4-3.03 of this act.

3. The provisions of this section shall not apply to property or equipment acquired by lease or improvements to leased property and equipment when the improvements are provided by the lessor pursuant to the terms of the lease and upon expiration of the lease remain the property of the lessor.

4. The provisions of this section shall not apply to property leased by state agencies for the purposes described in §§ 2.2-1151 C and 33.2-1010, Code of Virginia.

b. Notwithstanding any other provisions of law, requests for appropriations for capital projects shall be subject to the following:

1. The agency shall submit a capital project proposal for all requested capital projects. Such proposals shall be submitted to the Director, Department of Planning and Budget, for review and approval in accordance with guidelines prescribed by the director. Projects shall be developed to meet agency functional and space requirements within a cost range comparable to similar public and private sector projects.

2. Except for institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the 2019 Acts of Assembly, financings for capital projects shall comply, where applicable, with the Treasury Board Guidelines issued pursuant to § 2.2-2416, Code of Virginia, and any subsequent amendments thereto.

3. As part of any request for appropriations for an armory, the Department of Military Affairs shall obtain a written commitment from the host locality to share in the operating expense of the armory.

c. Each agency head shall provide annually to the Director, Department of Planning and Budget, a report on the use of the

1 maintenance reserve appropriation of the agency in Part 2 of this act. In the use of its maintenance reserve appropriation, an agency
 2 shall give first priority to the repair or replacement of roof on buildings under control of the agency. The agency head shall certify in
 3 the agency's annual maintenance reserve report that to the best of his or her knowledge, all necessary roof repairs have been
 4 accomplished or are in the process of being accomplished. Such roof repairs and replacements shall be in accord with the technical
 5 requirements of the Commonwealth's Construction and Professional Services Manual.

6 d. The Department of Planning and Budget shall review its approach to capital outlay planning and budgeting from time to time and
 7 make available via electronic means a report of any proposed change to the Chairmen of the House Appropriations and Senate
 8 Finance Committees and the public prior to its implementation. Such report shall include an analysis of the impact of the suggested
 9 change on affected agencies and institutions.

10 e. Nothing in §§ 2-0 and 4-4.00 of this act shall be deemed to override the provisions of §§ [2.2-1132](#) and [62.1-132.6](#), Code of
 11 Virginia, amended by Chapter 488, 1997 Acts of Assembly, relating to Virginia Port Authority capital projects and procurement
 12 activities.

13 f. Legislative Approval: It is the intent of the General Assembly that, with the exceptions noted in this paragraph and paragraph m,
 14 all capital projects to be undertaken by agencies of the Commonwealth, including institutions of higher education, shall be pursuant
 15 to approvals by the General Assembly as provided in the Six-Year Capital Outlay Plan established pursuant to § [2.2-1515](#), et seq.,
 16 Code of Virginia. Otherwise, the consideration of capital projects shall be limited to:

17 1. Supplementing projects which have been bid and determined to have insufficient funding to be placed under contract, and

18 2. Projects declared by the Governor or the General Assembly to be of an emergency nature, which may avoid an increase in cost or
 19 otherwise result in a measurable benefit to the state, and/or which are required for the continued use of existing facilities.

20 3. This paragraph does not prohibit the initiation of projects authorized by § 4-4.01 m hereof, or projects included under the central
 21 appropriations for capital project expenses in this act.

22 g. Preliminary Requirements: In regard to each capital project for which appropriation or reappropriation is made pursuant to this
 23 act, or which is hereafter considered by the Governor for inclusion in the Executive Budget, or which is offered as a gift or is
 24 considered for purchase, the Governor is hereby required: (1) to determine the urgency of its need, as compared with the need for
 25 other capital projects as herein authorized, or hereafter considered; (2) to determine whether the proposed plans and specifications
 26 for each capital project are suitable and adequate, and whether they involve expenditures which are excessive for the purposes
 27 intended; (3) to determine whether labor, materials, and other requirements, if any, needed for the acquisition or construction of such
 28 project can and will be obtained at reasonable cost; and (4) to determine whether or not the project conforms to a site or master plan
 29 approved by the agency head or board of visitors of an institution of higher education for a program approved by the General
 30 Assembly.

31 h. Initiation Generally:

32 1. No architectural or engineering planning for, or construction of, or purchase of any capital project shall be commenced or revised
 33 without the prior written approval of the Governor or his designee.

34 2. The requirements of § [10.1-1190](#), Code of Virginia, shall be met prior to the release of funds for a major state project, provided,
 35 however, that the Governor or his designee is authorized to release from any appropriation for a major state project made pursuant to
 36 this act such sum or sums as may be necessary to pay for the preparation of the environmental impact report required by § [10.1-](#)
 37 [1188](#), Code of Virginia.

38 3. The Governor, at his discretion, or his designee may release from any capital project appropriation or reappropriation made
 39 pursuant to this act such sum (or sums) as may be necessary to pay for the preparation of plans and specifications by architects and
 40 engineers, provided that the estimated cost of the construction covered by such drawings and specifications does not exceed the
 41 appropriation therefor; provided, further, however, that the architectural and engineering fees paid on completion of the preliminary
 42 design for any such project may be based on such estimated costs as may be approved by the Governor in writing, where it is shown
 43 to the satisfaction of the Governor that higher costs of labor or material, or both, or other unforeseen conditions, have made the
 44 appropriation inadequate for the completion of the project for which the appropriation was made, and where in the judgment of the
 45 Governor such changed conditions justify the payment of architectural or engineering fees based on costs exceeding the
 46 appropriation.

47 4. Architectural or engineering contracts shall not be awarded in perpetuity for capital projects at any state institution, agency or
 48 activity.

49 i. Capital Projects Financed with Bonds: Capital projects proposed to be financed with (i) 9 (c) general obligation bonds or (ii) 9(d)
 50 obligations where debt service is expected to be paid from project revenues or revenues of the agency or institution, shall be
 51 reviewed as follows:

52 1. By August 15 of each year, requests for inclusion in the Executive Budget of capital projects to be financed with 9(c) general
 53 obligation bonds shall be submitted to the State Treasurer for evaluation of financial feasibility. Submission shall be in accordance

with the instructions prescribed by the State Treasurer. The State Treasurer shall distribute copies of financial feasibility studies to the Director, Department of Planning and Budget, the Secretary for the submitting agency or institution, the Chairmen of the House Appropriations and Senate Finance Committees, and the Director, State Council of Higher Education for Virginia, if the project is requested by an institution of higher education.

2. By August 15 of each year, institutions shall also prepare and submit copies of financial feasibility studies to the State Council of Higher Education for Virginia for 9(d) obligations where debt service is expected to be paid from project revenues or revenues of the institution. The State Council of Higher Education for Virginia shall identify the impact of all projects requested by the institutions of higher education, and as described in § 4-4.01 j.1. of this act, on the current and projected cost to students in institutions of higher education and the impact of the project on the institution's need for student financial assistance. The State Council of Higher Education for Virginia shall report such information to the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance Committees no later than October 1 of each year.

3. Prior to the issuance of debt for 9(c) general obligation projects, when more than one year has elapsed since the review of financial feasibility specified in § 4-4.01 j 1 above, an updated feasibility study shall be prepared by the agency and reviewed by the State Treasurer prior to requesting the Governor's Opinion of Financial Feasibility required under Article X, Section 9 (c), of the Constitution of Virginia.

j. Transfers to supplement capital projects from nongeneral funds may be made under the conditions set forth in §§ 4-1.03 a, 4-1.04 a.3, and 4-4.01 m of this act.

k.1. Change in Size and Scope: Unless otherwise provided by law, the scope, which is the function or intended use, of any capital project may not be substantively changed, nor its size increased or decreased by more than five percent in size beyond the plans and justification which were the basis for the appropriation or reappropriation in this act or for the Governor's authorization pursuant to § 4-4.01 m of this act. However, this prohibition is not applicable to changes in size and scope required because of circumstances determined by the Governor to be an emergency, or requirements imposed by the federal government when such capital project is for armories or other defense-related installations and is funded in whole or in part by federal funds. Furthermore, this prohibition shall not apply to minor increases, beyond five percent, in square footage determined by the Director, Department of General Services, to be reasonable and appropriate based on a written justification submitted by the agency stating the reason for the increase, with the provision that such increase will not increase the cost of the project beyond the amount appropriated; nor to decreases in size beyond five percent to offset unbudgeted costs when such costs are determined by the Director, Department of Planning and Budget, to be reasonable based on a written justification submitted by the agency specifying the amount and nature of the unbudgeted costs and the types of actions that will be taken to decrease the size of the project. The written justification shall also include a certification, signed by the agency head, that the resulting project will be consistent with the original programmatic intent of the appropriations.

2. If space planning, energy conservation, and environmental standards guides for any type of construction have been approved by the Governor or the General Assembly, the Governor shall require capital projects to conform to such planning guides.

1. Projects Not Included In This Act:

1. Authorization by Governor:

a) The Governor may authorize initiation of, planning for, construction of or acquisition of a nongeneral fund capital project not specifically included in this act or provided for a program approved by the General Assembly through appropriations, under one or more of the following conditions:

1) The project is required to meet an emergency situation.

2) The project is to be operated as an auxiliary enterprise or sponsored program in an institution of higher education and will be fully funded by revenues of auxiliary enterprises or sponsored programs.

3) The project is to be operated as an educational and general program in an institution of higher education and will be fully funded by nongeneral fund revenues of educational and general programs or from private gifts and indirect cost recoveries.

4) The project consists of plant or property which has become available or has been received as a gift.

5) The project has been recommended for funding by the Tobacco Indemnification and Community Revitalization Commission or the Virginia Tobacco Settlement Foundation.

b) The foregoing conditions are subject to the following criteria:

1) Funds are available within the appropriations made by this act (including those subject to §§ 4-1.03 a, 4-1.04 a.3, and 4-2.03) without adverse effect on other projects or programs, or from unappropriated nongeneral fund revenues or balances.

2) In the Governor's opinion such action may avoid an increase in cost or otherwise result in a measurable benefit to the state.

3) The authorization includes a detailed description of the project, the project need, the total project cost, the estimated operating costs, and the fund sources for the project and its operating costs.

4) The Chairmen of the House Appropriations and Senate Finance Committees shall be notified by the Governor prior to the authorization of any capital project under the provisions of this subsection.

5) Permanent funding for any project initiated under this section shall only be from nongeneral fund sources.

2. Authorization by Director, Department of Planning and Budget:

a) The Director, Department of Planning and Budget, may authorize initiation of a capital project not included in this act, if the General Assembly has enacted legislation to fund the project from bonds of the Virginia Public Building Authority, Virginia College Building Authority, or from reserves created by refunding of bonds issued by those Authorities.

3. Delegated authorization by Boards of Visitors, Public Institutions of Higher Education:

a) In accordance with § 4-5.06 of this act, the board of visitors of any public institution of higher education that: i) has met the eligibility criteria set forth in Chapters 933 and 945 of the 2005 Acts of Assembly for additional operational and administrative autonomy, including having entered into a memorandum of understanding with the Secretary of Administration for delegated authority of nongeneral fund capital outlay projects, and ii) has received a sum sufficient nongeneral fund appropriation for emergency projects as set out in Part 2: Capital Project Expenses of this act, may authorize the initiation of any capital project that is not specifically set forth in this act provided that the project meets at least one of the conditions and criteria identified in § 4-4.01 m 1 of this act.

b) At least 30 days prior to the initiation of a project under this provision, the board of visitors must notify the Governor and Chairmen of the House Appropriations and Senate Finance Committees and must provide a life-cycle budget analysis of the project. Such analysis shall be in a form to be prescribed by the Auditor of Public Accounts.

c) The Commonwealth of Virginia shall have no general fund obligation for the construction, operation, insurance, routine maintenance, or long-term maintenance of any project authorized by the board of visitors of a public institution of higher education in accordance with this provision.

m. Acquisition, maintenance, and operation of buildings and nonbuilding facilities in colleges and universities shall be subject to the following policies:

1. The anticipated program use of the building or nonbuilding facility should determine the funding source for expenditures for acquisition, construction, maintenance, operation, and repairs.

2. For new campuses to be established within the Virginia Community College System, expenditures for land acquisition, site preparation beyond five feet from a building, and the construction of additional outdoor lighting, sidewalks, outdoor athletic and recreational facilities, and parking lots in the Virginia Community College System shall be made only from appropriated federal funds, Trust and Agency funds, including local government allocations or appropriations, or the proceeds of indebtedness authorized by the General Assembly.

3. The general policy of the Commonwealth shall be that parking services are to be operated as an auxiliary enterprise by all colleges and universities. Institutions should develop sufficient reserves for ongoing maintenance and replacement of parking facilities.

4. Except as provided in paragraph 2 above, expenditures for maintenance, replacement, and repair of outdoor lighting, sidewalks, and other infrastructure facilities may be made from any appropriated funds.

5. Expenditures for operations, maintenance, and repair of athletic, recreational, and public service facilities, both indoor and outdoor, should be from nongeneral funds. However, this condition shall not apply to any indoor recreational facility existing on a community college campus as of July 1, 1988.

6.a.1. At institutions of higher education that have met the eligibility criteria for additional operational and administrative authority as set forth in Chapters 933 and 945 of the 2005 Acts of Assembly or Chapters 824 and 829 of the 2008 Acts of Assembly, any repair, renovation, or new construction project costing up to \$3,000,000 shall be exempt from the capital outlay review and approval process. For purposes of this paragraph, projects shall not include any subset of a series of projects, which in combination would exceed the \$3,000,000 maximum.

2. All state agencies and institutions of higher education shall be exempt from the capital review and approval process for repair, renovation, or new construction projects costing up to \$3,000,000.

b. Blanket authorizations funded entirely by nongeneral funds may be used for 1) renovation and infrastructure projects costing up to \$3,000,000 and 2) the planning of nongeneral fund new construction and renovation projects through bidding, with bid award made after receipt of a construction authorization. The Director, Department of Planning and Budget, may provide exemptions to the threshold.

7. It is the policy of the Commonwealth that the institutions of higher education shall treat the maintenance of their facilities as a priority for the allocation of resources. No appropriations shall be transferred from the "Operation and Maintenance of Plant" subprogram except for closely and definitely related purposes, as approved by the Director, Department of Planning and Budget, or his designee. A report providing the rationale for each approved transfer shall be made to the Chairmen of the House Appropriations and Senate Finance Committees.

n. Legislative Intent and Reporting: Appropriations for capital projects shall be deemed to have been made for purposes which require their expenditure, or being placed under contract for expenditure, during the current biennium. Agencies to which such appropriations are made in this act or any other act are required to report progress as specified by the Governor. If, in the opinion of the Governor, these reports do not indicate satisfactory progress, he is authorized to take such actions as in his judgment may be necessary to meet legislative intent as herein defined. Reporting on the progress of capital projects shall be in accordance with § 4-8.00, Reporting Requirements.

o. No expenditure from a general fund appropriation in this act shall be made to expand or enhance a capital outlay project beyond that anticipated when the project was initially approved by the General Assembly except to comply with requirements imposed by the federal government when such capital project is for armories or other defense-related installations and is funded in whole or in part by federal funds. General fund appropriations in excess of those necessary to complete the project shall not be reallocated to expand or enhance the project, or be reallocated to a different project. The prohibitions in this subsection shall not apply to transfers from projects for which reappropriations have been authorized.

p. Local or private funds to be used for the acquisition, construction or improvement of capital projects for state agency use as owner or lessee shall be deposited into the state treasury for appropriation prior to their expenditure for such projects.

q. State-owned Registered Historic Landmarks: To guarantee that the historical and/or architectural integrity of any state-owned properties listed on the Virginia Landmarks Register and the knowledge to be gained from archaeological sites will not be adversely affected because of inappropriate changes, the heads of those agencies in charge of such properties are directed to submit all plans for significant alterations, remodeling, redecoration, restoration or repairs that may basically alter the appearance of the structure, landscaping, or demolition to the Department of Historic Resources. Such plans shall be reviewed within thirty days and the comments of that department shall be submitted to the Governor through the Department of General Services for use in making a final determination.

r.1. The Governor may authorize the conveyance of any interest in property or improvements thereon held by the Commonwealth to the educational or real estate foundation of any institution of higher education where he finds that such property was acquired with local or private funds or by gift or grant to or for the use of the institution, and not with funds appropriated to the institution by the General Assembly. Any approved conveyance shall be exempt from § 2.2-1156, Code of Virginia, and any other statute concerning conveyance, transfer or sale of state property. If the foundation conveys any interest in the property or any improvements thereon, such conveyance shall likewise be exempt from compliance with any statute concerning disposition of state property. Any income or proceeds from the conveyance of any interest in the property shall be deemed to be local or private funds and may be used by the foundation for any foundation purpose.

2. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the 2019 Acts of Assembly.

s.1. Facility Lease Agreements Involving Institutions of Higher Education: In the case of any lease agreement involving state-owned property controlled by an institution of higher education, where the lease has been entered into consistent with the provisions of § 2.2-1155, Code of Virginia, the Governor may amend, adjust or waive any project review and reporting procedures of Executive agencies as may reasonably be required to promote the property improvement goals for which the lease agreement was developed.

2. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the 2019 Acts of Assembly.

t. Energy-efficiency Projects: Improvements to state-owned properties for the purpose of energy-efficiency shall be treated as follows:

1. Such improvements shall be considered an operating expense, provided that:

a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-1989 and is limited to measures listed in guidelines issued by the Department of General Services;

b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board approval and is executed through a nonprofessional services contract with a vendor approved by the Department of General Services;

c) the scope of work has been reviewed and recommended by the Department of Mines, Minerals and Energy;

d) the total cost does not exceed \$3,000,000; and

e) if the total cost exceeds \$3,000,000, but does not exceed \$7,000,000, the energy savings from the project offset the total cost of the project, including debt service and interest payments.

2. If (a) the total cost of the improvement exceeds \$7,000,000 or (b) the total cost exceeds \$3,000,000, but does not exceed \$7,000,000, and the energy savings from the project do not fully offset the total cost of the project, including debt services and interest payments, the improvement shall be considered a capital expense regardless of the type of improvement and the following conditions must be met:

a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-1989 and is limited to measures listed in guidelines issued by the Department of General Services;

b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board approval and is executed through a nonprofessional services contract with a vendor approved by the Department of General Services;

c) the scope of work has been reviewed and recommended by the Department of Mines, Minerals and Energy;

d) the project has been reviewed by the Department of Planning and Budget; and

e) the project has been approved by the Governor.

3. If the total project exceeds \$250,000, the agency director will submit written notification to the Director, Department of Planning and Budget, verifying that the project meets all of the conditions in subparagraph 1 above.

The provisions of §§ 2.0 and 4-4.01 of this act and the provisions of § 2.2-1132, Code of Virginia, shall not apply to energy conservation projects that qualify as capital expenses.

4. As used in this paragraph, "improvement" does not include (a) constructing, enlarging, altering, repairing or demolishing a building or structure, (b) changing the use of a building either within the same use group or to a different use group when the new use requires greater degrees of structural strength, fire protection, exit facilities or sanitary provisions, or (c) removing or disturbing any asbestos-containing materials during demolition, alteration, renovation of or additions to building or structures. If the projected scope of an energy-efficiency project includes any of these elements, it shall be subject to the capital outlay process as set out in this section.

5. The Director, Department of Planning and Budget, shall notify the Chairmen of the House Appropriations and Senate Finance Committees upon the initiation of any energy-efficiency projects under the provisions of this paragraph.

u. No expenditures shall be authorized for the purchase of fee simple title to any real property to be used for a correctional facility or for the actual construction of a correctional facility provided for in this act, or by reference hereto, that involves acquisition or new construction of youth or adult correctional facilities on real property which was not owned by the Commonwealth on January 1, 1995, until the governing body of the county, city or town wherein the project is to be located has adopted a resolution supporting the location of such project within the boundaries of the affected jurisdiction. The foregoing does not prohibit expenditures for site studies, real estate options, correctional facility design and related expenditures.

v. Except for institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the 2019 Acts of Assembly, any alternative financing agreement entered into between a state agency or institution of higher education and a private entity or affiliated foundation must be reviewed and approved by the Treasury Board.

w. Prior to requesting authorization for new dormitory capital projects, institutions of higher education shall conduct a cost study to determine whether an alternative financing arrangement or public-private transaction would provide a more effective option for the construction of the proposed facility. This study shall be submitted to the Department of Planning and Budget as part of the budget development process and shall be evaluated by the Governor prior to submitting his proposed budget.

x. Construction or improvement projects of the Department of Military Affairs are not exempt from the capital outlay review process when the state procurement process is utilized, except for those projects with both an estimated cost of \$3,000,000 or less and are 100 percent federally reimbursed. The Department of Military Affairs shall submit by July 30 of each year to the Department of Planning and Budget a list of such projects that were funded pursuant to this exemption in the previous fiscal year and any projects that would be eligible for such funding in future fiscal years.

§ 4-4.02 PLANNING AND BUDGETING

a. It shall be the intent of the General Assembly to make biennial appropriations for a capital improvements program sufficient to address the program needs of the Commonwealth. The capital improvements program shall include maintenance and deferred

1 maintenance of the Commonwealth's existing facilities, and of the facility requirements necessary to deliver the programs of
2 state agencies and institutions.

3 b. In effecting these policies, the Governor shall establish a capital budget plan to address the renewal and replacement of the
4 Commonwealth's physical plant, using such guidelines as recommended by industry or government to maintain the
5 Commonwealth's investment in its property and plant.

6 **§ 4-5.00 SPECIAL CONDITIONS AND RESTRICTIONS ON EXPENDITURES**

7 **§ 4-5.01 TRANSACTIONS WITH INDIVIDUALS**

8 a. SETTLEMENT OF CLAIMS: Whenever a dispute, claim or controversy involving the interest of the Commonwealth is
9 settled pursuant to § 2.2-514, Code of Virginia, payment may be made out of any appropriations, designated by the Governor,
10 to the state agency(ies) which is (are) party to the settlement.

11 b. STUDENT FINANCIAL ASSISTANCE FOR HIGHER EDUCATION:

12 1. General:

13 a) The appropriations made in this act to state institutions of higher education within the Items for student financial assistance
14 may be expended for any one, all, or any combination of the following purposes: grants to undergraduate students enrolled at
15 least one-half time in a degree, certificate, industry-based certification and related programs that do not qualify for other
16 sources of student financial assistance or diploma program; grants to full-time graduate students; graduate assistantships; grants
17 to students enrolled full-time in a dual or concurrent undergraduate and graduate program. The institutions may also use these
18 appropriations for the purpose of supporting work study programs. The institution is required to transfer to educational and
19 general appropriations all funds used for work study or to pay graduate assistantships. Institutions may also contribute to
20 federal or private student grant aid programs requiring matching funds by the institution, except for programs requiring work.
21 The State Council of Higher Education for Virginia shall annually review each institution's plan for the expenditures of its
22 general fund appropriation for undergraduate student financial assistance prior to the start of the fall term to determine program
23 compliance. The institution's plan shall include the institution's assumptions and calculations for determining the cost of
24 attendance, student financial need, and student remaining need as well as an award schedule or description of how funds are
25 awarded. For the purposes of the proposed plan, each community college shall be considered independently. No limitations
26 shall be placed on the awarding of nongeneral fund appropriations made in this act to state institutions of higher education
27 within the Items for student financial assistance other than those found previously in this paragraph and as follows: (i) funds
28 derived from in-state student tuition will not subsidize out-of-state students, (ii) students receiving these funds must be making
29 satisfactory academic progress, (iii) awards made to students should be based primarily on financial need, and (iv) institutions
30 should make larger grant and scholarship awards to students taking the number of credit hours necessary to complete a degree
31 in a timely manner.

32 b) All awards made to undergraduate students from such Items shall be for Virginia students only and such awards shall offset
33 all, or portions of, the costs of tuition and required fees, and, in the case of students qualifying under subdivision b 2 c)1)
34 hereof, the cost of books. All undergraduate financial aid award amounts funded by this appropriation shall be proportionate to
35 the remaining need of individual students, with students with higher levels of remaining need receiving grants before other
36 students. No criteria other than the need of the student shall be used to determine the award amount. Because of the low cost of
37 attendance and recognizing that federal grants provide a much higher portion of cost than at other institutions, a modified
38 approach and minimum award amount for the neediest VGAP student should be implemented for community college and
39 Richard Bland College students based on remaining need and the combination of federal and grant state aid. Student financial
40 need shall be determined by a need-analysis system approved by the Council.

41 c)1) All need-based awards made to graduate students shall be determined by the use of a need-analysis system approved by the
42 Council.

43 2) As part of the six-year financial plans required in the provisions of Chapters 933 and 945 of the 2005 Acts of Assembly,
44 each institution of higher education shall report the extent to which tuition and fee revenues are used to support graduate
45 student aid and graduate compensation and how the use of these funds impacts planned increases in student tuition and fees.

46 d) A student who receives a grant under such Items and who, during a semester, withdraws from the institution which made the
47 award must surrender the unearned portion. The institution shall calculate the unearned portion of the award based on the
48 percentage used for federal Return to Title IV program purposes.

49 e) An award made under such Items to assist a student in attending an institution's summer session shall be prorated according
50 to the size of comparable awards made in that institution's regular session.

51 f) The provisions of this act under the heading "Student Financial Assistance for Higher Education" shall not apply to (1) the
52 soil scientist scholarships authorized under § 23.1-615, Code of Virginia and (2) need-based financial aid programs for
53 industry-based certification and related programs that do not qualify for other sources of student financial assistance, which will

be subject to guidelines developed by the State Council of Higher Education for Virginia.

g) Unless noted elsewhere in this act, general fund awards shall be named "Commonwealth" grants.

h) Unless otherwise provided by statute, undergraduate awards shall not be made to students seeking a second or additional baccalaureate degree until the financial aid needs of first-degree seeking students are fully met.

2. Grants To Undergraduate Students:

a) Each institution which makes undergraduate grants paid from its appropriation for student financial assistance shall expend such sums as approved for that purpose by the Council.

b) A student receiving an award must be duly admitted and enrolled in a degree, certificate or diploma program at the institution making the award, and shall be making satisfactory academic progress as defined by the institution for the purposes of eligibility under Title IV of the federal Higher Education Act, as amended.

c)1) It is the intent of the General Assembly that students eligible under the Virginia Guaranteed Assistance Program (VGAP) authorized in Title 23.1, Chapter 4.4:2, Code of Virginia, shall receive grants before all other students at the same institution with equivalent remaining need from the appropriations for undergraduate student financial assistance found in Part 1 of this act (service area 1081000 - Scholarships). In each instance, VGAP eligible students shall receive awards greater than other students with equivalent remaining need.

2) The amount of each VGAP grant shall vary according to each student's remaining need and the total of tuition, all required fees and the cost of books at the institution the student will attend upon acceptance for admission. The actual amount of the VGAP award will be determined by the proportionate award schedule adopted by each institution; however, those students with the greatest financial need shall be guaranteed an award at least equal to tuition.

3) It is the intent of the General Assembly that the Virginia Guaranteed Assistance Program serve as an incentive to financially needy students now attending elementary and secondary school in Virginia to raise their expectations and their academic performance and to consider higher education an achievable objective in their futures.

4) Students may not receive a VGAP and a Commonwealth grant in the same semester.

3. Grants To Graduate Students:

a) An individual award may be based on financial need but may, in addition to or instead of, be based on other criteria determined by the institution making the award. The amount of an award shall be determined by the institution making the award; however, the Council shall annually be notified as to the maximum size of a graduate award that is paid from funds in the appropriation.

b) A student receiving a graduate award paid from the appropriation must be duly admitted into a graduate degree program at the institution making the award.

c) Not more than 50 percent of the funds designated by an institution as graduate grants from the appropriation, and approved as such by the Council, shall be awarded to persons not eligible to be classified as Virginia domiciliary resident students except in cases where the persons meet the criteria outlined in § 4-2.01b.6.

4. Matching Funds: Any institution of higher education may, with the approval of the Council, use funds from its appropriation for fellowships and scholarships to provide the institutional contribution to any student financial aid program established by the federal government or private sources which requires the matching of the contribution by institutional funds, except for programs requiring work.

5. Discontinued Loan Program:

a) If any federal student loan program for which the institutional contribution was appropriated by the General Assembly is discontinued, the institutional share of the discontinued loan program shall be repaid to the fund from which the institutional share was derived unless other arrangements for the use of the funds are recommended by the Council and approved by the Department of Planning and Budget. Should the institution be permitted to retain the federal contributions to the program, the funds shall be used according to arrangements authorized by the Council and approved by the Department of Planning and Budget.

b)1) An institution of higher education may discontinue its student loan fund established pursuant to Title 23.1, Chapter 4.01, Code of Virginia. The full amount of cash in such discontinued loan fund shall be paid into the state treasury into a nonrevertible nongeneral fund account. Prior to such payment, the State Comptroller shall verify its accuracy, including the fact that the cash held by the institution in the loan fund will be fully depleted by such payment. The loan fund shall not be reestablished thereafter for that institution.

2) The cash so paid into the state treasury shall be used only for grants to undergraduate and graduate students in the Higher Education Student Financial Assistance program according to arrangements authorized by the Council and approved by the Department of Planning and Budget.

3) Payments on principal and interest of any promissory notes held by the discontinued loan fund shall continue to be received by the institution, which shall deposit such payments in the state treasury to the nonrevertible nongeneral fund account specified in subdivision (1) preceding, to be used for grants as specified in subdivision (2) preceding.

6. Reporting: The Council shall collect student-specific information for undergraduate students as is necessary for the operation of the Student Financial Assistance Program. The Council shall maintain regulations governing the operation of the Student Financial Assistance Program based on the provisions outlined in this section, the Code of Virginia, and State Council policy.

C. PAYMENTS TO CITIZEN MEMBERS OF NONLEGISLATIVE BODIES:

Notwithstanding any other provision of law, executive branch agencies shall not pay compensation to citizen members of boards, commissions, authorities, councils, or other bodies from any fund for the performance of such members' duties in the work of the board, commission, authority, council, or other body.

d. VIRGINIA BIRTH-RELATED NEUROLOGICAL INJURY COMPENSATION PROGRAM

Notwithstanding any other provision of law, the Virginia Birth-Related Neurological Injury Compensation Program is authorized to require each admitted claimant's parent or legal guardian to purchase private health insurance (the "primary payer") to provide coverage for the actual medically necessary and reasonable expenses as described in Virginia Code § 38.2-5009(A)(1) that were, or are, incurred as a result of the admitted claimant's birth-related neurological injury and for the admitted claimant's benefit. Provided, however, that the Program shall reimburse, upon receipt of proof of payment, solely the portion of the premiums that is attributable to the admitted claimant's post-admission coverage from the effective date of this provision forward and paid for by the admitted claimant's parent or legal guardian.

§ 4-5.02 THIRD PARTY TRANSACTIONS

a. EMPLOYMENT OF ATTORNEYS:

1.a) All attorneys authorized by this act to be employed by any state agency and all attorneys compensated out of any moneys appropriated in this session of the General Assembly shall be appointed by the Attorney General and be in all respects subject to the provisions of Title 2.2, Chapter 5, Code of Virginia, to the extent not to conflict with Title 12.1, Chapter 4, Code of Virginia; provided, however, that if the Governor certifies the need for independent legal counsel for any Executive Department agency, such agency shall be free to act independently of the Office of the Attorney General in regard to selection, and provided, further, that compensation of such independent legal counsel shall be paid from the moneys appropriated to such Executive Department agency or from the moneys appropriated to the Office of the Attorney General.

b) For purposes of this act, "attorney" shall be defined as an employee or contractor who represents an agency before a court, board or agency of the Commonwealth of Virginia or political subdivision thereof. This term shall not include members of the bar employed by an agency who perform in a capacity that does not require a license to practice law, including but not limited to, instructing, managing, supervising or performing normal or customary duties of that agency.

2. This section does not apply to attorneys employed by state agencies in the Legislative Department, Judicial Department or Independent Agencies.

3. Reporting on employment of attorneys shall be in accordance with § 4-8.00, Reporting Requirements.

Any such agreements shall be reported to the Office of the Attorney General as soon as practicable.

b. STUDIES AND CONSULTATIVE SERVICES REQUIRED BY GENERAL ASSEMBLY: No expenditure for payments on third party nongovernmental contracts for studies or consultative services shall be made out of any appropriation to the General Assembly or to any study group created by the General Assembly, nor shall any such expenditure for third party nongovernmental contracts be made by any Executive Department agency in response to a legislative request for a study, without the prior approval of two of the following persons: the Chairman of the House Appropriations Committee; the Chairman of the Senate Finance Committee; the Speaker of the House of Delegates; the President pro tempore of the Senate. All such expenditures shall be made only in accordance with the terms of a written contract approved as to form by the Attorney General.

c. USE OF CONSULTING SERVICES: All state agencies and institutions of higher education shall make a determination of "return on investment" as part of the criteria for awarding contracts for consulting services.

d. DEBT COLLECTION SERVICES:

1. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the Virginia Commonwealth University Health System Authority shall have the option to participate in the Office of the Attorney General's debt collection process. Should the Authority choose not to participate, the Authority shall have the authority to collect its accounts receivable by

engaging private collection agents and attorneys to pursue collection actions, and to independently compromise, settle, and discharge accounts receivable claims.

2. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the University of Virginia Medical Center shall have the authority to collect its accounts receivable by engaging private collection agents and attorneys to pursue collection actions, and to independently compromise, settle, and discharge accounts receivable claims, provided that the University of Virginia demonstrates to the Secretary of Finance that debt collection by an agent other than the Office of the Attorney General is anticipated to be more cost effective. Nothing in this paragraph is intended to limit the ability of the University of Virginia Medical Center from voluntarily contracting with the Office of the Attorney General's Division of Debt Collection in cases where the Center would benefit from the expertise of legal counsel and collection services offered by the Office of the Attorney General.

3. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the Department of Taxation shall be exempt from participating in the debt collection process of the Office of the Attorney General.

§ 4-5.03 SERVICES AND CLIENTS

a. CHANGED COST FACTORS:

1.a) No state agency, or its governing body, shall alter factors (e.g., qualification level for receipt of payment or service) which may increase the number of eligible recipients for its authorized services or payments, or alter factors which may increase the unit cost of benefit payments within its authorized services, unless the General Assembly has made an appropriation for the cost of such change.

b) The limits on altering or changing cost factors stated in paragraph 1.a) above shall not apply to changes associated with implementing and/or altering services in response to COVID-19 when funding is provided from a nongeneral fund source dedicated to addressing the impact of COVID-19 or from any source when specifically approved by the Governor in response to the COVID-19 pandemic.

2. Notwithstanding any other provision of law, the Department of Planning and Budget, with assistance from agencies that operate internal service funds as requested, shall establish policies and procedures for annually reviewing and approving internal service fund overhead surcharge rates and working capital reserves.

3. The report shall include any proposed modifications in rates to be charged by internal service funds for review and approval by the Department of Planning and Budget. In its review, the Department of Planning and Budget shall determine whether the requested rate modifications are consistent with budget assumptions. The format by which agencies submit the operating plan for each internal service fund shall be determined by the Department of Planning and Budget with assistance from agencies that operate internal service funds as requested.

4. State agencies that operate internal service funds may not change a billable overhead surcharge rate to another state agency unless the resulting change is provided in the final General Assembly enacted budget.

5. State agencies that operate more than one internal service fund shall comply with the review and approval requirements detailed in this Item for each internal service fund.

6. As determined by the Director, Department of Planning and Budget, state agencies that operate select programs where an agency provides a service to and bills other agencies shall be subject to the annual review of the agency's internal service funds consistent with the provisions of this Item, unless such payment for services is pursuant to a memorandum of understanding authorized by § 4-1.03 a. 7 of this act.

7. The Governor is authorized to change internal service fund overhead surcharge rates, including the creation of new rates, beyond the rates enacted in the budget in the event of an emergency or to implement actions approved by the General Assembly, upon prior notice to the Chairmen of the House Appropriations and Senate Finance Committees. b. NEW SERVICES:

1. a) No state agency shall begin any new service that will call for future additional property, plant or equipment or that will require an increase in subsequent general or nongeneral fund operating expenses without first obtaining the authorization of the General Assembly.

b) The limits on establishing new services stated in paragraph 1.a) above shall not apply to new services established to respond to COVID-19 when funding is provided from a nongeneral fund source dedicated to addressing the impact of COVID-19 or from any source when specifically approved by the Governor in response to the COVID-19 pandemic.

2. Pursuant to the policies and procedures of the State Council of Higher Education regarding approval of academic programs and the concomitant enrollment, no state institution of higher education shall operate any academic program with funds in this act unless approved by the Council and included in the Executive Budget, or approved by the General Assembly. The Council may grant exemptions to this policy in exceptional circumstances.

Therefore, notwithstanding § 4-5.03 c. of the Appropriation Act, if through the efforts of these institutions to further strengthen the partnership, Virginia Tech acquires the Virginia Tech Carilion School of Medicine during the current biennium, the General Assembly approves the creation and establishment of the Virginia Tech/Carilion School of Medicine within the institution notwithstanding § 23.1-203 Code of Virginia. No additional funds are required to implement establishment of the Virginia Tech/Carilion School of Medicine within the institution.

b) Virginia Tech Carilion School of Medicine is hereby authorized to transfer funds to the Department of Medical Assistance Services to fully fund the state share for Medicaid supplemental payments to the teaching hospital affiliated with the Virginia Tech Carilion School of Medicine. These Medicaid supplemental fee-for-service and/or capitation payments to managed care organizations are for the purpose of securing access to Medicaid hospital services in Western Virginia. The funds to be transferred must comply with 42 CFR 433.51.

4. Reporting on all new services shall be in accordance with § 4-8.00, Reporting Requirements.

c. OFF-CAMPUS SITES OF INSTITUTIONS OF HIGHER EDUCATION:

No moneys appropriated by this act shall be used for off-campus sites unless as provided for in this section.

1. A public college or university seeking to create, establish, or operate an off-campus instructional site, funded directly or indirectly from the general fund or with revenue from tuition and mandatory educational and general fees generated from credit course offerings, shall first refer the matter to the State Council of Higher Education for Virginia for its consideration and approval. The State Council of Higher Education for Virginia may provide institutions with conditional approval to operate the site for up to one year, after which time the college or university must receive approval from the Governor and General Assembly, through legislation or appropriation, to continue operating the site.

2. For the colleges of the Virginia Community College System, the State Board for Community Colleges shall be responsible for approving off-campus locations. Sites governed by this requirement are those at any locations not contiguous to the main campus of the institution, including locations outside Virginia.

b) Offerings at previously approved off-campus locations shall also not be subject to these provisions.

c) Further, the provisions herein do not govern the establishment and operations of campus sites with a primary function of carrying out grant and contract research where direct and indirect costs from such research are covered through external funding sources. Such locations may offer limited graduate education as appropriate to support the research mission of the site.

d) Nothing herein shall prohibit an institution from offering non-credit continuing education programs at sites away from the main campus of a college or university.

4. The State Council of Higher Education shall establish guidelines to implement this provision.

d. PERFORMANCE MEASUREMENT

1. The Department of Accounts shall provide assistance as requested by the Department of Planning and Budget. The Department of Planning and Budget shall provide this information each year when the Governor submits the budget in accordance with § 2.2-1509, Code of Virginia, to

The report shall compare the actual results, including expenditures, of the initiative with the anticipated results and the appropriation for the initiative. Other forms of acceptable presentation would include brochures, pamphlets, posters, notices, bulletins, official catalogs, flyers available at public places and formal or informal meetings with prospective students.

2. Excessive Promotion Prohibited: Each public institution of higher education is prohibited from using public funds under the control of the institution's Board of Visitors for the development, preparation, dissemination or presentation of any material intended or designed to induce students to attend by exaggerating or extolling the institution's virtues, faculty, students, facilities or programs through the use of hyperbole. Artwork and photographs which exaggerate or extol rather than supplement or complement permissible information are prohibited. Mass mailings are generally prohibited; however, either mass mailings or newspaper inserts, but not both, may be used if other methods of distributing permissible information are not economically feasible in the institution's local service area.

3. Remedial Education: Senior institutions of higher education shall make arrangements with community colleges for the remediation of students accepted for admission by the senior institutions.

4. Compliance: The president or chancellor of each institution of higher education is responsible for the institution's compliance with this subsection.

b. INFORMATION TECHNOLOGY FACILITIES AND SERVICES:

1.a) The Virginia Information Technologies Agency shall procure information technology and telecommunications goods and services of every description for its own benefit or on behalf of other state executive branch agencies and institutions, or authorize other state executive branch agencies or institutions to undertake such procurements on their own. "Executive branch agency" means the same as that term is defined in § 2.2-2006.

b) Except for research projects, research initiatives, or instructional programs at public institutions of higher education, or any non-major information technology project request from the Virginia Community College System, Longwood University, or from an institution of higher education which is a member of the Virginia Association of State Colleges and University Purchasing Professionals (VASCUPP) as of July 1, 2003, or any procurement of information technology and telecommunications goods and services by public institutions of higher education governed by some combination of Chapters 933 and 945 of the 2005 Acts of Assembly, Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, requests for authorization from state agencies and institutions to procure information technology and telecommunications goods and services on their own behalf shall be made in writing to the Chief Information Officer or his designee. Members of VASCUPP as of July 1, 2003, are hereby recognized as: The College of William and Mary, George Mason University, James Madison University, Old Dominion University, Radford University, Virginia Commonwealth University, Virginia Military Institute, Virginia Polytechnic Institute and State University, and the University of Virginia.

c) The Chief Information Officer or his designee may grant the authorization upon a written determination that the request conforms to the statewide information technology plan and the individual information technology plan of the requesting agency or institution.

d) Any procurement authorized by the Chief Information Officer or his designee for information technology and telecommunications goods and services, including geographic information systems, shall be issued by the requesting state agency or institution in

accordance with the regulations, policies, procedures, standards, and guidelines of the Virginia Information Technologies Agency.

e) Nothing in this subsection shall prevent public institutions of higher education or the Virginia Community College System from using the services of Network Virginia.

f) To ensure that the Commonwealth's research universities maintain a competitive position with access to the national optical research network infrastructure including the National LambdaRail and Internet2, the Network Virginia Contract Administrator is hereby authorized to renegotiate the term of the existing contracts. Additionally, the contract administrator is authorized to competitively negotiate additional agreements in accordance with the Code of Virginia and all applicable regulations, as required, to establish and maintain research network infrastructure.

2. If the billing rates and associated systems for computer, telecommunications and systems development services to state agencies are altered, the Director, Department of Planning and Budget, may transfer appropriations from the general fund between programs affected. These transfers are limited to actions needed to adjust for overfunding or underfunding the program appropriations affected by the altered billing systems.

3. The provisions of this subsection shall not in any way affect the duties and responsibilities of the State Comptroller under the provisions of § 2.2-803, Code of Virginia.

4. It is the intent of the General Assembly that information technology (IT) systems, products, data, and service costs, including geographic information systems (GIS), be contained through the shared use of existing or planned equipment, data, or services which may be available or soon made available for use by state agencies, institutions, authorities, and other public bodies. State agencies, institutions, and authorities shall cooperate with the Virginia Information Technologies Agency in identifying the development and operational requirements for proposed IT and GIS systems, products, data, and services, including the proposed use, functionality, capacity and the total cost of acquisition, operation and maintenance.

5. This section shall not apply to public institutions of higher education governed by some combination of Chapters 933 and 945 of the 2005 Acts of Assembly, Chapters 933 and 943 of the 2006 Acts of Assembly or Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly and Chapters 675 and 685 of the 2009 Acts of Assembly, or to the Virginia Alcoholic Beverage Control Authority.

6. Notwithstanding any other provision of law, state agencies that do not receive computer services from the Virginia Information Technologies Agency may develop their own policies and procedures governing the sale of surplus computers and laptops to their employees or officials. Any proceeds from the sale of surplus computers or laptops shall be deposited into the appropriate fund or funds used to purchase the equipment.

c. MOTOR VEHICLES AND AIRCRAFT:

1. No motor vehicles shall be purchased or leased with public funds by the state or any officer or employee on behalf of the state without the prior written approval of the Director, Department of General Services.

2. The institutions of higher education and the Alcoholic Beverage Control Authority shall be exempt from this provision but shall be required to report their entire inventory of purchased and leased vehicles including the cost of such to the Director of the Department of General Services by June 30 of each year. The Director of the Department of General Services shall compare the cost of vehicles acquired by institutions of higher education and the Authority to like vehicles under the state contract. If the comparison demonstrates for a given institution or the Authority that the cost to the Commonwealth is greater for like vehicles than would be the case based on a contract of statewide applicability, the Governor or his designee may suspend the exemption granted to the institution or the Authority pursuant to this subparagraph c.

3. The Director, Department of General Services, is hereby authorized to transfer surplus motor vehicles among the state agencies, and determine the value of such surplus equipment for the purpose of maintaining the financial accounts of the state agencies affected by such transfers.

d. MOTION PICTURE, TELEVISION AND RADIO SERVICES PRODUCTION: Except for public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, no state Executive Department agency or the Virginia Lottery Department shall expend any public funds for the production of motion picture films or of programs for television transmission, or for the operation of television or radio transmission facilities, without the prior written approval of the Governor or as otherwise provided in this act, except for educational television programs produced for elementary-secondary education by authority of the Virginia Information Technologies Agency. The Joint Subcommittee on Rules is authorized to provide the approval of such expenditures for legislative agencies. For judicial agencies and independent agencies, other than the Virginia Lottery Department, prior approval action rests with the supervisory bodies of these entities. With respect to television programs which are so approved and other programs which are otherwise authorized or are not produced for television transmission, state agencies may enter into contracts without competitive sealed bidding, or competitive negotiation, for program production and transmission services which are performed by public telecommunications entities, as defined in § 2.2-2006, Code of Virginia.

e. TRAVEL: Reimbursement for the cost of travel on official business of the state government is authorized to be paid pursuant to law and regulations issued by the State Comptroller to implement such law. Notwithstanding any contrary provisions of law:

1. For the use of personal automobiles in the discharge of official duties outside the continental limits of the United States, the State Comptroller may authorize an allowance not exceeding the actual cost of operation of such automobiles;

2. The first 15,000 miles of use during each fiscal year of personal automobiles in the discharge of official duties within the continental limits of the United States shall be reimbursed at an amount equal to the most recent business standard mileage rate as established by the Internal Revenue Service for employees or self-employed individuals to use in computing their income tax deductible costs for operating passenger vehicles owned or leased by them for business purposes, or in the instance of a state employee, at the lesser of (a) the IRS rate or (b) the lowest combined capital and operational trip pool rate charged by the Department of General Services, Office of Fleet Management Services (OFMS), posted on the OFMS website at time of travel, for the use of a compact state-owned vehicle. If the head of the state agency concerned certifies that a state-owned vehicle was not available, or if, according to regulations issued by the State Comptroller, the use of a personal automobile in lieu of a state-owned automobile is considered to be an advantage to the state, the reimbursement shall be at the rate of the IRS rate. For such use in excess of 15,000 miles in each fiscal year, the reimbursement shall be at a rate of 13.0 cents per mile, unless a state-owned vehicle is not available; then the rate shall be the IRS rate;

3. The State Comptroller may authorize exemptions to restrictions upon use of common carrier accommodations;

4. The State Comptroller may authorize reimbursement by per diem in lieu of actual costs of meals and any other expense category deemed necessary for the efficient and effective operation of state government;

5. State employees traveling on official business of state government shall be reimbursed for their travel costs using the same bank account authorized by the employee in which their net pay is direct deposited; and

6. This section shall not apply to members and employees of public school boards.

f. SMALL PURCHASE CHARGE CARD, ELECTRONIC DATA INTERCHANGE, DIRECT DEPOSIT, AND PAYLINE OPT OUT: The State Comptroller is hereby authorized to charge state agencies a fee of \$5 per check or earnings notice when, in his judgment, agencies have failed to comply with the Commonwealth's electronic commerce initiatives to reduce unnecessary administrative costs for the printing and mailing of state checks and earning notices. The fee shall be collected by the Department of Accounts through accounting entries.

g. PURCHASES OF APPLIANCES AND EQUIPMENT: State agencies and institutions shall purchase Energy Star rated appliances and equipment in all cases where such appliances and equipment are available.

h. ELECTRONIC PAYMENTS: Any recipient of payments from the State Treasury who receives six or more payments per year issued by the State Treasurer shall receive such payments electronically. The State Treasurer shall decide the appropriate method of electronic payment and, through his warrant issuance authority, the State Comptroller shall enforce the provisions of this section. The State Comptroller is authorized to grant administrative relief to this requirement when circumstances justify non-electronic payment.

i. LOCAL AND NON-STATE SAVINGS AND EFFICIENCIES: It is the intent of the General Assembly that State agencies shall encourage and assist local governments, school divisions, and other non-state governmental entities in their efforts to achieve cost savings and efficiencies in the provision of mandated functions and services including but not limited to finance, procurement, social services programs, and facilities management.

j. TELECOMMUNICATION SERVICES AND DEVICES:

1. The Chief Information Officer and the State Comptroller shall develop statewide requirements for the use of cellular telephones and other telecommunication devices by in-scope Executive Department agencies, addressing the assignment, evaluation of need, safeguarding, monitoring, and usage of these telecommunication devices. The requirements shall include an acceptable use agreement template clearly defining an employee's responsibility when they receive and use a telecommunication device. Statewide requirements shall require some form of identification on a device in case it is lost or stolen and procedures to wipe the device clean of all sensitive information when it is no longer in use.

2. In-scope Executive Department agencies providing employees with telecommunication devices shall develop agency-specific policies, incorporating the guidance provided in § 4-5.04 k. 1. of this act and shall maintain a cost justification for the assignment or a public health, welfare and safety need.

3. The Chief Information Officer shall determine the optimal number of telecommunication vendors and plans necessary to meet the needs of in-scope Executive Department agency personnel. The Chief Information Officer shall regularly procure these services and provide statewide contracts for use by all such agencies. These contracts shall require the vendors to provide detailed usage information in a useable electronic format to enable the in-scope agencies to properly monitor usage to make informed purchasing decisions and minimize costs.

4. The Chief Information Officer shall examine the feasibility of providing tools for in-scope Executive Department agencies to analyze usage and cost data to assist in determining the most cost effective plan combinations for the entity as a whole and individual users.

k. ALTERNATIVE PROCUREMENT: If any payment is declared unconstitutional for any reason or if the Attorney General finds in a formal, written, legal opinion that a payment is unconstitutional, in circumstances where a good or service can constitutionally be the subject of a purchase, the administering agency of such payment is authorized to use the affected appropriation to procure, by means of the Commonwealth's Procurement Act, goods and services, which are similar to those sought by such payment in order to accomplish the original legislative intent.

l. MEDICAL SERVICES: No expenditures from general or nongeneral fund sources may be made out of any appropriation by the General Assembly for providing abortion services, except otherwise as required by federal law or state statute.

m. In an effort to expand cooperative procurement efforts, all public institutions of higher education in the Commonwealth of Virginia may access the Virginia Association of State Colleges and University Purchasing Professionals (VASCUPP) contracts regardless of their level of purchasing delegated authority, non-VASCUPP institutions shall amend terms and conditions of VASCUPP contracts to incorporate Virginia Public Procurement Act, and Commonwealth of Virginia Agency Procurement and Surplus Property Manual.

b) The agency must be open to the public or otherwise engaged in activity of public interest, with expenditures having actually been incurred for its operation.

3. No allotment of appropriations shall be made to a nonstate agency until such agency has certified to the Secretary of Finance that cash or in-kind contributions are on hand and available to match equally all or any part of an appropriation which may be provided by the General Assembly, unless the organization is specifically exempted from this requirement by language in this act. Such matching funds shall not have been previously used to meet the match requirement in any prior appropriation act.

4. Operating appropriations for nonstate agencies equal to or in excess of \$150,000 shall be disbursed to nonstate agencies in twelve or fewer equal monthly installments depending on when the first payment is made within the fiscal year. Operating appropriations for nonstate agencies of less than \$150,000 shall be disbursed in one payment once the nonstate agency has successfully met applicable match and application requirements.

c.1. Each interstate compact commission and each organization in which the Commonwealth of Virginia or a state agency thereof holds membership, and the dues for which are provided in this act or any other appropriating act, shall submit its biennial budget request to the state agency under which such commission or organization is listed in this act. The state agency shall include the request of such commission or organization within its own request, but identified separately. Requests by the commission or organization for disbursements from appropriations shall be submitted to the designated state agency.

Each state agency shall submit by November 1 each year, a report to the Director, Department of Planning and Budget, listing the name and purpose for organizational memberships held by that agency with annual dues of \$5,000 or more. The institutions of higher education shall be exempt from this reporting requirement.

b. The nongeneral fund capital outlay decentralization programs initiated pursuant to § 4-5.08b of Chapter 912, 1996 Acts of Assembly as continued in subsequent appropriation acts are hereby made permanent. Decentralization programs for which institutions have executed memoranda of understanding with the Secretary of Administration pursuant to the provisions of § 4-5.08b of Chapter 912, 1996 Acts of Assembly shall no longer be considered pilot projects, and shall remain in effect until revoked.

c. Institutions wishing to participate in a nongeneral fund capital outlay decentralization program for the first time shall submit a letter of interest to the appropriate Cabinet Secretary. Within 90 calendar days of the receipt of the institution's request to participate, the responsible Cabinet Secretary shall determine whether the institution meets the eligibility criteria and, if appropriate, establish a decentralization program at the institution. The Cabinet Secretary shall report to the Governor and Chairmen of the Senate Finance and House Appropriations Committees by December 1 of each year all institutions that have applied for inclusion in a decentralization program and whether the institutions have been granted authority to participate in the decentralization program.

d. The provisions identified in § 4-5.08 f and § 4-5.08 h of Chapter 1042 of the Acts of Assembly of 2003 pertaining to pilot programs for selected capital outlay projects and memoranda of understanding in institutions of higher education are hereby continued. Notwithstanding these provisions, those projects shall be insured through the state's risk management liability program.

e. f. Institutions that have executed memoranda of understanding with the Secretary of Administration for nongeneral fund capital outlay decentralization programs are hereby granted a waiver from the provisions of § 2.2-4301, Competitive Negotiation, subdivision 3a, Code of Virginia, regarding the not to exceed amount of \$100,000 for a single project, the not to exceed sum of \$500,000 for all projects performed, and the option to renew for two additional one-year terms.

a. The Comptroller shall not draw any warrants to issue checks for semiconductor manufacturing performance grant programs, pursuant to Title 59.1, Chapter 22.3, Code of Virginia, without a specific legislative appropriation. The appropriation shall be in accordance with the terms and conditions set forth in a memorandum of understanding between a qualified manufacturer and the Commonwealth. These terms and conditions shall supplement the provisions of the Semiconductor Manufacturing Performance Grant Program, the Semiconductor Memory or Logic Wafer Manufacturing Performance Grant Program, and the Semiconductor Memory or Logic Wafer Manufacturing Performance Grant Program II, as applicable, and shall include but not be limited to the numbers and types of semiconductor wafers that are produced; the level of investment directly related to the building and equipment for manufacturing of wafers or activities ancillary to or supportive of such manufacturer within the eligible locality; and the direct employment related to these programs. This provision shall not apply to employees who are covered by the Virginia Sickness and Disability Program as defined in § 51.1-1100, Code of Virginia. Such employees shall not be paid for their sick leave balances. However, they will be paid, if eligible as described above, for any disability leave credits they have at separation or retirement or may convert disability credits to service credit under the Virginia Retirement System pursuant to § 51.1-1103 (F), Code of Virginia.

o. It is the intent of the General Assembly that calculation of the faculty salary benchmark goal for the Virginia Community College System shall be done in a manner consistent with that used for four-year institutions, taking into consideration the number of faculty at each of the community colleges. In addition, calculation of the salary target shall reflect an eight percent salary differential in a manner consistent with other public four-year institutions and for faculty at Northern Virginia Community College.

p. Any public institution of higher education that has met the eligibility criteria set out in Chapters 933 and 945 of the 2005 Acts of Assembly may supplement annual salaries for classified employees from private gifts, endowment funds, or income from endowments and gifts, subject to policies approved by the board of visitors. § 4-6.02 EMPLOYEE TRAINING AND STUDY

Subject to uniform rules and regulations established by the Governor, the head of any state agency may authorize, from any funds appropriated to such department, institution or other agency in this act or subsequently made available for the purpose,

compensation or expenses or both compensation and expenses for employees pursuing approved training courses or academic studies for the purpose of becoming better equipped for their employment in the state service. The rules and regulations shall include reasonable provision for the return of any employee receiving such benefits for a reasonable period of duty, or for reimbursement to the state for expenditures incurred on behalf of the employee should he not return to state service.

§ 4-6.03 EMPLOYEE BENEFITS

a. Any medical/hospitalization benefit program provided for state employees shall include the following provision: any state employee, as defined in § 2.2-2818, Code of Virginia, shall have the option to accept or reject coverage.

b. Except as provided for sworn personnel of the Department of State Police, no payment of, or reimbursement for, the employer paid contribution to the State Police Officers' Retirement System, or any system offering like benefits, shall be made by the Compensation Board of the Commonwealth at a rate greater than the employer rate established for the general classified workforce of the Commonwealth covered under the Virginia Retirement System. Any cost for benefits exceeding such general rate shall be borne by the employee or, in the case of a political subdivision, by the employer.

c. Each agency may, within the funds appropriated by this act, implement a transit and ridesharing incentive program for its employees. With such programs, agencies may reimburse employees for all or a portion of the costs incurred from using public transit, car pools, or van pools. The Secretary of Transportation shall develop guidelines for the implementation of such programs and any agency program must be developed in accordance with such guidelines. The guidelines shall be in accordance with the federal National Energy Policy Act of 1992 (P.L. 102-486), and no program shall provide an incentive that exceeds the actual costs incurred by the employee.

d. Any hospital that serves as the primary medical facility for state employees may be allowed to participate in the State Employee Health Insurance Program pursuant to § 2.2-2818, Code of Virginia, provided that (1) such hospital is not a participating provider in the network, contracted by the Department of Human Resource Management, that serves state employees and (2) such hospital enters into a written agreement with the Department of Human Resource Management as to the rates of reimbursement. The department shall accept the lowest rates offered by the hospital from among the rates charged by the hospital to (1) its largest purchaser of care, (2) any state or federal public program, or (3) any special rate developed by the hospital for the state employee health benefits program which is lower than either of the rates above. If the department and the hospital cannot come to an agreement, the department shall reimburse the hospital at the rates contained in its final offer to the hospital until the dispute is resolved. Any dispute shall be resolved through arbitration or through the procedures established by the Administrative Process Act, as the hospital may decide, without impairment of any residual right to judicial review.

e. Any classified employee of the Commonwealth and any person similarly employed in the legislative, judicial and independent agencies who (i) is compensated on a salaried basis and (ii) works at least twenty hours per week shall be considered a full-time employee for the purposes of participation in the Virginia Retirement System's group life insurance and retirement programs. a) Revert to the previous retirement benefit received under the provisions of § 51.1-155.1, Code of Virginia, including any annual cost of living adjustments granted thereon. This benefit may be adjusted upward to reflect the effect of such additional months of service and compensation received during the period of reemployment, or

b) Retire under the provisions of Title 51.1 in effect at the termination of his or her period of reemployment, including any purchase of service that may be eligible for purchase under the provisions of § 51.1-142.2, Code of Virginia.

2. The Virginia Retirement System shall establish procedures for verification by the employer of eligibility for the benefits provided for in this paragraph.

g. Notwithstanding any other provision of law, no agency head compensated by funds appropriated in this act may be a member of the Virginia Law Officers' Retirement System created under Title 51.1, Chapter 2.1, Code of Virginia. The provisions of this paragraph are effective on July 1, 2002, and shall not apply to the Chief of the Capitol Police.

h. Full-time employees appointed by the Governor who, except for meeting the minimum service requirements, would be eligible for the provisions of § 51.1-155.1, Code of Virginia, may, upon termination of service, use any severance allowance payment to purchase service to meet, but not exceed, the minimum service requirements of § 51.1-155.1, Code of Virginia. Such service purchase shall be at the rate of 15 percent of the employee's final creditable compensation or average final compensation, whichever is greater, and shall be completed within 90 days of separation of service.

i. When calculating the retirement benefits payable under the Virginia Retirement System (VRS), the State Police Officers'

Retirement System (SPORS), the Virginia Law-enforcement Officers' Retirement System (VaLORS), or the Judicial Retirement System (JRS) to any employee of the Commonwealth or its political subdivisions who is called to active duty with the armed forces of the United States, including the United States Coast Guard, the Virginia Retirement System shall:

1) utilize the pre-deployment salary, or the actual salary paid by the Commonwealth or the political subdivision, whichever is higher, when calculating average compensation, and

2) include those months after September 1, 2001 during which the employee was serving on active duty with the armed forces of the United States in the calculation of creditable service.

j. The provisions in § 51.1-144, Code of Virginia, that require a member to contribute five percent of his creditable compensation for each pay period for which he receives compensation on a salary reduction basis, shall not apply to any (i) "state employee," as defined in § 51.1-124.3, Code of Virginia, who is an elected official, or (ii) member of the Judicial Retirement System under Chapter 3 of Title 51.1 (§ 51.1-300 et seq.), who is not a "person who becomes a member on or after July 1, 2010," as defined in § 51.1-124.3, Code of Virginia.

k. Notwithstanding the provisions of subsection G of § 51.1-156, any employee of a school division who completed a period of 24 months of leave of absence without pay during October 2013 and who had previously submitted an application for disability retirement to VRS in 2011 may submit an application for disability retirement under the provisions of § 51.1-156. Such application shall be received by the Virginia Retirement System no later than October 1, 2014. This provision shall not be construed to grant relief in any case for which a court of competent jurisdiction has already rendered a decision, as contemplated by Article II, Section 14 of the Constitution of Virginia.

§ 4-6.04 CHARGES

a. **FOOD SERVICES:** Except as exempted by the prior written approval of the Director, Department of Human Resource Management, and the provisions of § 2.2-3605, Code of Virginia, state employees shall be charged for meals served in state facilities. Charges for meals will be determined by the agency. Such charges shall be not less than the value of raw food and the cost of direct labor and utilities incidental to preparation and service. Each agency shall maintain records as to the calculation of meal charges and revenues collected. Except where appropriations for operation of the food service are from nongeneral funds, all revenues received from such charges shall be paid directly and promptly into the general fund. The provisions of this paragraph shall not apply to on-duty employees assigned to correctional facilities operated by the Departments of Corrections and Juvenile Justice.

b. **HOUSING SERVICES:**

1. Each agency will collect a fee from state employees who occupy state-owned or leased housing, subject to guidelines provided by the Director, Department of General Services. Each agency head is responsible for establishing a fee for state-owned or leased housing and for documenting in writing why the rate established was selected. In exceptional circumstances, which shall be documented as being in the best interest of the Commonwealth by the agency requesting an exception, the Director, Department of General Services may waive the requirement for collection of fees.

2. All revenues received from housing fees shall be promptly deposited in the state treasury. For housing for which operating expenses or rent are financed by general fund appropriations, such revenues shall be deposited to the credit of the general fund. For housing for which operating expenses or rent are financed by nongeneral fund appropriations, such revenues shall be deposited to the credit of the nongeneral fund. Agencies which provide housing for which operating expenses or rent are financed from both general fund and nongeneral fund appropriations shall allocate such revenues, when deposited in the state treasury, to the appropriate fund sources in the same proportion as the appropriations. However, without exception, any portion of a housing fee attributable to depreciation for housing which was constructed with general fund appropriations shall be paid into the general fund.

c. **PARKING SERVICES:**

1. State-owned parking facilities

Agencies with parking space for employees in state-owned facilities shall, when required by the Director, Department of General Services, charge employees for such space on a basis approved by the Governor. All revenues received from such charges shall be paid directly and promptly into a special fund in the state treasury to be used, as determined by the Governor, for payment of costs for the provision of vehicle parking spaces. Interest shall be added to the fund as earned. -

2. Leased parking facilities in metropolitan Richmond area

Agencies occupying private sector leased or rental space in the metropolitan Richmond area, not including institutions of higher education, shall be required to charge a fee to employees for vehicle parking spaces that are assigned to them or are otherwise available either incidental to the lease or rental agreement or pursuant to a separate lease agreement for private parking space. In such cases, the individual employee parking fee shall not be less than that paid by employees parking in Department of General Services parking facilities at the Seat of Government. The Director, Department of General Services may amend or

waive the fee requirement for good cause. Revenues derived from employees paying for parking spaces in leased facilities will be retained by the leasing agency to be used to offset the cost of the lease to which it pertains. Any lease for private parking space must be approved by the Director, Department of General Services.

3. The assignment of Lot P1A of the Department of General Services, Capitol Area Site Plan, to include parking spaces 1 through 37, but excluding spaces 34 and 36, which shall be reserved for the Department of General Services, and the surrounding surfaces around those spaces shall be under the control of the Committee on Joint Rules and administered by the Clerk of the House and the Clerk of the Senate. 2. Any approval granted under this subsection shall be reported in writing to the Chairmen of the House Appropriations Committee and the Senate Finance Committee, the Governor and the Directors of the Department of Planning and Budget and Department of Human Resource Management within ten days of such approval. Approvals for executive department agencies shall be based on threats to life, safety, health, or property, or compliance with judicial orders or federal mandates, to support federal grants or private donations, to administer a program for another agency or to address an immediate increase in workload or responsibility or when to delay approval of increased positions would result in a curtailment of services prior to the next legislative session. Any such position level increases pursuant to this provision may not be approved for more than one year.

b. The Position Levels stipulated for the individual agencies within the Department of Behavioral Health and Developmental Services and the Department of Corrections are for reference only and are subject to changes by the applicable Department, provided that such changes do not result in exceeding the Position Level for that department.

c.1. The Governor shall implement such policies and procedures as are necessary to ensure that the number of employees in the Executive Department, excluding institutions of higher education and the State Council of Higher Education, may be further restricted to the number required for efficient operation of those programs approved by the General Assembly. Such policies and procedures shall include periodic review and analysis of the staffing requirements of all Executive Department agencies by the Department of Planning and Budget with the object of eliminating through attrition positions not necessary for the efficient operation of programs.

2. The institutions of higher education and the State Council of Higher Education are hereby authorized to fill all positions authorized in this act. This provision shall be waived only upon the Governor's official declaration that a fiscal emergency exists requiring a change in the official estimate of general fund revenues available for appropriation.

d.1. Position Levels are for reference only and are not binding on agencies in the legislative department, independent agencies, the Executive Offices other than the offices of the Governor's Secretaries, and the judicial department.

2. Positions assigned to programs supported by internal service funds are for reference only and may fluctuate depending upon workload and funding availability.

Unless otherwise required by the funding source, after enactment of this act, any new positions hired using this provision shall not be subject to transitional severance benefit provisions of the Workforce Transition Act of 1995, Title 2.2, Chapter 32, Code of Virginia.

e. Prior to implementing any Executive Department hiring freeze, the Governor shall consider the needs of the Commonwealth in regards to the safe and efficient operation of state facilities and performance of essential services to include the exemption of certain positions assigned to agencies and institutions that provide services pertaining to public safety and public health from such hiring freezes.

f.1. Full-time, part-time, wage or contractual state employees assigned to the Governor's Cabinet Secretaries from agencies and institutions under their control for the purpose of carrying out temporary assignments or projects may not be so assigned for a period exceeding 180 days in any calendar year. The permanent transfer of positions from an agency or institution to the Offices of the Secretaries, or the temporary assignment of agency or institutional employees to the Offices of the Secretaries for periods exceeding 180 days in any calendar year regardless of the separate or discrete nature of the projects, is prohibited without the prior approval of the General Assembly.

2. Not more than three positions in total, as described in subsection 1 hereof, may be assigned at any time to the Office of any Cabinet Secretary, unless specifically approved in writing by the Governor. The Governor shall notify the Chairmen of the House Appropriations and Senate Finance Committees in the case of any such approvals.

g. All state employees, including those in the legislative, judicial, and executive branches and the independent agencies of the Commonwealth, who are not eligible for benefits under a health care plan established and administered by the Department of Human Resource Management (DHRM) pursuant to Va. All state agencies/employers in all branches of government shall provide information requested by DHRM concerning hours worked by employees as needed to comply with the Affordable Care Act (the "Act") and this provision. State agencies/employers are accountable for compliance with this provision, and are responsible for any costs associated with maintaining compliance with it and for any costs or penalties associated with any violations of the Act or regulations thereunder and any such costs shall be borne by the agency from existing appropriations. The provisions of this paragraph shall not apply to employees of state teaching hospitals that have their own health insurance plan; however, the state teaching hospitals are accountable for compliance with, and are responsible for any costs associated with maintaining compliance with the Act and for any costs or penalties associated with any violations of the Act or regulations thereunder and any such costs shall be borne by the agency from existing appropriations. Subject to approval of the Governor, DHRM shall modify this provision consistent with any updates or changes to federal law and regulations.

By September 1 of each year, state agencies receiving any asset as the result of a law-enforcement seizure and subsequent forfeiture by either a state or federal court, shall submit a report identifying all such assets received during the prior fiscal year and their estimated net worth, to the Chairmen of the House Appropriations and Senate Finance Committees.

d. Any state agency that is required to return federal grant funding as a result of not fulfilling the specifications of a grant, shall, as soon as practicable but no later than November 1st, report to the Chairmen of the Senate Finance and House Appropriations Committees of such forfeiting of federal grant funding.

§ 4-8.03 LOCAL GOVERNMENTS

a.1. The Auditor of Public Accounts shall establish a workgroup to develop criteria for a preliminary determination that a local government may be in fiscal distress. Such criteria shall be based upon information regularly collected by the Commonwealth or otherwise regularly made public by the local government. This information includes expenditure reports submitted to the Auditor, budget information posted on local government websites, and reports prepared by the Commission on Local Government on revenue fiscal stress. Information provided by the Virginia Retirement System, the Virginia Resources Authority, the Virginia Public Building Authority, and other state and regional authorities concerning late or missed debt service payments shall be shared with the Auditor. Fiscal distress as used in this context shall mean a situation whereby the provision and sustainability of public services is threatened by various administrative and financial shortcomings including but not limited to cash flow issues; inability to pay expenses; revenue shortfalls; deficit spending; structurally imbalanced budgets; billing and revenue collection inadequacies and discrepancies; debt overload; failure to meet obligations to authorities, school divisions, or political subdivisions of the Commonwealth; and/or lack of trained and qualified staff to process administrative and financial transactions. Fiscal distress may be caused by factors internal to the unit of government or external to the unit of government and in various degrees such conditions may or may not be controllable by management, or the local governing body, or its constitutional officers.

2. Based upon the criteria established by the workgroup and using information identified above, the Auditor of Public Accounts shall establish a prioritized early warning system. Under the prioritized early warning system, the Auditor of Public Accounts shall establish a regular process whereby it reviews data on at least an annual basis to make a preliminary determination that a local government is in fiscal distress.

3. For local governments where the Auditor of Public Accounts has made a preliminary determination of fiscal distress based upon the early warning system criteria, the Auditor of Public Accounts shall notify the local governing body of its preliminary determination that it may meet the criteria for fiscal distress. Based upon the request of the local governing body or chief executive officer, the Auditor of Public Accounts may conduct a review and request documents and data from the local government. Such review shall consider factors including, but not limited to, budget processes, debt, borrowing, expenses and payables, revenues and

receivables, and other areas including staffing, and the identification of external variables contributing to a locality's financial position, and if so, the scope of the issues involved. Any local governing body that receives requests for information from the Auditor of Public Accounts pursuant to such preliminary determination based on the above described threshold levels shall acknowledge receipt of such a request and shall ensure that a response is provided within the time frames specified by the Auditor of Public Accounts. After such review, if the Auditor of Public Accounts is of the opinion that state assistance, oversight, or targeted intervention is needed, either to further assess, help stabilize, or remediate the situation, the Auditor shall notify the Governor and the Chairmen of the House Appropriations and Senate Finance Committees, and the governing body of the local government in writing outlining specific issues or actions that need to be addressed by state intervention.

4. The notification issued by the Auditor of Public Accounts pursuant to paragraph 3 above shall satisfy the notification requirement necessary to effectuate the provisions of this act in paragraph b.3 below.

b.1. The Director of the Department of Planning and Budget shall identify any amounts remaining unexpended from general fund appropriations in this Act as of June 30 of each year, which constitute state aid to local governments. The Director shall provide a listing of such amounts designated by item number and by program on or before August 15 of each year, to the Governor and the Chairmen of the House Appropriations Committee and the Senate Finance Committee.

2. From such unexpended balances identified by the Director of the Department of Planning and Budget, the Governor may reappropriate up to \$750,000 from amounts which would otherwise revert to the balance of the general fund and transfer such amounts as necessary to establish a component of fund balance which may be used for the purpose of providing technical assistance and intervention actions for local governments deemed to be fiscally distressed and in need of intervention to address such distress. Any such reappropriation approved by the Governor, shall be separately identified in the commitments specified on the balance sheet and financial statements of the State Comptroller for the close of each fiscal year, to the extent that such reserve is not used or added to by future appropriation actions.

3. Prior to any expenditure of the reappropriated reserve, the Governor and the Chairmen of the House Appropriations Committee and the Senate Finance Committee must receive a notification from the Auditor of Public Accounts that a specific locality is in need of intervention because of a worsening financial situation. The Auditor of Public Accounts may issue such a notification upon receipt of audited financial statement or other information that indicates the existence of fiscal distress. But, no such notification shall be made until appropriate follow up and correspondence ascertains that, in the opinion of the Auditor of Public Accounts, such fiscal distress indeed exists. Such notification may also be issued by the Auditor of Public Accounts if written concerns raised about fiscal distress are not adequately addressed by the locality in question.

4. Once the Governor has received a notification from the Auditor of Public Accounts indicating fiscal distress in a specific local government, the Governor shall consult with the Chairmen of the House Appropriations Committee and the Senate Finance Committee about a plan for state intervention prior to any expenditure of funds from the cash reserve. Any plan approved by the Governor for intervention should, at a minimum, specify the purpose of such intervention, the estimated duration of the intervention, and the anticipated resources (dollars and personnel) directed toward such effort. The staffing necessary to carry out the intervention plan may be assembled from either public agencies or private entities or both and, notwithstanding any other provisions of law, the Governor may use an expedited method of procurement to secure such staffing when, in his judgment, the need for intervention is of an emergency nature such that action must be taken in a timely manner to avoid or address unacceptable financial risks to the Commonwealth.

5. The governing body and the elected constitutional officers of a locality subject to an intervention plan approved by the Governor shall assist all state appointed staff conducting the intervention regardless of whether such staff are from public agencies or private entities. Intervention staff shall provide periodic reports in writing to the Governor and the Chairmen of the House Appropriations Committee and the Senate Finance Committee outlining the scope of issues discovered and any recommendations made to remediate such issues, and the progress that is made on such recommendations or other remediation efforts. These periodic reports shall specifically address the degree of cooperation the intervention team is receiving from locally elected officials, including constitutional officers, city, county, or town managers and other local personnel in regards to their intervention work.

6. The Department of General Services is hereby encouraged to develop a master contract of qualified private sector turnaround specialists with expertise in local government intervention that the Governor can use to procure intervention services in an expeditious manner when he determines that state intervention is warranted in situations of local fiscal distress.

§ 4-9.00 HIGHER EDUCATION RESTRUCTURING

§ 4-9.01 ASSESSMENT OF INSTITUTIONAL PERFORMANCE

Consistent with § 23.1-206, Code of Virginia, the following education-related and financial and administrative management measures shall be the basis on which the State Council of Higher Education shall annually assess and certify institutional performance. Such certification shall be completed and forwarded in writing to the Governor and the General Assembly no later than October 1 of each even-numbered year. Institutional performance on measures set forth in paragraph D of this section shall be evaluated year-to-date by the Secretaries of Finance and Administration as appropriate, and communicated to the State Council of Higher Education before October 1 of each even-numbered year. Financial benefits provided to each institution in

accordance with § 23.1-1002 will be evaluated in light of that institution's performance.

In general, institutions are expected to achieve all performance measures in order to be certified by SCHEV, but it is understood that there can be circumstances beyond an institution's control that may prevent achieving one or more performance measures. The Council shall consider, in consultation with each institution, such factors in its review: (1) institutions meeting all performance measures will be certified by the Council and recommended to receive the financial benefits, (2) institutions that do not meet all performance measures will be evaluated by the Council and the Council may take one or more of the following actions: (a) request the institution provide a remediation plan and recommend that the Governor withhold release of financial benefits until Council review of the remediation plan or (b) recommend that the Governor withhold all or part of financial benefits.

Further, the State Council shall have broad authority to certify institutions as having met the standards on education-related measures. The State Council shall likewise have the authority to exempt institutions from certification on education-related measures that the State Council deems unrelated to an institution's mission or unnecessary given the institution's level of performance.

The State Council may develop, adopt, and publish standards for granting exemptions and ongoing modifications to the certification process.

2. In addition, the institution shall exercise additional financial and administrative authority over financial operations as follows:

a). BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

b) FINANCIAL MANAGEMENT AND REPORTING SYSTEM.

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be authorized by the Board to maintain existing and implement new policies governing the management of University financial resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii) ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the University and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources, (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the University pursuant to a general fund appropriation, and ensure compliance with the requirements of the Appropriation Act.

The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion into the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the University, the accounting and bookkeeping system of the University shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.

In addition, the financial management system shall continue to provide financial reporting for the President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, and the Board of Visitors to enable them to provide adequate oversight of the financial operations of the University.

c) FINANCIAL MANAGEMENT POLICIES.

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall create and implement any and all financial management policies necessary to establish a financial management system with adequate risk management and internal control processes and procedures for the effective protection and management of all University financial resources. Such policies will not address the underlying accounting principles and policies employed by the Commonwealth and the University, but rather will focus on the internal operations of the University's financial management. These policies shall include, but need not be limited to, the development of a tailored set of finance and accounting practices that seek to support the University's specific business and administrative operating environment in order to improve the efficiency and effectiveness of its business and administrative functions. In general, the system of independent financial management policies shall be guided by the general principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and internal accounting controls to ensure University financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of University programs.

The University shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies can be developed, approved and implemented. Such alternate policies shall include applicable accountability measures and shall be submitted to the State Comptroller for review and comment before they are implemented by the University.

d) FINANCIAL RESOURCE RETENTION AND MANAGEMENT.

The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided otherwise in the Appropriation Act, it is the intent of the Commonwealth and the University that the University shall be exempt from the revenue restrictions in the general provisions of the Appropriation Act related to non-general funds. In addition, unless prohibited by the Appropriation Act, it is the intent of the Commonwealth and the University that the University shall be entitled to retain non-general fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather than reverting such savings back to the Commonwealth. This financial resource policy assists the University by providing the framework for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of all these funds.

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to provide oversight of the University's cash management system which is the framework for the retention of non-general funds. The Internal Audit Department of the University shall periodically audit the University's cash management system in accordance with appropriate risk assessment models and make reports to the Audit and Compliance Committee of the Board of Visitors. Additional oversight shall continue to be provided through the annual audit and assessment of internal controls performed by the Auditor of Public Accounts. For the receipt of general and non-general funds, the University shall conform to the Security for Public Deposits Act, Chapter 44 (§ 2.2-4400 et seq.) of Title 2.2 of the Code of Virginia as it currently exists and from time to time may be amended.

e) ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.

The President, through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system for the management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of the Code of Virginia, such that the University shall take all appropriate and cost effective actions to aggressively collect accounts receivable in a timely manner.

These shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all University accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the University shall continue to utilize the Commonwealth's Debt Set-Off Collection Programs, shall develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such Programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act.

f) DISBURSEMENT MANAGEMENT.

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of University financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the University's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the University's mission, including travel-related disbursements. Further, the University's disbursement policy shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and

electronic payments.

These disbursement policies shall authorize the President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to include the ability to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, provided that the University shall submit the credit card and cost recovery aspects of its financial and operations policies to the State Comptroller for review and comment prior to implementing those aspects of those policies. The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The University shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established pursuant to the Prompt Payment Act.

The University's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. The University shall continue to follow the Commonwealth's disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such alternate policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the University.

3. The Auditor of Public Accounts or his legally authorized representatives shall audit annually the accounts of each institution and shall distribute copies of each annual audit to the Governor and to the Chairmen of the House Committee on Appropriations and the Senate Committee on Finance. Pursuant to § 30-133, the Auditor of Public Accounts and his legally authorized representatives shall examine annually the accounts and books of each such institution, but the institution shall not be deemed to be a state or governmental agency, advisory agency, public body, or agency or instrumentality for purposes of Chapter 14 (§ 30-130 et seq.) of Title 30 except for those provisions in such chapter that relate to requirements for financial recordkeeping and bookkeeping. Each such institution shall be subject to periodic external review by the Joint Legislative and Audit Review Commission and such other reviews and audits as shall be required by law.

d. Subject to review of its Shared Services Center by the Department of General Services, and approval to proceed with decentralized procurement of authority by the Department of General Services, the Virginia Community College System (VCCS) is authorized, for a period of five years, to exercise additional financial and administrative authority as set out in each of the three functional areas of information technology, procurement and capital projects as set forth and subject to all the conditions in §§ 2.0, 3.0 and 4.0 of the second enactment of Chapter 824 and 829 of the Acts of Assembly of 2008 except that (i) any effective dates contained in Chapter 824 and 829 of the Acts of Assembly of 2008 are superseded by the provisions of this item. The State Board for Community Colleges may request any subsequent delegation of procurement authority after consultation with and positive recommendation by the Department of General Services.

e. Notwithstanding the small purchase thresholds set forth in the Rules Governing Procurement for institutions of higher education that have operational authority in the area of procurement, the small purchases thresholds shall be the same thresholds set forth in the Virginia Public Procurement Act (§ 2.2-4300 et seq.). Where small purchase thresholds in the Rules Governing Procurement for such institutions exceed those in 2.2-4300 et seq., the Rules Governing Procurement shall be the authorized procurement threshold.

§ 4-9.03 LEVEL III AUTHORITY

a. The Management Agreements negotiated by the institutions contained in Chapters 675 and 685 of the 2009 Acts of Assembly shall continue in effect unless the Governor, the General Assembly, or the institutions determine that the Management Agreements need to be renegotiated or revised.

b. Notwithstanding the small purchase thresholds set forth in the Rules Governing Procurement the small purchases thresholds for Level III institutions shall be the small purchase thresholds set forth in the Virginia Public Procurement Act (§ 2.2-4300 et seq.). Where small purchase thresholds under Rules Governing Procurement for Level III institutions exceed those in 2.2-4300 et seq., the Rules Governing Procurement shall be the authorized procurement threshold.

c. Pursuant to § 23.1-1005, Code of Virginia, the Governor recommends approval for George Mason University to operate as a Level III institution under the management agreement as approved by its board of visitors on October 1, 2020.

§ 4-9.04 IMPLEMENT JLARC RECOMMENDATIONS

- 1 athletics, on a separate page attached to student invoices;
- 2 2. assess the feasibility and impact of raising additional revenue through campus recreation and fitness enterprises to reduce reliance
- 3 on mandatory student fees. The assessments should address the feasibility and impact of raising additional revenue through charging
- 4 for specialized programs and services, expanding membership, and/or charging all users of recreation facilities;
- 5 3. direct staff to perform a comprehensive review of the institution's organizational structure, including an analysis of spans of
- 6 control and a review of staff activities and workload, and identify opportunities to streamline the organizational structure. Boards
- 7 should further direct staff to implement the recommendations of the review to streamline their organizational structures where
- 8 possible;
- 9 4. require periodic reports on average and median spans of control and the number of supervisors with six or fewer direct reports;
- 10 5. direct staff to revise human resource policies to eliminate unnecessary supervisory positions by developing standards that
- 11 establish and promote broader spans of control. The new policies and standards should (i) set an overall target span of control for the
- 12 institution, (ii) set a minimum number of direct reports per supervisor, with guidelines for exceptions, (iii) define the circumstances
- 13 that necessitate the use of a supervisory position, (iv) prohibit the establishment of supervisory positions for the purpose of recruiting
- 14 or retaining employees, and (v) establish a periodic review of departments where spans of control are unusually narrow; and,
- 15 6. direct institution staff to set and enforce policies to maximize standardization of purchases of commonly procured goods,
- 16 including use of institution-wide contracts;
- 17 7. consider directing institution staff to provide an annual report on all institutional purchases, including small purchases, that are
- 18 exceptions to the institutional policies for standardizing purchases;
- 19 8. participate in national faculty teaching load assessments by discipline and faculty type.
- 20 b. The State Council on Higher Education for Virginia, to the extent practicable, shall:
- 21 1. convene a working group of institution financial officers, with input from the Department of Accounts, the Department of
- 22 Planning and Budget, and the Auditor of Public Accounts, to create a standard way of calculating and publishing mandatory non-
- 23 E&G fees, including for intercollegiate athletics;
- 24 2. update the state's Chart of Accounts for higher education in order to improve comparability and transparency of mandatory non-
- 25 E&G fees, with input from the Department of Accounts, the Department of Planning and Budget, the Auditor of Public Accounts,
- 26 and institutional staff. This process should be coordinated with the standardization of tuition and fee reporting;
- 27 3. convene a working group of institutional staff to develop instructional and research space guidelines that adequately measure
- 28 current use of space and plans for future use of space at Virginia's public higher education institutions;
- 29 4. coordinate a committee of institutional representatives, such as the previously authorized Learning Technology Advisory
- 30 Committee. In addition to the objectives set out in the Appropriation Act for the Learning Technology Advisory Committee, the
- 31 committee should identify instructional technology initiatives and best practices for directly or indirectly lowering institutions'
- 32 instructional expenditures per student while maintaining or enhancing student learning;
- 33 5. include factors such as discipline, faculty rank, cost of living, and regional comparisons in developing faculty salary goals;
- 34 6. identify instructional technology best practices that directly or indirectly lower student cost while maintaining or enhancing
- 35 learning.
- 36 c. Notwithstanding the provisions of § 23.1-1304, the State Council of Higher Education for Virginia shall annually train boards of
- 37 visitors members on the types of information members should request from institutions to inform decision making, such as
- 38 performance measures, benchmarking data, the impact of financial decisions on student costs, and past and projected cost trends.
- 39 Boards of Visitors members serving on finance and facilities subcommittees should, at a minimum, participate in the training within
- 40 their first year of membership on the subcommittee. SCHEV should obtain assistance in developing or delivering the training from
- 41 relevant agencies such as the Department of General Services and past or present finance officers at Virginia's public four-year
- 42 institutions, as appropriate.
- 43 d. The Department of Planning and Budget shall revise the formula used to make allocation recommendations for the state's
- 44 maintenance reserve funding to account for higher maintenance needs resulting from poor facility condition, aging of facilities, and
- 45 differences in facility use.
- 46 e. The Six-Year Capital Outlay Plan Advisory Committee, the Department of Planning and Budget, and others as appropriate shall
- 47 use the results of the prioritization process established by the State Council of Higher Education for Virginia in determining which
- 48 capital projects should receive funding.
- 49 f. Beginning with fiscal year 2016, the Auditor of Public Accounts shall include in its audit plan for each public institution of higher
- 50 education a review of progress in implementing the JLARC recommendations contained in paragraph § 4-9.04 a.

§ 4-11.00 STATEMENT OF FINANCIAL CONDITION

Each agency head handling any state funds shall, at least once each year, upon request of the Auditor of Public Accounts, make a detailed statement, under oath, of the financial condition of his office as of the date of such call, to the Auditor of Public Accounts, and upon such forms as shall be prescribed by the Auditor of Public Accounts.

§ 4-12.00 SEVERABILITY

If any part, section, subsection, paragraph, sentence, clause, phrase, or item of this act or the application thereof to any person or circumstance is for any reason declared unconstitutional, such decisions shall not affect the validity of the remaining portions of this act which shall remain in force as if such act had been passed with the unconstitutional part, section, subsection, paragraph, sentence, clause, phrase, item or such application thereof eliminated; and the General Assembly hereby declares that it would have passed this act if such unconstitutional part, section, subsection, paragraph, sentence, clause, phrase, or item had not been included herein, or if such application had not been made.

§ 4-13.00 CONFLICT WITH OTHER LAWS

Notwithstanding any other provision of law, and until June 30, 2022, the provisions of this act shall prevail over any conflicting provision of any other law, without regard to whether such other law is enacted before or after this act; however, a conflicting provision of another law enacted after this act shall prevail over a conflicting provision of this act if the General Assembly has clearly evidenced its intent that the conflicting provision of such other law shall prevail, which intent shall be evident only if such other law (i) identifies the specific provision(s) of this act over which the conflicting provision of such other law is intended to prevail and (ii) specifically states that the terms of this section are not applicable with respect to the conflict between the provision(s) of this act and the provision of such other law.

§ 4-14.00 EFFECTIVE DATE

This act is effective on its passage as provided in § 1-214, Code of Virginia.

Pending the application of the proceeds of the Notes to the purpose for which they have been authorized and the application of funds set aside for the purpose to the payment of Notes, they may be invested by the State Treasurer in securities that are legal investments under the laws of the Commonwealth for public funds and sinking funds, as the case may be. Whenever the State Treasurer receives interest from the investment of the proceeds of Notes, such interest shall become a part of the principal of the Notes and shall be used in the same manner as required for principal of the Notes.

7.a. Notwithstanding any other provision of law, upon the declaration by the Governor of a state of emergency pursuant to § 44-146.17, Code of Virginia, in response to a communicable disease of public health threat as defined in § 44-146.16, Code of Virginia, electric companies subject to regulation of the State Corporation Commission ("Commission"), natural gas suppliers subject to the regulation of the Commission, electric and gas municipal utilities, and water suppliers and wastewater service providers, subject to the regulation of Commission or constituting a municipal utility ("utilities") are prohibited from disconnecting service to residential customers for non-payment of bills or fees until the Governor determines that the economic and public health conditions have improved such that the prohibition does not need to be in place, or until at least 60 days after such declared state of emergency ends, whichever is sooner. "Municipal utility" means a utility providing electric, gas, or water or wastewater service that is owned or operated by a city, county, town, authority, or other political subdivision of the Commonwealth. The utilities shall notify all customers who are at least 30 days in arrears of this utility disconnection moratorium, which may be by bill insert or bill notice.

b. No more than 60 days after the enactment of this act, the utilities shall notify all customers who are at least 30 days in arrears of the COVID-19 Relief Repayment Plan (Repayment Plan), which may be by bill insert or bill notice, such notice shall include eligibility, billing information, applicable financial assistance resources, and contact information where customers may file an initial complaint on Repayment Plan related disputes. All utilities within 60 days after the enactment of this act must offer customers a Repayment Plan for past due accounts while the universal prohibition on service disconnections is in effect that includes, at minimum, the following provisions:

1. The Repayment Plan shall not require any new deposits, down payments, fees, late fees, interest charges, or penalties, nor shall such plan accrue any fees, interest, or penalties, including prepayment penalties;

2. The Repayment Plan shall amortize the repayment of a customer's utility debt over a minimum period of 6 months and up to 24 months for each utility. The utility will work with the customer to establish a Repayment Plan that meets the requirements of this clause 7.b. and that the customer determines is sustainable and affordable for them. A customer may satisfy the Repayment Plan in part or in full at any time; and

3. The utilities shall not apply eligibility criteria, such as installment plan history. However, the utilities may require the customer to attest to the utility or to a third party chosen by the utility that the customer has experienced a financial hardship resulting directly or indirectly from the public health emergency or that they have experienced a hardship to pay during the public health emergency.

4. If a utility reports to a consumer reporting agency or debt collector regarding a consumer who is on a Repayment Plan, the utility shall report the account as "current" in accordance with the Public Law 116-136: Coronavirus Aid, Relief, and Economic Security Act. If the provisions of Public Law 116-136: Coronavirus Aid, Relief, and Economic Security Act expire prior to the end of the universal moratorium established in clause 7.a., the utility may only resume reporting any default on the Repayment Plan at the end of the universal moratorium established in clause 7.a.

5. However, no utility that has received an order exempting it from the provisions of this clause 7.a. shall disconnect from

1 service a customer who is making timely payments under the Repayment Plan at the time of the order and until such time as a
 2 customer ceases to make timely payments under the Repayment Plan. A utility that has received an order exempting it from the
 3 provisions of this clause 7.a. shall attempt to establish a Repayment Plan with its customers prior to any disconnection of
 4 service.

5 c. Nothing herein shall limit or prevent the utilities or the residential customers from applying or seeking debt relief or
 6 mitigation from any available resource, from entering into another payment plan offered by the utility, or from renegotiating
 7 the terms of the Repayment Plan.

8 d. In accordance with the provisions of Item 479.10, paragraph B.5. of this act, utilities shall use any funding allocated from the
 9 federal Coronavirus Relief Funds of the Coronavirus Aid, Relief, and Economic Security (CARES) Act (P.L. 116-136) to
 10 provide direct subsidy payments on behalf of customers whose accounts are over 30 days in arrears, provided such use meets
 11 eligibility requirements pursuant to United States Department of the Treasury guidance. In applying these funds to customer
 12 accounts, utilities shall prioritize providing financial assistance to customers who are over 60 days in arrears prior to using the
 13 funds to assist customers with accounts 31 to 60 days in arrears. To the extent possible, utilities shall use available funding to
 14 cover one-hundred percent of the customer's arrearage.

15 In addition to the funds provided in Item 479.10, paragraph B.2. of this act, where applicable, utilities must accept financial
 16 assistance from other utility assistance programs funded with federal Coronavirus Relief Funds from the Coronavirus Aid,
 17 Relief, and Economic Security (CARES) Act (P.L. 116-136) for customers who are at least 30 days in arrears. To the extent
 18 possible, utilities must direct customers in writing to these resources when establishing a Repayment Plan.

19 e. Notwithstanding anything to the contrary in this clause 7 or any other provision of law, if a utility subject to regulation of the
 20 Commission has accounts receivable arrearages for Virginia customers that exceed 2% of an investor-owned electric utility's,
 21 or 1% of any other utility's, annual Virginia jurisdictional operating revenues, then the utility may obtain relief from the
 22 moratorium established in clause 7.a. by filing an informational letter notice with the clerk of the Commission, stating such
 23 facts to demonstrate the exceedance and contemporaneously tendering associated workpapers to the staff of the Commission.
 24 The Commission staff shall verify the information as filed by the utility and shall file a verification letter with the Clerk of the
 25 Commission. The Commission, upon receipt of a favorable verification letter, shall issue a final order within five days. Upon
 26 issuance of an order, a utility shall thereafter be exempt from the moratorium provisions of this clause 7.a.

27 f. Notwithstanding anything to the contrary in this clause 7 or any other provision of law, if a utility subject to this clause 7 but
 28 not subject to regulation of the Commission has accounts receivable arrearages that exceed 1% of the utility's annual operating
 29 revenues, then the utility may obtain relief from the moratorium established in clause 7.a. if (i) the utility provides a written
 30 analysis stating such facts to demonstrate the exceedance to staff of the governing body, (ii) the utility contemporaneously
 31 makes available for public inspection associated workpapers verifying such facts to staff of the governing body, and (iii) the
 32 governing body verifies the exceedance, provides public notice, takes public comment on, and votes to approve that the
 33 exceedance is accurate in an open public meeting. In the event of an affirmative vote of the utility's governing body, the utility
 34 shall thereafter be exempt from the moratorium provisions of this clause 7.a.

35 g. The Commission shall allow for the timely recovery of bad debt obligations, reasonable late payment fees suspended, and
 36 prudently incurred implementation costs resulting from a Repayment Plan for electric, gas, water, or wastewater utilities,
 37 including through a rate adjustment clause or through base rates, however, the Commission shall exclude from recovery all
 38 costs associated with any jurisdictional customer balances forgiven by a Phase II utility pursuant to paragraph j. below. The
 39 Commission may apply any applicable earnings test in the Commission rules governing utility rate applications and annual
 40 informational filings when assessing the recovery of such costs. The Commission shall also require the utilities subject to
 41 regulation by the Commission to submit information on the status of customer accounts, including (a) the number and value of
 42 outstanding aged account balances, categorized by customer type; (b) the number and value of associated collections from
 43 customers, categorized by customer type; (c) the number and value of associated additions to aged accounts receivable
 44 balances, categorized by customer type; (d) the number and value of aged accounts receivable balances, net of collections and
 45 additions; (e) the number, total value, and average debt of accounts that are participating in the Repayment Plan, or another
 46 repayment plan as set forth by the utility; (f) the number of accounts removed from the Repayment Plan, or another repayment
 47 plan as set forth by the utility, categorized by reason; (g) the amount of and average debt still remaining for customer accounts
 48 removed from the Repayment Plan or another repayment plan as set forth by the utility; (h) the carrying costs of the debt for
 49 accounts participating in a repayment plan and any associated administrative costs incurred; (i) the number, total value, and
 50 average debt of customer accounts receiving direct assistance by the funds provided in Item 479.10, paragraph B.2. of this act,
 51 categorized by days in arrears and customer account type; (j) the cumulative level of customer arrearages by locality; and (k)
 52 any cost recorded as regular asset authorized by that certain order of the Commission in Case Number PUR-2020-00074. The
 53 Commission shall provide the Chairs of the House Committees on Labor and Commerce and Appropriations, the Senate
 54 Committees on Commerce and Labor and Finance and Appropriations, and the Secretary of Commerce and Trade an
 55 aggregated anonymized report by utility containing such compiled information by December 31, 2020, within 90 days of the
 56 expiration of the universal prohibition established in clause 7.a., and annually, on or before December 31st, thereafter for the
 57 following two years. The report due on December 31, 2020 shall cover the period from March 16, 2020 through December 15,
 58 2020. The report due within 90 days of the end of the universal prohibition established in clause 7.a. shall cover the period from
 59 December 16, 2020 to the end of the universal prohibition established in clause 7.a. Annual reports shall cover the period from

the end of the universal prohibition established in clause 7.a. to December 16th of the year the report is due.

h. Utilities not subject to regulation by the Commission shall submit information on the status of customer accounts to the Commission on Local Government managed by the Department of Housing and Community Development, including (a) the number and value of accounts that are at least 30 days in arrears; (b) the number and value of accounts that are at least 60 days in arrears; (c) the number, total value, and average debt of accounts that are participating in the Repayment Plan, or another repayment plan as set forth by the utility; (d) the number of accounts removed from the Repayment Plan, or another repayment plan as set forth by the utility, categorized by reason; (e) the amount of and average debt still remaining for accounts removed from the Repayment Plan or another repayment plan as set forth by the utility; (f) the carrying costs of the debt for accounts participating in a repayment plan and any associated administrative costs incurred; (g) the number, total value, and average debt of accounts offset by the funds provided in Item 479.10, paragraph B.2. of this act and local programs using Coronavirus Relief Funds, categorized by days in arrears, customer account type, and Coronavirus Relief Fund type; and, (h) the cumulative level of customer arrearages by locality. The Commission on Local Government shall provide the Chairs of the House Committees on Labor and Commerce and Appropriations, the Senate Committees on Commerce and Labor and Finance and Appropriations, and the Secretary of Commerce and Trade an aggregated anonymized report by utility containing such compiled information by December 31, 2020, within 90 days of the expiration of the universal prohibition established in clause 7.a., and annually, on or before December 31st, thereafter for the following two years. The report due on December 31, 2020 shall cover the period from March 16, 2020 through December 15, 2020. The report due within 90 days of the end of the universal prohibition established in clause 7.a. shall cover the period from December 16, 2020 to the end of the universal prohibition established in clause 7.a. Annual reports shall cover the period from the end of the universal prohibition established in clause 7.a. to December 16th of the year the report is due.

i. The reports required in paragraphs g. and h. of this clause 7 are not eligible for deferral or delay as permitted under Item 4-8.01, a.4.a. of this act.

j. Within 60 days after the enactment of this act, a Phase II Utility shall forgive all such utility's jurisdictional customer balances more than 30 days in arrears as of September 30, 2020.

1. In the utility's 2021 triennial review, any forgiven amounts shall be excluded from the utility's cost of service for purposes of determining any test period earnings and determining any future rates of the utility. In determining any customer bill credits, in the utility's 2021 triennial review, the Commission shall first offset any forgiven amounts against the total earnings for the 2017 through 2020 test periods that are determined to be above the utility's authorized earnings band. Such offset shall be made prior to any offset to customer bill credits by customer credit reinvestment offsets.

2. Each Phase II Utility shall, no later than December 31, 2020, submit a report to the Governor, the Chairs of the House Committees on Labor and Commerce and Appropriations, and the Senate Committees on Commerce and Labor and Finance and Appropriations, and the Chair of the Commission on Electric Utility Regulation, detailing all actions by it pursuant to this act to forgive customer balances.

8.a. Notwithstanding any other provision of law, upon the declaration by the Governor of a state of emergency pursuant to § 44-146.17 of the Code of Virginia in response to a communicable disease of public health threat as defined in § 44-146.16 of the Code of Virginia, no landlord shall terminate a residential tenancy, or take any action to obtain possession of a dwelling unit, for non-payment of rent through December 31, 2020, unless such eligible tenant refuses to apply for Virginia Rent and Mortgage Relief Program assistance and refuses to cooperate with the landlord in applying for rental assistance through the Virginia Rent and Mortgage Relief Program. Such landlords and tenants must also comply with the following:

1. For an owner who owns more than four rental dwelling units or more than a 10 percent interest in more than four rental dwelling units, whether individually or through a business entity, in the Commonwealth, if rent is unpaid when due, the landlord shall serve upon the tenant, pursuant to § 55.1-1202, a written notice informing the tenant of the total amount due and owed. The written notice shall also inform the tenant that if the tenant provides to the landlord a signed statement certifying that the tenant has experienced additional expenses or a loss of income due to the declared state of emergency, the tenant may, but is not required to, enter into a payment plan under which the tenant shall be required to pay the total amount due and owed in equal monthly installments over a period of the lesser of six months or the time remaining under the rental agreement. The total amount due and owed under a payment plan shall not include any late fees, and no late fees shall be assessed during any time period in which a tenant is making timely payments under a payment plan. If the tenant fails to pay in full, enter into a written payment plan with the landlord, or pay any installment required by the plan, the landlord may not terminate the tenancy nor take any action to obtain possession of the dwelling unit until the provisions of subsection 8.b. are effectuated on January 1, 2021. However, during the time the provisions of this subsection 8.a. are in effect, the landlord may proceed to obtain possession of the premises as provided in § 55.1-1251 in the event that the tenant refuses to apply for Virginia Rent and Mortgage Relief Program assistance and refuses to cooperate with the landlord in applying for rental assistance through the Virginia Rent and Mortgage Relief Program, as described in subsection 8.a.2. below. Nothing in this subsection shall preclude a tenant from availing himself of any other rights or remedies available to him under the law, nor shall the tenant's eligibility to participate or participation in any rent relief program offered by a nonprofit organization or under the provisions of any federal, state, or local law, regulation, or

1 action prohibit the tenant from taking advantage of the provisions of this subsection.

2 2. If rent is unpaid when due, or if a payment under the terms of a payment plan is unpaid when due, the landlord shall serve
 3 upon the tenant, pursuant to § 55.1-1202, a written notice informing the tenant of the Virginia Rent and Mortgage Relief
 4 Program and information on how to reach 2-1-1 Virginia to determine any additional federal, state, and local rent relief
 5 programs. The written notice shall also inform the tenant that the owner, landlord, or owner's licensed agent will apply for
 6 rental assistance with the Virginia Rent and Mortgage Relief Program on behalf of the tenant, or the landlord will cooperate
 7 with the tenant's application for rental assistance with the Virginia Rent and Mortgage Relief Program, or with another
 8 federal, state, or local rent relief program, by providing required documentation for such application, including the W-9 IRS
 9 form and any supporting affidavit. If the tenant refuses to apply for Virginia Rent and Mortgage Relief Program assistance and
 10 refuses to cooperate with the landlord in applying for rental assistance through the Virginia Rent and Mortgage Relief
 11 Program, the landlord may proceed to obtain possession of the premises as provided in § 55.1-1251 for non-payment of
 12 rent, during such time the provisions of 8.a. are in effect. Before January 1, 2021, a landlord may not terminate a tenancy nor
 13 take action to obtain possession of a dwelling unit based solely on failure to receive written approval from the Virginia Rent
 14 and Mortgage Relief Program or any other federal, state, or local rent relief program. After the provisions of subsection 8.b.
 15 are effectuated on January 1, 2021, the landlord may terminate the tenancy or take action to obtain possession of the dwelling
 16 unit based on failure to receive written approval from the Virginia Rent and Mortgage Relief Program or any other federal,
 17 state, or local rent relief program, but only in compliance with the applicable provisions of subsection 8.b.3. For any application
 18 by the owner, landlord, owner's licensed agent, or the tenant to the Virginia Rent and Mortgage Relief Program or any other
 19 federal, state, or local rent relief program, the administrator of the Virginia Rent and Mortgage Relief Program or the
 20 administrator of any other federal, state, or local rent relief program shall work diligently to process such application within
 21 fourteen days of submission of such application.

22 b. Beginning January 1, 2021, notwithstanding any other provision of law, upon the declaration by the Governor of a state of
 23 emergency pursuant to § 44-146.17 of the Code of Virginia in response to a communicable disease of public health threat as
 24 defined in § 44-146.16 of the Code of Virginia, no landlord shall terminate a residential tenancy, or take any action to obtain
 25 possession of a dwelling unit, for non-payment of rent due to lost income or additional expenses resulting from the declared
 26 state of emergency until such time the declared state of emergency ends, except as follows:

27 1. For an owner who owns four or fewer rental dwelling units in the Commonwealth, if rent is unpaid when due and the tenant
 28 fails to pay rent within fourteen days after written notice is served on him, pursuant to § 55.1-1202, notifying the tenant of his
 29 nonpayment and of the landlord's intention to obtain possession of the premises if the rent is not paid within the fourteen-day
 30 period, the landlord may proceed to obtain possession of the premises as provided in § 55.1-1251, provided that the landlord
 31 also complies with subsection 3. below.

32 2. For an owner who owns more than four rental dwelling units or more than a 10 percent interest in more than four rental
 33 dwelling units, whether individually or through a business entity, in the Commonwealth, if rent is unpaid when due, the
 34 landlord shall serve upon the tenant, pursuant to § 55.1-1202, a written notice informing the tenant of the total amount due and
 35 owed. The written notice shall also inform the tenant that if the tenant provides to the landlord a signed statement certifying
 36 that the tenant has experienced additional expenses or a loss of income due to the declared state of emergency, the tenant may,
 37 but is not required to, enter into a payment plan under which the tenant shall be required to pay the total amount due and
 38 owed in equal monthly installments over a period of the lesser of six months or the time remaining under the rental agreement.
 39 The total amount due and owed under a payment plan shall not include any late fees, and no late fees shall be assessed during
 40 any time period in which a tenant is making timely payments under a payment plan. The written notice shall also inform the
 41 tenant that if the tenant fails to either pay the total amount due and owed or enter into the payment plan offered, or an
 42 alternative payment arrangement acceptable to the landlord, within fourteen days of receiving the written notice from the
 43 landlord, the landlord may proceed to obtain possession of the premises as provided in § 55.1-1251. If the tenant fails to pay in
 44 full or enter into a written payment plan with the landlord within fourteen days of when the notice is served on him, the
 45 landlord may proceed to obtain possession of the premises as provided in § 55.1-1251, provided that the landlord also complies
 46 with subsection 3. below. If the tenant enters into a payment plan and, after the plan becomes effective, fails to pay any
 47 installment required by the plan within fourteen days of its due date, the landlord may proceed to obtain possession of the
 48 premises as provided in § 55.1-1251, provided that he has sent the tenant a new notice, pursuant to § 55.1-1202, advising the
 49 tenant of the landlord's intention to obtain possession of the premises unless the tenant pays the total amount due and owed as
 50 stated on the notice within fourteen days of receipt and provided that the landlord complies with subsection 3. below. The
 51 option of entering into a payment plan or alternative payment arrangement pursuant to this subdivision may only be utilized
 52 once during the time period of the rental agreement. Nothing in this subsection shall preclude a tenant from availing himself of
 53 any other rights or remedies available to him under the law, nor shall the tenant's eligibility to participate or participation in
 54 any rent relief program offered by a nonprofit organization or under the provisions of any federal, state, or local law,
 55 regulation, or action prohibit the tenant from taking advantage of the provisions of this subsection.

56 3. If rent is unpaid when due, or if a payment under the terms of a payment plan is unpaid when due, the landlord shall serve
 57 upon the tenant, pursuant to § 55.1-1202, a written notice informing the tenant of the Virginia Rent and Mortgage Relief
 58 Program and information on how to reach 2-1-1 Virginia to determine any additional federal, state, and local rent relief
 59 programs. The written notice shall also inform the tenant that the owner, landlord, or owner's licensed agent will apply for
 60 rental assistance with the Virginia Rent and Mortgage Relief Program on behalf of the tenant, or the landlord will cooperate

with the tenant's application for rental assistance with the Virginia Rent and Mortgage Relief Program, or with another federal, state, or local rent relief program, by providing required documentation for such application, including the W-9 IRS form and any supporting affidavit. Unless the tenant has communicated to the landlord that they are applying for rental assistance funds, the landlord shall apply for rental assistance on behalf of the tenant to the Virginia Rent and Mortgage Relief program, or another federal, state, or local rental assistance program no later than fourteen days from the time the written notice is served. If the tenant refuses to apply for rental assistance and refuses to cooperate with the landlord in applying for rental assistance through the Virginia Rent and Mortgage Relief Program, or with another federal, state, or local rent relief program, the landlord may take action to obtain possession of a dwelling unit for non-payment of rent as provided in § 55.1-1251. If the landlord or the tenant does not receive written approval from the Virginia Rent and Mortgage Relief Program or any other federal, state, or local rent relief program within forty-five days of when the application for assistance is made by the tenant or the landlord, the landlord may proceed to obtain possession of the premises as provided in § 55.1-1251. For any subsequent application by the owner, landlord, owner's licensed agent, or the tenant to the Virginia Rent and Mortgage Relief Program or any other federal, state, or local rent relief program, the administrator of the Virginia Rent and Mortgage Relief Program or the administrator of any other federal, state, or local rent relief program shall work diligently to process such application within fourteen days of submission of such application. If the landlord or tenant does not receive written approval from the Virginia Rent and Mortgage Relief program or any other federal, state, or local rent relief program within fourteen days of submission of the subsequent application, the landlord may proceed to obtain possession of the premises as provided in § 55.1-1251. If the tenant does not qualify for the Virginia Rent and Mortgage Relief Program or any other federal, or state rent relief program, or there are no longer funds available from these sources, then the provisions of this subsection, 8.b.3. do not apply.

c. If a landlord reports to a consumer reporting agency or debt collector regarding a tenant who is participating in the repayment plan or receiving assistance from a federal, state, or local rent relief program, the landlord shall report the account as "current" in accordance with the Public Law 116-136: Coronavirus Aid, Relief, and Economic Security Act.

d. If a tenant is complying with a written payment plan with the landlord or has resolved any non-payment of rent, the landlord cannot take any action to obtain possession of a dwelling unit for non-payment of rent.

e. Nothing in this section relieves either the landlord or the tenant from their obligations to maintain the dwelling as those obligations are set forth in Article 2 and Article 3 of Chapter 12 of Title 55.1.

f. Nothing in this section shall void any judgment for possession validly obtained by a landlord prior to the effective date of this section; however, the court shall not issue a writ of execution thereunder, following the effective date, unless it complies with the provisions of this Section 8.

9. That §§ 8.01-3, 24.2-306, 24.2-309.2, 30-263, 30-264, and 30-265 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding in Title 30 a chapter numbered 62 consisting of sections numbered 30-391 through 30-400 as follows:

§ 8.01-3. Supreme Court may prescribe rules; effective date and availability; indexed, and annotated; effect of subsequent enactments of General Assembly.

A. The Supreme Court, subject to §§ 17.1-503 and 16.1-69.32, may, from time to time, prescribe the forms of writs and make general regulations for the practice in all courts of the Commonwealth; and may prepare a system of rules of practice and a system of pleading and the forms of process and may prepare rules of evidence to be used in all such courts. This section shall be liberally construed so as to eliminate unnecessary delays and expenses.

B. The Supreme Court, subject to § 30-399, shall enact rules and procedures as may be necessary for implementing the requirements of Article II, Section 6-A of the Constitution of Virginia, empowering the Supreme Court to establish congressional or state legislative districts as provided for in that section.

C. New rules and amendments to rules shall not become effective until 60 days from adoption by the Supreme Court, and shall be made available to all courts, members of the bar, and the public.

D. The Virginia Code Commission shall publish and cause to be properly indexed and annotated the rules adopted by the Supreme Court, and all amendments thereof by the Court, and all changes made therein pursuant to subsection E.

E. The General Assembly may, from time to time, by the enactment of a general law, modify or annul any rules adopted or amended pursuant to this section. In the case of any variance between a rule and an enactment of the General Assembly such variance shall be construed so as to give effect to such enactment.

F. Any amendment or addition to the rules of evidence shall be adopted by the Supreme Court on or before November 15 of any year and shall become effective on July 1 of the following year unless the General Assembly modifies or annuls any such amendment or addition by enactment of a general law. Notwithstanding the foregoing, the Supreme Court, at any time, may amend the rules to conform with any enactment of the General Assembly and correct unmistakable printer's errors, misspellings, unmistakable errors to statutory cross-references, and other unmistakable errors in the rules of evidence.

1 G. When any rule contained in the rules of evidence is derived from one or more sections of the Code of Virginia, the Supreme Court
2 shall include a citation to such section or sections in the title of the rule.

9 general registrar shall be mailed to all registered voters whose election district, town, precinct, or polling place is changed at least 15
10 days prior to the next general, special, or primary election in which the voters will be voting in the changed election district, town,

17 have GIS capabilities may request the Department of Elections to create on its behalf a GIS map showing the boundaries of the new
18 districts or precincts, and the Department of Elections shall create such a map.

23 increase or decrease in the number of local election districts other than at-large districts. Any ordinance required to comply with the
24 requirements of § 24.2-307 shall be adopted on or before February 1, 2019.

25 If a change in the boundaries of a precinct is required pursuant to clause (i), (ii), (iii), or (iv), the county, city, or town shall comply
26 with the applicable requirements of law, including §§ 24.2-304.3 and 30-395, and send copies of the ordered or enacted changes to the
27 State Board of Elections and the Division of Legislative Services.

42 D. All plans submitted pursuant to this section shall comply with the criteria and standards set forth in § 24.2-304.04.

43 **§ 30-398. Consideration of plans by the General Assembly; timeline.**

Within seven days of receipt of such plan, the General Assembly shall take a vote on the bill embodying the plan, and if the General Assembly fails to adopt the plan by this deadline, the districts shall be established by the Supreme Court of Virginia pursuant to § 30-399.

D. If the Commission submits a plan for districts pursuant to subsection C of § 30-397, the General Assembly shall take a vote on such plan within seven days of its receipt. If the General Assembly fails to adopt the plan by this deadline, the districts shall be established by the Supreme Court of Virginia pursuant to § 30-399.

§ 30-399. Establishment of districts by the Supreme Court of Virginia.

A. In the event the Commission fails to submit a plan for districts by the deadline set forth in subsection A or B of § 30-397, or the General Assembly fails to adopt a plan for districts by the deadline set forth in subsection C or D of § 30-398, the Supreme Court of Virginia (the Court) shall be responsible for establishing the districts.

B. The Court shall, not later than March 1 of a year ending in one, enact rules and procedures as may be necessary for implementing the requirements of Article II, Section 6-A of the Constitution of Virginia, empowering the Court to establish congressional or state legislative districts as provided for in that section. In enacting such rules and procedures, the Court shall follow the provisions of this section.

C. Public participation in the Court's redistricting deliberations shall be permitted. Such public participation may be through briefings, written submissions, hearings in open court, or any other means as may be prescribed by the Court.

Within one week of the Commission's failure to submit plans or the General Assembly's failure to adopt plans, the leaders in the House of Delegates having the highest and next highest number of members in the House of Delegates and the leaders in the Senate of Virginia having the highest and next highest number of members in the Senate of Virginia shall each submit to the Court a list of three or more nominees, along with a brief biography and resume for each nominee, including the nominee's particular expertise or experience relevant to redistricting. The Court shall then select, by a majority vote, one special master from the lists submitted by the legislative leaders of the political party having the highest number of members in their respective chambers and one special master from the lists submitted by the legislative leaders of the political party having the next highest number of members in their respective chambers. The persons appointed to serve as special masters shall have the requisite qualifications and experience to serve as a special master and shall have no conflicts of interest. In making its appointments, the Court shall consider any relevant redistricting experience in the Commonwealth and any practical or academic experience in the field of redistricting. The Court shall be reimbursed by the Commonwealth for all costs, including fees and expenses, related to the appointment or work of the special master from funds appropriated for this purpose.

G. Any justice who is a parent, spouse, child, sibling, parent-in-law, child-in-law, or sibling-in-law of, or a cohabitating member of a household with, a member of the Congress of the United States or of the General Assembly shall recuse himself from any decision made pursuant to this section, and no senior justice designated pursuant to § 17.1-302 shall be assigned to the case or matter to serve in his place.

§ 30-400. Remedial redistricting plans.

If any congressional or state legislative district established pursuant to this chapter or the provisions of Article II, Sections 6 and 6-A of the Constitution of Virginia is declared unlawful or unconstitutional, in whole or in part, by order of any state or federal court, the Commission shall be convened to determine and propose a redistricting plan to remedy the unlawful or unconstitutional district.
